ABOUT LA MARQUETA

Founded by Mayor LaGuardia in 1934, the 80,000-square-foot La Marqueta is East Harlem's premier choice for everyday conveniences from locally sourced produce and traditional Latino cuisine to baked goods and more.

La Marqueta offers community events and programming, including the popular Salsa Saturdays dance classes and poetry nights. Loyal customers from the neighborhood mix with shoppers traveling from Manhattan, Bronx, and Queens to try local fare and enjoy an authentic East Harlem experience.
