PROJECT COST/BENEFIT ANALYSIS
December 12, 2019**

APPLICANT

Luria Academy of Brooklyn
238 St. Marks Avenue
Brooklyn, NY 11238

PROJECT LOCATIONS

664-668 and 670 Bergen St.
Brooklyn, NY 11238

Project Description:

Luria Academy of Brooklyn (the “School”), a New York not-for-profit corporation exempt from federal taxation pursuant to Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the “Code”), as borrower, is seeking approximately \$9,685,000 in tax-exempt bonds (the “Bonds”). Proceeds from the Bonds will be used to: (i) finance the renovation, furnishing, and equipping three floors and the roof (with each floor consisting of 9,000 square feet, and the roof consisting of 7,000 square feet, for a total of 34,000 square feet), of an existing building located on a 9,125 square foot parcel of land at 664-668 Bergen Street, Brooklyn, New York, which space is expected to serve as the site of the School’s fourth through eighth grades, including a gymnasium, library, kitchen, music room, art room, STEAM lab, and administrative offices; the roof of the building is expected to be used as a playground, and there is an adjacent lot to the building, located at 670 Bergen Street, which the School plans to use for recreational activities and as a primary means of entry; (ii) fund a capitalized interest and debt service reserve fund; and (iii) pay for certain costs and expenses associated with the issuance of the Bonds. The financed improvements will be owned and operated by the School, which provides education services to students in preschool through grade 8.

B. Costs to City (New York City taxes to be exempted):

Estimated NYC Forgone Income Tax on Bond	\$157,381
Interest (estimated NPV 25 years @ 6.25%)	
Mortgage Recording Tax Benefit	\$50,125
Total Cost to NYC	\$207,506

*The exact amount of personal income tax revenue that will be lost as a result of this transaction depends on factors including (but not limited to) the percentage of bond bought by entities subject to New York City personal income taxes, the interest income generated from the bonds and the tax rate applied to bond purchasers.

C. Benefit to City (Estimated NYC direct and indirect taxes to be generated by Company) (estimated NPV 25 years @ 6.25%):

\$3,576,175

D. Benefit to City from Jobs to be Created (Estimated NYC direct and indirect taxes to be generated by Company) (estimated NPV 25 years @ 6.25%):

\$2,257,921

Feel free to include information from the Applicant's website or other official documentation describing the Applicant. Include information such as when the Applicant was founded, who founded the Applicant, a brief history of the Applicant, the Applicant's primary services and market, and the number of the Applicant's employees in NYC and elsewhere. **Limit the description to 250 words.**

¹ Select the individual to whom questions should be directed and who may speak on behalf of the Applicant.

Luria Academy of Brooklyn (the "School") is a nonprofit organization incorporated in the State of New York. Luria Academy is dedicated to academic excellence and Jewish Heritage. By incorporating the teaching methods of Montessori with the traditional modes of respected Jewish day schools, they aim to create a new model for Jewish education. The School has been notified by the Internal Revenue Service that it is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Luria Academy of Brooklyn serves 270 students in preschool through 8th grade. Luria offers a sophisticated education in a progressive environment. Luria's students come from a wide range of religious and economic backgrounds. At Luria, students are encouraged to be curious, to embrace one another's differences and to engage in respectful dialogue. More information about Luria is available on its website at www.luriaacademy.org.

E. PROPOSED PROJECT ACTIVITIES

Describe the proposed Project, including its purpose and Project Location, in the text box below. Refer to the example below.

Luria currently operates from two locations in Brooklyn - 238 St. Marks Avenue and 235 St. Marks Avenue. 238 St. Marks currently houses the preschool and 235 St. Marks currently houses the K-8 program. The school has tripled in size over the last six years and demand for enrollment continues to grow. Luria has outgrown its physical space and has identified an additional space located at 664 Bergen Street. Luria is currently working on a 30-year lease with the owners of the Bergen property and expects to begin construction this summer. Luria expects that the Bergen property will be completed in time for the start of the 2020/21 academic year in September 2020. After the project is completed in September 2020, Luria will terminate the lease for 238 St. Marks Avenue, which management believes can be achieved for little or no cost. Upon completion of the project, Luria will locate preschool through third grade in 235 St. Marks Avenue and grades four through eight in 664 Bergen Street.

Luria Academy, a New York not-for-profit corporation exempt from federal taxation pursuant to Section 501(c)(3) of the Internal Revenue Code of 1986, as amended, is an independent school that serves students in Nursery School through 8th Grade. Applicant is seeking approximately \$9.75 million in tax-exempt revenue bonds (the "Bonds"). Proceeds of the Bonds will be used to:

- i. finance the renovation, equipping, and/or furnishing of a 30,000 square foot facility (the "Facility") located at 664 Bergen Street in Brooklyn
- ii. pay for certain costs related to the issuance of the Bonds, including reserves
- iii. The anticipated closing date is December 2019 or January 2020. The project is anticipated to be completed in 12 months.
- iv. The Project will allow Applicant to expand enrollment to 358 students and to offer more comprehensive services to its students

H. EMPLOYMENT INFORMATION

The following information will be used as part of the Issuer’s calculation of the Project’s benefit to the City, and as a basis for comparison with the employment information that the Applicant will be required to report on an annual basis for the term of the Project Agreement (as defined in the Policies and Instructions).

1. **Job Creation Schedule**

For all responses in the table below, part-time (“PT”) employees are defined as those working between 17.5 and 35 hours per week on average, and full-time (“FT”) employees are defined as those working 35 hours or more per week. Hourly wages in Columns E & F should represent the pay rate and are exclusive of overtime. For salaried employees, divide the annual salary by 1,820 working hours per year to calculate an hourly wage.

Information included in Column C below will be used to determine eligibility for participation in the HireNYC Program. For program information, see Additional Obligations document. If eligible for the HireNYC Program participation, NYCEDC will provide additional details.

CERTIFICATION

I, the undersigned officer/member/partner of Applicant, on behalf of Applicant and its Affiliates, hereby request, represent, certify, understand, acknowledge and agree as follows:

I request that this Application, together with all materials and data submitted in support of this Application (collectively, these "Application Materials"), be submitted for review to the Issuer's Board of Directors (the "Board"), in order to obtain from the Board an expression of intent to provide the benefits requested herein for the Project.

I certify that I have the authority to sign these Application Materials on behalf of, and to bind, Applicant and its Affiliates.

I certify under penalty of perjury to the best of my knowledge and belief, after due investigation, that the information contained in these Application Materials is accurate, true and complete and does not contain a misstatement of a material fact or omit to state a material fact necessary to make the statements contained herein not misleading. I understand that an intentional misstatement of fact, or, whether intentional or not, a material misstatement of fact, or the providing of materially misleading information, or the omission of a material fact, may cause the Board to reject the request made in the Application Materials. I understand that the Issuer will rely on the information contained within these Application Materials in producing and publishing a public notice and convening a public hearing. If any information in these Application Materials is found to be incorrect, Applicant may have to provide new information and a new public notice and public hearing may be required. If a new public notice and public hearing is required, they will be at Applicant's expense.

I acknowledge that the submission of any knowingly false or knowingly misleading information may lead to the immediate termination of any financial assistance and the reimbursement of an amount equal to all or part of any tax exemptions claimed by reason of Issuer involvement in the project.

I understand the following: that Applicant and Principals will be subject to a background check and actual or proposed subtenants may be subject to a background check, and if such background check performed by the Issuer with respect to Applicant or any Affiliates reveals negative information, Applicant consents to any actions that the Issuer or NYCEDC may take to investigate and verify such information; that the Issuer may be required under SEQRA to make a determination as to the Project's environmental impact and that in the event the Issuer determines that the Project will have an environmental impact, Applicant will be required to prepare, at its own expense, an environmental impact statement; that the decision of the Board to approve or to reject the request made in the Application Materials is a discretionary decision; that no Bonds may be issued (if Bonds are being requested) unless such Bonds are approved by the Mayor of the City; that under the New York State Freedom of Information Law ("FOIL"), the Issuer may be required to disclose the Application Materials and the information contained therein (see the Disclosure Policy section of the Policies and Instructions document provided to Applicant and signed by Applicant on or about the date hereof (the "Policies and Instructions")); and that Applicant shall be entirely responsible and liable for the fees referred to in these Application Materials.

I further understand and agree as follows:

That notwithstanding submission of this Application, the Issuer shall be under no obligation to present Applicant's proposed Project to the Board for approval. If the Issuer presents Applicant's proposed Project to the Board for approval, the Issuer does not guaranty that such approval will be obtained. If upon presenting Applicant's proposed Project to the Board for approval the Issuer obtains such approval, such approval shall not constitute a guaranty from the Issuer to Applicant that the Project transaction will close.

That preparation of this Application and any other actions taken in connection with the proposed Project shall be entirely at Applicant's sole cost and expense. Under all circumstances, the Application Fee is non-refundable, including but not limited to the circumstance where the Issuer decides, in its sole discretion, to not present Applicant's proposed project to the Board for Approval.

That each of Applicant and each of its Affiliates (collectively, the "Indemnitors") hereby releases Build NYC and NYCEDC and their respective directors, officers, employees and agents (collectively, the "Indemnitees") from and against any and all claims that any Indemnitor has or could assert and which arise out of, or are related to, any Application Materials, any actions taken in connection therewith or any other actions taken in connection with the proposed Project (collectively, the "Actions"). Each Indemnitor hereby indemnifies and holds harmless each of the Indemnitees from and against any and all claims and damages brought or asserted by third parties, including reasonable attorneys' fees, arising from or in connection with the Actions. As referred to herein, "third parties" shall include, but shall not be limited to, Affiliates.

That in the event the Issuer discloses the Application Materials in response to a request made pursuant to FOIL, Applicant hereby authorizes the Issuer to make such disclosure and hereby releases the Issuer from any claim or action that Applicant may have or might bring against the Issuer, their directors, officers, agents, employees and attorneys, by reason of such disclosure; and that Applicant agrees to defend, indemnify and hold the Issuer and the NYCEDC and their respective directors, officers, agents, employees and attorneys harmless (including without limitation for the cost of reasonable attorneys' fees) against claims arising out of such disclosure as such claims may be made by any party including Applicant, Affiliate, Owner or Principal, or by the officers, directors, employees and agents thereof.

That capitalized terms used but not defined in this Application have the respective meanings specified in the Policies and Instructions.

I acknowledge and agree that the Issuer reserves its right in its sole and absolute discretion to request additional information, waive any requirements set forth herein, and/or amend the form of this Application, to the full extent permitted by applicable law.

Requested, Represented, Certified, Acknowledged, Understood and Agreed by Applicant,

I certify that, using due care, I know of no misstatement of material fact in the Application Materials, and know of no material fact required to be stated in the Application Materials to make the statements made therein not misleading. **Certified by Preparer,**

Part 2 - Impact Assessment. The Lead Agency is responsible for the completion of Part 2. Answer all of the following questions in Part 2 using the information contained in Part 1 and other materials submitted by the project sponsor or otherwise available to the reviewer. When answering the questions the reviewer should be guided by the concept “Have my responses been reasonable considering the scale and context of the proposed action?”

	No, or small impact may occur	Moderate to large impact may occur
1. Will the proposed action create a material conflict with an adopted land use plan or zoning regulations?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
2. Will the proposed action result in a change in the use or intensity of use of land?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
3. Will the proposed action impair the character or quality of the existing community?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
4. Will the proposed action have an impact on the environmental characteristics that caused the establishment of a Critical Environmental Area (CEA)?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
5. Will the proposed action result in an adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking or walkway?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
6. Will the proposed action cause an increase in the use of energy and it fails to incorporate reasonably available energy conservation or renewable energy opportunities?	<input checked="" type="checkbox"/>	<input type="checkbox"/>

11. Will the proposed action create a hazard to environmental resources or human health?	<input checked="" type="checkbox"/>	<input type="checkbox"/>

Part 3 - Determination of significance. The Lead Agency is responsible for the completion of Part 3. For every question in Part 2 that was answered “moderate to large impact may occur”, or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

<input type="checkbox"/>	Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.
<input type="checkbox"/>	Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.
