Background

Please provide a brief description of the Applicant's history and nature of its business, including a description of the industry, competitors and services offered, on a separate sheet.

Founder Ken Cayre has decades of experience as a successful entrepreneur. Ken first made his mark in the entertainment industry, launching the legendary disco label Salsoul Records in 1974. Salsoul, featured such hits artists as The Salsoul Orchestra, Skyy, Instant Funk and First Choice. During Salsoul's ten active recording years it was nominated for a grammy as well as produced 4 Gold Albums and 3 Gold Singles.

In 1984, Ken and his brothers started GoodTimes Entertainment Co., which distributed VHS and Betamax video products for over 20 years to Wal-Mart, K-Mart, Toys R Us, Target and other national retailers.

In 2003, Cayre founded Cayre Investments with his two sons, Jack and Nathan. The firm targets prime retail-oriented real estate predominately in Manhattan and the outer New York City boroughs.

During 2003 Cayre Investments started "Treasure Island Storage", which currently owns and operates self-storage facilities in New Jersey and New York including ten facilities encompassing over one million square feet.

Ken, an artist at heart, also has an affinity to Fine and Decorative Arts. Over the years, specifically after Sandy, Ken witnessed more and more galleries and Fine Art storage facilities vacating Manhattan for locations in New Jersey like Newark and Jersey City. Since being introduced to the NYC IDA and learning of the benefits provided for Manhattan investment, Cayre Investments will refocus its capital and management efforts from other projects in New Jersey back to New York City, specifically Manhattan. Complimenting the recent investment in the immediate area with the recent completion on the MTA's \$218 million dollar state of the art LEED certified bus depot in Harlem, Cayre Investments will convert an existing parking lot on an adjacent street into Manhattan's first purpose built museum quality Fine and Decorative Art storage facility.
