

WORKFORCE DEVELOPMENT SERVICES

At **NYCEDC**, we leverage our expertise and connections to help your company tap into the New York City talent pool—the largest and most diverse in the nation—and build the workforce you need to succeed in NYC.

UNDERSTANDING YOUR HIRING NEEDS

We kick off the process by working closely with your company to acquire an in-depth understanding of your employment and hiring needs, challenges, and goals.

YOUR FRONT DOOR TO THE NYC WORKFORCE

Once we have a better understanding of your employment needs, NYCEDC can help you access and recruit talent quickly and efficiently in order to meet those needs. With our knowledge of the NYC workforce development landscape, we can:

- Streamline your company's recruitment process, serving as your main point of contact to the array of free services offered by the City and our network of workforce development partners
- Save your business time and money by partnering with you to help you find the right candidates for your open positions

LEVERAGING OUR PROGRAMS

Free recruitment services and other workforce recruitment programs include:

- **HireNYC:** A free NYCEDC program connecting businesses to the City's workforce development services, delivering job-ready, qualified New Yorkers that meet your recruitment and hiring needs
- **Workforce1:** Matching qualified individuals—from a diverse pool of more than 100,000 candidates—to open positions in industries from food services, to healthcare, manufacturing, retail, transportation, and warehousing
- **Customized Training Grant Program:** A federally funded grant to help NYC-based businesses train and retain their employees
- **NYC Tech Talent Pipeline:** Supporting the inclusive growth of the NYC tech sector by delivering quality jobs for New Yorkers and qualified talent for the city's tech companies

We're here to help you establish the connections you need to succeed in the diverse NYC business ecosystem.
