February 2021

EMPLOYMENT ANALYSIS REPORT

The *Employment Analysis Report* provides a monthly update on the status of the New York City labor market through employment, unemployment, and wage statistics. It is drafted by the Economic Research & Policy Group at NYCEDC.

Report Summary

- This month's release of February employment data revealed that New York City gained 20,800 private sector jobs, following an increase of 7,000 in January.
 - The sector that added the most jobs was Accommodation and Food Services, which grew by 10,100 jobs.
 - The Education Services sector experienced the largest decline, losing 6,400 jobs.
- The city's unemployment rate rose to 12.9 percent in February, while labor force participation rose to 58.5 percent.
 - Employed residents fell by 2,700, while the number of unemployed residents rose by 10,900.
- Private sector payroll fell by 626,800 from February 2020 to February 2021, a decrease of 15.3 percent. Private sector jobs fell by 6.0 percent nationwide.

Private and Total Payroll Employment

(Numbers include all persons employed in the city, regardless of place of residence.)

Private sector payroll employment in New York City rose by 20,800 in February 2021 from a month earlier, according to employment data released by the New York State Department of Labor (NYSDOL), analyzed by New York City Economic Development Corporation's (NYCEDC) Economic Research and Policy group (data incorporate seasonal adjustments). Government jobs in the city fell by 3,000, resulting in a net increase of 17,700 private and public sector payroll jobs.

Revised data for January 2021 indicate that private jobs rose by 7,000 and total jobs rose by 13,700 from the prior month. For the 12 months ending in February 2021, the city's private sector payroll jobs fell by 626,800, a decrease of 15.3 percent. Employment at the national level shrunk 6.0 percent during the period.

Table 1 summarizes city, state, and federal payroll employment data. (Numbers include all persons employed in the city/state, regardless of place of residence.)

Table 1. Employment Overview

	NYC		NYS		U.S.	
Total Nonfarm Jobs	4,024,200		8,772,300		143,048,000	
Total Private Sector Jobs	3,441,200		7,338,700		121,602,000	
Private Sector Changes						
Change from January 2021 (SA)	20,800	0.6%	11,500	0.2%	465,000	0.4%
Change from February 2020 (NSA)	(626,800)	-15.3%	(1,004,300)	-12.2%	(7,681,000)	-6.0%
Change from December 2013 (SA)	(70,100)	-2.0%	(226,700)	-3.0%	6,049,000	5.2%

About NYCEDC

New York City Economic Development Corporation creates shared prosperity across New York City's five boroughs by strengthening neighborhoods and creating good jobs. NYCEDC works with and for communities to provide them with the resources they need to thrive, and we invest in projects that increase sustainability, support job growth, develop talent, and spark innovation to strengthen the City's competitive advantage. To learn more about our work and initiatives, please visit us on Facebook, Twitter, or Instagram.

The Economic Research & Policy Group at NYCEDC

The Economic Research & Policy (ERP) group performs industry and economic research to provide insights into key policy issues, conducts economic analysis of New York City projects, and tracks economic trends for policymakers and the public as a whole. ERP also supports NYCEDC in the evaluation of projects by setting up tools to assess, measure, and report on ideation and results. The team advances high-impact thought leadership on inclusive and innovation-driven economic development.
