GSB is a private school and was the first German International School in The City of New York to provide bilingual education to students. For the 2020-21 school year, the School served approximately 191 students in grades K-8.

GSB provides instruction in German and English, as well as offering instruction for other foreign languages, and emphasizes fine arts, including music, art, dance, and theater. The School provides an internationally-oriented global education; differentiated learning, individual, partner and group work, projects, presentations and performances.

The School's demographics consist of three groups: (i) a majority of local families who have one German speaking parent or guardian and the German language is spoken within the family or by family members nearby, (ii) a smaller group of families who are interested in a multilingual education that offers the cognitive benefits of a bilingual program, and (iii) a smaller group of German expatriate families who have moved to the City.

I request that this Application, together with all materials and data submitted in support of this Application (collectively, these "Application Materials"), be submitted for review to the Issuer's Board of Directors (the "Board"), in order to obtain from the Board an expression of intent to provide the benefits requested herein for the Project.

I certify that I have the authority to sign these Application Materials on behalf of, and to bind, Applicant and its Affiliates.

I certify under penalty of perjury to the best of my knowledge and belief, after due investigation, that the information contained in these Application Materials is accurate, true and complete and does not contain a misstatement of a material fact or omit to state a material fact necessary to make the statements contained herein not misleading. I understand that an intentional misstatement of fact, or, whether intentional or not, a material misstatement of fact, or the providing of materially misleading information, or the omission of a material fact, may cause the Board to reject the request made in the Application Materials. I understand that the Issuer will rely on the information contained within these Application Materials in producing and publishing a public notice and convening a public hearing. If any information in these Application Materials is found to be incorrect, Applicant may have to provide new information and a new public notice and public hearing may be required. If a new public notice and public hearing is required, they will be at Applicant's expense.

I acknowledge that the submission of any knowingly false or knowingly misleading information may lead to the immediate termination of any financial assistance and the reimbursement of an amount equal to all or part of any tax exemptions claimed by reason of Issuer involvement in the project.

I understand the following: that Applicant and Principals will be subject to a background check and actual or proposed subtenants may be subject to a background check, and if such background check performed by the Issuer with respect to Applicant or any Affiliates reveals negative information, Applicant consents to any actions that the Issuer or NYCEDC may take to investigate and verify such information; that the Issuer may be required under SEQRA to make a determination as to the Project's environmental impact and that in the event the Issuer determines that the Project will have an environmental impact, Applicant will be required to prepare, at its own expense, an environmental impact statement; that the decision of the Board to approve or to reject the request made in the Application Materials is a discretionary decision; that no Bonds may be issued (if Bonds are being requested) unless such Bonds are approved by the Mayor of the City; that under the New York State Freedom of Information Law ("FOIL"), the Issuer may be required to disclose the Application Materials and the information contained therein (see the Disclosure Policy section of the Policies and Instructions document provided to Applicant and signed by Applicant on or about the date hereof (the "Policies and Instructions")); and that Applicant shall be entirely responsible and liable for the fees referred to in these Application Materials.

I further understand and agree as follows:

That notwithstanding submission of this Application, the Issuer shall be under no obligation to present Applicant's proposed Project to the Board for approval. If the Issuer presents Applicant's proposed Project to the Board for approval, the Issuer does not guaranty that such approval will be obtained. If upon presenting Applicant's proposed Project to the Board for approval the Issuer obtains such approval, such approval shall not constitute a guaranty from the Issuer to Applicant that the Project transaction will close.

That preparation of this Application and any other actions taken in connection with the proposed Project shall be entirely at Applicant's sole cost and expense. Under all circumstances, the Application Fee is non-refundable, including but not limited to the circumstance where the Issuer decides, in its sole discretion, to not present Applicant's proposed project to the Board for Approval.

That each of Applicant and each of its Affiliates (collectively, the "Indemnitors") hereby releases Build NYC and NYCEDC and their respective directors, officers, employees and agents (collectively, the "Indemnitees") from and against any and all claims that any Indemnitor has or could assert and which arise out of, or are related to, any Application Materials, any actions taken in connection therewith or any other actions taken in connection with the proposed Project (collectively, the "Actions"). Each Indemnitor hereby indemnifies and holds harmless each of the Indemnitees from and against any and all claims and damages brought or asserted by third parties, including reasonable attorneys' fees, arising from or in connection with the Actions. As referred to herein, "third parties" shall include, but shall not be limited to, Affiliates.

That in the event the Issuer discloses the Application Materials in response to a request made pursuant to FOIL, Applicant hereby authorizes the Issuer to make such disclosure and hereby releases the Issuer from any claim or action that Applicant may have or might bring against the Issuer, their directors, officers, agents, employees and attorneys, by reason of such disclosure; and that Applicant agrees to defend, indemnify and hold the Issuer and the NYCEDC and their respective directors, officers, agents, employees and attorneys harmless (including without limitation for the cost of reasonable attorneys' fees) against claims arising out of such disclosure as such claims may be made by any party including Applicant, Affiliate, Owner or Principal, or by the officers, directors, employees and agents thereof.
