PROJECT LOCATION

New York, NY 10001

A. Project Description:

ERY Tenant LLC (the "Company") is the developer of a to-be-built, approximately 1.84 million square foot, LEED certified, class-A office tower, which will also include approximately 41,000 square feet of ground-level retail (the "Project") located at the southeast corner of the Eastern Rail Yard. The proposed Project will be the first development within the Agency's "Hudson Yards Uniform Tax Exemption Policy ("UTEF") Area."

The Project will be ground leased to the applicant for a 99 year term from the MTA, with a purchase/fee conversion option. At substantial completion, it is anticipated that one or more portions of the project will be purchased, with the rest remaining under the ground lease. The fee purchase amount for the full project is shown as part of total project costs, with the ground lease shown as a source of financing for the portion of the project expected to remain on the ground lease past the development period.

The financial assistance that is provided by the UTEF consists of: real property tax exemption, the recipient of which shall pay a payment in lieu of taxes ("PILOT") determined by the PILOT calculation tables provided in the UTEF; and mortgage recording tax exemption for the mortgages securing construction and permanent financing for a CCP, the recipient of which shall be required to make payment in lieu of mortgage recording tax ("PILOMRT") in an amount equal to 100% of the mortgage recording taxes that would otherwise be due. City Council approved the redirection of PILOT and PILOMRT to the Hudson Yards Infrastructure Corporation in order to repay the bonds that were issued to fund infrastructure and public space improvements at the site, and therefore these funds are considered a benefit to the city.

Total Project costs are estimated to be \$1.268 billion, including new construction, and soft costs, and the Project will be funded with an approximately \$288 million loan and \$903 million in Company and affiliate equity, and \$77 million from the aforementioned ground lease.

The Agency conducted an analysis based on information supplied from the Company and estimates that during construction, the Project will generate approximately 1,500 additional net new construction jobs to the city economy, and approximately 1,770 additional net new tenant jobs as a result of operations to the city economy.

B. Costs to City (New York City taxes to be exempted) (estimated NPV 23 years @ 6.25%):	
Real Property Taxes (PILOT Benefit ¹)	\$106,186,397
Total Cost to NYC	\$106,186,397

C. Benefit to City (Estimated NYC direct and indirect taxes to be generated by Company) (estimated NPV 23 years @ 6.25%):	
Impact of Construction Activity and Operations	\$8,437,201
Impact of Ongoing Operations	520,504,162
Payment in Lieu of Mortgage Recording Tax (PILOMRT)	2,057,070
Total Tax Revenue Gross of IDA Benefits	\$530,998,433

¹ The cost to the city of the PILOT is the difference between the property tax liability in the absence of PILOT benefits and the estimated PILOT, which represents the foregone property tax revenues. PILOT are estimated based on the PILOT Calculation Tables (Zone 3 – Category A) as described for the Hudson Yards UTEP Area.

The General Application captures specific and general information about Applicant and the Project. This section begins with a survey of general information, followed by a section that describes Applicant's interest or relationship to the project site. This helps establish eligibility and which Financial Assistance will be applied to the project.

Question 17 (d)

1. Snowmass

(a) In connection with the development of a mixed-use project in Snowmass, Colorado, an affiliate of Related, Base Village Owner LLC ("BVO"), entered into a construction loan with Hypo Real Estate Capital Corporation ("Hypo") and Dekabank Deutsche Girozentrale ("DDG"). In the third quarter of 2008, Related's equity partners in BVO ceased funding their share of project costs. Related carried the entire cost of the project until March, 2009, at which time Related turned to Hypo and DDG to restructure the existing loan. The loan balance at December 31, 2009 was approximately \$367,745,000. Related has a limited payment guaranty of \$32,500,000. Hypo and DDG completed a non-judicial foreclosure procedure on November 16, 2011 and a receiver has been appointed. The lenders have also commenced litigation claiming that Related and Pat Smith owe \$200,000,000 under a payment guaranty and \$100,000,000 under a completion guaranty. As a part of the first action, the lenders have made a summary judgment motion against Related for \$32,500,000, which motion was heard on February 28, 2012 and is sub judice. In an additional action, the lender is seeking possession of \$32,550,000 in municipal bonds currently held by Related WestPac LLC.

(b) BVO also entered into non-recourse mezzanine debt secured by a second mortgage with ARCap and American Mortgage Acceptance Company aggregating \$75,905,000. Although the debt has not matured, a default occurred when BVO stopped making interest payments to Hypo and DDG. These lenders pursued a UCC foreclosure. This loan is not recourse to Related.

(c) Alpine Bank made three loans on the Snowmass project which defaulted as a result of Related's equity partners' failure to fund their share of interest payments. The first was a loan with a balance of \$2,298,000 in connection with the construction of the Roundabout Office Building at the project, which loan was foreclosed in February, 2011. The second was a loan in the amount of \$2,857,000 to Offices at Snowmass, LLC, which loan was foreclosed in February,

2011. The third was a loan in the amount of \$2,612,000 to Sonnenblick, LLC, which loan was foreclosed in March, 2011. These loans were not recourse to Related.

(d) Plains Capital Bank made a loan, with a balance of \$13,023,000, in connection with the River Bend Colorado section of the project. Plains Capital foreclosed its loan on December 23, 2009. This loan was not recourse to Related.

(e) Another affiliate of Related, Snowmass Holding Company LLC, entered into a loan with GMAC Commercial Mortgage Bank. The loan balance at December 31, 2009 was approximately \$21,748,000. The loan matured on June 1, 2010 and the parties entered into a forbearance agreement and restructured the loan. On January 20, 2010, the maturity date was extended to June 1, 2012, with a further extension being sought. This loan is not recourse to Related.

(f) Related WestPac is recourse on a \$15,200,000 letter of credit issued by US Bank. The letter of credit is now the direct obligation of the Snowmass Base Village Metropolitan District and controlled by the Base Village receiver. This obligation is not recourse to Related.

2. **CityPlace Retail**

On February 22, 2011, CityPlace Retail, LLC initiated the process of placing its \$150,000,000 loan with the special servicer, LNR Partners, LLC. Although the lenders commenced foreclosure proceedings in September 2011, the borrower restructured the loan and stopped the foreclosure action in December 2011 by obligating itself to pay an additional \$12,000,000 to service the loan. This loan is not recourse to Related.

3. **CityNorth**

In connection with the development of a mixed-use project in Phoenix, Arizona, Phoenix High Holdings LLC, a joint venture in which Related indirectly holds an interest, entered into a construction loan and a mezzanine loan. The construction loan was with Capmark Finance Inc. ("Capmark") with a balance of \$212,808,000. A mezzanine loan was held by Centerline Capital Group and has a balance of \$42,331,000. Capmark, which has filed for bankruptcy, filed for foreclosure and acquired the property on July 1, 2010. The project is 100% complete. The loans were not recourse to Related.

4. **LR Development**

(a) Arcade L.L.C., a 50/50 joint venture between an affiliate of Related, LR Arcade L.L.C., and Global Hyatt Corporation ("Arcade") is in default under a Construction Loan Agreement dated February 29, 2000 entered into between the prior developer of the property and LaSalle Bank National Association ("LaSalle"). Related acquired numerous assets of the prior developer, including the interest in Arcade, when it formed LR Development Company LLC ("LR") as its Midwest office. Bank of America ("B of A") subsequently acquired LaSalle and with it, the Arcade construction loan. The original principal balance of the loan was \$33,300,000 and the property was performing poorly when Related acquired the interest. Arcade has paid the recourse obligations under the loan in the amount of \$19,050,000, leaving an outstanding non-

recourse balance of \$14,250,000. The loan matured on October 31, 2007. B of A and Related have been in amicable discussions regarding the loan. B of A has asked Related to assist with the marketing and sale of the subject property. Related has made its best effort to locate a buyer and found one bidder, but a sale has not taken place, nor has the loan been renegotiated, in part because Global Hyatt Corporation is unwilling to modify its management agreement for the hotel, which agreement survives any sale or foreclosure. B of A has commenced foreclosure proceedings, the foreclosure sale took place on September 12, 2011. There were no bidders at \$7.7 million and a further sale will take place in the future. This loan was not recourse to Related.

(b) LR's affiliate, Shannon Partners, entered into a loan with Cole Taylor Bank in the amount of \$55,000,000 (the "Cole Taylor Loan"). The balance of the loan at December 31, 2009 was \$27,781,000. The loan matured on March 31, 2010. The Cole Taylor Loan was restructured whereby (i) the loan was paid down by \$5,000,000, (ii) the borrower executed a \$10,000,000 note with a three year maturity date and (iii) Related provided an interest-only guaranty. The loan restructuring closed at the end of August, 2010.

(c) LR entered into a loan with New Century Bank in the amount of \$2,000,000. The loan had a balance of \$1,097,000 at December 31, 2009 and matured on February 1, 2010. The parties extended the maturity date to February 1, 2012. This loan is not recourse to Related.

5. **Waltham**

In connection with the development of a retail project in Waltham, Massachusetts, PB and Landesbank Hessen-Thuringen Girozentrale ("Helaba") each made loans in the principal amount of \$35,000,000 to an affiliate of Related, WCD Property LLC, which loans in the aggregate amount of \$70,000,000 matured on June 23, 2009. In addition, affiliates of JER Real Estate Partners made mezzanine loans in the aggregate amount of \$50,000,000, which loans matured when the PB and Helaba loans matured. In December of 2008, Related's partner in WCD Property LLC, Polaroid Corporation, filed for bankruptcy and defaulted on substantial financial obligations to the venture. WCD Property LLC filed a claim against Polaroid Corporation in the bankruptcy court which remains outstanding. Separately, in late 2008 and early 2009, Related made various proposals to JER to restructure their participation in the venture in order to extend the PB and Helaba loans and continue the development. JER declined Related's proposals and in June of 2009 assumed control of the venture. PB and Helaba foreclosed on the property on October 9, 2009 with Related paying its full \$10,000,000 guaranty amount.

SCHEDULE EQA-4

RMC:

The IRS audited RMC's payroll records in 2010 and required a modest change in the designation of eligible employees for the company's 401k program. Long-term temporary employees are now permitted to participate. Note that on previous audits, this was not a finding and may be a new interpretation of the IRS.

Related Partners:

The Department of Labor ("DOL") audited the AP records and GL of an affiliate, Related Sales, and found that we classified contract labor as such and DOL disagreed. We paid the back UI premium and the audit was closed. This was for the years 2008, 2009 and 2010.

SCHEDULE EQA-5

An IRS audit of our 401k Plan (Related Partners, Inc. Retirement Savings Plan) showed that we did not offer the opportunity to participate to RMC temporary employees. While we felt we were following correct policy as to who was eligible to participate, the IRS did not agree. We are almost concluded with the correction process and providing missed contributions and missed match and earnings to these employees for years 2004-2010.

SCHEDULE EQA-6

Yes, the Company and its affiliates have had a variety of employment discrimination complaints filed over the past three calendar years. Discrimination was alleged based on race, color, national origin, and/or disability. One case claimed sexual harassment, which was dismissed by the EEOC, but has been pursued by the Complainant in litigation. Another case that alleges disparate treatment and sexual harassment was not decided by the EEOC, but the Complainant has proceeded to litigation in federal court. There were no findings of probable cause, and most of the complaints were dismissed by the state/federal agencies with whom they were filed for no probable cause. Some proceeded to litigation despite the administrative dismissals. Several were settled for minimal amounts, after mediation or independently. No cases have proceeded to trial, and we are confident that the remaining open cases are baseless and will be resolved without major financial impact.
