Core Application - Project Description and Financial Information

Please complete this section of the Application for each of the Project sites, defined as a facility (perhaps encompassing more than one address and/or block and lot) with either a distinct employment base (as evidenced through D.O.L. reporting) or with a separate and distinguishable source of funding for the acquisition, renovation or construction of the facility. If more than one site exists for this Project, please make the requisite number of copies of this section and fill it out for each site.
