Report of Independent Auditors

To the Board of Directors of
NYC Neighborhood Capital Corporation:

Opinion

We have audited the accompanying financial statements of NYC Neighborhood Capital Corporation, a component unit of the City of New York, which comprise the statements of net position as of June 30, 2022 and 2021, and the related statements of revenues, expenses and changes in net position, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net position of NYC Neighborhood Capital Corporation as of June 30, 2022 and 2021, and the changes in its net position and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of NYC Neighborhood Capital Corporation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about NYC Neighborhood Capital Corporation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of NYC Neighborhood Capital Corporation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about NYC Neighborhood Capital Corporation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Management's Discussion and Analysis

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Matters

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information is presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated October 6, 2022, on our consideration of NYC Neighborhood Capital Corporation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering NYC Neighborhood Capital Corporation's internal control over financial reporting and compliance.

Management's Discussion and Analysis

Fiscal Year 2022 Activities

The Corporation sub-allocated a total of \$28,500,000 of NMTCs to Sub-CDE 10, Sub-CDE 11 and Sub-CDE 12 resulting in \$1,275,719 or 35% increase in current assets. NMTCs contributed to the investment and development of Greater Jamaica Development Corporation located in Jamaica Queens (Sub-CDE 10), Greenpoint Manufacturing and Development Center located in Brownsville (Sub-CDE 11), Brooklyn and the Achievement First Linden Middle School located in the East New York section of Brooklyn (Sub-CDE 12).

Current liabilities decreased by \$9,045 or 19% primarily due to a reduction in payables and related party transactions between NYCNCC and New York City Economic Development Corporation (NYCEDC), a not-for-profit corporation which provides NYCNCC with all required professional, administrative and technical staff assistance.

As a result of these activities, net position increased by \$1,287,493 or 35% in fiscal year 2022.

Fiscal Year 2021 Activities

The Corporation allocated a total of \$40,000,000 of NMTCs to Sub-CDE 6 and Sub-CDE 9 resulting in an \$1,345,373 or 58% increase in current assets contributing to the development of the Community Healthcare Network Tree of Life located in Jamaica Queens and the New York State Regional Food Hub located in the Hunts Point neighborhood of the Bronx.

Non-current assets decreased by \$11,079 or 50%, directly correlated to a reduction in capital assets offset by investments in Sub-CDE 6 and Sub-CDE 9.

Current liabilities increased by \$26,568 or 121% primarily due to an increase in deposits which reserves a portion of the allocation to be returned at the closing of Sub-CDE 10.

As a result of these activities, net position increased by \$1,307,726 or 56% in fiscal year 2021.

Operating Activities

NYCNCC's primary goal is to provide investment capital to low-income communities by forming and managing subsidiary companies. These companies aid in furnishing eligible entities with essential financing to construct and equip developments within the five boroughs.

As the Managing Member, NYCNCC charges various fees for services rendered which include placement and services fees, sponsor fees and asset management fees.

Change in net position	1,287,493	1,307,726	702,250	(2)%	56%

Fiscal Year 2022 Activities

In fiscal year 2022, operating revenues decreased by \$363,532 or 15% primarily as a result of less fee revenue generated from a reduction of \$11,500,000 in Qualified Equity Investments (QEI) made into new subsidiary companies as compared to prior year.

Total operating expenses decreased by \$341,917 or 30% primarily due to the decrease in the total amount of QEIs made in 2022 as compared to 2021, resulting in a reduction of program related expenses.

Non-operating revenues increased \$1,382 or 55% directly correlated to an increase of interest income due to market conditions.

Fiscal Year 2021 Activities

In fiscal year 2021, operating revenues increased by \$1,294,890 or 111% due to an increase in fee revenues stemming from Qualified Equity Investments (QEI) in the amount of \$10,000,000 and \$30,000,000 made in Sub-CDE 6 and Sub-CDE 9, respectively.

Total operating expenses increased by \$676,387 or 142% primarily due to fees associated with the transactional closings of Sub-CDE 6 and Sub-CDE 9.

Non-operating revenues had a total decrease of \$13,027 or 84% directly correlated to a reduction of interest income due to market conditions.

2. Summary of Significant Accounting Policies and Nature of Operations (continued)

Economic Concentrations (continued)

activities consist of making loans to various Qualified Active Low-Income Community Businesses (“QALICB”) whose operations are concentrated within the service area of the Five Boroughs reliant on the commercial and industrial real estate market developed by the QALICBs for various uses.

Although no changes are anticipated in the near term, future operations could be affected by changes in the economic conditions of these entities or their parent company.

Cash and Cash Equivalents

Cash and cash equivalents include all cash balances on deposit with financial institutions and highly liquid investments with a maturity of three months or less at the date of acquisition.

Concentration of Custodial Credit Risk

NYCNCC maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. NYCNCC has not experienced any losses in such accounts. NYCNCC believes it is not exposed to any significant credit risk on these accounts.

Income Taxes

The Corporation is a publicly supported organization exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

Investments in NMTC Limited Liability Companies

NYCNCC accounts for its investment in the NMTC Companies under the equity method of accounting, which requires the investment to be recorded at cost and adjusted for NYCNCC’s share of income or loss of the NMTC Companies, additional investments, and cash distributions from the NMTC Companies. To the extent that NYCNCC has no obligation to fund liabilities of the NMTC Companies beyond its investment, including loans and advances, investments in the NMTC Companies should not be reduced below zero.

2. Summary of Significant Accounting Policies and Nature of Operations (continued)

Investments in NMTC Limited Liability Companies (continued)

No such write-downs have been recorded in the accompanying financial statements as management believes that NYCNCC's proportionate share of the sum of estimated cash flows from the underlying investments is not less than NYCNCC's recorded investment in each of the NMTC Companies.

NYCNCC holds managing member interests of 0.01% in each of the NMTC Companies. NYCNCC's maximum exposure to loss is its current investments. NYCNCC does not consolidate the NMTC Companies since the investing members maintain substantive participating rights in each entity respectively.

Equity investments received by the NMTC Companies are designated as QEIs if they meet the requirements of IRC Section 45D and Treasury Regulation Section 1.45D-1. NMTCs are allowed to be claimed by investors over seven periods spanning six years and a day for any equity investment that is designated a QEI by the NMTC Companies.

In order to qualify for these NMTCs, NYCNCC and the NMTC Companies must comply with the requirements of IRC Section 45D and Treasury Regulation Section 1.45D-1 during the seven-year credit period. Failure to comply with the requirements could result in the recapture of NMTCs that have been previously claimed as well as the loss of any future NMTCs. The three events that can cause recapture are: [1] NYCNCC or the NMTC Companies cease to be CDEs; [2] failing to ensure that for each annual period in the seven-year credit period, at least 85% of the QEIs received by NYCNCC or the NMTC Companies are continuously invested in QLICIs (which may include 5% of the QEIs received to be held as reserves); or [3] the QEIs are redeemed or otherwise cashed out by NYCNCC or the NMTC Companies. Since the NMTCs are subject to complying with certain requirements, there can be no assurance that the aggregate amount of NMTC will be realized and failure to meet all such requirements may result in generating a lesser amount of NMTC than the expected amount.

REPORT OF INDEPENDENT AUDITORS ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of
NYC Neighborhood Capital Corporation:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of NYC Neighborhood Capital Corporation, which comprise the statement of net position as of June 30, 2022, and the related statements of revenues, expenses and changes in net position, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 6, 2022.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered NYC Neighborhood Capital Corporation's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of NYC Neighborhood Capital Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of the organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether NYC Neighborhood Capital Corporation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
