The foregoing restrictions of transfer shall not apply to entering into any master leases that permit the use or occupancy of all or a portion of the Premises and/or leases with tenants in the ordinary course of business or establishing the condominium units as contemplated herein. The above restrictions and covenants in this Section (C) shall not prohibit, or apply to, a Recognized Lender or its nominee obtaining title to the Premises, or a portion thereof, as a result of a foreclosure sale or a transferror in lieu of foreclosure under a mortgage held by a Recognized Lender securing construction financing with regard to such construction financing, or any subsequent refinancing thereof; provided that the assignee or transferee of such Recognized Lender or its nominee is a Permitted Developer (as defined in the Deed). In addition, prior to a foreclosure sale or a transfer in lieu of foreclosure, a Recognized Lender shall release the Community Facility from the lien of its mortgage; and immediately thereafter, Grantee shall convey its interest in the Community Facility to Grantor or its designee by deed and for no consideration.

Malave, Kenneth Malave, Michael Malave and Donald Malave (the "Malave Brothers") as members of the User. The Malave Brothers shall maintain at least seventy-five (75%) percent of the membership interests in both Grantee and User, and Thomas A. Malave shall maintain at least a ten (10%) percent membership interest in the User, unless in the event of Thomas A. Malave's death or disability, or removal by investor members of the User for cause. In the event that Thomas A. Malave is removed for any of the reasons described above, then User shall have the right, to be exercised within thirty (30) days after the removal to propose a replacement manager (the "Replacement Manager") for Grantor's approval, with Grantor's approval not to be unreasonably withheld, delayed or conditioned. (2) Grantee, on behalf of itself, its successors and assigns, covenants that, for a period commencing on the date of Substantial Completion and five (5) years from the date of Substantial Completion (the "Post-Completion Transfer Restriction Period"), it shall not convey the Property (or any improvements thereon) or any interest in the Property, except with the prior written approval of Grantor. (3) The restrictions and covenants in this Section (C) shall run with the land. The restrictions and covenants in this Section (C) shall not prohibit, or apply to, a foreclosure sale or a transfer in lieu of foreclosure under a mortgage held by an Institutional Lender (as defined herein) and shall not apply to the Property after a foreclosure sale or a transfer in lieu of foreclosure under a mortgage held by an Institutional Lender (hereinafter defined) securing construction financing with regard to construction on the Property or a permanent "take-out" loan with regard to such construction financing.

(i) a hotel consisting of up to 70 rooms, amenity space on the second floor mezzanine of the Building and a lobby area on the first floor (collectively, the “**Hotel**”);

(ii) a restaurant located on the fifth floor and roof deck of the Building (the “**Restaurant**”);

(iii) a hall on the second floor of the Building, the loggia along South Street, and an at grade entrance area providing access to the hall and loggia (as more specifically delineated in Exhibit K hereof, the “**Great Hall**”), which will be available to the general public and will comprise a mix of cultural uses, food vendors, restaurants and public seating areas, all in accordance with Section 7.02 hereof;

(iv) a shared waiting area within the ground floor of the Building and access from said waiting area to the DOT Premises, as further depicted in Exhibit J hereto and further described in the Operating Agreement (the “**DOT Waiting Area**”), for use by the public in connection with ferries docking at the DOT Premises and Tenant’s invitees; and

(v) a sidewalk area adjacent to the entire South Street façade of the Building that conforms to the East River Esplanade design as set forth in the drawings and specifications included in the contract documents prepared for the construction of the East River Esplanade, including, but not limited to, Section 02780 of the specifications, dated June 7, 2010, forming part of said contract documents, a copy of which section is annexed hereto as Exhibit P, as said contract documents may be modified from time to time and, in any event, to the East River Esplanade sidewalk that is actually installed in the other areas of the East River Esplanade.

(b) As part of the Project, Tenant shall not take any action that would impair the visual corridor in the area surrounding the Building and shall maintain such visual corridor to the extent existing on the Commencement Date in accordance with the Zoning Resolution and in substantial conformity with the drawing number Z-200, labeled “Site Plan” dated August 22, 2008 and last revised October 10, 2008. Tenant agrees that said visual corridor to the extent existing on the Commencement Date shall remain open and unobstructed at all times except for permitted obstructions as provided in Section 62-513 of the Zoning Resolution.

For this reason, Landlord and Tenant desire to provide fair and reasonable compensation to Landlord for such losses, which compensation shall not be construed as a penalty. It is therefore agreed that if Tenant fails to

comply with the Great Hall Requirements, then there shall accrue to Landlord, subject to the provisions of Section 29.02(e) (Remedies for Events of Default) liquidated damages as follows (the "**Great Hall Liquidated Damages**"):

(i) If at any time during the Term Tenant shall fail to comply with any provisions of the Great Hall Requirements, other than those with regard to hiring a full-time "cultural coordinator" (as described in the Great Hall Requirements), Landlord shall notify Tenant in writing of such Default (each such notice shall be referred to herein as a "**Great Hall Default Notice**"). Upon receiving the fourth (4th) Great Hall Default Notice, Tenant shall pay Landlord the amount of Ten Thousand Dollars (\$10,000). Upon receiving fifth (5th) Great Hall Default Notice, Tenant shall pay Landlord an additional amount of Twenty Thousand Dollars (\$20,000). Upon receiving the sixth (6th) Great Hall Default Notice, Tenant shall pay Landlord an additional amount of Forty Thousand Dollars (\$40,000). Upon receiving the seventh (7th) Great Hall Default Notices, Tenant shall pay Landlord an additional amount of Eighty Thousand Dollars (\$80,000). Upon receiving the eighth (8th) Great Hall Default Notice, Tenant shall pay Landlord an additional amount of One Hundred Thousand Dollars (\$100,000). Tenant shall pay an additional amount of One Hundred Thousand Dollars (\$100,000) upon receiving any subsequent Great Hall Default Notice. If Tenant complies with all the provisions of the Great Hall Requirements for a period of nine (9) calendar months after the date of any Great Hall Default Notice (the "**Performance Period**"), then any Great Hall Default Notice sent by Landlord after the completion of the Performance Period shall be deemed to be the first Great Hall Default Notice, provided that Tenant has paid all Great Hall Liquidated Damages previously incurred.

(ii) If at any time during the Term the position of full-time "cultural coordinator," as described in the Great Hall Requirements, remains unfilled for a period of six (6) months or more, then Landlord shall notify Tenant of such Default (each such notice shall be referred to herein as a "**Cultural Coordinator Default Notice**"). If such Default is not cured within one (1) month after the date of the Cultural Coordinator Default Notice, Tenant shall pay to Landlord the amount of Ten Thousand Dollars (\$10,000). If such Default is not cured within two (2) months after receipt of said Cultural Coordinator Default Notice, Tenant shall pay Landlord an additional amount of Twenty Thousand Dollars (\$20,000). If such Default is not cured within three (3) months after receipt of said Cultural Coordinator Default Notice, Tenant shall pay Landlord an additional amount of Forty Thousand Dollars (\$40,000). If such Default is not cured within four (4) months after receipt of said Cultural Coordinator Default Notice, Tenant shall pay Landlord an additional amount of Eighty Thousand Dollars (\$80,000). If such Default is not cured within five (5) months or more after receipt of said Cultural Coordinator Default Notice, Tenant shall pay Landlord an additional amount of One Hundred Thousand Dollars (\$100,000) for each month that said Default continues. If at any time after receiving a Cultural Coordinator Default Notice, a full-time "cultural coordinator" is hired, but the employment of said "cultural coordinator" is subsequently terminated for a reason that is arbitrary and not in good-faith, then Tenant shall be determined to be in violation of the Great Hall Requirements from the date of the last Cultural Coordinator Default Notice received.

(iii) Commencing in the eleventh Lease Year, Great Hall Liquidated Damages amounts shall be increased annually to an amount equal to the product obtained by multiplying the amount of Great Hall Liquidated Damages in the immediately preceding Lease

Tenant shall not keep, or permit to be kept, on the Premises any article, object, item, substance or thing that may cause damage to the Premises or any part thereof, or that may constitute a public or private nuisance, or any other article, object, item, substance or thing that would violate requirements of the Fire Department, Board of Fire Underwriters, Fire Insurance Rating Organization and other authority having jurisdiction over the Premises.

During the LW Term, Tenant shall cause each of its Site Affiliates that is a Covered Employer to pay their respective Site Employees no less than an LW.

(d) During the LW Term, if and for so long as Tenant is a Covered Employer (or if and for so long as a Site Affiliate is a Covered Employer, as applicable), Tenant shall (or shall cause the applicable Site Affiliate to, as applicable), on or prior to the day on which each direct Site Employee of Tenant or of a Site Affiliate begins work at the Premises, (i) post a written notice detailing the wages and benefits required to be paid to Site Employees under this Section 23.5 in a conspicuous place at the Premises that is readily observable by such direct Site Employee and (ii) provide such direct Site Employee with a written notice detailing the wages and benefits required to be paid to Site Employees under this Section 23.5. Such written notice shall also provide a statement advising Site Employees that if they have been paid less than the LW they may notify the Comptroller and request an investigation. Such written notice shall be in English and Spanish.

(e) During the LW Term, if and for so long as Tenant is a Covered Employer (or if and for so long as a Site Affiliate is a Covered Employer, as applicable), Tenant

shall not (or the applicable Site Affiliate shall not, as applicable) take any adverse employment action against any Site Employee for reporting or asserting a violation of this Section 23.5.

(f) During the LW Term, regardless of whether Tenant is a Covered Employer, Tenant shall cause each Covered Counterparty to execute an LW Agreement on or prior to the LW Agreement Delivery Date applicable to such Covered Counterparty. Tenant shall deliver a copy of each Covered Counterparty's LW Agreement to the Landlord, the DCA and the Comptroller at the notice address specified in Article 25 and promptly upon written request. Tenant shall retain copies of each Covered Counterparty's LW Agreement until six (6) years after the expiration or earlier termination of such Covered Counterparty's Specified Contract.

(g) During the LW Term, in the event that an individual with managerial authority at Tenant or at a Site Affiliate receives a written complaint from any Site Employee (or such individual otherwise obtains actual knowledge) that any Site Employee has been paid less than an LW, Tenant shall deliver written notice to the Landlord, the DCA and the Comptroller within 30 days thereof.

(h) Tenant hereby acknowledges and agrees that the Landlord, the DCA and the Comptroller are each intended to be third party beneficiaries of the terms and provisions of this Section 23.5. Tenant hereby acknowledges and agrees that the DCA, the Comptroller and the Landlord shall each have the authority and power to enforce any and all provisions and remedies under this Section 23.5 in accordance with paragraph (k) below. Tenant hereby agrees that the DCA, the Comptroller and the Landlord may, as their sole and exclusive remedy for any violation of Tenant's obligations under this Lease, bring an action for damages (but not in excess of the amounts set forth in paragraph (k) below), injunctive relief or specific performance or any other non-monetary action at law or in equity, in each case subject to the provisions of paragraph (k) below, as may be necessary or desirable to enforce the performance or observance of any obligations, agreements or covenants of Tenant (or of any Site Affiliate) under this Section 23.5. The agreements and acknowledgements of Tenant set forth in this Section 23.5 may not be amended, modified or rescinded by Tenant without the prior written consent of the Landlord or the DCA.

(i) No later than 30 days after Tenant's receipt of a written request from the Landlord, the DCA and/or the Comptroller, Tenant shall provide to the Landlord, the DCA and the Comptroller (i) a certification stating that all of the direct Site Employees of Tenant and its Site Affiliates are paid no less than an LW (if such obligation is applicable hereunder) and stating that Tenant and its Site Affiliates are in compliance with this Section 23.5 in all material respects, (ii) a written list of all Covered Counterparties, together with the LW Agreements of such Covered Counterparties, (iii) certified payroll records in respect of the direct Site Employees of Tenant or of any Site Affiliate (if applicable), and/or (iv) any other documents or information reasonably related to the determination of whether Tenant or any Site Affiliate is in compliance with their obligations under this Section 23.5.

(j) Annually, by August 1 of each year during the LW Term, Tenant shall (i) submit to the Landlord a written report in respect of employment, jobs and wages at the Premises as of June 30 of such year, in a form provided by the Landlord to all projects generally,

and (ii) submit to the Landlord and the Comptroller the annual certification required under Section 6-134(f) of the LW Law (if applicable), and (iii) submit to the Landlord and the Comptroller the annual certification required under Section 6-130(c) of the Prevailing Wage Law.

(k) Violations and Remedies.

(i) If a violation of this Section 23.5 shall have been alleged by the Landlord, the DCA and/or the Comptroller, then written notice will be provided to Tenant for such alleged violation (an “LW Violation Notice”), specifying the nature of the alleged violation in such reasonable detail as is known to the Landlord, the DCA and the Comptroller (the “Asserted LW Violation”) and specifying the remedy required under Section 23.5 (k)(ii), (iii), (iv), (v) and/or (vi) (as applicable) to cure the Asserted LW Violation (the “Asserted Cure”). Upon Tenant’s receipt of the LW Violation Notice, Tenant may either:

- (1) Perform the Asserted Cure no later than 30 days after its receipt of the LW Violation Notice (in which case a “LW Violation Final Determination” shall be deemed to exist), or
- (2) Provide written notice to the Landlord, the DCA and the Comptroller indicating that it is electing to contest the Asserted LW Violation and/or the Asserted Cure, which notice shall be delivered no later than 30 days after its receipt of the LW Violation Notice. Tenant shall bear the burdens of proof and persuasion and shall provide evidence to the DCA no later than 45 days after its receipt of the LW Violation Notice. The DCA shall then, on behalf of the City, the Landlord and the Comptroller, make a good faith determination of whether the Asserted LW Violation exists based on the evidence provided by Tenant and deliver to Tenant a written statement of such determination in reasonable detail, which shall include a confirmation or modification of the Asserted LW Violation and Asserted Cure (such statement, a “LW Violation Initial Determination”). Upon Tenant’s receipt of the LW Violation Initial Determination, Tenant may either:

Accept the LW Violation Initial Determination and shall perform the Asserted Cure specified in the LW Violation Initial Determination no later than 30 days after its receipt of the LW Violation Initial Determination (after such 30 day period has lapsed, but subject to clause (B) below, the LW Violation Initial Determination shall be deemed to be a “LW Violation Final Determination”), or

Contest the LW Violation Initial Determination by filing in a court of competent jurisdiction or for an administrative hearing no later than 30 days after its receipt of the LW Violation Initial

Determination, in which case, Tenant's obligation to perform the Asserted Cure shall be stayed pending resolution of the action. If no filing in a court of competent jurisdiction or for an administrative hearing is made to contest the LW Violation Initial Determination within 30 days after Tenant's receipt thereof, then the LW Violation Initial Determination shall be deemed to be a "LW Violation Final Determination". If such a filing is made, then a "LW Violation Final Determination" will be deemed to exist when the matter has been finally adjudicated. Tenant shall perform the Asserted Cure (subject to the judicial decision) no later than 30 days after the LW Violation Final Determination.

(ii) For the first LW Violation Final Determination imposed on Tenant or any Site Affiliate in respect of any direct Site Employees of Tenant or of a Site Affiliate, at the direction of the Landlord or the DCA (but not both), (A) Tenant shall pay the Owed Monies and Owed Interest in respect of such direct Site Employees of Tenant or of a Site Affiliate to such direct Site Employees; and/or (B) in the case of a violation that does not result in monetary damages owed by Tenant, Tenant shall cure, or cause the cure of, such non-monetary violation.

(iii) For the second and any subsequent LW Violation Final Determinations imposed on Tenant or any Site Affiliate in respect of any direct Site Employees of Tenant or of a Site Affiliate, at the direction of the Landlord or the DCA (but not both), (A) Tenant shall pay the Owed Monies and Owed Interest in respect of such direct Site Employees of Tenant or of a Site Affiliate to such direct Site Employees, and Tenant shall pay fifty percent (50%) of the total amount of such Owed Monies and Owed Interest to the DCA as an administrative fee; and/or (B) in the case of a violation that does not result in monetary damages owed by Tenant, Tenant shall cure, or cause the cure of, such non-monetary violation.

(iv) For the second and any subsequent LW Violation Final Determinations imposed on Tenant or any Site Affiliate in respect of any direct Site Employees of Tenant or of a Site Affiliate, if the aggregate amount of Owed Monies and Owed Interest paid or payable by Tenant in respect of the direct Site Employees of Tenant or of a Site Affiliate is in excess of the LW Violation Threshold for all past and present LW Violation Final Determinations imposed on Tenant or any Site Affiliate, then in lieu of the remedies specified in subparagraph (iii) above and at the direction of the Landlord or the DCA (but not both), Tenant shall pay (A) two hundred percent (200%) of the Owed Monies and Owed Interest in respect of the present LW Violation Final Determination to the affected direct Site Employees of Tenant or of a Site Affiliate, and (B) fifty percent (50%) of the total amount of such Owed Monies and Owed Interest to the DCA as an administrative fee.

(v) If Tenant fails to obtain an LW Agreement from its Covered Counterparty in violation of paragraph (f) above, then at the discretion of the Landlord or the DCA (but not both), Tenant shall be responsible for payment of the Owed Monies, Owed Interest and other payments described in subparagraphs (ii), (iii) and (iv) above (as applicable) as if the direct Site Employees of such Covered Counterparty were the direct Site Employees of Tenant.

(vi) Tenant shall not renew the Specified Contract of any specific Covered Counterparty or enter into a new Specified Contract with any specific Covered Counterparty if both (A) the aggregate amount of Owed Monies and Owed Interest paid or payable

by such Covered Counterparty in respect of its direct Site Employees for all past and present LW Violation Final Determinations (or that would have been payable had such Covered Counterparty entered into an LW Agreement) is in excess of the LW Violation Threshold and (B) two or more LW Violation Final Determinations against such Covered Counterparty (or in respect of the direct Site Employees of such Covered Counterparty) occurred within the last 6 years of the term of the applicable Specified Contract (or if the term thereof is less than 6 years, then during the term thereof); provided that the foregoing shall not preclude Tenant from extending or renewing a Specified Contract pursuant to any renewal or extension options granted to the Covered Counterparty in the Specified Contract as in effect as of the LW Agreement Delivery Date applicable to such Covered Counterparty.

(vii) It is acknowledged and agreed that (A) other than as set forth in Section 8.2, the sole monetary damages that Tenant may be subject to for a violation of this Section 23.5 are as set forth in this paragraph (k), and (B) in no event will the Specified Contract between Tenant and a given Covered Counterparty be permitted to be terminated or rescinded by the Landlord, the DCA or the Comptroller by virtue of violations by Tenant or another Covered Counterparty.

The terms and conditions set forth in this Section 23.5 shall survive the expiration or earlier termination of this Lease.

Section 23.6 Other Commitments.

(a) HireNYC Program: Tenant shall comply with the HireNYC: Permanent Program annexed as Exhibit H-2 to this Lease.

(b) Intentionally Omitted

(c) Labor Peace Agreement. Within one hundred twenty (120) days of the date hereof, Tenant shall provide Landlord with an executed Labor Peace Agreement, satisfactory to Landlord in its sole discretion.

Section 23.7 Project Report and Meetings.

(a) Within sixty (60) days following the end of each calendar year during the Term, or at such other time as Landlord may reasonably request from time to time (but not more than twice during any twelve month period) upon not less than sixty (60) days' prior written notice, Tenant shall deliver a written report to Landlord in form reasonably acceptable to Landlord (the "Project Report") setting forth the status of the Project, and the manner in which Tenant is complying with the Project Commitments and Required Use as of the end of the immediately preceding calendar year (or, in the case of a Project Report otherwise requested by Landlord, as of the date of such request). The Project Report shall, among other things, contain Tenant's certification as to whether (i) the Premises are in compliance in all material respects with the applicable Project Commitments and the Required Use, (ii) the Premises are in compliance in all material respects with the Use and Operating Requirements set for above, and (iii) in Tenant's reasonable and good faith judgment, Tenant anticipates that Tenant will be able to comply timely in all material respects with any Project Commitments and/or Use and Operating Requirements set

for above to be performed in the upcoming year of the Lease or Lease Year, as applicable. In the event that Tenant shall be unable to provide the required certifications, the Project Report shall identify any areas of non-compliance with specificity, and explain the reasons for such non-compliance (a “Non-Compliance Notice”). Landlord shall endeavor to review each Project Report and submit any questions thereto or request any additional or supporting information that it requires within thirty (30) days following Landlord’s receipt of such Project Report.

(b) Following the end of each calendar quarter during the Term, Landlord and Tenant shall meet at Landlord’s offices to discuss any matters or issues either Landlord or Tenant may desire to discuss regarding the Project, this Lease or the Premises.

ARTICLE 24

EVENTS OF DEFAULT, CONDITIONAL LIMITATIONS, REMEDIES, ETC.

Section 24.1 Definition. Each of the following events shall be an “Event of Default” hereunder:

(a) if Tenant shall fail to make any payment (or any part thereof) of Rental (including, without limitation, any payment of Base Rent, Percentage Rent, or Additional Rent), utility charges, insurance premiums or Impositions as required hereunder or any other amount required to be paid by Tenant hereunder and such failure shall continue for a period of ten (10) days after written notice thereof from Landlord to Tenant; or

(d) if Tenant shall enter into an Assignment, Transfer or Major Sublease without compliance with the provisions of this Lease and such Assignment, Transfer or Major Sublease shall not be made to comply with the provisions of this Lease or canceled within thirty (30) days after Landlord’s notice thereof to Tenant; or

(e) if Tenant shall fail to maintain the insurance required to be maintained by Tenant pursuant to Article 7, and such failure continues for ten (10) Business Days after Landlord’s notice thereof to Tenant specifying such failure; or

(f) if Tenant shall fail to respond to and rectify any violations issued by any Governmental Authority in connection with the use and occupancy of the Premises by Tenant or any Subtenant and/or the construction of the Improvements, and such failure shall continue for a period of forty-five (45) days after notice thereof, unless such violation cannot be rectified within such forty-five (45) day period, in which case no Event of Default shall be deemed to exist as long

Term option, the Term shall expire in sixty (60) days from delivery of such notice. A Recognized Mortgagee shall on behalf of Tenant have the right to exercise the options for an Extended Term set forth in this Section 2.4.

Section 2.5 Non-Competition.

(a) Prior to the earlier to occur of (i) the issuance of a temporary certificate of occupancy for the East Tower, or (ii) April 1, 2010, neither the City nor Lease Administrator will allow any redevelopment project or new construction project to break ground if such new project is (x) located on City-owned land; and (y) expected to include more than 25% of Rentable Square Feet dedicated to Commercial Life Science Use.

(b) Notwithstanding the foregoing Section 2.5(a), neither the City nor the Lease Administrator would be prohibited from pursuing or assisting the projects commonly known as (i) Audubon IV; (ii) Brooklyn Army Terminal; and (iii) any other projects not located on City-owned land, which may be assisted with, or benefited by, economic benefits or economic incentives provided by the IDA.

(c) To the extent that the City or Lease Administrator breaches the provisions of Section 2.5(a), the number of Rentable Square Feet required to be devoted to Commercial Life Science Use pursuant to the special use requirements set forth on Schedule A hereof shall be reduced one Rentable Square Foot for each Rentable Square Foot developed or constructed in violation of the requirements of Section 2.5. By way of illustration only: if a new building, containing 20,000 Rentable Square Feet of space, is developed, and one-half is dedicated to Commercial Life Science Use, the number of Rentable Square Feet required to be devoted to Commercial Life Science Use in the Project shall be reduced by 5,000 Rentable Square Feet (i.e., the number of Rentable Square Feet in excess of twenty-five percent (25%) of the Rentable Square Footage of the new building devoted to life science use).

Section 2.6 Use of Psychiatric Building. Tenant has been advised by Lease Administrator that the New York City Department of Homeless Services intends to discontinue its current use of the Psychiatric Building. Lease Administrator agrees to inform Tenant, on a regular basis, of the status of the efforts by the New York City Department of Homeless Services to discontinue its current use of the Psychiatric Building.

Section 5.05. Taxes.

Provided the City shall be Landlord, Landlord shall pay, cancel, or otherwise satisfy and discharge of record any and all Taxes on or before the due date thereof (which may be by bookkeeping entry, interdepartmental direction or other manner or procedure selected by Landlord). If the City shall cease to be Landlord, prior to any conveyance of the Premises, the Landlord shall have obtained a separate tax lot for the Premises so that the Premises are taxed and assessed separately from any other premises and any new Landlord shall pay any and all Taxes on or before the due date thereof, it being understood that under no circumstances shall Tenant be responsible for the payment of Taxes. If Landlord shall have failed to pay or discharge the Taxes as required hereunder and Tenant shall not have timely commenced a proceeding to contest the same as provided in Section 33.01 hereof, or if Tenant shall have timely commenced such a proceeding to contest the Taxes but failure to pay the Taxes during the pendency of such proceeding will or is reasonably likely to result in the imminent loss or forfeiture of the Premises and the termination of Tenant's interest under this Lease or Tenant would or is reasonably likely by reason thereof be subject to any civil or criminal penalty or liability, then Tenant may pay such unpaid Taxes together with any interest or penalties thereon and deduct such payment from the next Rental due, with interest until repaid or credited in full at the rate (the "City's Payment Rate") which is the lesser of the New York City Department of Finance Penalty Rate (18%) or the interest rate specified in Section 3-a(1) of the General Municipal Law of the State of New York, as it may be amended from time to time.

Section 6.01. Permitted Uses. Tenant shall use and occupy the Premises for the purpose of receiving, processing, packaging, preparation, storage, sale and distribution of fresh, frozen, processed and/or prepared produce and food products and related inventory and equipment in connection with Tenant's and its Affiliates' business, and related administrative functions, including ancillary office use and related truck parking and maintenance (each a

“Permitted Use” and, collectively, the “Permitted Uses”). Tenant and Tenant’s servants, employees, agents, visitors, and licensees shall observe faithfully, and comply strictly with, any reasonable restrictions on use as Landlord may from time to time adopt, provided same do not materially interfere with Tenant’s Permitted Uses. Notice of any additional restrictions shall be given at least thirty (30) days in advance of the date such restriction is proposed to become effective. Notwithstanding anything contained in this Section to the contrary, Landlord shall not be liable to Tenant for violation of the same by any other tenant, its servants, employees, agents, visitors or licensees. In addition to the foregoing, Tenant shall be entitled to exclusive signage rights on the Land, including free-standing, billboard or pylon signage and signage on the exterior façade and/or roof of the Building and/or Rail Shed. Tenant shall be permitted to install the maximum signage permitted under applicable Laws, provided same comply with applicable Requirements, including, but not limited to, those of the Public Design Commission of the City of New York, and provided that such signage contain no noxious content and/or content that is political in nature, and Landlord shall not take or permit any action to diminish Tenant’s signage rights hereunder as to size, height, location or the like.

Tenant further acknowledges and agrees that it shall comply with the requirements as required pursuant to the general provisions of Article 14 hereof.

Section 6.03. Unlawful Use; No Representation of Landlord.

(a) During the Term, Tenant shall not use or occupy the Premises or any part thereof (or permit anyone claiming by, through, or under Tenant to use or occupy the Premises, or any part thereof) to be used or occupied, for any unlawful, illegal, or hazardous business, use or purpose or in any way in violation of any of the Requirements, any certificate of completion or occupancy affecting the Premises or this Lease or in such manner as may make void or voidable any insurance then in force with respect to the Premises, the Building or the Premises. Immediately upon the discovery of any such unlawful, illegal or hazardous business, use or purpose, Tenant shall take all necessary steps, legal and equitable, to compel the discontinuance thereof. Tenant shall not keep anything in the Premises which may cause or be apt to cause structural injury to the Premises or any part thereof, or as will constitute a public or private nuisance, or anything except as now or hereafter permitted by the Fire Department, Board of Fire Underwriters, Fire Insurance Rating Organization and other authority having jurisdiction, and then only in such manner and such quantity so as not to make it difficult or impossible to obtain fire insurance for the Premises or increase the rate for fire insurance applicable to the Building, nor, prior to the Full Vacate Date, use the Premises in a manner which will increase the insurance rate for the Building or any property located therein over that otherwise in effect. If by reason of Tenant’s failure to comply with the foregoing the fire insurance rate shall, at any time prior to the Full Vacate Date, be higher than it otherwise would be, then Tenant shall be obligated to pay such additional cost which shall have been charged because of such failure by Tenant.

(b) Any installation on any floor of the Premises shall be placed and maintained by Tenant, at Tenant’s expense, in settings sufficient, in Landlord’s reasonable

judgment, to absorb and prevent vibration, noise and annoyance.

(c) Tenant shall use its best efforts, at Tenant's expense, to contain any noxious odors that may arise from Tenant's use of the Premises in accordance with this Section.

(d) Any installation on or activity conducted at the Premises shall incorporate advances in the art of noise control and odor control, as applicable, developed for the kind and level of noise or odor, as applicable, emitted or produced by such installations or activity, all in accordance with or required by any applicable regulations issued by the New York City Department of Environmental Protection of the City, or its successor, or any other relevant agency or authority.

(e) Landlord represents that the Building and the Premises are part of a "public market" under § 260 *et seq.* of the New York Agriculture and Markets Law and of a "public wholesale market" under § 22-251(h) of the New York Administrative Code and that the Permitted Use is a valid public market use under applicable law. Landlord makes no representation as to the legality of the actual or intended particular manner of the use of the Premises by Tenant. If any use or proposed use is determined to be illegal by a court of competent jurisdiction or an administrative law judge, Tenant agrees that neither Landlord nor Administrator nor any of their respective agents, officers and employees, or any person whatsoever, shall be liable for any damages arising out of or related to such illegal use or proposed use.

Immediately upon the discovery of any such unlawful, illegal or hazardous business, use or purpose, Tenant shall take all necessary steps, legal and equitable, to compel the discontinuance thereof. Tenant shall not keep anything in the Premises which may cause or be apt to cause structural injury to the Premises or any part thereof, or as will constitute a public or private nuisance, or anything except as now or hereafter permitted by the Fire Department, Board of Fire Underwriters, Fire Insurance Rating Organization and other authority having jurisdiction, and then only in such manner and such quantity so as not to make it difficult or impossible to obtain fire insurance for the Premises or increase the rate for fire insurance applicable to the Building, nor use the Premises in a manner which will increase the insurance rate for the Building or any property located therein over that otherwise in effect. If by reason of Tenant's failure to comply with the foregoing the fire insurance rate shall, at any time, be higher than it otherwise would be, then Tenant shall be obligated to pay such additional cost which shall have been charged because of such failure by Tenant.

(c) The parties agree that prior to the Substantial Completion of the Environmental Center Tenant may erect an interim structure ("Interim ELC") in order to maintain a presence on the Premises to establish and implement its educational programs, maintain the Public Access Area, and assist in fund raising until such Substantial Completion. Subject to Article 35 and Unavoidable Delays, Tenant, at its sole cost and expense, shall promptly comply with, or cause the Operator to comply with, all Requirements foreseen and unforeseen, ordinary as well as extraordinary, which may be applicable to the Premises or any part thereof, or to the use or manner of use of the Premises or the owners, tenants or occupants thereof, even though any such Requirement may necessitate structural changes, repairs or improvements, or the use or application of portions of the Premises for compliance therewith, and even though compliance with any such Requirement may interfere with the use and enjoyment of the Premises. If any governmental license or permit or any other Requirement shall be required for the proper and lawful conduct of Tenant's business, including, without limitation, disposal of hazardous waste materials, Tenant shall be responsible for complying with such Requirement.

Section 5.03. Unlawful Use.

(a) During the Term, Tenant shall not use, occupy, permit or suffer, and shall cause the Operator not to use, occupy, permit or suffer, the Premises or any part thereof to be used or occupied, for any unlawful or illegal business, use or purpose or in any way in violation of any of the Requirements or in such

If Lessor has delivered a temporary certificate of occupancy (or its equivalent), then, prior to the expiration of same or any future temporary certificate of occupancy (or its equivalent), Lessor shall deliver a new or extended temporary certificate of occupancy or a permanent certificate of occupancy (or their respective equivalents).

Terminal Lessee and its Terminal occupants shall be responsible for fit-out of space and facilities for Terminal occupants and users. Terminal Lessee shall be permitted access to the Terminal for fit-out of space and facilities of Terminal occupants and users at such times during Terminal construction as it may request and as the Lessor shall in its reasonable discretion determine to be appropriate and will not interfere with the construction of the Terminal by Lessor. Terminal Lessee may add additional services and activities which serve to complement the Ferry Service such as ticket counters (including without limitation those operated by Ferry Service operators), restaurants, amusement game machines, merchandise vending machines, ATMs, pay telephones, concession stands, newsstands and the like, consistent with the design of the Terminal, and only subject to such conditions as may be reasonably promulgated by the Lessor. Terminal Lessee shall commit no act nor permit any act to be committed, nor permit any vessel to be operated from the Terminal which violates the

exclusive rights of Circle Line granted by the City to operate excursion and sightseeing vessels under the Circle Line Lease, a copy of which is attached hereto as Exhibit B. No Ferry Service other than Ferry Lessee's Ferry Service may be operated from the Terminal prior to the issuance by the Department of a franchise or other grant or right for same, and any such Ferry Service shall cease operation upon the expiration or earlier termination of such franchise or other grant or right.

Section 4.05. Access. Terminal Lessee shall, at normal operating periods during the term of this Terminal Lease, permit inspection of all facilities at the Terminal by U.S. Coast Guard personnel and by Lessor's agents or representatives. In the event of any spillage caused by a vessel, Terminal Lessee shall immediately, at its sole cost and expense, contain and clean the spill at the Terminal in accordance with the plan. If Terminal Lessee does not proceed immediately and effectively to contain any such spill, Commissioner may take any action deemed necessary in his or her sole and absolute discretion and require the Terminal Lessee to reimburse Lessor. Nothing in this section shall be deemed to limit Terminal Lessee's ability to recover costs and expenses from a third party. Nothing in this section shall be deemed to relieve Terminal Lessee of any requirements it has under law to notify other governmental agencies in the event of an emergency.

Vessel fueling may not be conducted at the Terminal, without the prior written approval of the Department at its sole and absolute discretion. Any permitted fueling of vessels and other equipment, and waste disposal (including liquid and solid waste) for vessels and for landing and Terminal facilities shall be accomplished in a safe and environmentally sound manner and in compliance with all applicable city, state, and federal laws, rules, and regulations.

Section 9.03. Unlawful Use. Tenant shall not use or occupy the Premises, or permit or suffer the Premises or any part thereof to be used or occupied, for any unlawful, illegal, or hazardous business, use or purpose or in any way in violation of any Requirement or this Lease, or in such manner as may make void or voidable any insurance then in force with respect to the Premises. Immediately, upon the discovery of any such unlawful, illegal or hazardous business, use or purpose, Tenant shall take all necessary steps, legal and equitable, to compel the discontinuance thereof, including if necessary, the removal from the Premises of any subtenant using any portion of the Premises for any such business, use or purpose. Tenant shall not keep, or permit to be kept, on the Premises any article, object, item, substance or thing that may cause, in Landlord's sole reasonable discretion, damage to the Premises or any part thereof, or that may constitute a public or private nuisance, or any other article, object, item, substance or thing, except as now or hereafter permitted by the Fire Department, Board of Fire Underwriters, Fire Insurance Rating Organization and other authority having jurisdiction over the Premises.

Section 23.02. If any such unlawful, illegal, immoral, disreputable or extra-hazardous use shall occur, Tenant agrees promptly to take all lawful steps which may be necessary to compel the discontinuance of such use and/or to oust and remove any Subtenants causing or responsible for such unlawful, illegal, immoral, disreputable or extra-hazardous use or conduct.

Section 23.04. Tenant shall not suffer or permit the Premises or any portion thereof to be used by any Person or by the public without restriction or in such manner as might reasonably tend to impair Fee Owner's title to the Premises or any portion thereof, or in such manner as might reasonably make possible a claim or claims of prescriptive rights or adverse possession by any Person or by the public, as such, or of implied dedication of the Premises or any portion thereof.

ARTICLE 22

LANDLORD'S RIGHT TO DISCHARGE LIENS

Section 22.1 Discharge of Liens. If Tenant shall fail to cause any mechanic's, laborer's, vendor's, materialman's or similar statutory lien or any public improvement lien to be discharged in accordance with the provisions of Article 17 hereof, and if such lien shall continue for an additional forty-five (45) days after the applicable cure period provided for in Article 17, then, subject to any rights granted to a Recognized Mortgagee under this Lease, Landlord may, but shall not be obligated to, discharge such lien of record by procuring the discharge of such lien by deposit or by bonding proceedings. Landlord may also compel the prosecution of an action for the foreclosure of such lien by the lienor and to pay the amount of the judgment in favor of the lienor with interest, costs and allowances.

Section 22.2 Reimbursement for Amounts Paid by Landlord Pursuant to this Article. Any amounts paid by Landlord pursuant to Section 22.1 hereof, including all costs and expenses incurred by Landlord in connection therewith, shall be paid to Landlord within fifteen (15) days of Landlord's demand, together with a late charge on the amounts so paid by Landlord, calculated at the Late Charge Rate from the date of any such payment by Landlord to the date on which payment of such amounts is received by Landlord.

Section 22.3 Waiver, Release and Assumption of Obligations. Landlord's payment or performance pursuant to the provisions of this Article 22 shall not be, nor be deemed to be (a) a waiver or release of the Default or Event of Default with respect thereto (or any past or future Default or Event of Default) or of Landlord's right to take such action as may be permissible hereunder, or (b) Landlord's assumption of Tenant's obligations to pay or perform any of Tenant's past, present or future obligations hereunder.

Section 22.4 Proof of Damages. Landlord shall not be limited in the proof of any damages that it may claim against Tenant arising out of, or by reason of, Tenant's failure to provide and keep insurance in force in accordance with the provisions of this Lease to the amount of the insurance premium or premiums not paid. However, subject to the provisions of Section 42.10 hereof, Landlord shall be entitled to seek, and if successful, to recover, as damages for such Default or Event of Default, the uninsured amount of any loss and damage sustained or incurred by it and the costs and expenses of any suit in connection therewith, including, without limitation, reasonable attorneys' fees and disbursements.

ARTICLE 23

OPERATION; PERMITTED USES; NO UNLAWFUL OCCUPANCY

Section 23.1 Use and Other Requirements. During the Term, Landlord and Tenant shall use and occupy their respective portions of the Project Premises in accordance with the terms and provisions of this Article 23, and for no other purpose, and shall not permit or suffer the same to be used or occupied except in accordance with the terms and provisions of this Article 23. Notwithstanding anything to the contrary herein, Tenant shall be excused from

continuously using, maintaining and operating the Premises to the extent a closure of all or a portion of the Premises is necessary due to (a) a casualty or condemnation at the Premises, (b) Tenant complying with Article 14 hereof or (c) Tenant undertaking the Initial Renovation Work and any Material Alteration.

Section 23.2 Development; Use; Promotion; Operation.

(a) In recognition of the historic and cultural importance of the South Street Seaport and in fulfillment of the public purposes to which the development of the Project Premises is dedicated, throughout the Term, Tenant shall cause the Premises to be (i) maintained and continuously operated as a first-class, specialty retail marketplace including, without limitation, for the operation of a performance and entertainment venue or a cinema or movie theater facility, in accordance with the provisions of this Article, and in a manner at least equal to the current standards of operation of Faneuil Hall Marketplace in Boston and Harborplace in Baltimore; and (ii) used incidentally to the purposes permitted by clause (i) above to provide supporting clerical, administrative and executive offices (but not in excess of 10,000 square feet of Gross Leasable Area and only on the second or higher floor) therefor.

(b) In Subleasing the Premises and the Commercial Areas to Subtenants, Tenant agrees that (i) in the aggregate, no more than 100,000 square feet of Gross Leasable Area in the Premises and the Commercial Areas shall be used for "fast-food" type operations (said 100,000 square foot area to be proportionately reduced, but not below 30,000 square feet, if this Lease shall be terminated in respect of any portion of the Premises); (ii) no portion of the Premises located in the Museum Block or the Schermerhorn Block shall be used for the operation of a "fast-food" business, except as an incidental part of a restaurant located therein and except for such uses by Subtenants existing on the date as of which this Lease is made; (iii) no part of the Premises located on the ground floor of the Market Block and adjacent to Fulton, Front or Beekman Streets shall be used for the operation of a "fast-food" business, except as incidental to the operation of another type of food business; and (iv) no portion of the Premises located on the Museum Block shall be used for the operation of a food business other than a restaurant or cafe (including "fast-food" sales incidental thereto). As used herein, the term "fast food" shall mean a food service establishment having a limited menu of precooked meals that shall be wrapped in paper or boxes and sold to patrons in paper bags, disposable containers and/or on plastic trays (such as a "McDonald's", "Burger King", "Dunkin Donuts", "Wendy's" or "Ranch One Chicken"), it being agreed that (i) the failure of a restaurant to provide waiter or waitress service or tablecloth dining shall not automatically be deemed to constitute "fast food", (ii) the existence of cafeteria type dining shall not automatically be deemed to constitute "fast food." and (iii) a restaurant such as "Starbucks", "Pret A Manger", "Cosi" and other similar restaurants that are upscale and high-quality shall not be deemed to constitute "fast food".

(c) Tenant shall continuously, uninterruptedly, actively and diligently operate a specialty retail marketplace seven days per week, at least nine hours per day on Mondays through Saturdays and six hours on Sundays, and shall require substantially all Subtenants to operate and conduct their respective businesses on all such days and for such hours, except when

Tenant and/or any Subtenants shall be prevented from doing so by strike, fire, other casualty or other cause beyond the reasonable control of Tenant and/or any such Subtenants, and except on the following holidays: New Year's Day; first and second days of Passover; Good Friday; Easter Sunday; Rosh Hashanah; Yom Kippur; Thanksgiving Day; and Christmas Day. Landlord and/or Tenant shall also make available to the general public, at least during the hours set forth above (but consistent with reasonable maintenance and security requirements of Landlord, Tenant and the Subtenants) and free of charge or admission, all public circulation and seating areas of Pier 17, the Buildings on Pier 17 and throughout other portions of the Premises, other than the roof areas of the Buildings on the Premises (for which Tenant may charge members of the public to access), substantially in accordance with Tenant's plans and specifications therefor to be approved in accordance with applicable provisions of this Lease. Tenant shall obtain Landlord's prior written consent to any material modification of the Requirements of the City Planning Commission or any other public approvals with respect to the Premises.

(d) Tenant shall cause a food market that includes locally and regionally sourced food items and that is open to the public seven days a week to open within the Premises. Tenant shall, subject to Force Majeure, use commercially reasonable efforts to open such food market prior to October 1, 2014.

Section 23.3 Use of Pier 17 Roof.

(a) All areas of the roof of the Pier 17 improvements (other than those areas reserved for restaurant use and mechanical equipment) (the "Rooftop Space") shall be open to the public at no charge; provided, however, that Tenant shall have the right to temporarily close portions of the Rooftop Space (other than the Rooftop Access Area, as defined in the Restrictive Declaration) for private use as described in section 5(a) of the Restrictive Declaration so long as Tenant shall use reasonable good faith efforts to provide free public access to as much of the Rooftop Space as is reasonably possible during such times of private use. On up to four occasions/year (of which up to two can be on a Saturday, Sunday or legal holiday), Tenant shall make available, for no rental charge, to a community based organization (such as the PTA of the neighborhood school or neighborhood senior citizen or youth center) ("CBO") of which it has reasonably approved either up to one-half of the Rooftop Space or the stage within the prolongation of Fulton Street for an event or activity sponsored by such organization.

(b) No later than June 30, 2014, Tenant shall hire an acoustical engineer to make recommendations as to reasonable measures to reduce sound transmission from the Rooftop Space and the pier level event space. Tenant shall direct such acoustical engineer to promptly prepare and submit to Tenant a report describing the proposed sound reduction measures and promptly after such report is submitted to Tenant, Tenant will transmit a copy thereof to Speaker Quinn, Councilwoman Chin, the City Council Land Use Division, and Lease Administrator, and shall work in good faith to implement the noise reduction measures set forth in the report that are both commercially reasonable and feasible.

(c) At such times as there are events being held simultaneously on both the Rooftop Event Space and pier levels of Pier 17, Tenant shall consult with the New York City Police Department as to a reasonable interval between the ending times for each event, and it shall thereafter establish, in its discretion, the ending time of each such event.

Section 23.4 Intentionally omitted.

Section 23.5 Pedestrian Walkways. Landlord and Tenant confirm that the Commercial Areas, Titanic Park, Marginal street, wharf or place and all other outdoor pedestrian walkways within the Project Premises (including, but not limited to, the Former Streets) are intended for use primarily for public circulation, free of charge or admission, and Landlord and Tenant shall not permanently or materially impede or obstruct public access to or circulation in such areas, except (i) for reasonable security and maintenance purposes, and (ii) as otherwise expressly permitted in this Lease (including the Demapping Resolution and Exhibit C hereto) (including construction plans and specifications approved thereunder). In particular, but without limiting the generality of the foregoing:

(a) Titanic Park shall be developed and maintained by Landlord as landscaped open space, with adequate seating facilities, accessible to the general public at all times without charge or admission.

(b) Tenant shall use and occupy the Commercial Areas, and shall require all Subtenants using any portion thereof to use and occupy the Commercial Areas, in accordance with the terms, covenants and conditions of the Demapping Resolution and Exhibit C hereto and this Lease.

(c) Intentionally omitted.

(d) The Former Streets shall at all times be accessible to emergency vehicles (including, but not limited to, ambulances, fire trucks and police cars), and no structures shall be erected that impede access to, or passage through, the Former Streets by such emergency vehicles.

(e) It is hereby understood that public access to that portion of Marginal street wharf or place that is within the Premises is intended to be for the purpose of pedestrian passage and circulation, not for the placement of vending units of any kind, except for vending units placed on said portion of Marginal street wharf or place pursuant to Subleases entered into by Tenant under the terms of this Lease. Subject to the provisions of this Lease regarding public access and circulation, Tenant is granted the exclusive commercial right to use and lease to Subtenants such areas of Marginal street.

Section 23.6 Use. Landlord shall cause all space (other than public circulation areas) within the Buildings located in Landlord's Premises, other than the Museum Premises (unless the

Museum Premises shall cease to be used for their respective purposes permitted under this Article 23), to be used and occupied only for appropriate office purposes, and for no other purposes without the prior consent of Tenant, which consent shall not be unreasonably withheld or delayed except that (a) Landlord may let portions of such space for use as artists' studios and as residential space to persons occupying or having a right to occupy portions of the Project Premises for such purposes on the date as of which this Lease is made, and (b) Landlord may sublet for retail or restaurant uses, without the consent of Tenant, any portion of the Option Premises (hereinafter defined) which Tenant shall have failed to lease pursuant to its option set forth in Section 23.9 hereof, subject, however, to the provisions of subsection (d) of Section 23.9 hereof.

Section 23.7 Illegality. Tenant and Landlord shall not use or occupy, nor permit or suffer the Premises or any part thereof, the Commercial Areas or Landlord's Premises or any part thereof, as the case may require, to be used or occupied for any unlawful or illegal business, use or purpose, or for any business, use or purpose which is immoral or disreputable (including without limitation "adult entertainment establishments" and "adult" bookstores) or extra-hazardous, or in such manner as to constitute a nuisance of any kind (public or private), or for any purpose or in any way in violation of the certificates of occupancy (or other similar approvals of applicable Governmental Authorities), the Demapping Resolution and Exhibit C hereto, or of any present or future Requirements, or which may make void or voidable any insurance then in force on the Premises or any other portion of the Project Premises. If any such unlawful, illegal, immoral, disreputable or extrahazardous use shall occur, Tenant, if such use be on the Premises or the Commercial Areas, and Landlord, if such use be on any other portion of the Project Premises, agree promptly to take all lawful steps which may be necessary to compel the discontinuance of such use and/or to oust and remove any Subtenants causing or responsible for such unlawful, illegal, immoral, disreputable or extra-hazardous use or conduct.

Section 23.8 Landlord's Title. Tenant shall not suffer or permit the Premises or any portion thereof to be used by any Person or by the public without restriction or in such manner as might reasonably tend to impair Landlord's title to the Premises or any portion thereof, or in such manner as might reasonably make possible a claim or claims of prescriptive rights or adverse possession by any Person or by the public, as such, or of implied dedication of the Premises or any portion thereof.

Section 23.9 Option Premises. If at any time:

(a) any part of Option Premises I shall be or become vacant and shall not be relet for a period of six (6) months after the date of vacating of such space; or

(b) any part of Option Premises I or Option Premises II shall be operated in nonconformity with the terms of this Article 23, or with respect to the Museum Premises, in nonconformity with Article 23 of the Museum Lease as such provisions exist on June 29, 2012, and Tenant shall give notice to Landlord of such nonconforming use, then (1) if any Subtenant shall remain in occupancy of such part, Landlord shall use its best efforts to cause such nonconforming use to cease (which efforts shall include, if necessary, the institution of actions or

proceedings to terminate the Sublease of such Subtenant and to recover possession of such part of the Option Premises), and (2) if Landlord shall recover possession of such part of the Option Premises, and if Landlord shall not have relet such vacant space for use and operation substantially in accordance with the terms of this Article 23, or with respect to the Museum Premises, in nonconformity with Article 23 of the Museum Lease, within six (6) months following the later of (x) Tenant's aforesaid notice with respect to such part, and (y) Landlord's recovery of possession of such part;

then Tenant shall have the right and option, which it may exercise by notice to Landlord given at any time within sixty (60) days after the expiration of the aforesaid six (6) month period, to lease from Landlord all or any such part of the Option Premises referred to above, under this Lease and upon and subject to all of the terms and conditions contained herein, except that:

(i) in respect of Option Premises I or any part thereof so leased to Tenant, the Base Rent, for each Fiscal Year, applicable to such part of the Option Premises I shall consist of the greater of the following sums: (A) full Taxes attributable to the Land and Buildings (or space) so leased, and (B) eighty percent (80%) of the average Base Rent payable by Tenant hereunder for the preceding three Fiscal Years multiplied by a fraction, the numerator of which shall be the number of square feet of Gross Leasable Area of the Option Premises I so leased and the denominator of which shall be the average number of square feet of Gross Leasable Area included in the Premises during said three Fiscal years; and]

(ii) in respect of Option Premises II or any part thereof so leased to Tenant, the Base Rent, for each Fiscal Year, applicable to such part of the Option Premises II shall be an amount equal to the fair market rental value of said premises at the time of the addition of said premises to the Premises demised hereunder, determined in accordance with an appraisal conducted in the manner provided in Article 35 hereof. The scope of said appraisal shall be prepared by Lease Administrator in accordance with its policies and reviewed and approved by Tenant, in its reasonable discretion.

(c) (i) The term "Option Premises" shall mean Option Premises I and Option Premises II, collectively, each as described below and depicted on Exhibit A-4 hereto.

(ii) The term "Option Premises I" shall mean, collectively, the following portions of Landlord's Premises: (x) the first (ground) and second stories of Buildings on the Museum Block, and (y) space located in the ground floor of Schermerhorn Block and known as Nos. 12 and 14 Fulton Street (except that then existing public circulation areas within No. 12 Fulton Street shall remain as public circulation areas).

(iii) The term "Option Premises II" shall mean, collectively, the following portions of Landlord's Premises: (x) space located above the second story of Buildings on the Museum Block, (y) the Tin Building, and (z) all portions of Schermerhorn Block other than the space referred to in clause (ii) (z) above.

(d) If Tenant shall have declined to exercise its option to lease all or any part of the Option Premises at the respective rentals set forth therefor in this Section 23.9, and Landlord shall subsequently propose to relet such space to a third party for retail or restaurant use and at a rental below the rental at which Tenant declined to exercise its option as aforesaid, then Landlord shall give notice of such proposed reletting to Tenant, which notice shall set forth the amount of rental proposed to be charged in respect of such space, and Tenant shall have the right to lease such space at a rental equal to the rental set forth in Landlord's notice, and otherwise upon and subject to all of the terms and conditions of this Lease. Tenant shall exercise such right by giving notice to Landlord of its intention to lease such space upon the aforesaid terms within thirty (30) days after Landlord shall have given its aforesaid notice. Tenant's right to lease such space, as set forth in this subsection (d), shall apply only to Landlord's initial reletting of such space for retail or restaurant uses, and not to any subsequent reletting.

(e) Whenever Tenant shall elect to lease any portion of the Option Premises, the same shall be leased under this Lease as aforesaid, and Landlord and Tenant shall enter into a modification of this Lease, in recordable form, setting forth the terms of such letting in accordance with the provisions of this Section 23.9.

(f) If, pursuant to this Section 23.9, Tenant shall have had the opportunity to exercise its option to lease the Tin Building from Landlord and Tenant shall have failed timely to exercise such option, then commencing with the earlier of (a) the date of expiration of such option, and (b) the date Tenant shall give Landlord notice that Tenant declines to exercise such option, all of Landlord's obligations in respect of the Tin Building shall cease and terminate as fully as if the Tin Building were no longer part of Landlord's Premises or the Project Premises.

Section 23.10 John Street ROFO.

(a) The provisions of this Article 23 notwithstanding, in lieu of any right or interest it currently has or may ever have, including arising from this Lease or from any other agreement with regard to that certain lot located on the southeast corner of John Street and South Street, designated as Block 74, part of Lot 1 in the Tax Map of the City of New York for the Borough of Manhattan (the "John Street Lot"), Tenant or any nominee or designee thereof reasonably approved by Landlord ("John Street Offeree") shall have the rights set for in this Section 23.10.

(b) If the City or its assignee shall propose to lease or sell the John Street Lot, then the City or its assignee, prior to offering such sale or lease to any party, shall give written notice of such proposed lease or sale to Tenant (a "John Street ROFO Trigger Notice").

(c) Within forty-five (45) days of receipt of a John Street ROFO Trigger Notice (the "John Street Exercise Period"), John Street Offeree, shall have the right to offer (which offer shall be irrevocable) to purchase or lease all of the John Street Lot, by giving written notice of such offer to Landlord (the "John Street ROFO Offer"), which John Street ROFO Offer shall set forth the cash price John Street Offeree would be willing to pay to purchase or lease the John Street Lot (the "John Street ROFO Price").

(d) If John Street Offeree does not timely make a John Street ROFO Offer or if John Street Offeree affirmatively waives its right of first offer in writing then (A) John Street Offeree shall be deemed to have elected not to purchase or lease the John Street Lot and (B) the City or its designee shall be free to proceed to initiate and consummate the sale or lease of the John Street Lot to any Person at any price and on such other terms as determined by the City in its sole discretion; provided, however, that if such sale or lease of the John Street Lot is not consummated within one hundred eighty (180) days after the expiration of the John Street Exercise Period, then a second attempt to consummate a sale of the John Street Lot within five years after the John Street Exercise Period shall again be subject to the provisions of this **Error! Reference source not found.**, but no further attempts shall be subject to said provisions.

(e) If John Street Offeree timely delivers a John Street ROFO Offer to Landlord, then at Landlord's option, Landlord shall either:

(i) accept the John Street ROFO Offer and proceed with the consummation of the sale of the John Street Lot in accordance with this Section 23.10 and the John Street ROFO Offer; or

(ii) proceed to initiate and consummate the sale of the John Street Lot to a Person other than John Street Offeree (a "Third Party John Street Sale"), at a price not less than one hundred and ten percent (110%) of the John Street ROFO Price and otherwise on substantially the same or better economic terms offered by John Street Offeree (including, without limitation, any guaranties, deposits and payments and the timing thereof, which value shall be determined by Tenant and Landlord acting reasonably and in good faith); provided, however, if a Third Party John Street Sale fails to close within one hundred eighty (180) days after the John Street Exercise Period, then a second attempt to consummate a sale or lease of the John Street Lot within five years after the John Street Exercise Period shall again be subject to the provisions of this Section 23.10, but no further attempts shall be subject to said provisions.

(f) Any closing of a sale or lease of the John Street Lot to John Street Offeree pursuant to this Section 23.10 shall be consummated in accordance with the following provisions:

(i) closing shall occur at such date as may be agreed between Landlord and John Street Offeree, not to be earlier than sixty (60) days nor later than one hundred twenty (120) days after Landlord's acceptance of the John Street ROFO Offer;

(ii) Landlord shall execute and deliver to John Street Offeree such deeds, lease, instruments of conveyance, assignments and/or other instruments as may be reasonably necessary or reasonably desirable to effectuate the transfer or lease of the John Street Lot to John Street Offeree;

(iii) the John Street ROFO Price shall be payable to Landlord at the closing in immediately available funds, in the case of a sale.

(g) Subject to Section 23.10(d) hereof, any proposals to lease or sell the John Street Lot after an initial John Street ROFO Trigger Notice shall not be subject to the provisions of this Section 23.10.

ARTICLE 24

EVENTS OF DEFAULT, CONDITIONAL LIMITATIONS, REMEDIES, ETC.

Section 24.1 Definition. Each of the following events shall be an "Event of Default" hereunder:

(a) if Tenant shall fail to make any payment (or any part thereof) of Rental required to be paid by Tenant hereunder and such failure shall continue for a period of ten (10) days after notice thereof from Landlord to Tenant;

(b) if Tenant shall enter into an Assignment, Transfer or Major Sublease without compliance with the provisions of this Lease and such Assignment, Transfer or Major Sublease shall not be made to comply with the provisions of this Lease or canceled within thirty (30) days after Landlord's notice thereof to Tenant;

ARTICLE 4
USE OF PREMISES.

Section 4.01 Tenant's Use of Premises

Tenant may use the Premises for the purposes described in this Article 4, and for no other purposes.

Section 4.02 Required Use by Tenant

(a) During each Baseball Season in the Term, Tenant shall cause the Team or other Qualifying Team to play all of its Team Home Games at the Premises, and generally to use the Stadium as its home stadium, provided no fire or other casualty has occurred which prevents such use from taking place.

(b) If Tenant is unable to satisfy such requirement due to the fact that the League of which the Team then using the Premises is a member ceases its operations and Tenant does not obtain another Qualifying Team to so play at and use the Premises within one (1) year after such cessation, Tenant shall not be deemed to be in breach of this Lease by reason of such failure, but Landlord and Tenant shall each have the right exercisable by notice to the other to terminate this Lease, in which event neither party shall have any further obligations to the other except for any obligations that arose prior to such termination. If either party so terminates, Landlord shall afford Tenant such time as is necessary for Tenant to vacate the Premises in an orderly manner prior to such termination, but in any event no more than thirty (30) days.

(c) In connection with Tenant's obligation under this Section 4.02, Tenant shall use reasonable efforts to cause the Team then using the Premises hereunder to maintain its status and franchise as a member of a League and to continue to be party to a PDC.

(d) Tenant hereby warrants and represents that all approvals and consents required from the League and the National Association of Professional Baseball Leagues, Inc. or required pursuant to any Professional Baseball Regulations

to allow and authorize the Team to use the Stadium as its home stadium have been obtained or will be obtained prior to the Use Commencement Date.

Section 4.03 Tenant's Right to Use the Premises for Tenant Events.

(a) Tenant shall have the right to use the Premises for all Team Home Games. No Team Home Games shall have a scheduled starting time later than 8:00 P.M. on any day or before 7:00 P.M. on any Business Day, unless an earlier or later scheduled starting time is rendered necessary by events beyond Tenant's control such as games rescheduled by the League because of rainouts.

(b) Tenant shall have the right to use the Premises for (i) Team Events that are not Team Games, and (ii) for all other purposes, including, without limitation, entertainment, sporting, cultural, recreational, community and civic events (such events for all such other purposes described in clause (ii) hereof are hereinafter referred to collectively as "Special Events"), subject to the Requirements and to Landlord's approval rights under Section 4.11.

(c) Tenant shall have the right to charge admission or usage fees for all Tenant Events, and to determine the prices and terms of tickets to Tenant Events. Without limiting the foregoing, Tenant recognizes that one of the purposes of the Stadium Project and this Lease is to make available to the residents of Staten Island and the City reasonably affordable family entertainment, and shall endeavor to take such goal into account when determining admission prices for Team Events.

(d) Tenant shall have the right to use the Premises and all areas therein for television and radio broadcasting and press coverage of Tenant Events.

(e) Tenant shall have the right to use the Premises for all purposes incidental to Tenant Events.

Section 4.04 Landlord's Luxury Suite and Priority Tickets, and Charity Tickets.

(a) Landlord shall be entitled to use, on an exclusive basis, one (1) luxury suite (hereinafter, "Landlord's Suite") during all Tenant Events at no admission or other charge by Tenant or any of its Subtenants. Such luxury suite shall be in a location comparable to the location of the luxury suite used by Tenant's principals, and shall be large enough to accommodate no less than twelve (12) persons. Exhibit 4.04(a) showing Landlord's Suite shall be prepared as soon as practicable.

(b) Landlord shall be entitled to purchase twenty-five (25) tickets to each Tenant Event consisting of the best seats then available as determined by Tenant in its sole and absolute discretion, provided that Landlord must exercise its right to purchase such tickets no later than five (5) days prior to the applicable Tenant Event.

(c) Tenant shall make at least twenty-five (25) complimentary tickets to each Team Home Game available to charity or other appropriate non-profit groups at no admission or other charge by Tenant or any of its Subtenants.

Section 4.05 Sharing of Revenues from Special Events.

(a) Tenant shall pay to Landlord an amount equal to thirty percent (30%) of all Shared Special Event Net Income received by or for the account of Tenant or an Affiliate, directly or indirectly from, in connection with, or arising out of Special Events held during each particular Lease Year.

(b) (i) Tenant shall pay to Landlord its share (if any) of Shared Special Event Net Income in respect of a particular Lease Year within thirty (30) days after the end of such Lease Year.

(ii) Together with each such annual payment (or, if no payment is due, in lieu of such payment), Tenant shall deliver to Landlord a statement, prepared by its managing member or a duly authorized officer, setting forth the total amount of Special Event Net Income for the Lease Year to which the statement pertains, and the details of such calculations.

(c) Definitions.

(i) "Shared Special Event Net Income" shall mean, for each Lease Year, the aggregate amount of Special Event Net Income received by or for the account of Tenant or an Affiliate, directly or indirectly from, in connection with, or arising out of each and every Special Event during such Lease Year, less the amount of One Hundred Forty-Three Thousand Dollars (\$143,000) (which amount shall be subject to a CPI Adjustment at the commencement of the fourth (4th) Lease Year, and at the commencement of every third (3rd) Lease Year thereafter).

(ii) "Special Event Net Income" shall mean the Special Event Revenues from a particular Special Event, less the Special Event Expenses in respect of such Special Event.

(iii) "Special Event Revenues" shall mean the total of all receipts, revenues, fees, proceeds, property (valued according to its fair market value), and other forms of consideration (including, without limitation, rental, sponsorship, concession, advertising and broadcasting revenues, and admission, parking, license and use fees) received by or for the account of Tenant or an Affiliate, directly or indirectly from, in connection with, or arising out of such Special Event, but excluding therefrom sales taxes. Special Event Revenues shall include a pro-rata portion of any consideration, other than amounts derived from Advertising Signage and Naming Rights, that (1) is received by or for the account of Tenant or an Affiliate for or in respect of the right to use the Premises or to

Any Imposition relating to a fiscal period of the taxing authority, a part of which fiscal period is included within the Term and a part of which is included in a period of time after the Expiration Date, shall be apportioned pro rata between Landlord and Tenant as of the Expiration Date (unless the Expiration Date has occurred as a result of an Event of Default, in which case Tenant shall not be entitled to an apportionment except for the purpose of applying such amount as a credit pursuant to Section 22.03(b) hereof).

Section 5.05. Taxes.

Provided the City shall be Landlord, Landlord shall pay, cancel, or otherwise satisfy and discharge of record any and all Taxes on or before the due date thereof (which may be by bookkeeping entry, interdepartmental direction or other manner or procedure selected by Landlord). If the City shall cease to be Landlord, any new Landlord shall pay the Taxes on or before the due date thereof, it being understood that under no circumstances shall Tenant pay Taxes. If Landlord shall have failed to pay or discharge the Taxes as required hereunder and Tenant shall not have timely commenced a proceeding to contest the same as provided in Section 33.01 hereof, or if Tenant shall have timely commenced such a proceeding to contest the Taxes but failure to pay the Taxes during the pendency of such proceeding will result in the imminent loss or forfeiture of the Premises and the termination of Tenant's interest under this Lease or Tenant would by reason thereof be subject to any civil or criminal penalty or liability, then Tenant may pay such unpaid Taxes together with any interest or penalties thereon and deduct such payment from the next Rental due, with interest at the rate (the "City's Payment Rate") which is the lesser of the New York City Department of Finance Penalty Rate (18%) or the interest rate specified in Section 3-a(1) of the General Municipal Law of the State of New York, as it may be amended from time to time.

Section 5.06. Intentionally Omitted.

Section 5.07. Intentionally Omitted.

Section 5.08. Survival.

The provisions of this Article 5 shall survive any termination of this Lease.

ARTICLE 6

USE AND DEVELOPMENT OF PREMISES

Section 6.01. Permitted Uses. Tenant shall use and occupy the Premises for the purpose of receiving, processing, handling (including packaging), distributing, and warehousing, of food products and beverages and other ancillary products provided, however, that non-food items shall not consist of more than twenty-five percent (25%) of Tenant's inventory of the Premises and no other purpose and provided further, that Tenant shall not use the Premises for wholesale purchase, sale or distribution of fresh seafood. Tenant and Tenant's servants, employees, agents, visitors, and licensees shall observe faithfully, and comply strictly with, any reasonable restrictions on use as Landlord may from time to time adopt, provided same do not materially interfere with Tenant's Permitted Uses. Notice of any additional restrictions shall be given at least thirty (30) days in advance of the date such restriction is proposed to become

effective. Notwithstanding anything contained in this Section to the contrary, Landlord shall not be liable to Tenant for violation of the same by any other tenant, its servants, employees, agents, visitors or licensees.

Section 6.02. Requirements for Conduct of Business Tenant acknowledges that the Property and the Premises are part of a "public market" under § 260 *et seq.* of the New York Agriculture and Markets Law and of a "public wholesale market" under § 22-251(h) of the New York Administrative Code. Tenant further acknowledges and agrees that it shall comply with the requirements as required pursuant to the general provisions of Article 14 hereof.

Section 6.03. Unlawful Use; No Representation of Landlord.

(a) During the Term, Tenant shall not use or occupy the Premises or permit or suffer the Premises, or any part thereof to be used or occupied, for any unlawful, illegal, or hazardous business, use or purpose or in any way in violation of any of the Requirements, any certificate of completion or occupancy affecting the Premises or this Lease or in such manner as may make void or voidable any insurance then in force with respect to the Premises, the Building or the Property. Immediately upon the discovery of any such unlawful, illegal or hazardous business, use or purpose, Tenant shall take all necessary steps, legal and equitable, to compel the discontinuance thereof. Tenant shall not keep anything in the Premises which may cause or be apt to cause structural injury to the Premises or any part thereof, or as will constitute a public or private nuisance, or anything except as now or hereafter permitted by the Fire Department, Board of Fire Underwriters, Fire Insurance Rating Organization and other authority having jurisdiction, and then only in such manner and such quantity so as not to make it difficult or impossible to obtain fire insurance for the Premises or increase the rate for fire insurance applicable to the Building, nor use the Premises in a manner which will increase the insurance rate for the Building or any property located therein over that otherwise in effect. If by reason of Tenant's failure to comply with the foregoing the fire insurance rate shall, at any time, be higher than it otherwise would be, then Tenant shall be obligated to pay such additional cost which shall have been charged because of such failure by Tenant.

(b) Any installation on any floor of the Premises shall be placed and maintained by Tenant, at Tenant's expense, in settings sufficient, in Landlord's reasonable judgment, to absorb and prevent vibration, noise and annoyance.

(c) Tenant shall use its best efforts, at Tenant's expense, to contain any odors that may arise from Tenant's use of the Premises in accordance with this Section.

(d) Any installation on or activity conducted at the Premises shall incorporate advances in the art of noise control and odor control, as applicable, developed for the kind and level of noise or odor, as applicable, emitted or produced by such installations or activity, all in accordance with or required by any applicable regulations issued by the New York City Department of Environmental Protection of the City, or its successor, or any other relevant agency or authority.

(e) Tenant may not, without Landlord's prior written approval in each instance, conduct any excavation on the Premises, Common Facilities or Land including but not

limited to any digging-up or removal of any soil ("Excavation Work"). Furthermore, any request to conduct any Excavation Work shall be accompanied by a detailed description of the Excavation Work and the precise location thereof, submitted to Landlord not less than thirty (30) days prior to the date on which Tenant would like to commence the Excavation Work. Landlord may, together with its written approval of such Excavation Work, require that the Excavation Work be monitored or conducted by Administrator's environmental consultant and the costs attributable to the environmental consultant in connection with Tenant's excavation request shall be paid for on a reimbursement basis by Tenant within twenty (20) days following submission by Administrator of a detailed bill of any such expenses. Tenant shall cooperate in good faith with Administrator and its environmental consultant with respect to and during the performance of Excavation Work. However, in the event Excavation Work is necessary on an emergency basis and accordingly it is necessary for the Excavation Work to be performed in a brief period of time, Tenant must, state on the heading of the notice, in large bold letters:

"EMERGENCY EXCAVATION REQUEST PURSUANT TO SECTION 6.03 OF THE SULTANA LEASE AT 600 FOOD CENTER DRIVE, HUNTS POINT",

in which case the required thirty (30) day advance notice shall not apply and provided further, that if the emergency Excavation Work must be conducted prior to the arrival of Administrator's environmental consultant then Tenant shall separate any excavated soil and secure it at the Premises in a container or on a tarp.

(f) Landlord makes no representation as to the legality of the use of the Premises for Tenant's intended purposes. If any use or proposed use is determined to be illegal by a court of competent jurisdiction or an administrative law judge, Tenant agrees that neither Landlord nor Administrator nor any of their respective agents, officers and employees, or any person whatsoever, shall be liable for any damages arising out of or related to such illegal use or proposed use.

ARTICLE 7

INSURANCE

(a) Tenant shall purchase, maintain and keep in full force and effect throughout the Term, at Tenant's sole cost and expense, with respect to the Premises, and the operations related thereto, whether conducted on or off the Premises, insurance coverage of the types and in the minimum limits as follows:

(i) Liability Insurance. Commercial General Liability Insurance, on an occurrence basis, containing no exclusion for sprinkler or water damage, legal liability or any other hazard customarily covered by such insurance, designating Landlord, Administrator and Apple as additional insureds, on a primary and non-contributory basis, providing coverage against assumed or contractual liability under this Lease and claims for personal injury, bodily injury, death and property damage, occurring on, in or about the Premises and the streets and sidewalks adjacent to the Premises, (or in connection with Tenant's use of any rail service should it become available) such insurance to have a limit per occurrence of not less than five

connection therewith, including, without limitation, reasonable attorneys' fees and disbursements.

ARTICLE 20
PERMITTED USE; NO UNLAWFUL OCCUPANCY

Section 20.01. Permitted Uses.

(a) Except as otherwise provided in subparagraph (b), Tenant shall use and occupy the Premises solely for the selling, buying, receiving, brokering, processing, handling (including packaging) and distribution of fish and seafood products and other food products commonly sold or distributed at wholesale seafood distribution centers ("Seafood Distribution Uses"), and for uses ancillary thereto, including offices, storage, parking, locker rooms, a restaurant and/or commissary, banking facilities, and the sale of materials and supplies. The Premises is acknowledged to be a "market" under former § 259 *et seq.* of the New York Agriculture and Markets Law. In exercising its rights under this Lease, the Landlord shall apply the Market Rules and Regulations and all amendments thereto as the same shall have been promulgated by the City's Department of Business Services (or successor or replacement thereto) in its regulatory capacity.

(b) (i) During the Lease term, Tenant shall have the right to request from time to time, by written notice to Landlord, that the scope of the Permitted Uses be modified to include the selling, buying, receiving, brokering, processing, handling (including packaging) and distribution of food products other than seafood on the grounds that (X) that there has been a significant decline in the availability of seafood product for wholesale distribution by the Subtenants, and/or (Y) there has been a material change in wholesale seafood market conditions that materially and adversely affects the long-term viability of the wholesale seafood distribution businesses at the Premises. Tenant shall include with any such request all information reasonable necessary to substantiate the foregoing, and any other information that Landlord shall request.

(ii) Landlord shall have the right to accept or deny Tenant's request to modify the scope of Permitted Uses, in whole or in part, in its reasonable discretion, provided that Landlord shall give prompt and good faith consideration to such request, and, in responding thereto, shall endeavor to take into account the designation of the premises as a wholesale seafood market, the market conditions and any other factors that concern the long-term viability of the wholesale seafood distribution businesses at the Premises.

Section 20.02. Compliance with Laws and Insurance Policies. Tenant agrees that it will not use or permit any person to use the Premises or the Permit Area or any part thereof for any use or purpose in violation of this Lease, or of any present or future Requirements, orders, directions, rules or regulations. Tenant shall not use or occupy the Premises or the Permit Area, or permit the Premises or the Permit Area be used or occupied, nor do or permit anything to be done in or on the Premises or the Permit Area, in whole or in part, for any unlawful or illegal business use or purpose or for any purpose or in any way in violation nor this Article or any other provision of this Lease, or in a manner which would in any way violate any certificate of completion or occupancy affecting the Premises or the Permit Area, or make void or voidable any insurance then in force with respect thereto, or which may make it difficult or impossible to obtain fire or other insurance thereon, or as will cause or be apt to cause structural injury to the Premises or the Permit

Area or any part thereof, or as will constitute a public or private nuisance. During the term of this Lease, Tenant, at its sole cost and expense, shall promptly comply with all Requirements foreseen and unforeseen, ordinary as well as extraordinary, which may be applicable to the Premises or the Permit Area, or any part thereof, or to the use or manner of use of the Premises or the Permit Area, or the owners, tenants or occupants thereof, even though such Requirement shall necessitate structural changes, repairs or improvements, or the use or application of portions of the Premises or the Permit Area, for compliance therewith, and even though compliance with the provisions of this Section 20.02 may interfere with the use and enjoyment of the Premises or the Permit Area.

Section 20.03. No Representation of Landlord. Except for the uses identified in and permitted by Section 20.01 of this Lease, Landlord makes no representation as to the legality of the use of the Premises or the Permit Area for Tenant's intended purposes. If any use or proposed use is determined to be illegal by a court of competent jurisdiction or an administrative law judge, Tenant agrees that neither Landlord nor Administrator nor any of their respective agents, officers and employees, or any person whatsoever, shall be liable for any damages arising out of or related to such illegal use or proposed use.

Section 20.04. Restriction on New Seafood Markets. During the Term, Landlord shall not actively promote or develop in the City of New York any other "public wholesale market" (as defined in Section 22-251(h) of the City's Administrative Code) for the wholesale distribution of seafood, provided that this provision is not intended to and shall not preclude Landlord, acting in its governmental capacity, from designating any area(s) in the City as a public wholesale market or a public seafood market for the primary purpose of regulating the same.

ARTICLE 21

EVENTS OF DEFAULT, CONDITIONAL LIMITATIONS, REMEDIES, ETC.

Section 21.01. Definition. Each of the following events shall be an "Event of Default" hereunder:

(ii) if Tenant shall fail to maintain the Premises or the Permit Area as provided in Sections 11.01 and 11.03 hereof and if such failure shall continue for a period of thirty (30) days after notice (unless such failure requires work to be performed, acts to be done or conditions to be removed which cannot, by their nature, reasonably be performed, done or removed within such thirty (30) day period, in which case no Event of Default shall exist as long as Tenant shall have commenced curing the same within the thirty (30) day period and shall diligently and continuously prosecute the same to completion within a reasonable period);

(b) if Tenant shall enter into (or permit to be entered into) a Capital Transaction, or any other transaction, in violation of the provisions of this Lease and such Capital Transaction or other transaction shall not be made to comply with the provisions of this Lease or canceled within fifteen (15) days after Landlord's notice thereof to Tenant;

OF

(a) ARB Premises and Additional Premises I. Tenant shall not use or occupy the ARB Premises or Additional Premises I for, and shall use reasonable efforts to prevent the ARB Premises and Additional Premises I or any part thereof from being used or occupied for, any illegal business, use or purpose, or for any purpose in violation of the provisions of this Article 23 or the Certificate(s) of Occupancy therefor, or in such manner as may make void or voidable any insurance then in force with respect to the ARB Premises or Additional Premises I. Immediately upon its discovery of any such illegal business, use or purpose, or use or occupation in violation of this Article 23, Tenant shall take all reasonable steps, legal and equitable, to compel discontinuance of such business or use, including, if necessary, the removal of any Subtenants using a portion of the ARB Premises or Additional Premises I for any illegal business, use or purpose or in violation of this Article 23.

(b) Additional Premises II. Tenant shall, promptly after the Commencement Date, construct and thereafter maintain until construction of a building at Additional Premises II, a security fence along the boundaries of Additional Premises II. After a building has been constructed on Additional Premises II, Tenant shall have the same obligations with respect to Additional Premises II as it does with respect to the rest of the Premises under the preceding subsection (a).

Section 23.03. New Building Space Leasing Requirements.

(a) Generally. Tenant shall lease space in the New Building to small, start-up or developing Firm(s) (as hereinafter defined) for Biotechnical Uses (hereinafter referred to as "Incubator Firm(s)") as well as to Firm(s) operating an established business for Biotechnical Uses (hereinafter referred to as "Established Firm(s)") in accordance with this Section 23.03. For purposes of this Lease, a Firm shall mean an individual, business or not-for-profit corporation, partnership, joint venture, estate, trust, unincorporated association, foundation, any Federal, state, county or municipal government or any bureau, department or agency thereof and any fiduciary acting in such capacity on behalf of any of the foregoing; provided, however, that an Incubator Firm(s) shall not include an estate, trust, or foundation, or any Federal, state, county or municipal government or any agency, department or bureau thereof or any fiduciary acting in such capacity on behalf of any of the foregoing. In no event shall any Firm be an Incubator Firm if it has occupied space in the New Building for more than five years. After five years of such occupancy a Firm shall be deemed to be an Established Firm. Attached hereto as Exhibit F are guidelines, agreed upon by Tenant and the Public Parties, for a tenant selection process including guidelines for screening and defining Incubator Firms and departure from said guidelines with respect to any Sublease, and any change in such guidelines, shall be subject to the prior review and approval of

each of the Public Parties, which approval shall not be unreasonably withheld.

(b) First Period. (i) Incubator Firms/Established Firms. From the Substantial Completion Date through the third anniversary thereof (the "First Period"), Tenant shall use all reasonable efforts to lease (x) a minimum of forty percent (40%) of the non-retail Rentable Area in the New Building to Incubator Firms (space leased to Incubator Firms to be referred to hereinafter as the "Incubator Space") and (y) approximately sixty percent (60%) of the non-retail Rentable Area in the New Building to Established Firms.

(ii) Initial Rent-Up. If despite Tenant's reasonable efforts, after the first anniversary of the Substantial Completion Date the amount of Incubator Space is below the forty percent minimum set forth in the preceding sentence, Tenant may use the Temporary Use Space as provided in Section 23.03(f). If after the second anniversary of the Substantial Completion Date the amount of Incubator Space is still below said forty percent minimum, Tenant may use the Temporary Use Space for Established Firms.

(iii) Subsequent Vacancy. If at any time during the First Period that space previously leased becomes vacant the amount of Incubator Space is, or, as a result of such vacancy, drops, below the forty percent minimum set forth above, the space that has become vacant shall not be leased other than to Incubator Firms for four successive months after such vacancy has occurred. If after such four successive month period Tenant has, despite Tenant's reasonable efforts, been unable to rent such space to Incubator Firms, Tenant may rent such space to Established Firms (subject to the reasonable approval of UDC acting for the Public Parties) or may use it as provided in Section 23.03(f) below.

(c) Second Period. Section 21.01. Permitted Uses.

(a) Tenant shall use and operate the Premises only for the following purposes, in accordance with the certificate(s) of occupancy therefor, and for no other purpose inconsistent therewith:

(i) live theater (such as: drama, musicals, dance, chamber music, classical, light or contemporary opera, dinner theater, children's theater and other live performance arts); motion picture theater, provided that no more than two motion picture theaters may be located on Site 5; recital halls, concert halls, cabarets, jazz and other contemporary music as well as comedy clubs; state-of-the-art media shows; tourist or educationally oriented multi-media events; art, scientific and educational exhibitions; interactive theme exhibitions; museums; recording studios; rehearsal and performance studios; and repertory schools (such uses, "**Primary Uses**");

(ii) restaurants and retail activities (as per list of Entertainment-Related Retail activities (annexed hereto as Attachment A to Exhibit H), or as otherwise approved by Landlord, if, in Landlord's reasonable judgment, such proposed use,

when considered with the overall mix of uses, does not materially adversely affect the overall requirement of entertainment-related uses) (such uses, "Secondary Uses"); and

(iii) theater-related craft shops (e.g., wig and costume makers) and theater-related office space (such uses, "Ancillary Uses").

(b) At all times after Substantial Completion of the Initial Construction Work for all the Theaters, not less than five Theaters shall either (i) be principally devoted to Primary Uses, (ii) be part of an Entertainment Complex or (iii) be both principally devoted to Primary Uses and part of an Entertainment Complex. Secondary Uses may predominantly occupy (A) the Empire Theater (described in clause (vii) of the definition of "Theater" in Article 1 hereof), the Liberty Theater (described in clause (ii) of the definition of "Theater" in Article 1 hereof), the Selwyn Infill and up to one (1) additional Theater and (B) spaces above the theater auditoriums and/or in the lobbies (but in the case of lobbies, only to the extent that the Secondary Uses occupying any lobby are related to the Primary and/or Secondary Uses conducted in such Theater) in any of the remaining Theaters. Ancillary Uses may occupy space above the theater auditoriums and may also occupy the Selwyn Infill. Notwithstanding the foregoing, a modification of the allocation of uses permitted under this Section 21.01(b) may be allowed by Landlord if, in Landlord's discretion, the uses as reallocated remain consistent with the Public Goals and are predominantly entertainment-related.

(c) At all times after Substantial Completion of the Initial Construction Work for five (5) Theaters, at least one (1) of the Theaters must be predominantly dedicated to not-for-profit uses; at all times after Substantial Completion of the Initial Construction Work for six (6) Theaters, at least two (2) of the Theaters must be predominantly dedicated to not-for-profit uses. For purposes of this Section 21.01(c), a Theater shall be deemed to be predominantly dedicated to not for profit uses if a significant portion of such Theater is dedicated to not for profit use, and such use constitutes the significant presence in such Theater.

Section 21.02. Prohibited Uses. Tenant shall not use or occupy, nor permit or suffer the Premises, or any part thereof, to be used or occupied for any unlawful or illegal business, use or purpose, or for any business, use or purpose deemed by Landlord to be extra hazardous, or in such manner as to constitute a nuisance of any kind, public or private, or for any purpose or in any way in violation of any certificate of occupancy or of any present or future governmental laws, ordinances, requirements, orders, directions, rules or regulations, or which may make void or voidable any insurance then in force on the Premises. Tenant shall immediately upon the discovery of any such unlawful, illegal or extra hazardous use or nuisance take all necessary steps, legal and equitable, to cause the discontinuance of such use and to oust and remove any subtenants, licensees, concessionaires or other occupants found guilty of such unlawful, illegal or extra hazardous use or nuisance.

Section 21.03. Restriction of Public Use. Tenant shall not suffer or permit the Premises or any portion thereof to be used by the public without restriction or in such

manner as might reasonably tend to impair title to the Premises or any portion thereof, or in such manner as might reasonably make possible a claim or claims of adverse usage or adverse possession by the public, as such, or of implied dedication of the Premises or any portion thereof.

ARTICLE 22

EVENTS OF DEFAULT, CONDITIONAL LIMITATIONS, REMEDIES, ETC.

Section 22.01. Definition. Each of the following events shall be an "**Event of Default**" hereunder:

- (a) if Tenant shall fail to pay when due any installment of Base Rent or Additional Rent or any part thereof, and such default shall continue for a period of thirty (30) days after written notice thereof from Landlord to Tenant;
- (b) if Tenant shall fail to make any other payment of Rental required to be paid by Tenant hereunder for a period of thirty (30) days after written notice thereof from Landlord to Tenant;
- (c) if Tenant shall fail to observe or perform one or more of the other terms, conditions, covenants or agreements of this Lease and such failure shall continue for a period of sixty (60) days after written notice thereof by Landlord to Tenant specifying such failure, unless (i) such failure requires work to be performed, acts to be done, or conditions to be removed which cannot by their nature reasonably be performed, done or removed, as the case may be, within such sixty (60) day period, in which case no default shall be deemed to exist as long as Tenant shall have commenced curing the same within such sixty (60) day period and shall thereafter diligently and continuously prosecute the same to completion or (ii) such failure requires work to be performed, acts to be done, or conditions to be removed which arise as a consequence of any failure by a Subtenant to perform its obligations under its Sublease, then such sixty (60) day period shall be extended if and for so long as Tenant is diligently pursuing its remedies against such Subtenant;
- (d) if Tenant shall file a voluntary petition in bankruptcy or shall be adjudicated a bankrupt or insolvent, or shall file any petition or answer seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under present or any future federal bankruptcy act or any other present or future applicable federal, state or other statute of law, or if Tenant shall seek or consent to or acquiesce in the appointment of any trustee, receiver or liquidator of Tenant or of all or any substantial part of its properties or of the Premises or any interest of Tenant therein or if Tenant shall admit in writing the inability to pay its debts as they become due or makes a general assignment for the benefit of its creditors; provided, however, that, if this Lease shall be assigned with the consent of

Section 6.01. Permitted Use. (a) The Theater and the Roof-Top Theater shall be used and occupied only for first-class Broadway live theater (including performance of drama, musicals, dance, chamber music, classical, light or contemporary opera, dinner theater, children's theater and other live performance arts), motion picture theater, recital halls, concert halls, cabarets, jazz and other contemporary music as well as comedy clubs, state-of-the-art media shows, tourist or educationally oriented multi-media events, art, scientific and educational exhibitions, interactive theme exhibitions, museums, recording studios, rehearsal and performance studios, repertory schools and for any other purpose consistent therewith or any uses incidental or related thereto, and for no other purpose, and the remainder of the Property shall be used for any of the foregoing permitted uses, for uses ancillary thereto, and for any of the uses listed in Exhibit I attached hereto, and for no other purpose (any of the foregoing, a "**Permitted Use**"). Tenant agrees at a minimum to use and operate the Theater (or cause the Theater to be used and operated) for a Permitted Use at least seven hundred fifty (750) nights during each five (5) year period commencing upon the Substantial Completion Date. Tenant agrees not to use or permit the Property to be used for any purposes other than a Permitted Use without the prior written consent of Landlord.

(b) All business and other operations conducted at the Property shall be conducted in compliance with all Legal Requirements and Insurance Requirements. Tenant shall secure and maintain all licenses and permits required by Legal Requirements for the actual operation of the Property for the particular Permitted Use to which the Property is being put, except for licenses and permits that relate exclusively to Landlord Replacement Items. The Public Entities shall use their best efforts to assist Tenant in obtaining the temporary and permanent certificates of occupancy for the initial actual operation of the Theater as a first-class Broadway live theater following substantial completion of the Renovation Work.

(c) All signage to be incorporated into the design of the Property and all lighting to be installed in connection therewith shall be consistent with the specific requirements set forth in the Design Guidelines and, if and to the extent required by Legal Requirements, will conform with the applicable restrictions established and maintained by the Landmarks Preservation Commission. In the event Tenant does not install signage on the roof of the Annex as contemplated in the Design Guidelines within twelve (12) months after the Substantial Completion Date (the "**Signage Completion Date**"), Landlord shall be entitled to install such signage, at Landlord's expense, if Tenant does not do so within thirty (30) days after notice by Landlord given at any time after the Signage Completion Date, and

Tenant shall cooperate with, and grant access to, Landlord for purposes of implementing the foregoing.

(d) Tenant shall designate and use the 42nd Street entrance to the Improvements as the main entrance for pedestrian ingress and egress.

Section 6.02. Restrictions on Use. Tenant shall not use, occupy, maintain or operate the Property, nor permit the same to be used, occupied, maintained or operated, nor do or permit anything to be done in, on or to the Property, in whole or in part, in a manner which would in any way (a) violate any construction permit or certificate of occupancy affecting the Property, (b) make it impossible or economically unfeasible to obtain fire or other insurance thereon required to be furnished by Tenant hereunder, (c) cause physical damage (other than de minimis damage resulting from the ordinary use of the Property for the uses set forth herein) to the Property or the Improvements or any part thereof, (d) constitute a public or private nuisance, (e) violate any Legal Requirement or Insurance Requirement then in effect, (f) constitute an Event of Default by Tenant, under any term, covenant or condition of this Lease, or (g) violate the Design Guidelines. Any act or omission of any subtenant which violates any provision of this Lease shall, for the purposes hereof, be deemed to be a violation of such provision of this Lease by Tenant, it being the intention and agreement of the parties that Tenant shall assume and be liable to Landlord for any and all acts and omissions of any and all subtenants with respect to this Lease. Tenant shall promptly upon discovery of any of the conditions in clauses (a) through (g) above, take all necessary steps, legal and equitable, to cause the discontinuance of such condition.

Section 6.03. Tenant's Obligations; Maintenance; Repairs. (a) Tenant shall (i) maintain and take good care of the Property (including all Personal Property, building systems, escalators, elevators, signage and lighting and the like), provided that this clause (i) shall be deemed to impose on Tenant a general maintenance obligation and not a repair, replacement or restoration obligation, which repair, replacement and restoration obligations have otherwise been allocated between Landlord and Tenant in accordance with the provisions of this Lease, (ii) make all nonstructural repairs which are caused by or arise out of ordinary wear and tear, and (iii) make all repairs, restorations and replacements, ordinary or extraordinary, foreseen and unforeseen, structural and non-structural, which:

(1) are caused by or arise out of the negligent act or omission of Tenant or any employee, agent, contractor or invitee of Tenant or any person claiming by, through or under any of the foregoing;

(G) operate the Retail Space for the conduct of business during the hours of operation set forth in the DUO;

(H) operate and maintain the Public Amenity as set forth in the DUO and in Section 30.4 hereof;

Any such proceeding instituted by Tenant shall be commenced as soon as is reasonably possible after the issuance of any notification by the applicable governmental authority with respect to required compliance with such Legal Requirement and shall be prosecuted to final adjudication with reasonable diligence. Tenant hereby agrees to indemnify Landlord from and against any and all Claims arising out of such proceeding. Notwithstanding the foregoing, Tenant promptly shall comply with any such Legal Requirement and compliance shall not be deferred if at any time there is a condition imminently hazardous to human life or health, the Property, or any part thereof, shall be in danger of being forfeited or lost, or if Landlord shall be in danger of being subject to criminal and/or civil liability or penalty (other than a fine which Tenant agrees to pay or in regard to which Tenant provides to Landlord an indemnity of Landlord by an Acceptable Guarantor) by reason of noncompliance therewith. The Obligations of Tenant to indemnify Landlord under this Section 7.4 shall survive the expiration or earlier termination of this Lease.

Section 7.5 No Waste. Except in connection with the Demolition Work, Tenant will not do, permit or suffer any waste to or upon the Property or any part thereof. Tenant shall have the right at any time and from time to time to sell or dispose of any Equipment, subject to this Lease, which may have become obsolete or unfit for use or which is no longer useful, necessary or economical in the operation of the Property; provided, however, that Tenant shall have substituted or shall promptly substitute for the property so removed from the Property other Equipment not necessarily of the same character but at least of equal quality in the performance of the particular function in question as that of the property so removed unless, in Tenant's reasonable opinion as set forth in a written notice to Landlord, the property so removed was performing an obsolete function or a function no longer required in connection with the then current use of the Property and replacement thereof is not necessary or appropriate to maintain, without impairment, the operation or character of the Property, its use and occupancy by Subtenants or its overall value.

Section 7.6 Right of Entry. Landlord (and its designee(s)) shall have the right to enter upon the Property, or any part thereof, at any time during the term hereof, for the purpose of ascertaining the condition of the Property or whether Tenant or any Subtenant is observing and performing their respective obligations hereunder, all without hindrance or molestation from Tenant or any Person claiming by, through or under Tenant. The above mentioned rights of entry shall be exercisable (other than in the case of an emergency) at reasonable times, at reasonable hours and on reasonable, prior written notice, and Landlord shall use reasonable efforts to minimize interference with Tenant and any Subtenants, and shall exercise such right under the supervision of Tenant's (and any such Subtenant's) employees, agents or designees provided the same are made reasonably available to Landlord for such purpose upon reasonable advance notice to Tenant and any such Subtenant (as applicable).

Section 7.7 Utilities; Services; No Landlord Responsibility. Tenant shall be responsible for all charges for gas, electricity, light, heat, water, sewerage and power, for protective and security services, for telephone and other communication services, and for all other public or private utility services which shall be used, rendered or supplied upon or in connection with the Property, or any part thereof, at any time during the term of this Lease. Landlord shall not be required to furnish any services, utilities or facilities whatsoever to the Property, nor shall Landlord have any duty or obligation to make any Alteration or repair to the Property. Tenant assumes the full

and sole responsibility for the condition, operation, repair, alteration, improvement, replacement, maintenance and management of the Property.

Section 7.8 Environmental. Tenant shall not undertake, permit or suffer any Environmental Activity at the Property other than (a) in compliance with all applicable Insurance Requirements and Legal Requirements and (b) in such a manner as shall keep the Property free from any lien imposed in respect or as a consequence of such Environmental Activity. Tenant shall take all necessary steps to ensure that any permitted Environmental Activity undertaken or permitted at the Property is undertaken in a manner as to provide prudent safeguards against potential risks to human health or the environment or to the Property. Tenant shall notify Landlord within twenty-four (24) hours after Tenant becomes aware of the release or discharge of any Hazardous Materials from or at the Property and Tenant shall forthwith remediate or remove such Hazardous Materials, subject to the last sentence of this Section 7.8. Landlord shall have the right from time to time to conduct an environmental audit of the Property, provided Landlord has reasonable cause to believe (i) Hazardous Materials have been released or discharged or is otherwise present at the Property or (ii) Tenant is otherwise in violation of any Legal Requirement or Insurance Requirement relating to Hazardous Materials, and Landlord provides written notice of its intention to conduct an environmental audit together with a statement setting forth the reasons therefor. Tenant shall cooperate in the conduct of such environmental audit. The cost of such audit shall be payable by Tenant upon Landlord's demand therefor; provided, however, that if Tenant objects to such audit by written notice received by Landlord prior to the initiation of such audit and such audit (and any more-detailed environmental audit of the same circumstances (e.g., a so-called phase II environmental assessment)) fails to identify any Environmental Activity in violation of Legal Requirements, Landlord shall pay the costs of such audit. Such audit shall be performed at reasonable times, at reasonable hours and on at least five (5) Business Days notice (except in the case of an emergency), Landlord shall make reasonable efforts to minimize interference with Tenant and any Subtenants, and shall require its audit contractor to carry commercial liability insurance in a commercially reasonable amount, naming Tenant and Landlord as additional insureds, and to deliver Tenant evidence thereof no less than five (5) Business Days prior to commencing such audit. Notwithstanding anything to the contrary in the foregoing portions of this Section 7.8: (A) nothing contained in this Section 7.8 shall require Tenant to remove or remediate any Hazardous Waste unless required to do so by Legal Requirements; and (B) Tenant shall have the right, in accordance with Section 7.4, to contest the validity of any Legal Requirement applicable to the remediation or removal of Hazardous Materials, provided Tenant forthwith takes all necessary steps to prevent any further discharge or release of Hazardous Materials or any other or further deterioration to the Property caused by Hazardous Materials; provided, however, that, in any event, Tenant may not delay such remediation or removal during the pendency of such contest if the presence of such Hazardous Materials poses an imminent threat to the Property or any persons or if such delay could expose Landlord to increased liability arising from such Hazardous Materials.

Section 7.9 Equitable Relief. Tenant hereby acknowledges that Landlord may suffer irreparable harm by reason of a breach or threatened breach of the provisions of this Article VII, and, accordingly, in addition to any other remedy that Landlord may have under this Lease or as may be permitted by applicable law, Landlord shall be entitled to seek to enjoin the action, activity or inaction that gives rise to such breach or threatened breach by Tenant.

Section 7.10 Windows. Tenant shall not clean or require, permit, suffer or allow any window in the Improvements to be cleaned from the outside in violation of Section 202 of the Labor Law or any other Legal Requirements or Insurance Requirements.

Section 7.11 Adverse Possession. Tenant shall not suffer or permit the Property or any portion thereof to be used by the public or any Person without restriction or in such manner as would, with the lapse of time, impair title to the Property or any portion thereof, or create the basis for a legitimate claim or claims of adverse usage or adverse possession by the public, as such, or any Person, or of implied dedication of the Property, or any portion thereof.

Section 7.12 Pre-Possession Obligations. Except as expressly set forth hereunder or in a separate agreement between ESDC and Tenant, Tenant shall have no rights, obligations or liability in respect of the Property prior to the delivery of Possession.

Any and all costs incurred by Landlord in connection therewith shall be paid to Landlord's contractors or reimbursed to Landlord, as Landlord shall request, and shall accrue interest at the Interest Rate, in accordance with Section 15.1 hereof.

(b) Maintenance During Demolition Work and Tenant's Construction Work. Any and all costs incurred by Landlord in connection therewith shall be paid to Landlord's contractors or reimbursed to Landlord, as Landlord shall request, and shall accrue interest at the Interest Rate, in accordance with Section 15.1 hereof.

(c) Long-Term Maintenance Obligations. (i) At all times during the term of this Lease from and after the Substantial Completion Date, Tenant shall (and/or shall cause each Subtenant (by incorporating the following provisions in every Sublease and using all reasonable efforts to enforce the same) to):

(A) not cause any waste to or upon the Property or any part thereof, nor permit or suffer any waste to or upon the Property;

(B) not cause physical damage (other than as part of any Construction Work permitted hereunder or as caused by a Casualty or Taking) to the Property or any part thereof, including the Core and Shell and Tenant's Subway Improvements (except in accordance with the Site 8 South Subway Agreement);

(I) prohibit sales through window openings on the streetwall, except in the case of (1) a Subtenant whose business is primarily the operation of a newsstand or ticket sales or (2) the sale of tickets for movies and other attractions, i.e., display windows shall be used for display only and not as a point of sale; and

(J) keep the Property free of graffiti and posters.

(ii) If Tenant fails to maintain the cleanliness of the sidewalks adjacent to the Property at least to the level of cleanliness maintained for the overall area of the Times Square BID, as determined by the Mayor's Office of Operations Sanitation Scorecard for as long as the same exists, or fails to promptly remove from the Improvements evidence of graffiti and such failure continues for five (5) Business Days after notice to Tenant specifying in reasonable detail such failure and setting forth Landlord's right to remove same on Tenant's behalf, Landlord shall, at the end of such five (5) Business Day period, be entitled to clean such sidewalks or remove such graffiti or cause the same to be cleaned or removed, as the case may be, at the expense of Tenant. Any and all costs incurred by Landlord in connection therewith shall be paid to Landlord's contractors or reimbursed to Landlord, as Landlord shall request, and shall accrue interest at the Interest Rate, in accordance with Section 15.1 hereof.

Section 7.4 Compliance with Legal Requirements. Tenant shall promptly comply with all Legal Requirements and Insurance Requirements, foreseen or unforeseen, ordinary as well as extraordinary, structural or non-structural. Tenant shall have the right to contest the validity of any Legal Requirement or the application thereof in accordance with this Section 7.4. During such contest, compliance with any such contested Legal Requirement may be deferred by Tenant upon condition that before instituting any such proceedings, Tenant shall furnish to Landlord

security reasonably satisfactory to Landlord (it being agreed that an acceptable guaranty of an Acceptable Guarantor shall be security reasonably satisfactory to Landlord under this Section 7.4), securing compliance with the contested Legal Requirement and payment of all interest, penalties, fines, fees and expenses in connection therewith. Any such proceeding instituted by Tenant shall be commenced as soon as is reasonably possible after the issuance of any notification by the applicable governmental authority with respect to required compliance with such Legal Requirement and shall be prosecuted to final adjudication with reasonable diligence. Tenant hereby agrees to indemnify Landlord from and against any and all Claims arising out of such proceeding. Notwithstanding the foregoing, Tenant promptly shall comply with any such Legal Requirement and compliance shall not be deferred if at any time there is a condition imminently hazardous to human life or health, the Property, or any part thereof, shall be in danger of being forfeited or lost, or if Landlord shall be in danger of being subject to criminal and/or civil liability or penalty (other than a fine which Tenant agrees to pay or in regard to which Tenant provides to Landlord an indemnity of Landlord by an Acceptable Guarantor) by reason of noncompliance therewith. The Obligations of Tenant to indemnify Landlord under this Section 7.4 shall survive the expiration or earlier termination of this Lease.

Section 7.5 No Waste. Except in connection with the Demolition Work, Tenant will not do, permit or suffer any waste to or upon the Property or any part thereof. Tenant shall have the right at any time and from time to time to sell or dispose of any Equipment, subject to this Lease, which may have become obsolete or unfit for use or which is no longer useful, necessary or economical in the operation of the Property; provided, however, that Tenant shall have substituted or shall promptly substitute for the property so removed from the Property other Equipment not necessarily of the same character but at least of equal quality in the performance of the particular function in question as that of the property so removed unless, in Tenant's reasonable opinion as set forth in a written notice to Landlord, the property so removed was performing an obsolete function or a function no longer required in connection with the then current use of the Property and replacement thereof is not necessary or appropriate to maintain, without impairment, the operation or character of the Property, its use and occupancy by Subtenants or its overall value.

Section 7.6 Right of Entry. Landlord (and its designee(s)) shall have the right to enter upon the Property, or any part thereof, at any time during the term hereof, for the purpose of ascertaining the condition of the Property or whether Tenant or any Subtenant is observing and performing their respective obligations hereunder, all without hindrance or molestation from Tenant or any Person claiming by, through or under Tenant. The above mentioned rights of entry shall be exercisable (other than in the case of an emergency) at reasonable times, at reasonable hours and on reasonable, prior written notice, and Landlord shall use reasonable efforts to minimize interference with Tenant and any Subtenants, and shall exercise such right under the supervision of Tenant's (and any such Subtenant's) employees, agents or designees provided the same are made reasonably available to Landlord for such purpose upon reasonable advance notice to Tenant and any such Subtenant (as applicable).

Section 7.7 Utilities; Services; No Landlord Responsibility. Tenant shall be responsible for all charges for gas, electricity, light, heat, water, sewerage and power, for protective and security services, for telephone and other communication services, and for all other public or private utility services which shall be used, rendered or supplied upon or in connection with the Property, or any part thereof, at any time during the term of this Lease. Landlord shall not be required to furnish any services, utilities or facilities whatsoever to the Property, nor shall Landlord have any duty or obligation to make any Alteration or repair to the Property. Tenant assumes the full

and sole responsibility for the condition, operation, repair, alteration, improvement, replacement, maintenance and management of the Property.

Section 7.8 Environmental. Tenant shall not undertake, permit or suffer any Environmental Activity at the Property other than (a) in compliance with all applicable Insurance Requirements and Legal Requirements and (b) in such a manner as shall keep the Property free from any lien imposed in respect or as a consequence of such Environmental Activity. Tenant shall take all necessary steps to ensure that any permitted Environmental Activity undertaken or permitted at the Property is undertaken in a manner as to provide prudent safeguards against potential risks to human health or the environment or to the Property. Tenant shall notify Landlord within twenty-four (24) hours after Tenant becomes aware of the release or discharge of any Hazardous Materials from or at the Property and Tenant shall forthwith remediate or remove such Hazardous Materials, subject to the last sentence of this Section 7.8. Landlord shall have the right from time to time to conduct an environmental audit of the Property, provided Landlord has reasonable cause to believe (i) Hazardous Materials have been released or discharged or is otherwise present at the Property or (ii) Tenant is otherwise in violation of any Legal Requirement or Insurance Requirement relating to Hazardous Materials, and Landlord provides written notice of its intention to conduct an environmental audit together with a statement setting forth the reasons therefor. Tenant shall cooperate in the conduct of such environmental audit. The cost of such audit shall be payable by Tenant upon Landlord's demand therefor; provided, however, that if Tenant objects to such audit by written notice received by Landlord prior to the initiation of such audit and such audit (and any more-detailed environmental audit of the same circumstances (e.g., a so-called phase II environmental assessment)) fails to identify any Environmental Activity in violation of Legal Requirements, Landlord shall pay the costs of such audit. Such audit shall be performed at reasonable times, at reasonable hours and on at least five (5) Business Days notice (except in the case of an emergency), Landlord shall make reasonable efforts to minimize interference with Tenant and any Subtenants, and shall require its audit contractor to carry commercial liability insurance in a commercially reasonable amount, naming Tenant and Landlord as additional insureds, and to deliver Tenant evidence thereof no less than five (5) Business Days prior to commencing such audit. Notwithstanding anything to the contrary in the foregoing portions of this Section 7.8: (A) nothing contained in this Section 7.8 shall require Tenant to remove or remediate any Hazardous Waste unless required to do so by Legal Requirements; and (B) Tenant shall have the right, in accordance with Section 7.4, to contest the validity of any Legal Requirement applicable to the remediation or removal of Hazardous Materials, provided Tenant forthwith takes all necessary steps to prevent any further discharge or release of Hazardous Materials or any other or further deterioration to the Property caused by Hazardous Materials; provided, however, that, in any event, Tenant may not delay such remediation or removal during the pendency of such contest if the presence of such Hazardous Materials poses an imminent threat to the Property or any persons or if such delay could expose Landlord to increased liability arising from such Hazardous Materials.

Section 7.9 Equitable Relief. Tenant hereby acknowledges that Landlord may suffer irreparable harm by reason of a breach or threatened breach of the provisions of this Article VII, and, accordingly, in addition to any other remedy that Landlord may have under this Lease or as may be permitted by applicable law, Landlord shall be entitled to seek to enjoin the action, activity or inaction that gives rise to such breach or threatened breach by Tenant.

Section 7.10 Windows. Tenant shall not clean or require, permit, suffer or allow any window in the Improvements to be cleaned from the outside in violation of Section 202 of the Labor Law or any other Legal Requirements or Insurance Requirements.

Section 7.11 Adverse Possession. Tenant shall not suffer or permit the Property or any portion thereof to be used by the public or any Person without restriction or in such manner as would, with the lapse of time, impair title to the Property or any portion thereof, or create the basis for a legitimate claim or claims of adverse usage or adverse possession by the public, as such, or any Person, or of implied dedication of the Property, or any portion thereof.

(I) prohibit sales through window openings on the streetwall, except in the case of (1) a Subtenant whose business is primarily the operation of a newsstand or ticket sales or (2) the sale of tickets for movies and other attractions, i.e., display windows shall be used for display only and not as a point of sale; and

(J) keep the Property free of graffiti and posters.

(ii) If Tenant fails to maintain the cleanliness of the sidewalks adjacent to the Property at least to the level of cleanliness maintained for the overall area of the Times Square BID, as determined by the Mayor's Office of Operations Sanitation Scorecard for as long as the same exists, or fails to promptly remove from the Improvements evidence of graffiti and such failure continues for five (5) Business Days after notice to Tenant specifying in reasonable detail such failure and setting forth Landlord's right to remove same on Tenant's behalf, Landlord shall, at the end of such five (5) Business Day period, be entitled to clean such sidewalks or remove such graffiti or cause the same to be cleaned or removed, as the case may be, at the expense of Tenant. Any and all costs incurred by Landlord in connection therewith shall be paid to Landlord's contractors or reimbursed to Landlord, as Landlord shall request, and shall accrue interest at the Interest Rate, in accordance with Section 15.1 hereof.

Section 7.4 Compliance with Legal Requirements. Tenant shall promptly comply with all Legal Requirements and Insurance Requirements, foreseen or unforeseen, ordinary as well as extraordinary, structural or non-structural. Tenant shall have the right to contest the validity of any Legal Requirement or the application thereof in accordance with this Section 7.4. During such contest, compliance with any such contested Legal Requirement may be deferred by Tenant upon condition that before instituting any such proceedings, Tenant shall furnish to Landlord

security reasonably satisfactory to Landlord (it being agreed that an acceptable guaranty of an Acceptable Guarantor shall be security reasonably satisfactory to Landlord under this Section 7.4), securing compliance with the contested Legal Requirement and payment of all interest, penalties, fines, fees and expenses in connection therewith. Any such proceeding instituted by Tenant shall be commenced as soon as is reasonably possible after the issuance of any notification by the applicable governmental authority with respect to required compliance with such Legal Requirement and shall be prosecuted to final adjudication with reasonable diligence. Tenant hereby agrees to indemnify Landlord from and against any and all Claims arising out of such proceeding. Notwithstanding the foregoing, Tenant promptly shall comply with any such Legal Requirement and compliance shall not be deferred if at any time there is a condition imminently hazardous to human life or health, the Property, or any part thereof, shall be in danger of being forfeited or lost, or if Landlord shall be in danger of being subject to criminal and/or civil liability or penalty (other than a fine which Tenant agrees to pay or in regard to which Tenant provides to Landlord an indemnity of Landlord by an Acceptable Guarantor) by reason of noncompliance therewith. The Obligations of Tenant to indemnify Landlord under this Section 7.4 shall survive the expiration or earlier termination of this Lease.

Section 7.5 No Waste. Except in connection with the Demolition Work, Tenant will not do, permit or suffer any waste to or upon the Property or any part thereof. Tenant shall have the right at any time and from time to time to sell or dispose of any Equipment, subject to this Lease, which may have become obsolete or unfit for use or which is no longer useful, necessary or economical in the operation of the Property; provided, however, that Tenant shall have substituted or shall promptly substitute for the property so removed from the Property other Equipment not necessarily of the same character but at least of equal quality in the performance of the particular function in question as that of the property so removed unless, in Tenant's reasonable opinion as set forth in a written notice to Landlord, the property so removed was performing an obsolete function or a function no longer required in connection with the then current use of the Property and replacement thereof is not necessary or appropriate to maintain, without impairment, the operation or character of the Property, its use and occupancy by Subtenants or its overall value.

Section 7.6 Right of Entry. Landlord (and its designee(s)) shall have the right to enter upon the Property, or any part thereof, at any time during the term hereof, for the purpose of ascertaining the condition of the Property or whether Tenant or any Subtenant is observing and performing their respective obligations hereunder, all without hindrance or molestation from Tenant or any Person claiming by, through or under Tenant. The above mentioned rights of entry shall be exercisable (other than in the case of an emergency) at reasonable times, at reasonable hours and on reasonable, prior written notice, and Landlord shall use reasonable efforts to minimize interference with Tenant and any Subtenants, and shall exercise such right under the supervision of Tenant's (and any such Subtenant's) employees, agents or designees provided the same are made reasonably available to Landlord for such purpose upon reasonable advance notice to Tenant and any such Subtenant (as applicable).

Section 7.7 Utilities; Services; No Landlord Responsibility. Tenant shall be responsible for all charges for gas, electricity, light, heat, water, sewerage and power, for protective and security services, for telephone and other communication services, and for all other public or private utility services which shall be used, rendered or supplied upon or in connection with the Property, or any part thereof, at any time during the term of this Lease. Landlord shall not be required to furnish any services, utilities or facilities whatsoever to the Property, nor shall Landlord have any duty or obligation to make any Alteration or repair to the Property. Tenant assumes the full

and sole responsibility for the condition, operation, repair, alteration, improvement, replacement, maintenance and management of the Property.

Section 7.8 Environmental. Tenant shall not undertake, permit or suffer any Environmental Activity at the Property other than (a) in compliance with all applicable Insurance Requirements and Legal Requirements and (b) in such a manner as shall keep the Property free from any lien imposed in respect or as a consequence of such Environmental Activity. Tenant shall take all necessary steps to ensure that any permitted Environmental Activity undertaken or permitted at the Property is undertaken in a manner as to provide prudent safeguards against potential risks to human health or the environment or to the Property. Tenant shall notify Landlord within twenty-four (24) hours after Tenant becomes aware of the release or discharge of any Hazardous Materials from or at the Property and Tenant shall forthwith remediate or remove such Hazardous Materials, subject to the last sentence of this Section 7.8. Landlord shall have the right from time to time to conduct an environmental audit of the Property, provided Landlord has reasonable cause to believe (i) Hazardous Materials have been released or discharged or is otherwise present at the Property or (ii) Tenant is otherwise in violation of any Legal Requirement or Insurance Requirement relating to Hazardous Materials, and Landlord provides written notice of its intention to conduct an environmental audit together with a statement setting forth the reasons therefor. Tenant shall cooperate in the conduct of such environmental audit. The cost of such audit shall be payable by Tenant upon Landlord's demand therefor; provided, however, that if Tenant objects to such audit by written notice received by Landlord prior to the initiation of such audit and such audit (and any more-detailed environmental audit of the same circumstances (e.g., a so-called phase II environmental assessment)) fails to identify any Environmental Activity in violation of Legal Requirements, Landlord shall pay the costs of such audit. Such audit shall be performed at reasonable times, at reasonable hours and on at least five (5) Business Days notice (except in the case of an emergency), Landlord shall make reasonable efforts to minimize interference with Tenant and any Subtenants, and shall require its audit contractor to carry commercial liability insurance in a commercially reasonable amount, naming Tenant and Landlord as additional insureds, and to deliver Tenant evidence thereof no less than five (5) Business Days prior to commencing such audit. Notwithstanding anything to the contrary in the foregoing portions of this Section 7.8: (A) nothing contained in this Section 7.8 shall require Tenant to remove or remediate any Hazardous Waste unless required to do so by Legal Requirements; and (B) Tenant shall have the right, in accordance with Section 7.4, to contest the validity of any Legal Requirement applicable to the remediation or removal of Hazardous Materials, provided Tenant forthwith takes all necessary steps to prevent any further discharge or release of Hazardous Materials or any other or further deterioration to the Property caused by Hazardous Materials; provided, however, that, in any event, Tenant may not delay such remediation or removal during the pendency of such contest if the presence of such Hazardous Materials poses an imminent threat to the Property or any persons or if such delay could expose Landlord to increased liability arising from such Hazardous Materials.

Section 7.9 Equitable Relief. Tenant hereby acknowledges that Landlord may suffer irreparable harm by reason of a breach or threatened breach of the provisions of this Article VII, and, accordingly, in addition to any other remedy that Landlord may have under this Lease or as may be permitted by applicable law, Landlord shall be entitled to seek to enjoin the action, activity or inaction that gives rise to such breach or threatened breach by Tenant.

Section 7.10 Windows. Tenant shall not clean or require, permit, suffer or allow any window in the Improvements to be cleaned from the outside in violation of Section 202 of the Labor Law or any other Legal Requirements or Insurance Requirements.

Section 7.11 Adverse Possession. Tenant shall not suffer or permit the Property or any portion thereof to be used by the public or any Person without restriction or in such manner as would, with the lapse of time, impair title to the Property or any portion thereof, or create the basis for a legitimate claim or claims of adverse usage or adverse possession by the public, as such, or any Person, or of implied dedication of the Property, or any portion thereof.

Section 7.12 Pre-Possession Obligations. Except as expressly set forth hereunder or in a separate agreement between ESDC and Tenant, Tenant shall have no rights, obligations or liability in respect of the Property prior to the delivery of Possession.

Section 23.02. Prohibited Uses. The Premises may not be used for the sale or advertising of tobacco products. Tenant shall not use or occupy the Premises, or permit or suffer the Premises or any part thereof to be used or occupied, for any unlawful or illegal business, use or purpose or for any purpose (or in any way) in violation of the provisions of Section 23.01 or Article 16 or the certificate(s) of occupancy for the Premises, or in such manner as may make void or voidable any insurance then in force with respect to the Premises. Immediately upon its discovery of any such unlawful or illegal business, use or purpose, or use or occupation in violation of Section 23.01 or Article 16, Tenant shall take all necessary steps, legal and equitable, to compel the discontinuance of such business or use, including, if necessary, the removal from the Premises of any Subtenants using a portion of the Premises for an unlawful or illegal business, use or purpose or in violation of Section 23.01 or Article 16. The provisions of this Section shall not restrict Tenant's rights under Article 34 to contest the validity or applicability to Tenant of any Requirements.

Section 23.03. Operation.

(a) The operation of the Premises shall be under the exclusive supervision and control of Tenant, provided that Tenant shall in all events operate the Premises consistent with its being a First Class Performing Arts Facility. Subject to the provisions of this Lease and applicable provisions of law, Tenant shall have discretion and control, free from interference, interruptions and disturbance, in all matters relating to the management and operation of the Premises including, without limitation, programming, charges for admission, credit policies, food and beverage services, employment policies, employee fringe benefits, receipt, holding and disbursement of funds, maintenance of bank accounts, procurement of inventories and services, promotion and publicity and, generally, control of all activities necessary for the operation of the Premises. Tenant is and shall be authorized to make, enter into and perform any contracts and agreements necessary to carry out and place in effect the terms and conditions of this Lease.

(b) Promptly, but in no event later than three months following Substantial Completion of the Project Work, Tenant shall commence operation of the Premises for the purposes described in Section 23.01 above (the first Performance within the Theatre following the Substantial Completion of the Project Work is herein termed the "**Opening**") and thereafter shall establish and continue active use and operation for the Term.

(c) If, commencing with respect to the fifth Lease Year, and with respect to each Lease Year subsequent thereto, (1) the Theatre is not used, during such Lease Year and the next two succeeding Lease Years, for an average of at least 110 Performances per year or (2) an

average of fewer than 137,500 Tickets per year are sold for Performances held during such Lease Year and the next two succeeding Lease Years, then Landlord shall have the right to notify Tenant in writing that such level of use is not satisfactory, which notice must be given within 45 days after the end of any such three Lease Year period. If, during the next succeeding Lease Year, fewer than 110 Performances are held in the Theatre, or fewer than 137,500 Tickets are sold for Theatre Performances held during such Lease Year, then Tenant shall pay to Landlord, within 45 days after the end of such Lease Year, as liquidated damages for such failure, the sum of One Dollar and Seventy-Five Cents (\$1.75), as such sum is adjusted in accordance with increases in the CPI from the Commencement Date, multiplied by the number of Tickets by which 137,500 exceeds the number of Tickets sold for Theatre Performances held during such Lease Year, which damages shall constitute the sole and exclusive remedy of Landlord on account of such failure.

(d) If, for any three consecutive calendar years following the 15th anniversary of the Opening, an average of at least 90 Performances are not held at the Theatre per year or an average of fewer than 110,000 Tickets for Theatre Performances are sold per year, then Landlord shall have the option to terminate this Lease.

(e) If, following the Opening, subject to Uncontrollable Circumstances, the Theatre has no Performances for a period in excess of six months, then Landlord shall have the option to terminate this Lease.

(f) Anything in this Lease to the contrary notwithstanding, Landlord's rights with respect to the enforcement of the provisions of subdivision (a) of this Section 23.03 with respect to continuous operation shall be limited to those specifically set forth in subdivisions (b), (c) and (d) hereof.

Section 23.04. Complimentary Booking Dates. Tenant shall make available during each Lease Year, at no rental or similar basic occupancy fee, at such reasonable times as may be mutually agreed to by Tenant and such groups, (x) ten booking dates for the Theatre and (y) 20 booking dates for the multi-purpose facility, if any, located in the basement of the Building. Such dates will be available to non-profit groups chosen by Tenant and will be awarded by Tenant on a space-available basis in keeping with Tenant's standard booking policies. Such groups will be required to enter into a standard license agreement with Tenant and will be responsible for any incremental operating costs associated with the event, based on Tenant's published rate card at the time of licensing. No such group shall be permitted to use the Premises for any event or other use that competes with Tenant's operation of the Premises or which is inconsistent with Tenant's permitted uses and other obligations under this Lease. Each group's use of and access to the Premises under this Section shall be subject to all standard policies and procedures of Tenant, including scheduling and staffing considerations.

Section 23.05. Naming Rights, Concessions, etc.

(a) Subject to Landlord's right of approval set forth in (b) below, Tenant shall have the exclusive right to determine, create, grant and operate (1) all naming rights and sponsorships (including signage therefor) with respect to (a) the Premises as a whole, (b) the Theatre and other performance areas within the Premises, (c) Performances and (d) series of Performances; (2) all

concessions (including alcoholic beverages), merchandise and novelty sales at the Premises; (3) all ticketing services at and with respect to all performances at the Premises; and (4) all parking services at the Premises. In furtherance of the foregoing, Landlord hereby represents, warrants and agrees that neither it nor any agent has granted and neither it nor any agent will grant any rights with respect to the use or operation of the Premises, including such with respect to sponsorship, naming, seating, concession, ticketing or parking, during or with respect to the Term other than as provided in this Lease. Tenant shall not permit to be used any name that would have a detrimental effect on the standing or reputation of the City, or its officials, the Theatre or the neighborhood.

(b) The above notwithstanding Landlord shall have an absolute right to approve the name under which the Building and/or the Theatre operates or does business. Not less than 30 days prior to adopting or contracting with respect to any such name, Tenant shall notify Landlord of the proposed name, and a description of any associated party. Tenant shall not adopt any such name or contract with respect thereto without Landlord's written consent. Landlord shall deny such consent only where it reasonably determines that the proposed name or associated party would have a detrimental effect on the standing or reputation of the City, or its officials, the Theatre or the neighborhood. Landlord shall grant or deny its consent within 30 days after a property request from Tenant.

(c) Landlord hereby grants to Tenant (i) the right, which shall be exclusive except for Landlord's right to use the same for its own or related or contracted entities' purposes for tourist and other promotion and related purposes, to use the name "Kings Theatre", or any part thereof, and any likeness of the Premises, in Tenant's advertising, promotion and signage relating to the operation of the Premises, (ii) the exclusive right to market and sell apparel items, including hats, shirts and sweatshirts, bearing the name "Kings Theatre", or any part thereof, or likeness of the Premises, and (iii) the exclusive right to use, and to allow others to use, the name "Kings Theatre", or any part thereof, and any likeness of the Premises, in marketing, promotional and bidding materials and its relationship with the Premises. If Landlord, LDC or EDC holds or obtains trademark protection on items bearing the name "Kings Theatre", or any part thereof, and/or likeness, Landlord shall, or shall cause LDC or EDC to, license each such trademark to Tenant, at a nominal cost, in connection with Tenant's use of such name and likeness. The term of any such license shall be concurrent with the Term of this Lease and shall terminate automatically upon the expiration or earlier termination of this Lease, except with respect to inventory then on hand of Tenant, as to which Tenant shall have the right to continue selling after the termination of this Lease. Landlord, LDC and EDC make no representation that they have rights to the name "Kings Theatre," but intend to convey whatever rights they may have to Tenant, subject to the above.

Section 23.06. Signage. Tenant shall consult with and obtain the approval of Landlord in connection with the installation of any and all exterior signage at the Premises. Landlord's exercise of such right of approval shall be limited to reasonably insuring that such signage is consistent with the Premises' character as a First Class Performing Arts Facility, and with any applicable Requirements.

Section 23.07. Permits.

(a) Landlord acknowledges that in order for Tenant to carry out the intended uses under this Lease, Tenant will need to obtain various licenses and permits including, without limitation, licenses to sell food and beverages including alcohol ("**Tenant Permits**"). Landlord will, and will cause EDC to (x) cooperate (for example, by signing as "owner" where necessary) in Tenant's efforts to secure and maintain such Permits and (y) broadly support the Project and the operation of the Premises as provided in this Lease.

(b) Tenant shall have the option to terminate this Lease at any time upon 60 days written notice to Landlord in the event of a withdrawal, revocation or non-renewal (including the imposition of a new requirement for renewal) by any Governmental Authority having jurisdiction, of any material Tenant Permit where such withdrawal or revocation or non-renewal is due to circumstances beyond Tenant's reasonable control and through no fault of Tenant, unless such Tenant Permit, or an equivalent permit, is reinstated, reissued or renewed within such 60 days. Notwithstanding the foregoing, Tenant shall use its commercially reasonable efforts to maintain all Tenant Permits at all times throughout the Term of this Lease, and to have such Tenant Permits reinstated, reissued or renewed promptly upon their withdrawal, revocation or non-renewal.

ARTICLE 24

Section 22.3 Waiver, Release and Assumption of Obligations. Landlord's payment or performance pursuant to the provisions of this Article XXII shall not be, nor be deemed to be (a) a waiver or release of the Default or Event of Default with respect thereto (or any past or future Default or Event of Default) or of Landlord's right to take such action as may be permissible hereunder, or (b) Landlord's assumption of Tenant's obligations to pay or perform any of Tenant's past, present or future obligations hereunder.

Section 22.4 Proof of Damages. Landlord shall not be limited in the proof of any damages that it may claim against Tenant arising out of, or by reason of, Tenant's failure to provide and keep insurance in force in accordance with the provisions of this Lease to the amount of the insurance premium or premiums not paid. However, subject to the provisions of Section 41.8 hereof, Landlord shall be entitled to seek, and if successful, to recover, as damages for such Default or Event of Default, the uninsured amount of any loss and damage sustained or incurred by it and the costs and expenses of any suit in connection therewith, including, without limitation, reasonable attorneys' fees and disbursements.

ARTICLE XXIII PERFORMANCE AND COMMITMENTS

Section 23.1 Use and Operating Requirements. Tenant acknowledges and agrees that its ongoing commitment to use and operate the Overall Project in accordance with the Overall Project Commitments, and otherwise in accordance with this Section 23.1, is of vital importance to Landlord, and a material inducement to Landlord in agreeing to enter into this Lease, and that Tenant's failure to do so in accordance with the provisions set forth in this Article XXIII shall constitute a material breach under the terms of this Lease. Accordingly, at all times during the Term, Tenant shall comply with the use and operating requirements for the Overall Project as follows:

(a) Tenant shall cause the Premises, or the applicable portions thereof so indicated in the Overall Project Commitments, to be used and operated for Academic Uses (the "Required Uses").

(d) Tenant shall cause each of the Phase 1 Operations, Phase 2 Operations, and/or Full Build Operations, as applicable, to comply with the applicable Phase 1 Operating Commitments, Phase 2 Operating Commitments, and/or Full Build Operating Commitments, including without limitation maintaining Tenant's accreditation to operate the Academic Uses, all as set forth in the Overall Project Commitments.

Without limiting the generality of the preceding sentence, Tenant shall not use or permit the Premises to be used (i) for any unlawful or illegal business, use or purpose, (ii) for any purpose, or in any way in violation of the provisions of this Section 23.1 or Article XVI hereof or the certificate(s) of occupancy for the Premises, (iii) in such manner as may make void or voidable any insurance then in force with respect to the Premises, or (iv) for general commercial, retail or residential uses that are not ancillary to the Overall Project Mission as set forth in the Overall Project Commitments and/or are not Permitted Non-Academic Uses. Tenant shall, promptly upon Tenant's knowledge of any business, use, purpose, or occupation of the Premises in violation of this Section 23.1, take all necessary steps, legal and equitable, to compel the discontinuance of such business, use or purpose, including, if necessary, the removal from the Premises of any Subtenants using a portion of the Premises for an unlawful or illegal business, use or purpose or in violation of this Section 23.1 or Article XVI hereof. The provisions of this Section 23.1 shall not restrict Tenant's rights under Article XXXIV hereof to contest any Requirements.

Section 23.2 Overall Project Report. Within sixty (60) days following the end of each calendar year during the Term, or at such other time as Lease Administrator may reasonably request from time to time (but not more than twice during any twelve month period) upon not less than sixty (60) days prior written notice, Tenant shall deliver a written report to Lease Administrator (the "Overall Project Report") setting forth in narrative form a status report on the Development, and the manner in which Tenant is complying with the Overall Project Commitments and the Letter Commitments, which written report shall be in a form and contain such information as shall be reasonably satisfactory to Landlord. During the 30-year period of applicability of the First Academic Facility Required Uses, Tenant shall deliver an additional copy of the Overall Project Report to the City's Office of Management and Budget at an address directed by the Lease Administrator, at the same time as the same is delivered to Lease Administrator. The Overall Project Report shall, among other things, contain Tenant's certification that (i) the Phase 1 Development, Phase 2 Development, and/or Full Build Development, as applicable, are in compliance with the applicable Phase 1 Development Commitments, Phase 2 Development Commitments, and/or Full Build Development

Each Overall Project Report shall also include a report by Tenant tracking the economic impact and the community benefits of the Overall Project. Each Overall Project Report shall additionally include information on the occupancy of the apartments in the first residential building demonstrating compliance with the restriction set forth in the definition of "Academic Person." Landlord shall endeavor to review each Overall Project Report and submit any questions thereto or request any additional or supporting information that it requires within thirty (30) days following Landlord's receipt of such Overall Project Report.

Section 23.3 Failure to Comply with Development Commitments or Operating Commitments; Recovery Plan. If the Overall Project Report shall contain any Non-Compliance Notices (other than a Non-Compliance Notice pertaining to Tenant's inability to make the certifications described in clause (iv) or (v) of Section 23.2 above), then Tenant shall submit to Landlord within ten (10) Business Days thereafter (or within ten (10) Business Days following notice from Landlord to Tenant of Tenant's Default with respect to the Overall Project Commitments) a written recovery plan (a "Recovery Plan"), which Recovery Plan shall set forth in detail Tenant's plan and commitment to restore compliance with the Overall Project Commitments and Letter Commitments in manner and within specified time periods mutually satisfactory to Landlord and Tenant. Upon Landlord's and Tenant's agreement on a Recovery Plan that is mutually satisfactory to both Landlord and Tenant, as evidenced by Landlord's written approval of the Recovery Plan (an "Approved Recovery Plan"), the underlying non-compliance shall be deemed waived if and for so long as Tenant complies with the Recovery Plan. Notwithstanding the foregoing, if a Default shall occur under Sections 24.1(b) or (c) hereunder (i.e., failure to Commence and/or Substantially Complete the Phase 1 Development on or before the scheduled dates therefor, subject to an Unavoidable Delay) or Section 24.1(i) (i.e., First Academic Facility Use Default), Tenant shall not be entitled to a tolling of its cure period or a waiver of its Default by submission of a Recovery Plan.

(b) If Tenant fails timely to submit a Recovery Plan as provided in Section 23.3(a), or there is not an Approved Recovery Plan on or before the one hundred twentieth (120th) day after Tenant's submission of a proposed Recovery Plan, then Landlord shall be entitled to proceed as provided in Article XXIV of the Lease with respect to the

applicable breach by Tenant of the Overall Project Commitments or Letter Commitments, as the case may be, without further reference to this Section 23.3 in respect of such breach.

(c) If Tenant shall be in Default of any of its obligations under Sections 24.1 (d) or (e) hereunder (i.e., failure to Commence and/or Substantially Complete the Phase 2 Development and/or Full Build Development on or before the scheduled dates therefor, subject to Unavoidable Delay), and there is no Approved Recovery Plan in effect with respect to such Default on or before the one hundred twentieth (120th) day after Landlord's notice to Tenant of such Default, then Tenant shall have the right to deliver to Landlord a notice (an "Extension Notice") setting forth Tenant's intention to delay the Commencement and/or Substantial Completion of the Phase 2 Development and/or Full Build Development, as applicable, for one or more periods, not to exceed (10) years in the aggregate, from the applicable scheduled commencement date or scheduled completion date therefor, upon the following conditions: (i) no Default on the part of Tenant (other than the Default that is the subject of the Extension Notice and any concomitant Defaults in Operating Commitments for such Phase(s)) has occurred and is then continuing; (ii) Tenant shall from and after the date of the Extension Notice pay Fair Market Rent on a monthly basis for all portions of the Premises subject to the Extension Notice (which, for avoidance of doubt, shall include all unbuilt portions of the Premises, and portions on which there is delayed Substantial Completion), until the date on which Tenant, as applicable, Commences the Construction Work and/or Substantially Completes the Construction Work which was the subject of the Extension Notice (the "Extension Period"); and (iii) the giving of the Extension Notice shall extend all of the future dates for Commencement and Substantial Completion of the Phase 2 Project and Full Build Project and concomitant Operating Commitments for such Phase(s) on a day-to-day basis for the Extension Period. Upon the cure of the Default(s) giving rise to the Default that is subject of the Extension Notice, the Fair Market Rent shall automatically be reduced to the Base Rent otherwise payable under this Lease, commencing with the next calendar month.

ARTICLE XXIV

(d) Return of Deposits. If the Event of Default that gave rise to Landlord's demand for Tenant to make deposits for Impositions or insurance premiums under the provisions of Section 7.01(a) hereof has been cured by Tenant and, for a period of twelve (12) consecutive months following such cure, no Event of Default with respect to any monetary obligation of Tenant under this Lease has occurred that has not been cured within the applicable grace period, then, at any time after the expiration of such twelve (12) month period, upon demand by Tenant and provided no Default with respect to any monetary obligation of Tenant under this Lease then exists, Landlord shall cause Depository to return to Tenant all unexpended moneys then held by Depository pursuant to the provisions of Sections 7.01(a) and (c) hereof, which shall not have been applied by Depository pursuant to the provisions of this Article 7. Thereafter, Tenant shall not be required to make any deposits required by this Article 7 unless and until there shall occur within a twenty-four (24) month period two (2) subsequent Events of Default with respect to any monetary obligation of Tenant under this Lease and Landlord has demanded of Tenant to make such deposits.

(e) Intentionally Deleted.

Section 7.02 Effect of Sale or Transfer of Premises By Landlord In the event of Landlord's sale or transfer of the Premises, Depository shall continue to hold any moneys deposited with it pursuant to the provisions of Sections 7.01(a) and (c) hereof and shall transfer such deposits to a special account with established in the name of the Person who acquires the Premises and becomes Landlord for the purposes provided in the applicable provisions of this Lease. Upon such sale or transfer, the transfer of such deposits and notice thereof to Tenant, Landlord shall be deemed to be released to the extent of the deposits so transferred from all liability with respect thereto and Tenant shall look solely to the new Landlord with respect thereto. Landlord shall promptly deliver to Tenant a copy of the instrument of transfer to the new Landlord. The provisions of this Section shall apply to each successive transfer of such deposits.

Section 7.03 Effect of Termination Upon the Expiration of the Term, if this Lease shall terminate, or the Term shall terminate or expire and a new lease shall not be entered into, all deposits then held by Depository, shall be applied by Landlord on account of any and all sums due under this Lease and the balance, if any, remaining thereafter with the interest, if any, earned thereon and remaining after application by Landlord as aforesaid, shall be returned to Tenant within ninety (90) days or, if there shall be a deficiency, Tenant shall pay such deficiency to Landlord on demand.

ARTICLE 8. USE OF PREMISES

Tenant shall obtain and maintain in full force and effect during the Term at its sole cost and expense any governmental license or permit imposed or mandated by any Governmental Authority in connection with Tenant's trade or business and the use of the Premises, and shall comply with any other Requirement for the proper and lawful operation of the Premises by Tenant for the purposes authorized by this Lease.

Section 8.03 Unlawful Use.

Tenant shall not use or occupy the Premises, or permit or suffer the Premises or any part thereof to be used or occupied, for any unlawful, illegal, or hazardous business, use or purpose or in any way in violation of any Requirement or this Lease, or in such manner as may make void or voidable any insurance then in force with respect to the Premises. Immediately, upon the discovery of any such unlawful, illegal or hazardous business, use or purpose, Tenant shall take all necessary steps, legal and equitable, to compel the discontinuance thereof, including but not limited to, if necessary, the removal from the Premises or any subtenant, as applicable, using any portion of the Premises for any such business, use or purpose. For the purposes hereof, Tenant's possession of the Premises shall be deemed to include, but not be limited to, any period during which Tenant made use and/or occupancy of the Premises pursuant to any month to month lease between AMB Property L.P. In the event any Hazardous Substances shall be found within, under, or upon the Premises, Tenant shall (x) promptly take or cause to be taken any action required by a Governmental Authority under any applicable Environmental Laws with respect to such Hazardous Substances, (y) notify Landlord of the discovery of any occurrence or conditions on the Premises, or any real property adjoining or in the vicinity of the Premises to the extent that Tenant has knowledge of same, provided that Tenant shall have no duty to make independent inquiry or investigation unless required by any applicable law, and solely to the extent the occurrence or conditions is or are reasonably likely to cause the Premises or any part thereof to be subject to any liability or action under any Environmental Law, and (z) notify Landlord of any and all enforcement, cleanup, removal or other governmental or regulatory actions instituted or threatened against the Premises pursuant to any applicable Environmental Law. The expense for all such action shall be the responsibility of the Tenant, except that Tenant shall not have any duty to pay for or to reimburse Landlord for any costs or expenses resulting from any negligent acts or omissions of Landlord, NYCLDC, NYCEDC, or DCAS and/or any of their respective agents, representatives and contractors, and Landlord shall bear all costs and expenses for any such negligent acts or omissions. All action with respect to any Hazardous Substances on the Premises shall be performed in accordance with all Requirements and receive the necessary regulatory department sign offs. To the extent Landlord shall not incur any cost, Landlord shall make good faith efforts to cooperate with Tenant in Tenant's efforts to obtain any necessary regulatory department sign offs. Notwithstanding the above, provided the Requirement specifically provides for challenge or deferral, Tenant shall have the right to so challenge and defer compliance with such Requirement in accordance with the terms therewith, if no dangerous or hazardous condition then exists or would be caused or lien would be created by such deferral and Tenant complies with the reasonable requirements of the Landlord regarding the Hazardous Substances at issue. In addition, prior to commencing any work of removal, repair, restoration or any other construction work under this Article, Tenant shall submit or cause to be submitted to Landlord a schedule indicating the estimated dates on which the various phases of all such work will be commenced and completed. Tenant shall have the right to amend and change such schedule without prejudice and, upon each such amendment or change, shall provide Landlord with an updated schedule.

(c) Tenant shall comply with or cause to be complied with all applicable federal, state and local laws concerning any Hazardous Substance that Tenant or other occupant of the Premises produces, brings on, keeps, uses, stores, disposes or treats in, at or about the Premises or transports from the Premises. ARTICLE XXIII PERFORMANCE AND COMMITMENTS

Section 23.1 Use and Operating Requirements. Tenant acknowledges and agrees that its ongoing commitment to use and operate the Project in accordance with the Project Commitments, and otherwise in accordance with this Section 23.1, is of paramount importance to Landlord, and a material inducement to Landlord in agreeing to enter into this Lease, and that Tenant's failure to do so in accordance with the provisions set forth in this Article XXIII shall constitute a material breach under the terms of this Lease. Accordingly, at all times during the Term, Tenant shall comply with the use and operating requirements for the Project, including without limitation as follows:

(a) Tenant shall (i) from and after the Opening Date, continuously, on a daily basis throughout the Term, operate the Observation Wheel at the Premises, provided that Tenant shall be permitted reasonable closures or interruptions in operation from time to time by reason of repairs, maintenance, replacements, alterations and inclement weather, which in no event shall (other than by reason of a Casualty, condemnation or Unavoidable Delay) exceed ninety-five (95) days in the aggregate in any calendar year (and with it being understood that Tenant will use commercially reasonable efforts to address the closure or interruption with diligence and continuity), and (ii) from and after the completion of the parking garage component of the Initial Construction Work, provide and operate on a 24/7 basis (subject to Casualty, condemnation or Unavoidable Delay) a parking garage with at least 950 parking spaces (the “Required Parking”; the uses under this clause (a), collectively, the “Required Uses”).

Landlord and Tenant agree that the following uses are complementary and ancillary to the Required Uses: (i) amusement, exposition or entertainment uses, (ii) restaurants and other food service establishments for on-site consumption, (iii) retail uses (except for any Prohibited Use), (iv) museums, galleries or exhibition spaces, (v) parking areas, and (vii) other uses as Landlord and Tenant may reasonably agree.

(c) Tenant shall comply with the HireNYC Program annexed as Exhibit H to this Lease (which shall mean to include any replacement program of similar character and with similar goals).

(d) Tenant shall not use or occupy the Premises, and shall not permit the Premises or any part thereof to be used or occupied for any purpose other than Required Uses and Permitted Ancillary Uses, without (in any such instance) the prior written consent of Landlord in its sole discretion. Without limiting the generality of the preceding sentence, Tenant shall not use or permit any portion of the Premises to be used (i) for any unlawful or illegal business, use or purpose, (ii) for any purpose, or in any way in violation of the provisions of this Section 23.1 or Article XVI hereof or the certificate(s) of occupancy for the Premises, (iii) in such manner as may make void or voidable any insurance then in force with respect to the Premises or (iv) for any residential use. The provisions of this Section 23.1 shall not restrict Tenant’s rights under Article XXXIV hereof to contest any Requirements.

Tenant shall retain a Person with demonstrated resources, capabilities and experience operating parking lots located in New York City which are substantially similar to the parking component of this Project to manage and operate such parking. In addition to the Ballpark-Controlled Parking, upon completion of the parking garage component of the Initial Construction Work Tenant shall make available to the tenant under the Ballpark Lease (i) a total of 12 spaces, in the locations required under the Ballpark Lease, at no charge to the tenant under the Ballpark Lease, and (ii) the option to purchase 6 monthly parking passes each month during the Term for entry into the parking area on the Premises at the rate of \$100 per month for each pass, provided that on November 1, 2015 (the “Initial Increase Date”) and on each anniversary of the Initial Increase Date the monthly parking pass rate shall be increased by CPI (CPI being defined as the Consumer Price Index for All Urban Consumers published by the Bureau of Labor Statistics of the United States Department of Labor for the New York-Northeastern New Jersey Area, all items (1982-1984=100), or any successor index thereto; if the CPI ceases to be published, the CPI shall be replaced by such other reasonably similar index as Landlord shall designate) but in no event shall the monthly parking pass rate be less than the immediately prior period’s monthly rate.

(f) Tenant shall cooperate with the City in connection with the public facilities and uses surrounding the Premises (including, without limitation, the ferry terminal, the ballpark and the railroad right-of-way adjacent to the Premises), by among other things (i) cooperating with, and avoiding interference with, the nearby operations of the Department of Transportation, (ii) complying with the New York City Police Department’s counterterrorism policies, (iii) allowing for the use and/or reuse of the railroad right-of-way adjacent to the Premises and cooperating with the Metropolitan Transportation Authority or any other relevant agency in connection therewith, and (iv) complying with the Ballpark Easement (as defined in Exhibit D hereto) by, among other things, permitting pedestrian and vehicular ingress and egress and loading and unloading in the easement area.

Tenant shall coordinate with Lease Administrator the scheduling of any meetings to be held with DEC with respect to the Premises and shall not meet with DEC without Lease Administrator being present at such meetings (provided that Lease Administrator shall make itself reasonably available to attend such meetings and provided also that Lease Administrator may, in its sole discretion, waive its right to be present at such meetings), and Tenant shall provide Lease Administrator with copies of any documents to be presented to DEC with respect to the Premises prior to submission of such documents to DEC. Tenant shall pay for the recording of the New DEC Documents. The New DEC Documents shall be deemed part of the Title Matters to which this Lease is subject. DEC with respect to the Premises and simultaneously provide to Lease Administrator copies of any reports or other required deliverables sent to DEC with respect thereto, (ii) provide information to Lease Administrator periodically as shall be necessary for Lease Administrator and/or Landlord to comply (or ensure compliance) with the oversight, monitoring and reporting obligations imposed by DEC with respect to the Premises and (iii) pay all actual out-of-pocket costs and expenses incurred by Lease Administrator and Landlord with respect to the oversight, monitoring and reporting obligations imposed by DEC with respect to the Premises (including, without limitation, costs and expenses of engineers and consultants hired by Lease Administrator or Landlord to ensure compliance by Tenant with the requirements of DEC with respect to the Premises). Landlord and/or Lease Administrator shall have the right, but not the obligation, to oversee and ensure compliance by Tenant with the requirements of DEC with respect to the Premises, and Tenant shall cooperate with the efforts of Landlord and/or Lease Administrator in furtherance thereof.

Section 23.2 Project Report. Within sixty (60) days following the end of each calendar year during the Term, or at such other time as Lease Administrator may reasonably request from time to time (but not more than twice during any twelve month period) upon not less than sixty (60) days prior written notice, Tenant shall deliver a written report to Lease Administrator in form reasonably acceptable to Lease Administrator and Tenant (the “Project Report”) setting forth the status of the Project, and the manner in which Tenant is complying with the Project Commitments and Required Use as of the end of the immediately preceding calendar year (or, in the case of a Project Report otherwise requested by Lease Administrator, as of the date of such request). The Project Report shall, among other things, contain Tenant’s certification as to whether (i) the Premises are in compliance in all material respects with the applicable Project Commitments and the Required Use, (ii) the Premises are in compliance in all material respects with the Operating Commitments, and (iii) in Tenant’s reasonable and good faith judgment, Tenant anticipates that Tenant will be able to comply timely in all material respects with any Project Commitments and/or Operating Commitments to be performed in the upcoming Lease Year. In the event that Tenant shall be unable to provide the required certifications, the Project Report shall identify any areas of non-compliance with specificity, and explain the reasons for such non-compliance (a “Non-Compliance Notice”). Landlord shall endeavor to review each Project Report and submit any questions thereto or request any additional or supporting information that it requires within thirty (30) days following Landlord’s receipt of such Project Report.

ARTICLE XXIV

EVENTS OF DEFAULT, CONDITIONAL LIMITATIONS, REMEDIES, ETC.

Section 24.1 Definition. Each of the following events shall be an “Event of Default” hereunder:

(a) if Tenant shall fail to make any payment (or any part thereof) of Base Rent required to be paid by Tenant hereunder and such failure shall continue for a period of ten (10) days after notice thereof from Landlord to Tenant, or if Tenant shall fail to make any payment (or any part thereof) of other Rental required to be paid by Tenant hereunder and such failure shall continue for a period of thirty (30) days after notice thereof from Landlord to Tenant;

Such mortgage shall also include a waiver and release by the mortgagee of any claims to any insurance proceeds or condemnation awards properly applicable to a Condemnation Restoration or a Casualty Restoration. If the mortgagee refuses to include such provisions, Landlord shall not enter into the mortgage and to do so shall constitute a material default by Landlord under the terms of this Master Lease. For the purposes of this provision, it is understood and agreed that the lien of any such mortgage shall be subordinate to the lien of this Master Lease and the lien of any Severance Lease, and to Tenant's interest in this Master Lease and Tenant's leasehold estate, any Severance Tenant's interest in its Severance Lease and the Severance Tenant's leasehold estate thereunder, or to any new lease granted pursuant to Section 11.4, notwithstanding that as a technical legal matter the leasehold estate created pursuant to this Master Lease may have terminated prior to the execution, delivery and recordation of a memorandum of such new lease. Any such mortgagee shall, upon foreclosure under such mortgage, be entitled to succeed only to the interest of Landlord.

ARTICLE 12

USE OF PREMISES

Section 12.1 Permitted Use. Tenant shall use and occupy the Premises, or cause the Premises to be used and occupied, as provided in this Master Lease for the sole purpose of constructing and operating a mixed-use project described in the Project Plan (the "Permitted Use"). In furtherance of, and not in limitation of, the foregoing, Tenant shall use and operate the Premises continuously and without interruption in accordance with the Project Plan. Tenant shall not use the Premises, or permit the Premises to be used, for any purpose other than the Permitted Use, except with the prior written approval of Landlord, to be given at Landlord's sole and absolute discretion.

Section 12.2 Performance of the Project.

(a) Commencement of Each Phase.

(1) The Project will be developed sequentially. The Commencement of Construction with regard to Phase 1 is to occur as and when provided in the Phase 1 Severance Lease, subject to Unavoidable Delays and to the provisions of Section 12.3 below. The Commencement of Construction with regard to Phase 3 is to occur not later than eighteen (18) months after the Commencement of Construction of Phase 1, subject to Unavoidable Delays and to the provisions of Section 12.3 below. Subject to Tenant's right to change the sequencing of the Project as set forth in Section 12.4 below, the Commencement of Construction with regard to Phase 2 shall occur after the issuance of a temporary certificate (or certificates) of occupancy or completion (which, with respect to a commercial space, may be the equivalent of a "core and shell" temporary certificate of occupancy) (as the case may be, with respect to any Phase, collectively a "Phase TCO") covering all of the Buildings required to be constructed as part of, or in conjunction with, Phases 1 and 3. The development of each Phase will be

governed by a separate Severance Lease therefor, having a term of 49 years (subject to the provisions in Section 12.2(a)(5) below regarding Phase 2).

(2) Not later than five (5) Business Days after the issuance of Phase TCOs with respect to Phase 1 and Phase 3 (whichever shall be the later to occur), Tenant shall give Landlord written notice thereof (a “Phase Completion Notice”), which Phase Completion Notice shall be accompanied by a copy of the applicable Phase TCO(s) and the Architect’s certification required to be delivered under Section 13.5, along with both (i) Tenant’s written request for a Severance Lease for Phase 2 and (ii) Tenant’s certification that completed Background Qualification Forms then required for Landlord’s due diligence procedures for Tenant or the designated Severance Tenant for Phase 2, as the case may be, were previously delivered to Landlord no more than 120 days and no less than 60 days prior to delivery of said Phase Completion Notice. Provided no Event of Default exists under this Master Lease, within ten (10) Business Days after Landlord’s receipt of a Phase Completion Notice for Phase 1 or 3 (whichever shall be the later to be received by Landlord) and all required accompanying materials when and as provided for above, Landlord shall deliver to Tenant execution counterparts of the Phase 2 Severance Lease. Within five (5) Business Days after Tenant’s receipt of execution counterparts of the Phase 2 Severance Lease from Landlord, Tenant or its designated Phase 2 Severance Tenant shall sign all of such execution counterparts, and Tenant shall return them to Landlord along with the same number of signed and notarized counterparts of a memorandum of lease with respect thereto in the same form as the memorandum of lease recorded in connection with the Phase 1 Severance Lease. Tenant’s failure to return all of such signed execution counterparts to Landlord within said five (5) Business Day period shall be deemed a forfeiture of the right to enter into the Phase 2 Severance Lease. Within ten (10) Business Days after Landlord’s receipt of signed execution counterparts of the Phase 2 Severance Lease and memorandum of lease from Tenant, Landlord shall countersign all of such execution counterparts, have its signature of the Memorandum of Lease notarized and return not less than two (2) fully executed counterparts to Tenant; ***provided, however***, that Landlord shall not be obligated to return fully executed counterparts if the Phase 2 Severance Tenant is an Unqualified Person. In no event shall Tenant Commence the Construction Work with respect to Phase 2 until Tenant receives a fully-executed Severance Lease for such Phase.

(3) Tenant acknowledges that the requirements to Commence the Construction Work with regard to a Phase by the Construction Commencement Date therefor and to Substantially Complete the Construction of the Building(s) in a Phase by the Scheduled Completion Date therefor, as provided and in accordance with the Project Plan, are important to Landlord, and for such reason Landlord and Tenant have provided for the Extension Options described in Section 12.3 for construction of Buildings for the Project. Tenant further acknowledges and agrees that Tenant’s failure to comply with the requirements of the Project Plan will cause loss and damage to Landlord, the precise extent of which is difficult to ascertain in monetary terms. For this reason, and in such

event, in addition to any other remedies available to Landlord under this Master Lease, Landlord and Tenant have provided for the adjustment to Base Rent payable pursuant to the various Severance Leases to the amounts as set forth in Exhibit K ("Adjusted Base Rent"), and Landlord shall also be entitled to avail itself of any remedies under this Master Lease and any existing Severance Leases regardless of Landlord's receipt of the Adjusted Base Rent, if a Severance Tenant fails to Commence the Construction Work with regard to a Phase by the Construction Commencement Date therefor or to Substantially Complete the Construction of the Building(s) in a Phase by the Scheduled Completion Date therefor, subject to extension as provided in Section 12.3.

(4) Notwithstanding anything in this Master Lease which may be provided or be construed to the contrary (including Unavoidable Delay and Extension Options provisions), Tenant acknowledges that the development of Phase 1 is crucial to Landlord, and that the Phase 1 Severance Tenant's failure to Commence the Construction Work on the Building(s) required to be constructed as part of, or in conjunction with, Phase 1 within two (2) years following the CTP Date (referred to herein as a "Project Commencement Default"), provided, however, said failure will not be a Project Commencement Default if the Phase 1 Severance Tenant has filed for all permits and approvals required for Phase 1 and is awaiting final determination of such permits and approvals from the applicable Governmental Authorities, will cause loss and damage to Landlord the precise extent of which is difficult to ascertain in monetary terms; and for this reason and in such event, Tenant waives any right to prior notice and/or a cure period for a Project Commencement Default. Upon the occurrence of a Project Commencement Default, Tenant agrees that Landlord shall be thereby entitled to (x) exercise its rights to terminate this Master Lease and the Phase 1 Severance Lease, and (y) in its sole discretion, elect to solicit and negotiate offers for the Premises or any portion thereof. Tenant covenants, if Landlord exercises its right to terminate this Master Lease and the Phase 1 Severance Lease upon the occurrence of a Project Commencement Default as provided herein, to execute and deliver in proper form for recordation an acknowledgement of the termination of this Master Lease and the Phase 1 Severance Lease.

(5) Landlord and Tenant acknowledge that Tenant expects to apply for Historic Tax Credits in Phase 2. In the event the IRS issues a private letter ruling that identifies the forty-nine (49) year term of the Phase 2 Severance Lease as a material factor in its determination that Tenant has failed to evidence an ownership interest in the Premises for the purpose of obtaining Historic Tax Credits, and Tenant has otherwise satisfied (or reasonably demonstrates to Landlord that it is capable of satisfying) all other conditions and requirements needed to obtain the Historic Tax Credits, Landlord shall extend the term of Phase 2 Severance Lease to the minimum extent necessary to comply with the IRS's requirements or as the parties shall agree respecting the Phase 2 Parcel.

(6) If, for a continuous period greater than two (2) years, any Governmental Authority denies a Severance Tenant access to an entire Parcel

following the Phase Commencement Date for such Phase, due to no fault, action or omission of such Severance Tenant, then either Landlord or Tenant may terminate the Project and this Master Lease and Severance Lease for the applicable Phase by giving written notice to the other party hereto. Upon such termination, Tenant may elect to purchase, as provided in Section 12.6, any Substantially Completed Phase(s) for a purchase price equal to the fair market value of the land upon which such Phase(s) are located, determined by an appraiser selected and paid by Tenant and reasonably approved by Landlord and the First Recognized Mortgagee.

(7) Tenant, the applicable Severance Tenant, or Triangle shall give written notice to Landlord of the Commencement of Construction for each Phase, which notice shall be given not less than five (5) days prior to the Construction Commencement Date for such Phase. Unless and until such notice shall be given with regard to a Phase, the Commencement of Construction of such Phase shall not be considered to have occurred. The Lease Administrator shall use the date set forth in such notice with respect to a Phase to determine the Scheduled Completion Date for such Phase. For so long as the Lease Administrator is NYCEDC, each such notice shall be given, in the manner set forth in Article 25 below, to: (i) New York City Economic Development Corporation, 110 William Street, New York, New York 10038, Attention: Real Estate Transaction Services; (ii) New York City Economic Development Corporation, 110 William Street, New York, New York 10038, Attention: Accounting Division; and (iii) New York City Economic Development Corporation, 110 William Street, New York, New York 10038, Attention: Asset Management Division.

(b) City Funds. City capital budget funds remain appropriated on the date hereof to fund eligible costs of the Project in the amount of \$6,200,000.00 (the "City Funds") in connection with the Parking Garage. The following provisions shall apply with regard thereto:

(1) the Lease Administrator and the Phase 1 Severance Tenant have agreed upon the form of an agreement respecting such City Funds (the "Funding Agreement"), pursuant to which the Lease Administrator shall provide the City Funds it obtains from the City to the Phase 1 Severance Tenant for the purpose of funding eligible costs respecting certain capital improvements in connection with the development of the Parking Garage. The form of the Funding Agreement is attached hereto as Exhibit L. Notwithstanding the foregoing, or anything to the contrary in this Master Lease, the Phase 1 Severance Lease, or otherwise, Landlord and Tenant acknowledge that OMB is not acting on behalf of (a) the City in its capacity as Landlord and (b) the Lease Administrator. Landlord and Tenant further acknowledge that OMB, in its sole discretion, will approve or deny the Funding Agreement, and that any terms, conditions, or restrictions, as required by the Funding Agreement, are subject to any modification by OMB in its sole discretion.

(2) Landlord, Tenant and the Lease Administrator shall each diligently take such actions and provide such information within its control as is required regarding the Funding Agreement, including providing all requested information, and resubmitting any documents or information with changes reasonably requested by the Lease Administrator, and as is required by OMB for its review and issuance of the Certificate to Proceed. The Phase 1 Severance Tenant shall agree in its Severance Lease to do the same, as well as to execute and deliver the Funding Agreement with Landlord as promptly as practicable after receipt of the necessary approvals from OMB and all other requirements under the Funding Agreement have been satisfied.

The parties acknowledge and agree that, but for the opportunity to obtain the City Funds as described above, as well as the parties' anticipation that OMB will require the Phase 1 Severance Tenant to agree to the provisions set forth in Section 12.1(b) of the Phase 1 Severance Lease, as well as in Section 12.1 of that certain form of amended and restated lease attached as Exhibit N-4 hereto, as a condition to obtaining the City Funds, Landlord would not have required Tenant to agree to such provisions, and Tenant would not have agreed to the same. In the event that OMB agrees to provide the City Funds upon less restrictive operating restrictions and conditions than those set forth in Section 12.1(b) of the Phase 1 Severance Lease and Section 12.1 of Exhibit N-4 hereto, Landlord and Tenant (at Tenant's sole cost and expense) shall, as promptly as is practicable after the written request of either of them, proceed diligently, reasonably and in good faith to agree upon, and thereafter promptly execute, acknowledge and exchange, amendments to this Master Lease and the Phase 1 Severance Lease to render the said Sections 12.1(b) and 12.1 consistent with the less restrictive requirements of OMB.

Section 12.3 Extension of Development Schedule.

(a) The development and construction schedule for the Project is set forth in the Project Plan (subject to the provisions of Section 12.5 below), and all Buildings for the Project, as set forth in the Project Plan, shall be Substantially Completed in accordance with the respective Severance Leases by the Scheduled Completion Date for Phase 2 as of the date hereof, subject to Unavoidable Delays. Notwithstanding the foregoing, Tenant may purchase up to an aggregate of twenty-four (24) one-month extension periods for the Project to extend the Construction Commencement Date or Scheduled Completion Date for a Phase, provided that (x) no Event of Default exists under this Master Lease, (y) Tenant requests such Extension Option in writing no later than five (5) days prior to the first day of such one-month extension and (z) Tenant shall pay on or before the day upon which such request is made a non-refundable extension fee for the applicable amount in accordance with schedules 1 & 2, respectively, on Exhibit M (each, an "Extension Option" and collectively, "Extension Options"). Notwithstanding the foregoing sentence, Tenant shall not be required to purchase any such Extension Option to extend a Construction Commencement Date or a Scheduled Completion Date in the event of an Unavoidable Delay. As an example of the operation of the foregoing provisions, absent Unavoidable Delay, the Construction Commencement Date for Phase 1 was January 31, 2015, and so notice and payment to extend the Construction Commencement Date for Phase 1 by one month, to February 28, 2015, was due on or

before January 26, 2015. Each Extension Option shall be for a period of one month, and no partial month extension, or pro-rated extension fee, will be permitted. The Parties acknowledge and agree that nine (9) Extension Options have been purchased heretofore pursuant to the provisions of Section 12.3 of the Original Lease, and therefore that (i) the number of Extension Options remaining available for exercise by Tenant under this Master Lease from and after the Lease Date shall be deemed to be reduced to fifteen (15) Extension Options and (ii) the amounts of the extension fees for such remaining Extension Options shall be determined, pursuant to the aforesaid schedules 1 & 2, giving full effect to the purchases of Extension Options that occurred prior to the Lease Date pursuant to Section 12.3 of the Original Lease.

(b) The fees to purchase said Extension Options are cumulative for the entire Project, but independent of each other. By way of example, if Tenant purchases an Extension Option to extend the Construction Commencement Date for Phase 1 by 3 months, the purchase of an Extension Option in Phase 3 would start with “month 4” on the appropriate schedule on Exhibit M. However, if Tenant also purchases an Extension Option to extend the Scheduled Completion Date for Phase 1, it would start with the fee amount in “month 1” on Schedule 2 of Exhibit M.

(c) For so long as the Lease Administrator is NYCEDC, each request for extension pursuant to Section 12.3(a)(y) above shall be given, in the manner set forth in Article 25 below, to: (i) New York City Economic Development Corporation, 110 William Street, New York, New York 10038, Attention: Real Estate Transaction Services; (ii) New York City Economic Development Corporation, 110 William Street, New York, New York 10038, Attention: Accounting Division; and (iii) New York City Economic Development Corporation, 110 William Street, New York, New York 10038, Attention: Asset Management Division

(d) The provisions of this Section 12.3 shall survive the expiration of this Master Lease.

Section 12.4 Revision of Lot Lines; Occupancy of the Apartments Unit. Tenant shall not have the right to revise the lot lines depicted on Exhibit A-2 without Landlord’s prior written consent. Further, in no event shall the Apartments Unit be occupied by residential or other tenants unless and until the below-grade parking on the Phase 1 Parking Overlap shall be Substantially Completed, opened and operating, which portion shall be sufficient to satisfy, when taken together with the parking in the Parking Unit, all zoning requirements concerning the lawful occupancy of Phases 1 and 3, without waiver.

Section 12.5 Prohibited Uses. Tenant shall not use or occupy the Premises, and neither permit nor suffer the Premises or any part thereof to be used or occupied, for any purpose other than a Permitted Use. Without limiting the generality of the preceding sentence, Tenant shall not use the Premises, or either permit or suffer the Premises to be used, for any unlawful or illegal business, use or purpose or for any purpose, or in any way in violation of the provisions of Section 12.1 or Article 16 hereof or the certificate(s) of occupancy for the Premises, or in such manner as may make void or voidable any insurance then in force with respect to the Premises. Immediately upon its discovery of any such unlawful or illegal business, use or purpose, or use

or occupation in violation of Section 12.1 or Article 16 hereof, Tenant shall take all necessary steps, legal and equitable, to compel the discontinuance of such business or use, including, if necessary, the removal from the Premises of any Subtenants using a portion of the Premises for an unlawful or illegal business, use or purpose or in violation of Section 12.1 or Article 16 hereof. The provisions of this Section 12.5 shall not restrict Tenant's rights under Article 34 hereof to contest any Requirements.

Section 12.6 Purchase Options.

(a) Purchase Option One. Subject in all respects to the provisions of Section 12.6(c) below:

(1) Those Severance Tenants that are Permitted Triangle Entities shall have the option ("Purchase Option One"), subject to and in accordance with the terms set forth in this Section 12.6(a), and provided that no Event of Default then exists under the applicable Severance Lease(s) beyond any applicable cure periods, to purchase Landlord's fee simple title in and to the Retail Unit, the Apartments Unit and the Phase 2 Remainder Unit(s) (collectively, the Purchase Option One Premises"), which option will lapse if it is not exercised during the Purchase Option One Period. If such Severance Tenants desire to exercise Purchase Option One, they shall together give Landlord written notice (the "Purchase Option One Notice") of their exercise of the option for the respective Purchase Option One Premises that are then under lease to them, which Purchase Option One Notice will not be effective unless it is given during the Purchase Option One Period. If any Severance Tenant having the right to purchase fails to join in such Purchase Option One Notice, then such Purchase Option One Notice shall be ineffectual to exercise Purchase Option One. If Purchase Option One shall lapse, Tenant shall execute and deliver to Landlord, promptly after Landlord's written request to Tenant therefor, an acknowledgement of the termination of Purchase Option One in proper form for recordation. If there shall be more than one Severance Lease in effect, and if there are multiple Severance Tenants under the Severance Leases, then each Severance Tenant shall have the option as part of Purchase Option One, under this Section 12.6(a), to purchase the Purchase Option One Premises as to which such Severance Tenant is the tenant under a Severance Lease, provided, however, that such sales close simultaneously.

(2) The purchase and sale of Landlord's fee titles under this Section 12.6(a) shall be on the terms and conditions of the purchase agreements (the "Purchase Option One Agreements") attached hereto as Exhibit N-1 (applies to the Retail Unit only), Exhibit N-2 (applies to the Phase 2 Remainder Unit(s) only) and Exhibit N-3 (applies to the Apartments Unit only). The closing for the purchase shall take place on a date mutually agreed upon by Landlord and all of the Severance Tenants, which in no event shall occur earlier than the Phase 2 Condominium Conversion Date nor later than ninety (90) days after the date upon which the Purchase Option One Notice is given to Landlord (provided, however, that, if Tenant shall have proceeded diligently and in good faith to create the Phase 2 Condominium prior to the expiration of such ninety (90) day period, but

the Phase 2 Condominium Conversion Date shall not occur prior to such outside date, then the outside date for the closing for such purchase shall be extended until the day that is thirty (30) days after the Phase 2 Condominium Conversion Date). Each Severance Tenant shall deliver an executed counterpart of the applicable Purchase Agreement, together with the completed Background Qualification Forms then required, to Landlord within thirty (30) days after the Purchase Option One Notice is given to Landlord. If a Severance Tenant shall fail or neglect to make such submission within such thirty (30) day period, or if such submission shall be made but shall be unsatisfactory or incomplete (including, without limitation, with regard to such Background Qualification Forms), Landlord shall give a written notice to all Severance Tenants specifying what documents and/or information is missing, unsatisfactory, or incomplete. Such Severance Tenant shall then have fifteen (15) days from the date of Landlord's notice to supplement or correct its prior submission, and such Severance Tenant's failure to so do shall result in all Severance Tenants' forfeiture of Purchase Option One.

(3) The Purchase Option One Price for the Purchase Option One Premises shall be Five Million One Hundred Thousand (\$5,100,000) Dollars, subject to any applicable credits thereto in accordance with Section 3.3 (which credits shall be allocated, if there are more than one purchasing Severance Tenants, as such Severance Tenants shall determine). The Purchase Option One Price with respect to separate purchases by more than one Severance Tenant shall, in each case, be the portion of such Purchase Option One Price allocated to the Parcel(s) being purchased, which allocation shall be 17.8524% for the Retail Unit, 58.9421% for the Phase 2 Remainder Unit(s) and 23.2055% for the Apartments Unit, subject to any applicable credits thereto in accordance with Section 3.3. The base rent under each of the Severance Leases for the Purchase One Option Premises shall be apportioned as of the closing date, but there shall be no other closing apportionments of income or expenses with regard to the Purchase Option One Premises.

(4) At the closing of title to the Purchase Option One Premises, the Phase 2 Severance Lease and the Phase 3 Severance Lease shall be terminated as of the closing date. Additionally, the City, as landlord, and the Phase 1 Severance Tenant immediately prior to the termination of the Phase 1 Severance Lease (such tenant, along with its successors and assigns as the tenant under the Second A/R Phase 1 Lease, is called the "Second A/R Phase 1 Tenant"), as tenant, shall execute and deliver a Second Amended and Restated Severance Lease (Phase 1) (the "Second A/R Phase 1 Lease"), which will amend and restate the Phase 1 Severance Lease in its entirety, terminate the Phase 1 Severance Lease with respect to the Retail Unit only, confirm that the premises demised under the Phase 1 Severance Lease (as so amended) will consist exclusively of the Parking Unit and the Parking Overlap Unit and revise the terms, covenants and conditions governing such leasing, which Second A/R Phase 1 Lease shall be in the form annexed hereto as Exhibit N-4.

(b) Purchase Option Two. Subject in all respects to the provisions of Section 12.6(c) below:

(1) The then Second A/R Phase 1 Tenant, provided that such tenant shall be a Permitted Triangle Entity, shall have the option ("Purchase Option Two"), subject to and in accordance with the terms set forth in this Section 12.6(b), and provided that no Event of Default then exists under the Second A/R Phase 1 Lease beyond any applicable cure period, to purchase Landlord's fee simple titles in and to the Parking Unit and the Parking Overlap Unit, which option will lapse if it is not exercised during the Purchase Option Two Period. If such tenant desires to exercise such option, it shall give Landlord written notice (the "Purchase Option Two Notice") of its exercise of the option for the Parking Unit and the Parking Overlap Unit, which Purchase Option Two Notice will not be effective unless it is given during the Purchase Option Two Period. If the purchase option shall lapse, Tenant shall execute and deliver to Landlord, promptly after Landlord's written request to Tenant therefor, an acknowledgement of the termination of such purchase option in proper form for recordation.

(2) The purchase and sale of Landlord's fee titles in and to the Parking Unit and the Parking Overlap Unit shall be on the terms and conditions of the purchase agreement (the "Purchase Option Two Agreement") attached hereto as Exhibit N-5. The closing for the purchase shall take place on a date mutually agreed upon by Landlord and the then Second A/R Phase 1 Tenant, which in no event shall occur later than ninety (90) days after the date upon which the Purchase Option Two Notice is given to Landlord. Such tenant shall deliver an executed counterpart of the Purchase Option Two Agreement, together with the completed Background Qualification Forms then required, to Landlord within thirty (30) days after the Purchase Option Two Notice is given to Landlord. If such tenant shall fail or neglect to make such submission within such thirty (30) day period, or if such submission shall be made but shall be unsatisfactory or incomplete (including, without limitation, with regard to such Background Qualification Forms), Landlord shall give a written notice to such tenant specifying what documents and/or information is missing, unsatisfactory, or incomplete. Such tenant shall then have fifteen (15) days from the date of Landlord's notice to supplement or correct its prior submission, and such tenant's failure to so do shall result in its forfeiture of said purchase option.

(3) The purchase price for the Parking Unit and the Parking Overlap Unit shall be Ten (\$10.00) Dollars. The base rent under the Second A/R Phase 1 Lease shall be apportioned as of the closing date, but there shall be no other closing apportionments of income or expenses with regard to the Parking Unit or the Parking Overlap Unit.

(4) At the closing of title to the Parking Unit and the Parking Overlap Unit, the Second A/R Phase 1 Lease shall be terminated as of the closing date.

(c) Combination of Purchase Options. The Parties acknowledge and agree that the option to purchase Landlord's fee title in and to the Retail Unit, the Apartments Unit, the Phase 2 Remainder Unit(s), the Parking Unit and the Parking Overlap Unit has been split into Purchase Option One and Purchase Option Two in order to keep the operating restrictions set forth in Section 12.1 of the Second A/R Phase 1 Lease in force and effect for a period expiring on the first day of the Purchase Option Two Period. But for the opportunity to obtain the City Funds as described in Section 12.2(b) above, as well as the parties' anticipation that OMB will require the Severance Tenant to agree to split the purchase options a condition to obtaining the City Funds, there would be only one purchase option provided for in this Section 12.6, the Phase 1 Severance Lease would be terminated at such closing and the Phase 1 Severance Tenant would not be required to enter into the Second A/R Phase 1 Lease. Therefore, unless the City Funds shall be provided by Landlord to the Phase 1 Severance Tenant for the purpose of funding eligible costs respecting certain capital improvements in connection with the development of the Parking Garage, notwithstanding anything to the contrary provided in this Master Lease, this Section 12.6 shall be deemed to have been amended to:

(1) consolidate Purchase Option One and Purchase Option Two, so that (x) both of such purchase options shall be exercised by Tenant, if at all, by giving both the Purchase Option One Notice and the Purchase Option Two Notice to Landlord together, within the Purchase Option One Period;

(2) require Landlord and the Phase 1 Severance Tenant to execute and deliver the Purchase Option Two Agreement at the same time as their execution and delivery of the Purchase Option One Agreement for the Retail Unit pursuant to Section 12.6(a) above;

(3) provide that the closing of title under the Purchase Option Two Agreement shall occur at the same time as the closing of title under the Purchase Option One Agreement;

(4) no longer require that the Phase 2 Condominium be established prior to the closing of title under such purchase agreements and, if the Phase 2 Condominium is not established, provide that fee title to the entire Phase 2 (including, without limitation, the Phase 1 Parking Overlap) be conveyed to the Phase 2 Severance Tenant;

(5) provide that the Second A/R Phase 1 Lease shall not be executed or delivered by Landlord and the Phase 1 Severance Tenant, and shall be deemed to have been deleted as an exhibit to this Master Lease; and

(6) provide that the Phase 1 Severance Lease shall be terminated at the closing.

(d) Reservation of Excess Development Rights. Any floor area development rights with regard to the Project Premises that are in excess of one hundred twenty (120%) percent of those floor area development rights required for the Construction of

the Buildings pursuant to the Zoning Resolution (collectively, the “Excess Floor Area Development Rights”) shall be reserved to, and shall continue to be owned by, Landlord. Promptly after the written request of Landlord, made at any time during the Term after the Plans and Specifications for all of the Buildings to be constructed on the Project Property have been approved by Landlord, Landlord and Tenant shall execute, acknowledge and exchange a Zoning Lot Development Agreement (the “ZLDA”), pursuant to which, among other things, Landlord shall reserve and retain as its own separate and specific asset the Excess Floor Area Development Rights, for use and/or disposition as Landlord sees fit. Promptly after the execution and delivery thereof, Tenant shall cause the ZLDA to be recorded, at Tenant’s sole cost and expense, against the Project Property in the Real Property Records.

The provisions of this Section 12.6 shall survive delivery of the Severance Leases and the expiration or termination of this Master Lease.

Section 12.7 Right to Terminate a Severance Lease. If the conditions set forth in clauses (a)-(c) below have been met, the applicable Severance Tenant shall have the right to terminate any Severance Lease for a Parcel following Commencement of Construction with respect to such Phase, and Tenant shall have the right to terminate this Master Lease with respect to any future Phase(s) by giving written notice to such effect to Landlord: (a) a Governmental Authority denies such Severance Tenant access to the entire Parcel during the Construction of the Buildings for the applicable Phase for a continuous period greater than two (2) years after the Commencement of Construction for such Parcel, (b) such denial is due to no fault, action or omission of Tenant, such Severance Tenant, any other Severance Tenant, or their respective affiliates, contractors, or agents, and (c) Tenant or the applicable Severance Tenant shall have provided written notice to the Lease Administrator of such denial of access no later than ninety (90) days after it has first occurred.

ARTICLE 13

CONSTRUCTION WORK

Section 13.1 Construction of the Building(s).

(a) Commencement and Completion of Construction. With respect to each Phase, the applicable Severance Lease shall provide that the Severance Tenant thereunder shall (i) commence the Construction of the Building(s) required to be constructed as part of, or in conjunction with, such Phase (including, without limitation, with respect to Phase 3 only, all of the Common Elements underlying, enclosing, supporting, roofing, servicing, or otherwise intended to be constructed with regard to Phase 3 pursuant to the Approved Plans and Specifications) not later than the Construction Commencement Date for such Phase (subject to Unavoidable Delay), (ii) thereafter continue to prosecute the Construction of the Building(s) required to be constructed as part of, or in conjunction with, such Phase with diligence and continuity in accordance with a development and construction schedule approved by Landlord and Tenant, (iii) Substantially Complete the Building(s) required to be constructed as part of, or in conjunction with, such Phase on or before the Scheduled Completion Date for such Phase (subject to Unavoidable Delays), and (iv) diligently and in good faith seek a permanent certificate of occupancy for all

Section 22.4 Proof of Damages. Landlord shall not be limited in the proof of any damages that it may claim against Tenant arising out of, or by reason of, Tenant's failure to provide and keep insurance in force in accordance with the provisions of this Lease to the amount of the insurance premium or premiums not paid. However, subject to the provisions of Section 41.7 hereof, Landlord shall be entitled to seek, and if successful, to recover, as damages for such Default or Event of Default, the uninsured amount of any loss and damage sustained or incurred by it and the costs and expenses of any suit in connection therewith, including, without limitation, reasonable attorneys' fees and disbursements.

ARTICLE 23

ADDITIONAL USE COVENANTS

Section 23.1 Use and Operating Requirements. Tenant shall comply with the following use and operating requirements:

(a) The Premises shall be used during the Term as provided in Section 12.1 hereof.

(b) For each Lease Year, Tenant shall, not later than thirty (30) days following the end of such Lease Year, certify that it complied with Sections 23.1(a), 23.1(b) and 23.1(c) for such Lease Year or the applicable portion thereof. If, at any time during the Term, Tenant shall be unable to use the Premises in full compliance with Sections 23.1(a), 23.1(b) and/or 23.1(c), Tenant shall promptly notify the Lease Administrator thereof.

(c) The provisions of the Maintenance Agreement.

Section 23.2 Coordination with DOT.

(a) Tenant acknowledges the existence of the Ferry Terminal, Ferry Maintenance Facility and the operations of the Staten Island Ferry Service (collectively the "Ferry") located in the vicinity of the Project Premises. Tenant acknowledges that the Ferry Terminal is a major transit hub, and that the Ferry Maintenance Facility is an industrial ship repair facility performing round-the-clock repair and maintenance of ferry boats and docks. Noises from the Ferry include, but are not limited to, regular ferry whistles, pile driving, maintenance noises and vehicular traffic. In addition to noise, Ferry operations produce engine exhaust, odors and vibrations.

(1) Tenant shall take reasonable precautions to keep any resident and users of the Premises from entering onto the Ferry Maintenance Facility, including without limitation, installing appropriate signage and fencing, and shall take such additional precautions as Landlord may reasonably require. Any security breach, threat to public safety or significant disruption to Ferry maintenance operations, construction projects or services shall, upon notice by DOT, be promptly remedied by Tenant to the satisfaction of the DOT.

(2) Tenant's activities shall not in any way interfere with the operations of the Ferry (including without limitation, provision of services,

security procedures and pedestrian and vehicular access, safety and flow); nor shall Tenant encroach upon any Ferry property. Should Tenant receive notification at any point that it or its activities or its tenants or the activities of its tenants are interfering with operations, services or facilities of the Ferry and/or encroaching upon the same, Tenant shall remedy such interference or encroachment immediately.

(3) Any interference or encroachment that may reasonably be understood as presenting a security risk, threat to public safety or significant disruption to Ferry maintenance operations, construction projects or services shall, upon notice, immediately be remedied by Tenant to the satisfaction of DOT or else shall be deemed grounds for default. Alternately, the City shall have the right to remedy such interference or encroachment to its satisfaction and at its own expense and seek full compensation for its expenses from Tenant; in such case, Tenant's failure to reimburse the City for its expenses within 30 days of invoice shall be considered grounds for default.

(b) Notwithstanding anything to the contrary in this Lease, the Master Lease, any Other Severance Lease, the Maintenance Agreement, or any other agreement with Landlord or the Lease Administrator in connection with the Project, Tenant shall obtain DOT's written consent to the plans and specifications for any construction hereunder that directly touches the Ferry (the "DOT Approval") by submitting drawings and/or plans and specifications for the Construction Work and a site plan of the Premises ("DOT Approval Plans"). Within ten (10) days of such submission, DOT shall either (A) issue the DOT Approval, or (B) notify Tenant in writing of any elements of such construction will interfere with the Ferry, in which case Tenant shall submit revised DOT Approval Plans which shall address such defects, and the DOT shall issue the DOT Approval within ten (10) days after receipt thereof, or the plans will be deemed approved.

(c) Tenant will defend, indemnify and hold harmless the Lease Administrator, the City, NYCEDC and NYCLDC from any and all claims and causes of action for personal injury, death, nuisance or damage to property asserted by any individual or other entity lawfully occupying any portion of the Premises arising from noise, fumes, or vibrations from the Ferry. The foregoing provision will only apply to the lawful, ordinary operation of the Ferry and to claims not arising out of the negligent or intentional wrongful conduct of the Ferry or DOT, its agents or assigns.

(d) Tenant hereby agrees to comply with the following guidelines:

(1) to maintain and repair its constructions, in accordance with the provisions below;

(2) to construct any building on the Land as a non-combustible construction (minimum Class C as defined in the 1968 Building Code of the City of New York), fully sprinklered with a hydraulically designed automatic sprinkler system, with (i) occupied portions of any such building having wet sprinklers and (ii) unheated portions (e.g., enclosed garage space) having a dry-pipe automatic

Any amounts paid by Landlord pursuant to Section 22.1 hereof, including all Out of Pocket Costs incurred by Landlord in connection therewith, shall be reimbursed by Tenant within fifteen (15) days of Landlord's demand therefor, together with a late charge on the amounts so paid by Landlord, calculated at the Late Charge Rate from the date of any such payment by Landlord to the date on which payment of such amounts is received by Landlord.

Section 22.3 Waiver, Release and Assumption of Obligations. Landlord's payment or performance pursuant to the provisions of this Article XXII shall not be, nor be deemed to be (a) a waiver or release of the Default or Event of Default with respect thereto (or any past or future Default or Event of Default) or of Landlord's right to take such action as may be permissible hereunder, or (b) Landlord's assumption of Tenant's obligations to pay or perform any of Tenant's past, present or future obligations hereunder.

Section 22.4 Proof of Damages. Landlord shall not be limited in the proof of any damages that it may claim against Tenant arising out of, or by reason of, Tenant's failure to provide and keep insurance in force in accordance with the provisions of this Lease to the amount of the insurance premium or premiums not paid. However, subject to the provisions of Section 41.8 hereof, Landlord shall be entitled to seek, and if successful, to recover, as damages for such Default or Event of Default, the uninsured amount of any loss and damage sustained or incurred by it and the costs and expenses of any suit in connection therewith, including, without limitation, reasonable attorneys' fees and disbursements.

ARTICLE XXIII PERFORMANCE AND COMMITMENTS

Section 23.1 Use and Operating Requirements. Tenant acknowledges and agrees that its ongoing commitment to use and operate the Project in accordance with the Project Commitments, and otherwise in accordance with this Section 23.1, is of vital importance to Landlord, and a material inducement to Landlord in agreeing to enter into this Lease, and that Tenant's failure to do so in accordance with the provisions set forth in this Article XXIII shall constitute a material breach under the terms of this Lease. Accordingly, at all times during the Term, Tenant shall comply with the use and operating requirements for the Project, including without limitation as follows:

(a) Tenant shall cause not less than 190,000 square feet of gross building area within the Building (the "Academic Use Minimum Area") to be used and operated solely for Academic Uses by a not-for-profit corporation exempt from Federal income taxes under Internal Revenue Code Section 501(c)(3) or a limited liability company the sole member of which is a not-for-profit corporation exempt from Federal income taxes under Internal Revenue Code Section 501(c)(3) (the uses required under this clause (a), collectively, the "Academic Facility Required Uses").

(b) So long as the provisions of Section 23.1(b) above are complied with, the balance of the Premises may be used for any purpose so long as the same is in compliance with Requirements and this Lease (including, without limitation, Section 23.1(e) below) (the uses under this clause (b), collectively, the "Permitted Non-Academic Uses").

(c) Tenant shall at all times maintain Tenant's accreditation to operate the Academic Uses, all as set forth in the Project Commitments.

(d) Tenant (and any Subtenants that are University Affiliates or CUSP Affiliates) shall comply with the HireNYC Program annexed as Exhibit H to this Lease (it being understood that nothing in this Lease shall require any Subtenants that are not University Affiliates or CUSP Affiliates to comply with the HireNYC Program).

(e) Tenant shall not use or occupy the Premises, and shall not permit the Premises or any part thereof to be used or occupied for any purpose other than Academic Facility Required Uses and Permitted Non-Academic Uses, without (in any such instance) the prior written consent of Landlord in its sole discretion.

Without limiting the generality of the preceding sentence, Tenant shall not use or permit any portion of the Premises to be used (i) for any unlawful or illegal business, use or purpose, (ii) for any purpose, or in any way in violation of the provisions of this Section 23.1 or Article XVI hereof or the certificate(s) of occupancy for the Premises, (iii) in such manner as may make void or voidable any insurance then in force with respect to the Premises or (iv) for any residential use. Tenant shall, promptly upon Tenant's knowledge of any business, use, purpose, or occupation of the Premises in violation of this Section 23.1, take all necessary steps, legal and equitable, to compel the discontinuance of such business, use or purpose, including, if necessary, the removal from the Premises of any Subtenants using a portion of the Premises for an unlawful or illegal business, use or purpose or in violation of this Section 23.1 or Article XVI hereof. The provisions of this Section 23.1 shall not restrict Tenant's rights under Article XXXIV hereof to contest any Requirements.

Section 23.2 Project Report. Within sixty (60) days following the end of each Reporting Year during the Term, or at such other time as Landlord may reasonably request from time to time (but not more than twice during any twelve month period), Tenant shall deliver a written report to Landlord substantially in the form attached hereto as Exhibit M (the "Project Report") with respect to the status of the Project and the manner in which Tenant is complying with the Project Commitments, each as of the end of such Reporting Year (or, with respect to Project Reports requested by Landlord, as of the date of the request). If, at the time in question, a funding agreement with the City is in effect with respect to capital projects relating to the Project, Tenant shall deliver an additional copy of the Project Report to the City's Office of Management and Budget at an address directed by Landlord, at the same time as the same is delivered to Landlord. The Project Report shall, among other things, contain Tenant's certification as to whether, as of the applicable time, (i) Tenant is in compliance in all material respects with the terms of this Agreement, (ii) the Project is in compliance in all material respects with the applicable Project Commitments in effect at such time, and (iii) in its reasonable and good faith judgment, Tenant anticipates that in the upcoming Reporting Year it will be able to comply timely in all material respects with this Lease and all of the applicable Project Commitments to be performed in such Reporting Year. Tenant shall include in the Project Report a reasonably detailed report on the economic impact and the community benefits of the Project. In the event that Tenant shall be unable to provide all of the required certifications in the affirmative, the Project Report shall identify any areas of non-compliance with specificity, and explain the reasons for such non-compliance (the "Non-Compliance

Notice”) and University, at its option pursuant to Section 23.3, shall submit to Landlord a proposed Recovery Plan pursuant to Section 23.3. Landlord shall endeavor to review each Project Report and submit any questions thereto or request any additional or supporting information that it requires within thirty (30) days following Landlord’s receipt of such Project Report.

Section 23.3 Failure to Comply with Development Commitments or Operating Commitments; Recovery Plan.

(a) Notwithstanding any provision of this Section 23.2 or Article XXIV, if (i) Tenant reasonably believes that any future Project Report would (absent a change in the Project Commitments) contain a Non-Compliance Notice, (ii) any Project Report shall contain any Non-Compliance Notice or (iii) Landlord or NYCEDC shall give Tenant a notice with respect to any default by University (without reference to cure periods) described in Section 24.1(e) or (h), then Tenant may, at its option, submit to NYCEDC within sixty (60) Business Days following the Project Report or such notice, as applicable, a written recovery plan (a “Recovery Plan”), which Recovery Plan shall set forth in detail Tenant’s plan and commitment to restore compliance in a manner and within specified time periods described below or otherwise mutually and reasonably satisfactory to NYCEDC and Tenant. During the period after which Tenant has submitted a Recovery Plan and during which NYCEDC and Tenant are actively negotiating such Recovery Plan and, thereafter, upon NYCEDC’s and Tenant’s agreement on a Recovery Plan that is mutually and reasonably satisfactory to both NYCEDC and Tenant, as evidenced by NYCEDC’s and Tenant’s written approval of the Recovery Plan (the “Approved Recovery Plan”), the underlying non-compliance shall be deemed waived (and no Event of Default shall exist by reason thereof) but only if and for so long as Tenant complies in all material respects with the Recovery Plan (or, with respect to a particular item of non-compliance with the Recovery Plan relating to a numeric commitment, Tenant complies with the corresponding numeric commitment in the initial Project Commitments in any year during the operative period of the Recovery Plan and there is not a shortfall in such numeric initial Project Commitment at any later time during the operative period of the Recovery Plan exceeding twenty-five percent (25%) for three (3) or more consecutive years)).

(b) Provided that Tenant has theretofore made diligent and good faith efforts with respect to the CUSP program, if in connection with a Recovery Plan proposal during the first fifteen (15) years after the Phase I Operations Commencement Date Tenant proposes that the specific Project Commitments with respect to the subject matter of the CUSP program be supplemented (but not replaced) with an Alternate Applied Sciences Program, Landlord shall not unreasonably withhold, delay or condition its consent to such supplementing (including a reasonable time to implement the same).

(c) After the fifteen (15) year anniversary of the Phase I Operations Commencement Date (but not prior thereto), Tenant shall have the right (either as part of a Recovery Plan or otherwise upon prior written notice to NYCEDC and Landlord with reasonable specificity) to replace or supplement the specific Project Commitments with respect to the subject matter of the CUSP program with an Alternate Applied Sciences Program, in which event the milestone dates in the Project Commitments will be adjusted equitably to allow Tenant a reasonable time under the circumstances to put such Alternate Applied Sciences Program in

effect.

(d) Notwithstanding the foregoing, if Tenant fails timely to submit a Recovery Plan as provided in this Section 23.3 after receiving a notice of an Event of Default from Landlord or NYCEDC due to a failure by Tenant described in Section 24.1(h), or there is not an Approved Recovery Plan on or before the one hundred twentieth (120th) day after Tenant's submission of a proposed Recovery Plan after Tenant receives a notice of an Event of Default from NYCEDC or Landlord due to a failure by Tenant described in Section 24.1(h) (which one hundred twenty (120) day period shall be subject to extension in the event that NYCEDC or Landlord is required under this Section 23.3 to be reasonable and has not, in fact been reasonable), then the same shall be an Event of Default and Landlord shall be entitled to proceed under Article XXIV with respect thereto without further reference to this Section 23.3 in respect of such breach.

Section 23.4 CUSP Affiliate Agreements.

(a) Tenant has delivered to NYCEDC true, correct and complete copies of all CUSP Affiliate Agreements (including all amendments thereto as of the Effective Date) and any terminations of CUSP Affiliate Agreements entered into prior to the Effective Date.

(b) Tenant shall submit copies to NYCEDC of all CUSP Affiliate Agreements (and/or amendments to, or terminations of, CUSP Affiliate Agreements) as may be entered into after the Effective Date (and all such CUSP Affiliate Agreements, amendments or terminations shall, in any event, comply with the Project Commitments and with the RFP Response).

(c) Subject, in any event, to Section 23.3, (i) Tenant shall not be deemed in default under this Lease by reason of any CUSP Affiliate Agreement being modified or terminated so long as Tenant shall continue to materially perform its programmatic obligations under the Project Commitments, which may include entering into additional or modified CUSP Affiliate Agreements with academic institutions and/or business partners in furtherance of the CUSP mission and (ii) if any modification and/or termination of an CUSP Affiliate Agreement or CUSP Affiliate Agreements renders Tenant unable to continue to materially perform its programmatic obligations hereunder, then Tenant shall, within twelve (12) months after any determination that such an inability exists, enter into additional CUSP Affiliate Agreements or modify such existing CUSP Affiliate Agreements so that Tenant shall be able to materially perform its programmatic obligations hereunder.

ARTICLE XXIV

EVENTS OF DEFAULT, CONDITIONAL LIMITATIONS, REMEDIES, ETC.

Section 24.1 Definition. Each of the following events shall be an "Event of Default" hereunder:

(a) if Tenant shall fail to make any payment (or any part thereof) of Rental required to be paid by Tenant hereunder and such failure shall continue for a period of ten (10) days after notice thereof from Landlord to Tenant;

(b) if Tenant shall fail to Commence the Initial Renovation Work on or before

applicable governmental authorities. On the basis of such environmental report, Tenant shall have purchased the Pollution Legal Liability coverage required by Section 7.7.

Section 21.2 Indemnification. Tenant shall defend, indemnify and save the Indemnitees harmless from and against any and all liabilities, suits, obligations, fines, damages, penalties, claims, costs, charges and expenses, including, without limitation, court costs and reasonable attorneys' fees and disbursements, that may be imposed upon, or incurred by, or asserted against, any of the Indemnitees (i) arising out of, or in any way related to the presence, storage, transportation, disposal, release or threatened release of any Hazardous Substances over, under, in, on, from or affecting the Premises, and any persons, real property, personal property, or natural substances thereon or affected thereby during the Term of this Lease, including, without limitation, any such liability, suits, obligations, fines, damages, penalties, claims, costs, charges and expenses imposed upon, incurred by or asserted against Landlord or Lease Administrator under CERCLA, (ii) arising out of any action taken by Tenant or any of its contractors, employees, agents or subcontractors relating to Hazardous Substances, and (iii) any violations of any Environmental Laws. The indemnity provisions set forth in Article XX shall also apply to the indemnity obligations of Tenant set forth in this Section 21.2. The provisions of this Article XXI shall survive the Expiration of the Term.

ARTICLE XXII LANDLORD'S RIGHT TO DISCHARGE LIENS

Section 22.1 Discharge of Liens. If Tenant shall fail to satisfy any claim or cause any mechanic's, laborer's, vendor's, materialman's or similar statutory lien or any public improvement lien to be discharged in accordance with the provisions of Article XVII hereof, and if such claim or lien shall continue for an additional twenty (20) days after the applicable cure period provided for in Article XVII, then Landlord may, but shall not be obligated to, upon notice to Tenant, satisfy such claim by payment thereof and/or discharge such lien of record by procuring the discharge of such lien by deposit or by bonding proceedings. Landlord may also compel the prosecution of an action for the foreclosure of such lien by the lien or and to pay the amount of the judgment in favor of the lien or with interest, costs and allowances.

Section 22.2 Reimbursement for Amounts Paid by Landlord Pursuant to this Article. Any amounts paid by Landlord pursuant to Section 22.1 hereof, including all costs and expenses incurred by Landlord in connection therewith, shall be reimbursed by Tenant within fifteen (15) days of Landlord's demand therefor, together with a late charge on the amounts so paid by Landlord, calculated at the Late Charge Rate from the date of any such payment by Landlord to the date on which payment of such amounts is received by Landlord.

Section 22.3 Waiver, Release and Assumption of Obligations. Landlord's payment or performance pursuant to the provisions of this Article XXII shall not be, nor be deemed to be (a) a waiver or release of the Default or Event of Default with respect thereto (or any past or future Default or Event of Default) or of Landlord's right to take such action as may be permissible hereunder, or (b) Landlord's assumption of Tenant's obligations to pay or perform any of Tenant's past, present or future obligations hereunder.

Section 22.4 Proof of Damages. Landlord shall not be limited in the proof of any damages that it may claim against Tenant arising out of, or by reason of, Tenant's failure to provide and keep insurance in force in accordance with the provisions of this Lease to the amount of the insurance premium or premiums not paid. However, Landlord shall be entitled to seek, and if successful, to recover, as damages for such Default or Event of Default, the uninsured amount of any loss and damage sustained or incurred by it and the costs and expenses of any suit in connection therewith, including, without limitation, reasonable attorneys' fees and disbursements.

ARTICLE XXIII PERFORMANCE AND COMMITMENTS

Section 23.1 Use and Operating Requirements. Tenant acknowledges and agrees that its ongoing commitment to use and operate the Project in accordance with the Project Commitments and otherwise in accordance with this Article XXIII is of vital importance to Landlord, and a material inducement to Landlord in agreeing to enter into this Lease, and that Tenant's failure to do so in accordance with the provisions set forth in this Article XXIII shall constitute a material breach under the terms of this Lease. Accordingly, at all times during the Term, Tenant shall comply with the use and operating requirements for the Project set forth in this Article XXIII, including without limitation as follows:

(a) General; Definitions. During the Term, Tenant shall use the Premises, or cause the Premises to be used, for the Required Uses and, at Tenant's option (provided that the Premises are at all times being used for the Required Uses), for the Permitted Uses as defined in and in accordance with this Section 23.1 and for no other uses or purposes. For purposes of this Article XXIII, "Community Events" means any arts, cultural, concert, school, charitable, sporting, and/or civic event at the Premises, as well as the event known as the "Mermaid Parade," that is open to the general public on a free or paid basis; provided that all Required Events shall be free to the public.

(b) Required Amphitheater Uses. Tenant shall use and operate the Amphitheater Property as a first class amphitheater for outdoor Community Events in accordance with the terms of this Section 23.1. In furtherance of the foregoing, Tenant shall make the Amphitheater Property available to Producer (hereinafter defined) for up to fifteen (15) free concert events annually (the exact annual number to be determined by the Producer, provided that Producer shall be required to hold not less than six (6) free concerts annually), including for so long as it is produced the maximum fifteen (15) free concerts that comprise the Seaside Summer Concert Series produced by Seaside Summer Concert Series, Inc. (the "Seaside Producer"), or any successor producer thereof (the Seaside Producer and any successor producer of the Seaside Summer Concert Series or any other Producer designated as such pursuant to the terms of this Lease being hereinafter referred to as, the "Producer"), with scheduled start times on Monday, Tuesday, Wednesday, Thursday, Sunday and, at the option of Producer, on one of the following (hereinafter referred to as the "Producer's Three Weekend Nights"): (i) three (3) Friday nights, (ii) three (3) Saturday nights, or (iii) a combination of Friday and Saturday nights for a total of three (3) Friday and Saturday nights in the aggregate, between 6:00 PM and 8:30 PM as requested by the Producer (understanding that the Producer may request times outside of such days and hours, but Producer shall have priority with respect to such days and hours)

during the period from Memorial Day through Labor Day (the "Summer Season") of each Scheduling Year (hereinafter defined) during the Term (the uses described in this sentence being hereinafter referred to, collectively, as the "Required Amphitheater Uses," and the events described in this sentence being the "Required Events"). The parties acknowledge that the exact number of Required Events to be held annually, up to a maximum of fifteen (15), shall be determined by Producer; provided that Producer shall be required to hold not less than six (6) concerts annually unless Landlord shall waive such minimum requirement in writing. During Required Events, Tenant shall make the Amphitheater Property available to Producer at no cost to Producer, except that Producer shall be responsible to Tenant for any and all stage hand labor, security, cleaning, lighting, sound, video, utility, vendor and all other variable costs for services or items incurred or provided by Tenant in connection with the Required Events (without mark-up by Tenant) that would not otherwise have been incurred or provided by Tenant if the Required Events had not been scheduled (whether or not such scheduled Required Events actually occur) and as between Tenant and Producer, Producer shall be liable for any damage, injuries and claims directly related to the Required Events (provided that Tenant shall not be relieved of liability under this Lease for such damage, injuries and claims). However, if Producer provides Tenant with fifteen (15) Business Days prior notice of cancelation of a Required Event, then Producer shall not be liable for any costs specified in the immediately preceding sentence. Producer shall carry its own Commercial General Liability insurance for the Required Events, name Tenant and the Additional Insureds as additional insureds and provide Tenant with a certificate evidencing such coverage prior to each Required Event. If the Seaside Summer Concert Series is no longer produced or if Producer fails to continue to qualify as a Qualified Producer (as defined in Article I) or is otherwise terminated by Landlord as described in Section 23.1(h) hereof, either: (a) Tenant shall use its best efforts to promptly identify a successor producer acceptable to Landlord in its sole discretion to produce a similar series of free concerts, or (b) Landlord may designate a successor and, in either case, such successor shall be the "Producer" for all purposes of this Lease; provided that if Landlord designates a successor, Landlord's decision shall control. In connection with the foregoing, Tenant acknowledges that one of Landlord's goals in undertaking the Project is to maximize the use of the Amphitheater Property by and on behalf of the residents of Brooklyn and the City of New York by providing the Required Events described in this Article XXIII. At Producer's request and subject to the restrictions on use set forth in this Article XXIII and in Exhibit J hereto, Tenant shall permit Producer's sponsors listed on Exhibit N hereto ("Producer's Approved Sponsors") as well as Producer's other sponsors ("Producer's Other Sponsors") to advertise and sell merchandise during the Required Events; provided that with respect to Producer's Other Sponsors, such sponsors' advertising and sales are not prohibited by the express terms of any written advertising or sponsorship agreement entered into by Tenant. Tenant shall not be entitled to any portion of the proceeds from, or any compensation with respect to, Producer's advertising and sales arrangements described in the immediately preceding sentence. For the avoidance of doubt, in order to give effect to the terms of this Article XXIII, Tenant shall enter into a license agreement with Producer to provide the Required Amphitheater Uses and the Required Events in accordance with the terms of this Article XXIII throughout the Term of this Lease.

(c) Additional Community Events. So long as the provisions of Section 23.1(b) above are complied with, the Amphitheater Property may also be used for additional Community Events; provided that such events comply with the terms of this Lease,

including all Requirements (including all permits of the New York City Planning Commission that govern the Premises).

(d) Required Childs Building Uses. Subject to Section 23.2(c) and Section 23.2(d) below, Tenant shall use and operate the Childs Building solely for additional Community Events, retail and/or restaurant purposes as well as related office space (including not more than 200 square feet for an office for Principals of Tenant pursuant to a Permitted Sublease), storage of personal property used in the operation of the Amphitheater and the location of the stage for the Amphitheater (the "Required Childs Building Uses") (the Required Childs Building Uses together with the Required Amphitheater Uses being hereinafter referred to, collectively, as the "Required Uses"); provided that in all cases the use of the Childs Building (i) shall be for a first class business of the type of business being operated by Tenant (by way of example, if Tenant is operating a hamburger restaurant in the Childs Building, Tenant shall operate the business as a first class hamburger restaurant), operated in a clean and professional manner and (ii) shall not compromise the character and reputation of the Amphitheater Property as a first class amphitheater or be antithetical to the Project as a prominent symbol of the City or State of New York as determined by Landlord in its sole discretion. Tenant shall not use the Childs Building, or permit the Childs Building to be used, for any use other than the Required Childs Building Uses.

(e) Ancillary Uses for Amphitheater Property. So long as the provisions of Section 23.1(b) above are complied with, Tenant shall also have the right to use and operate the Amphitheater Property for the following ancillary uses: customary theatre concessions, retail sales of merchandise relating to Amphitheater Property events, food and/or beverage service (alcoholic (subject to obtaining the insurance required in Article VII) and non-alcoholic) and advertising in connection with use of the Amphitheater (subject to the terms of this Lease regarding advertising); provided, however, that (x) the primary use of the Amphitheater Property shall be as an amphitheater for outdoor Community Events described in this Article XXIII, and (z) the use of the Premises or the pattern of programming thereof shall not compromise the character and reputation of the Amphitheater Property as a first class amphitheater. In connection with the foregoing, the stage for the Amphitheater shall be placed within the Childs Building facing outwards onto the Amphitheater Property as set forth in the Approved Plans and Specifications. The uses under this clause (e) and the preceding clause (c), collectively, shall be known as the "Permitted Uses."

(f) HireNYC Program. Tenant shall comply with the HireNYC Program annexed as Exhibit H hereto.

(g) Prohibited Uses. The Premises may not be used for the sale or advertising of tobacco products. Tenant shall not use or occupy the Premises, or permit or suffer the Premises or any part thereof to be used or occupied, for any purpose other than the Required Uses and the Permitted Uses without (in each instance) the prior written consent of Landlord in its sole discretion. Without limiting the generality of the preceding sentence, Tenant shall not use or occupy, or permit or suffer any portion of the Premises to be used or occupied (i) for any unlawful or illegal business, use or purpose, (ii) for any purpose, or in any way in violation of the provisions of this Section 23.1 or Article XVI hereof or the certificate(s) of occupancy or the Special Permit for the Premises, (iii) in such manner as may make void or voidable any

insurance then in force with respect to the Premises, (iv) in any manner that would compromise the character and reputation of the Amphitheater Property as a first class amphitheater or the character and reputation of the business operated in the Child's Building as a first class business of the type of business being operated by Tenant in the Childs Building operated in a clean and professional manner, (v) in any manner that would be antithetical to the Project as a prominent symbol of the City or State of New York as determined by Landlord in its sole discretion. or (vi) for any residential use. Tenant shall, promptly upon Tenant's knowledge of any business, use, purpose, or occupation of the Premises, or any part thereof, in violation of this Section 23.1, take all necessary steps, legal and equitable, to compel the discontinuance of such business, use or purpose, including, if necessary, the removal from the Premises of any Subtenants or licensees using a portion of the Premises for an unlawful or illegal business, use or purpose or in violation of this Section 23.1 or Article XVI hereof. The provisions of this Section 23.1 shall not restrict Tenant's rights under Article XXXIV hereof to contest any Requirements.

(h) Requirements of the Producer. For purposes of this Article XXIII and notwithstanding anything to the contrary in this Lease, any Producer hereunder, including the Seaside Producer, shall be a Qualified Producer and shall be required to enter into a license agreement with Tenant for use of the Amphitheater in accordance with the terms of this Lease. In the event of any disagreement between Producer and Tenant regarding the terms of such license agreement (all of which shall be customary and reasonable for a business of the type and size of Producer), the parties shall submit such disagreement to Lease Administrator whose decision shall be final and binding on Producer and Tenant. On the Effective Date and prior to the appointment of any Person as Producer hereunder, the Seaside Producer and each such other prospective Producer (collectively, for purposes of this paragraph a "proposed Producer"), as applicable, shall be required to provide documentation requested by Lease Administrator to demonstrate its status as a Qualified Producer, including Required Disclosure Statements in the form of Exhibit E hereto, and otherwise in a form reasonably satisfactory to Lease Administrator. In the event that the information set forth in the Required Disclosure Statements or other document provided pursuant to this paragraph reveals a proposed Producer with whom the City and/or NYCEDC will generally not do business, or if such information is otherwise not acceptable to the Lease Administrator, acting in its sole discretion, then the proposed Producer shall not be acceptable and another Person shall be chosen by Landlord as Producer, subject to the same qualification process. On an annual basis, Producer shall be required to submit the information reasonably requested by Lease Administrator to confirm that Producer continues to meet the requirements of a Qualified Producer and in the event that Producer fails to continue to meet such requirements, Landlord may replace Producer, and Tenant shall use its best efforts to assist Landlord in identifying a replacement. Further notwithstanding anything to the contrary in this Lease, if at any time Landlord determines, in its sole discretion, that Producer is not holding at least six (6) Required Events annually, is not performing in a professional manner, or any Person's continuation as Producer hereunder is antithetical to the Project as a prominent symbol of the City or State of New York or otherwise antithetical to the Project Commitments, as determined by Landlord in its sole discretion, then Landlord may terminate the status of such Person as Producer hereunder and designate another Person to act as Producer and Tenant shall use its best efforts to assist Landlord in identifying a replacement producer and, if necessary and requested by Landlord, terminate any outstanding license agreement with the Producer being replaced and enter into a new license agreement with the Person then designated by Landlord as the new Producer.

Section 23.2 Operation. Subject to the terms of this Article XXIII, the operation of the Premises shall be under the exclusive supervision and control of Tenant, provided that Tenant shall in all events operate the Amphitheater Property or cause the Amphitheater Property to be operated consistent with the Amphitheater Property being a first class amphitheater and operate the business in the Childs Building, or cause the business in the Childs Building to be operated, as a first class business of the type of business being operated by Tenant in the Childs Building operated in a clean and professional manner and which shall not compromise the character and reputation of the Amphitheater Property as a first class amphitheater or be antithetical to the Project as a prominent symbol of the City or State of New York. The requirements for the operation of the Premises set forth in this Section 23.2 are hereinafter referred to as the "Operating Commitments."

(a) Subject to the terms of this Section 23.2, (i) on or before May 27, 2016, Tenant shall commence operation of the Amphitheater and (ii) on or before May 26, 2017, Tenant shall commence operation of the entire Childs Building, in the case of both clause (i) and clause (ii) for the purposes described in Section 23.1 above and thereafter shall continue active use and operation of the Premises for the Term. The time periods set forth in Section 23.2(a), (b) and (c) with regard to Operating Commitments shall be subject to Unavoidable Delays as the result of events limited to those specified in clauses (v), (vi) and (vii) of the definition of "Unavoidable Delays" in each instance not to exceed ninety (90) days. For the avoidance of doubt, the terms of the immediately preceding sentence shall not affect any of the various dates for the completion of phases of the Initial Construction Work described in Section II of Exhibit B hereto wherever such dates are referenced in this Lease (including without limitation in Article XIII and in Article XXIV hereof).

(b) Promptly, but in no event later than the Scheduled Completion Date, Tenant shall make the Amphitheater available as required by this Section 23 for the Required Events in each Scheduling Year (including the balance of the first Scheduling Year in which occurs commencement of operation of the Amphitheater) for the balance of the Term. For the avoidance of doubt, Tenant is required to permit up to fifteen (15) Required Events to be held annually in the Amphitheater, the final number to be determined by Producer, and to make the Amphitheater available for the scheduling and holding of such events by Producer during each Scheduling Year, subject to the scheduling requirements set forth in Section 23.4 hereof.

(c) On or before May 26, 2017, Tenant shall commence operation of the Childs Building for the Required Childs Building Uses for the balance of the Term. In furtherance thereof, Tenant shall operate the Childs Building, or cause the Childs Building to be operated, for the Required Childs Building Uses so that not less than Seven Thousand Five Hundred (7,500) square feet of the first floor of the building is active and open to the public (the "Full Time Use Space") on an annual basis not less than five (5) days per week (other than during the weeks in which Christmas and New Year's Day occur, in which case the requirement shall be four (4) days during such weeks) and (i) during the period from May 1st through October 31st not less than thirty (30) hours per week, including three (3) hours on each of five (5) days during the week and (ii) during the period from November 1st to April 30th not less than three (3) hours per day on each of five (5) days (four (4) days during the weeks in which Christmas and New Year's occur) during the week (all of such days and hours being hereinafter

referred to, collectively, as the "Full Time Requirement"); provided, however, that , (1) all office use located on the first floor may not exceed 1,000 square feet, (2) storage of personal property used in the operation of the Amphitheater shall be located solely in the basement and (3) the Full Time Use Space must be used for either (i) retail use open to the public in accordance with the Full Time Requirement or (ii) restaurant use open to the public in accordance with the Full Time Requirement. For the avoidance of doubt, the entire Full Time Use Space must be used for either the use specified in clause (i) or the use specified in clause (ii) in the immediately preceding sentence and not for a combination of such uses. In the event that all of the Full Time Use Space is not open to the public and operating for either a (i) retail or (ii) restaurant use in accordance with the Full Time Requirement for six (6) consecutive months (excluding one (1) period not to exceed two (2) consecutive months of construction build-out for a restaurant or retail use in any two (2) year period), then Landlord may terminate this Lease effective immediately upon delivery of notice to Tenant; provided that Landlord's right to terminate the Lease set forth in this Section 23.2(c) shall be in addition to and shall not limit Landlord's rights and remedies set forth in Article XXIV or elsewhere in this Lease. Tenant acknowledges that in order to comply with the terms of this Section 23.2(c), if Tenant shall not be the operator of the Full Time Use Space, then the operator of the entire Full Time Use Space must be a Permitted Subtenant under a single Permitted Sublease with a term of not less than two (2) years and short-term or "pop-up" businesses will not satisfy the requirements of this Section with regard to the Full Time Use Space.

(d) During the period beginning on May 27, 2016 and ending on September 5, 2016 (the "2016 Summer Period") Tenant shall operate, or cause to be operated, not less than 4,000 square feet of the Childs Building (all or a portion of such space may be located on the roof of the Childs Building) as an active restaurant, bar or retail use that is not prohibited by the terms of this Lease. If Tenant elects not to operate or otherwise use the "white box" interior space of the Childs Building during the 2016 Summer Period, Tenant shall make such space available to Landlord, at no cost to Landlord, for Community Events and other Landlord programming; provided however, that Landlord shall coordinate its use of such space in a manner that does not interfere with any construction or other Tenant activities in the Childs Building.

Section 23.3 Project Report. Within sixty (60) days following the end of each calendar year during the Term, or at such other time as Lease Administrator may reasonably request from time to time (but not more than twice during any twelve (12) month period) upon not less than sixty (60) days prior written notice, Tenant shall deliver a written report to Lease Administrator (the "Project Report") setting forth in narrative form a status report on the Project and the manner in which Tenant is complying with the Project Commitments and the Operating Commitments, which written report shall be in a form and contain such information as shall be reasonably satisfactory to Landlord. The Project Report shall, among other things, contain Tenant's certification that (i) the Premises are in compliance with the Project Commitments, (ii) the Premises are in compliance with the Operating Commitments and Article XXIII of the Lease, (iii) in its reasonable and good faith judgment, Tenant anticipates that it will be able to comply timely with any Project Commitments and/or Operating Commitments to be performed in the upcoming calendar year, and (iv) the Premises is being used and operated in strict compliance with the Required Uses and the Permitted Uses and no other uses. In the event that Tenant shall be unable to provide the required certification, the Project Report shall identify any

areas of non-compliance with specificity and explain the reasons for such non-compliance (a "Non-Compliance Notice"). Landlord shall endeavor to review each Project Report and submit any questions or request any additional or supporting information that it requires within thirty (30) days following Landlord's receipt of such Project Report.

Section 23.4 Preparation of Event Schedule for each Scheduling Year. All Required Events scheduled in accordance with the required timeframes set forth below shall be added to the Event Schedule prior to any other event being added thereto.

(a) Event Schedule. At all times during the Term, the following shall apply: Each calendar year, a schedule of Required Events and Community Events to take place at the Amphitheater during the following Scheduling Year shall be prepared as follows (subject to the conditions set forth in clauses (b) and (c) of this Section 23.4):

(i) On or before February 1st of each calendar year, Producer and/or Landlord shall provide Tenant with a written schedule (the "Required Events Schedule") of the dates of all Required Events scheduled for the period from May 1st of such calendar year to April 30th of the following calendar year (such period being hereinafter referred to as, the "Scheduling Year"). The parties acknowledge and agree that because Producer is required by this paragraph to commit to dates prior to the time Producer normally would book Required Events, Producer and/or Landlord may reserve up to a total of fifteen (15) dates pursuant to this paragraph and shall not be required to have commitments for such dates (for the avoidance of doubt, Tenant may not similarly reserve dates on the Event Schedule except for the Tenant Reserved Dates (hereinafter defined)). Furthermore, because it is the agreement of the parties that Producer shall have the absolute right on or before February 1st of each calendar year to designate fifteen (15) dates for Required Events in the Amphitheater as provided in this paragraph, Tenant shall not schedule any Community Event prior to February 1st except in accordance with the following terms and conditions in this Section 23.4(a)(i). If before February 1st of any given year Tenant desires to schedule a Community Event, Tenant shall provide Producer and Landlord with notice of the desired scheduling and Producer shall have forty-eight (48) hours (excluding hours on days other than Business Days) to respond to Tenant and deliver to Tenant evidence that Producer has booked or is in the process of booking a Required Event for the date at issue. If Producer fails to provide the aforementioned evidence within such forty-eight (48) hour period, Tenant shall be entitled to reserve the Amphitheater on the desired date; provided, however, that Tenant's right to so reserve the Amphitheater for a Tenant-arranged Community Event prior to February 1st and in accordance with this sentence shall be limited to four (4) instances per Scheduling Year. If at any time following February 1st of any given year Producer wishes to reschedule a Required Event or replace a previously scheduled Required Event with a Required Event to take place on a different date or change a date on the Required Events Schedule or on the Events Schedule, Producer shall provide Tenant notice of the desired schedule change

and Tenant shall have forty-eight (48) hours (excluding hours on days other than Business Days) to respond and deliver to Producer evidence that Tenant has booked or is in the process of booking an event at the Amphitheater for the date at issue. If Tenant fails to produce the aforementioned evidence within such forty-eight (48) hour period, Producer shall be entitled to the desired schedule change and Tenant shall immediately change the Events Schedule accordingly. Notwithstanding anything to the contrary, Producer shall always be provided with Producer's Three Weekend Nights in every Scheduling Year.

(ii) On or before April 1st of each calendar year, Tenant shall provide Producer and Landlord with a written schedule of the dates of all Required Events (based on the dates provided to Tenant by Producer and/or Landlord) and Community Events scheduled by Tenant (the "Event Schedule") for the following Scheduling Year, including the approximate dates for preparation therefor and clean-up thereof, which schedule Tenant may modify from time to time effective on no less than ten (10) days' written notice to Producer and Landlord (subject to this Section 23.4), except where the holding of a Community Event scheduled by Tenant could not reasonably have been foreseen ten (10) days prior to the commencement thereof, in which case Tenant shall give written notice to Producer and Landlord as soon as such event is scheduled; provided that any event not scheduled as of April 1st of any calendar year may be scheduled only for such dates during such year that do not conflict, as reasonably determined by Producer and Landlord, with events reflected on the schedule then in effect, unless Landlord and Tenant reasonably agree that the simultaneous holding of any Required Event, Landlord Event (hereinafter defined) and Tenant scheduled Community Event is operationally practicable in terms of parking, traffic flow and congestion, crowd control and security, and avoidance of interference of enjoyment by one event with the other. Notwithstanding anything to the contrary in this Lease, Tenant shall be permitted to reserve the specific five (5) days set forth on Exhibit O hereto during each Scheduling Year ("Tenant's Reserved Days") solely for the purpose of holding the event known as the "Mermaid Parade" sponsored by Coney Island USA and Community Events related to the Mermaid Parade and such days shall not be available to Producer. Each year Tenant shall notify Producer on or before January 1st that Tenant shall be using Tenant's Reserved Days for the following Scheduling Year in which case Producer shall not schedule any Required Event on such days; provided, however, that in the event that Tenant does not so notify Producer then Tenant's Reserved Days shall be forfeited for the next Scheduling Year and Producer may use such days at its option. In no event shall Tenant be entitled to use Tenant's Reserved Days or place them on the Event Schedule for any purpose other than the Mermaid Parade and related Community Events.

(iii) On or before the date which is twenty (20) Business Days after the Event Schedule has been received by Landlord (the "Landlord Scheduling Date"), Landlord may provide Tenant with a written schedule of events ("Landlord Event Schedule") that Landlord intends to be scheduled in the Amphitheater for the upcoming Scheduling Year to be added to the Event

Schedule, which events ("Landlord Events") shall be at no cost to Landlord (other than the same costs for which Producer is responsible with respect to the Required Events and subject to the same right of cancellation provided to Producer in Section 23.1(b) above) and provided that (A) Landlord shall be liable for any damage, injuries and claims directly related to the Landlord Events and (b) Landlord may not schedule a Landlord Event during a time when a Required Event or Community Event has been scheduled.

(iv) Commencing on the Landlord Scheduling Date and continuing thereafter throughout the balance of the Scheduling Year, Landlord and Tenant shall work together promptly, reasonably, and in good faith to add to the Event Schedule each additional Landlord Event (which may include additional Producer events) and Community Events that Landlord and Tenant, respectively, then desire to add, taking into account the previously scheduled events and conflicts between the parties' respective proposed additional events.

(b) Adding Events to Event Schedule. Whenever Producer or Tenant desire to book an event and include the event on the Event Schedule pursuant to Section 23.4(a), Producer and Tenant shall give written notice to Landlord (each a "New Event Notice") of its request to do so as soon as reasonably possible, but in no event less than twenty (20) days prior to the date of the proposed event. For the avoidance of any doubt, every event included on the Event Schedule shall be subject to the requirements and procedures detailed in this Section 23.4(b); that is, Producer and Tenant shall submit to Landlord a New Event Notice for each event it desires to book and include on the Event Schedule at any time.

(i) Each New Event Notice shall include a description of the proposed event, including the nature, starting time and estimated duration thereof; the expected attendance thereat; the identity and experience of the promoters and organizers of the proposed event, and their principals; a description of any special safety, security, lighting, sound, video, stage hand labor, cleaning, maintenance, restoration or other services that will be obtained in connection with the proposed event (or in the case where Tenant is providing services or items for a Required Event, Tenant will provide Producer with notice of the cost to be reimbursed by Producer in accordance with this Article XXIII), and the approximate preparation and clean-up periods for the proposed event.

(ii) Landlord shall notify Producer or Tenant, as applicable, as soon as reasonably possible but in no event more than ten (10) days after its receipt of such New Event Notice, whether Landlord objects to the proposed event. Landlord may object to any new proposed event and prevent such event from taking place in its sole and absolute discretion; provided, however, that Landlord agrees to make such objection only if Landlord believes in good faith that the proposed event may be adverse to the interests of the City and not to object solely for the purpose of reserving a particular date . -If no objection notice is given within such ten (10) day period, the event shall be approved and included

on the Event Schedule in accordance with the terms and conditions of this Section 23.4.

(c) Required Information. In no event shall any event be included on the Event Schedule unless the scheduling thereof would be in compliance with each of the following criteria:

(i) Events shall be scheduled so as to allow reasonably sufficient preparation, clean-up and restoration periods between each event.

(ii) In the case of Tenant scheduled Community Events and Landlord Events (but not Required Events), the event must be a specific, planned event (i.e., neither party may reserve a time on the Event Schedule on the basis that it intends to hold on such date a certain type of event, as opposed to a specific event).

(iii) All events at the Amphitheater must be scheduled so they are reasonably likely to end no later than 11:00 pm. Should an event end later than 11:00 pm, the event may continue past 11:00 pm, but Tenant must use reasonable efforts to have event attendees and other staff or other personnel exit the Amphitheater as soon as possible after the end of the event.

Section 23.5 Public Access. The areas of the Premises depicted in Exhibit M shall remain open to the general public at all times within the hours of operation of the Coney Island Beach and Boardwalk (as may be modified from time to time by the New York City Department of Parks and Recreation) as publicly accessible open space, and shall remain clear and unobstructed (other than incidental obstructions by seating, planters, kiosks, etc.), provided, however, that such area(s) may be closed to the public temporarily for reasonable periods of repair and maintenance, and may be subject to reasonable crowd control measures during events. Notwithstanding the foregoing, entrance onto event areas on the site plan depicted in Exhibit M may be limited to event attendees during scheduled events.

ARTICLE XXIV

EVENTS OF DEFAULT, CONDITIONAL LIMITATIONS, REMEDIES, ETC.

Section 24.1 Definition. Each of the following events shall be an "Event of Default" hereunder:

(a) if Tenant shall fail to make any payment (or any part thereof) of Rental required to be paid by Tenant hereunder and such failure shall continue for a period of ten (10) days after notice thereof from Landlord to Tenant;

(b) if Tenant shall have failed to achieve Preparation for Construction on or before the Scheduled Construction Preparation Completion Date (which date shall not be subject to extension for Unavoidable Delays);

(e) Deposits with Recognized Lender. In the event that a Recognized Lender shall require Tenant to deposit funds to insure payment of Impositions or insurance premiums, the same shall be credited against any amounts required to be deposited under this Article 7 for so long as such funds are used solely to pay Impositions or insurance premiums, it being agreed that if the deposits required by a Recognized Lender shall equal or exceed the amounts required to be deposited under this Article 7, then no such payments shall be required under this Article 7. The disposition of such amounts shall be governed by the applicable loan documents pursuant to which the same are deposited with such Recognized Lender, *provided*, that Tenant shall notify Landlord, or cause the Recognized Lender to immediately notify Landlord, of any disbursement of deposited funds, and, to the extent such funds are applied by the Recognized Lender to payments other than Impositions or insurance premiums, within five (5) Business Days after demand by Landlord, Tenant shall restore sufficient funds to the account to satisfy the requirements of Sections 7.01(a) and (b) hereof.

Section 7.02 Effect of Sale or Transfer of Premises By Landlord. In the event of Landlord's sale or transfer of the Premises, Depositary shall continue to hold any moneys deposited with it pursuant to the provisions of Sections 7.01(a) and (b) hereof and shall transfer such deposits to a special account established in the name of the Person who acquires the Premises, assumes Landlord's obligations under this Lease, and becomes Landlord for the purposes provided in the applicable provisions of this Lease. Upon such sale or transfer, the transfer of such deposits and notice thereof to Tenant, Landlord shall be deemed to be released to the extent of the deposits so transferred from all liability with respect thereto and Tenant shall look solely to the Depositary and new Landlord with respect thereto. Landlord shall deliver to Tenant a copy of the instrument of transfer to the new Landlord. The provisions of this Section 7.02 shall apply to each successive transfer of such deposits.

Section 7.03 Effect of Termination. Upon the Expiration Date, if this Lease shall terminate, or the Term shall terminate or expire and a new lease shall not be entered into or this Lease not continued with a Recognized Lender, all remaining deposits then held by Depositary, together with interest accrued thereon, shall be applied by Landlord on account of any and all sums due under this Lease and the balance, if any, remaining thereafter with the interest, if any, earned thereon and remaining after application by Landlord as aforesaid, shall be returned to Tenant within ninety (90) days of such termination, or, if there shall be a deficiency, Tenant shall pay such deficiency to Landlord promptly following demand.

ARTICLE 8 USE OF PREMISES

Section 8.01 Permitted Use.

(a) Tenant acknowledges and agrees that its ongoing commitment to use and operate the Project in accordance with the Project Commitments and otherwise in accordance with this Section 8.01 and for no other use or purpose is of vital importance to Landlord, and a material inducement to Landlord in agreeing to enter into this Lease, and that Tenant's failure to do so in accordance with the provisions set forth in this Section 8.01 and Section 14.08 shall constitute a material breach under the terms of this Lease. Accordingly, subject to the provisions herein, Tenant shall use the Premises for the sole purposes of Residential Use, Commercial Use,

Community Space Use and Public Access Area Use, with respect to each portion of the Premises so indicated for such use in Exhibit D, and uses accessory thereto (the “Permitted Uses”). In furtherance of the foregoing, the Residential Use component shall include housing units consistent with the requirements of the Project Commitments (including without limitation, affordable for the Term), the terms of the Regulatory Agreement, or any successor agreements, and the MIH Restrictive Declaration. Tenant shall comply with the terms and provisions of the Regulatory Agreement. For purposes of this Lease:

“Commercial Use” has the meaning set forth in the Zoning Resolution, provided, however, that in no event shall the Premises be used for hotel, motel, hostel or other lodging purposes without Landlord’s prior written consent which may be granted or withheld in Landlord’s sole and absolute discretion.

“Community Space Use” means use by the general public (which may include a membership requirement, provided that membership is available to the general public on a non-discriminatory basis) for participation, training or practice of physical fitness related activities, the arts and culture (such as without limitation museum, theatre, music, dance, performing arts, painting and sculpting), education, hobbies and crafts, day care, after school programs, and other family services, health and wellness services, social services and other similar activities directed towards providing services and/or activities relating to the health and well-being of the residents and general public and any other community space use permitted by the Zoning Resolution.

“Cultural Space” means space operated by one or more not-for-profit entities dedicated (i) to the celebration and preservation of the history of local and global hip-hop music and culture, (ii) for purposes ancillary and incidental to the foregoing uses, or (iii) for such other cultural, educational, artistic, community, social service or recreational use for the benefit of the people of the City as the City shall approve, which Cultural Space has been subsidized with funding from the City’s Department of Cultural Affairs (or its successor in function (collectively, “DCLA”)) or any City agency or instrumentality designated by DCLA to provide such funding, and the use of which space is in accordance with the terms of such funding. For sake of clarity, use of space primarily for commercial for-profit public entertainment, such as a movie theatre, playhouse, dance hall, cabaret, supper club, disco, night club or the like would not qualify as Cultural Space.

“MIH Residential Use” means dwellings occupied by residential tenants (and excludes transient dwelling use) in accordance with the MIH Program.

“Non-Residential Space” means the Commercial Space and the Community Space Use space.

“Prohibited Uses” means, individually and collectively, the following uses on the Premises or any portion thereof:

- (i) the operation on the Premises of a so-called “flea market”;
- (ii) selling or displaying for sale any “adult printed or visual material” as defined in the definition of “Adult Establishment” under the Zoning Resolution;
- (iii) use as a gambling or gaming establishment (including as an Off-Track Betting, sport gambling, casino gambling or similar establishment); provided, that the sale of lottery tickets and use as an arcade for non-gambling games shall be permissible;
- (iv) use as an office, store, reading room, headquarters, center or other facility devoted or opposed to the promotion, advancement, representation, purpose or benefit of: (a) any political party, political movement or political candidate, (b) any religion, religious group or religious denomination, (c) any foreign government, or (d) any “cause” of a political or religious type or nature;
- (v) the operation of any establishment the primary purpose or products of which are sexual in nature;
- (vi) the operation of any establishment the primary purpose of which is the sale of alcohol;
- (vii) operating a so-called “head shop” or a facility for the sale of paraphernalia intended for use with illicit drugs; and
- (viii) operating a pawn shop or auction house.

“Public Access Area Use” means the use of the Public Access Area by the residents and the general public as required by the Zoning Resolution and more particularly described in Exhibits D and J.

“Residential Use” means dwellings occupied by residential tenants (and excludes transient dwelling use) including according to the terms of the Regulatory Agreement(s) and includes but is not limited to MIH Residential Use.

(b) Tenant shall cause each component of the Project to be leased and occupied for the purposes, in the amounts of space, and within the time frames in Exhibit D. The following protocol (the “Protocol”) shall apply to the use of the Non-Residential Space in compliance with the requirements set forth in Exhibit D:

(i) Tenant shall keep Lease Administrator reasonably informed, on a current basis, of the steps being taken by Tenant initially to sublease the Non-Residential Space in compliance with the standards provided in Section 8.01(a) of this Lease. Furthermore, on an annual basis commencing one (1) year following Substantial Completion of the Initial Construction Work, Tenant shall certify to Lease Administrator (the “Annual Certification”) that (A) Tenant is in compliance with the requirements set forth in Exhibit D including an occupancy of ninety percent (90%) or more of the net rentable square footage of the portion of the Premises intended to be used for Commercial Use and ninety percent (90%) or more of the net rentable square footage of the portion of the Premises intended to be used for the Community Space Use

or (B) to the extent it is not in compliance with respect to any Non-Residential Space requirements, identifying (i) such non-compliant Non-Residential Space, (ii) the nature of the non-compliance and (iii) the steps being taken, consistent with the provisions of the Protocol, to address such non-compliance.

(ii) Landlord shall have all remedies available to it hereunder if Tenant is in default of its obligations under this Section 8.01(b) with respect to the Non-Residential Space, as set forth herein, but Tenant shall not be construed to be in default of its obligations hereunder if, but only for so long as, it is addressing any non-compliance in accordance with the provisions of the Protocol. The Annual Certification to be provided by Tenant shall indicate whether Tenant anticipates any difficulty in meeting the requirements relative to any Non-Residential Space during the forthcoming year, identifying the nature of the anticipated difficulty and the steps proposed to be taken by Tenant to address the same.

(iii) In the event that Tenant is unable, with respect to any Non-Residential Space at any time during the relevant period(s) described in Exhibit D, to comply with the leasing and use requirements set forth in Exhibit D for such space, Tenant shall provide notice of such inability to Landlord, documenting, in such notice, the commercially reasonable efforts made by Tenant, over a period of not less than twelve (12) months, to lease the Non-Residential Space in accordance with the provisions set forth in Exhibit D. In such event, Tenant (following consultation with Landlord) shall identify a party who will use the Non-Residential Space for another non-residential use reasonably acceptable to Landlord and in a manner reasonably acceptable to Landlord and consistent with the overall objectives of the Project. At its option, Landlord or Lease Administrator may request that Tenant and/or the operator of the Cultural Space (“Cultural Space Operator”) provide financial statements documenting the operating expenses and rent charged, as well as certifications regarding compliance with Cultural Space requirements. No departure from the requirements set forth in this Section 8.01 shall be permitted without adhering to the Protocol.

(iv) For purposes of the Protocol, “commercially reasonable efforts” shall at a minimum include (as applicable) outreach to (A) community organizations (in the case of the Community Space), (B) brokers and small vendor associations or similar groups (in the case of the Commercial Space), (C) brokers and cultural/arts/educational organizations (in the case of the Museum Facility) and (D) in each case other similar parties. In no event shall the Protocol be construed to permit Tenant to (x) convert any use specific requirements or (y) alter the specific square footage commitments described in Exhibit D.

(c) Except as provided herein, Tenant shall not use the Premises (and Tenant shall use Commercially Reasonable Efforts to ensure that no Subtenant uses the Premises) for any purpose other than the Permitted Uses, and in no event shall Tenant use the Premises (and Tenant shall use Commercially Reasonable Efforts to ensure that no Subtenant uses the Premises) for any of the Prohibited Uses, in each case, except with the prior written approval of Landlord to be given in its sole discretion.

(d) Tenant shall keep Landlord informed, on a regular basis (which, at Landlord’s option, may be by email), of any and all prospective leases for any Non-Residential

Space and shall provide to Landlord, at Landlord's request, copies of any and all letters of intent executed by any prospective sub-tenants.

Section 8.02 Requirements for Conduct of Business. This Lease does not grant any permission, license or authority for the performance or conduct of any business, operation or use which may require any permit or approval from any Person. Tenant shall obtain and maintain (or require any Subtenant to obtain and maintain) in full force and effect during the Term at its sole cost and expense any governmental license or permit imposed or mandated by any Governmental Authority in connection with Tenant's trade or business and the use of the Premises, and shall comply (or require any Subtenant to comply) with any other applicable Requirement for the proper and lawful operation of the Premises by Tenant for the purposes authorized by this Lease.

Section 8.03 Unlawful Use. Tenant shall not use or occupy the Premises or, subject to Section 14.08 hereof, permit or suffer the Premises or any part thereof to be used or occupied for any unlawful, illegal, or hazardous business, use or purpose or in any way in violation of any applicable Requirement, the certificate of occupancy or this Lease, or in such manner as may make void or voidable any insurance then in force with respect to the Premises. Promptly, upon the discovery of any such unlawful, illegal or hazardous business, use or purpose, Tenant shall use Commercially Reasonable Efforts to compel the discontinuance thereof, including but not limited to, if necessary, to cause the removal from the Premises of any Subtenant or occupant, as applicable, using any portion of the Premises for any such business, use or purpose. The provisions of this Section 8.03 shall not restrict Tenant's rights to contest any applicable Requirements. Tenant shall not keep, on the Premises any article, object, item, substance or thing that is reasonably likely to cause damage to the Premises or any part thereof or any other article, object, item, substance or thing, except as now or hereafter permitted by the Fire Department, Board of Fire Underwriters, Fire Insurance Rating Organization and other authority having jurisdiction over the Premises.

Section 8.04 Hazardous Substances.

(a) Tenant covenants that the Premises shall be kept free of Hazardous Substances (or, with respect to portions of the Premises demised under Subleases, Tenant shall use its Commercially Reasonable Efforts to ensure that Subtenants keep the portions of the Premises demised under Subleases free of Hazardous Substances), and Tenant shall be responsible for remediating any Hazardous Substances that exist on the Lease Commencement Date as part of the Initial Construction Work. Tenant shall not use, transport, store, dispose of or in any manner deal with Hazardous Substances at the Premises except as and to the extent permitted by Environmental Law. Tenant shall not cause the release of Hazardous Substances in, from, at or onto any portion of the Premises in violation of any Environmental Laws.

(b) The Premises shall be delivered "as-is". As of the Lease Commencement Date, Tenant shall assume all liability for Hazardous Substances on the Premises. However, Tenant shall not be responsible for liability for Hazardous Substances to the extent arising from any negligent acts or omissions (or willful misconduct) of Landlord, NYCLDC or NYCEDC and/or any of their respective Representatives. Notwithstanding the previous sentence, to the extent pre-existing conditions are disturbed or exacerbated as a result of actions that occur during

Tenant's occupancy of the Premises, Tenant shall be responsible for any resulting liability. For the purposes hereof, Tenant's possession of the Premises shall be deemed to include, but not be limited to, any period during which Tenant made use and/or occupancy of the Premises. In the event any Hazardous Substances shall be found within, under, or upon the Premises (and to the extent not remediated as part of the remediation performed by Tenant as part of the Initial Construction Work), Tenant shall (x) promptly take or cause to be taken any action required by a Governmental Authority under any applicable Environmental Laws with respect to such Hazardous Substances, (y) notify Landlord of the discovery of any occurrence or conditions on the Premises, or any real property adjoining or in the vicinity of the Premises to the extent that Tenant has actual knowledge of same, provided that Tenant shall have no duty to make independent inquiry or investigation unless required by any applicable Environmental Law and Requirements, and solely to the extent the occurrence or conditions is or are reasonably likely to cause the Premises or any part thereof to be subject to any liability or action under any Environmental Law, and (z) notify Landlord of any and all enforcement, cleanup, removal or other governmental or regulatory actions instituted or threatened against the Premises pursuant to any applicable Environmental Law. The expense for all such action shall be the responsibility of Tenant, except that Tenant shall not have any duty to pay for or to reimburse Landlord for any costs or expenses resulting from any negligent acts or omissions (or willful misconduct) of Landlord, NYCLDC or NYCEDC and/or any of their respective agents, representatives and contractors, and Landlord shall bear all costs and expenses for any such negligent acts and/or omissions (and/or willful misconduct). All action with respect to any Hazardous Substances on the Premises shall be performed in accordance with all applicable Requirements and receive the necessary regulatory department sign offs. Provided that Landlord does not incur any out-of-pocket cost (other than any such costs for which Tenant agrees to assume a reimbursement obligation), Landlord shall make good faith efforts to cooperate with Tenant in Tenant's efforts to obtain any necessary regulatory department sign offs. Notwithstanding the above, provided the applicable Requirement specifically allows for challenge or deferral, Tenant shall have the right to so challenge and defer compliance with such Requirement in accordance with the terms thereof, if no dangerous or hazardous condition then exists or would be caused or lien would be created by such deferral and Tenant complies with the reasonable requirements of Landlord regarding the Hazardous Substances at issue. In addition, prior to commencing any work of removal, repair, restoration or any other construction work under this Section 8.04, except in the event of an emergency, Tenant shall submit or cause to be submitted to Landlord a schedule indicating the estimated dates on which the various phases of all such work will be commenced and completed. Tenant shall have the right to amend and change such schedule without prejudice and, upon each such amendment or change, shall provide Landlord with an updated schedule.

(c) Tenant shall defend, indemnify and save the Indemnitees harmless from and against any and all Hazardous Substances in the manner provided in Article 23.

(d) Tenant shall comply with all applicable Environmental Laws and Requirements concerning any Hazardous Substance that Tenant or other occupant(s) of the Premises produces, brings on, keeps, uses, stores, disposes or treats in, at or about the Premises or transports from the Premises. Tenant shall also comply with all applicable federal, state, and local laws related to the health and safety of its employees. Tenant shall use Commercially Reasonable Efforts to cause the Premises to be kept free and clear of any liens imposed pursuant

to such laws (subject to Tenant's right to contest any such liens). Tenant shall conduct and complete, at its or their sole cost and expense, all investigations, studies, sampling and testing, and take all remedial actions required by applicable environmental laws necessary to clean up and remove from the Premises, all Hazardous Substances present in violation of applicable Environmental Laws and applicable Requirements.

Section 8.05 No Representations or Warranty by Landlord.

(a) Neither Landlord nor Lease Administrator has made or makes any representation or warranty as to the condition of the Premises or its suitability or legality for any particular use or the intended use or as to any other matter affecting this Lease or the Premises.

(b) Neither Landlord nor Lease Administrator has made or makes any representation as to the legality of the use of the Premises for Tenant's intended purposes. If any use or proposed use is determined to be illegal by a court of competent jurisdiction, subject to the terms hereof, Tenant agrees that (i) neither Landlord nor Lease Administrator, nor any of their respective directors, officers, employees or agents shall be liable for any damages incurred by Tenant or any third party as a result of, or in connection with such determination, or illegal use or proposed use, and (ii) Tenant shall defend, indemnify and hold harmless each of Landlord and Lease Administrator, and their respective directors, officers, employees and agents against any reasonable, out of pocket cost, liability or expense incurred by any of them in connection with such determination, or illegal use or proposed use in accordance with Article 23 hereof.

ARTICLE 9 EASEMENTS

Section 9.01 Access to Facilities. Landlord hereby reserves for itself and Lease Administrator, and their respective officers, employees, agents, servants and representatives, a non-exclusive easement for ingress and egress to, from and over the Premises for the following purposes: (i) to maintain, replace and replace existing municipal facilities located within the Premises, if any; (ii) to maintain its fire communication facilities, sewers, water mains and street sub-surface below the Premises, if any; (iii) as necessary, to access the bulkhead area and the Pier, if any, that are adjacent to the Premises; and (iv) to maintain that certain Comfort Station as marked on Exhibit A to the standards described in Exhibit J. Access to the aforesaid easement areas shall be in Landlord's proprietary capacity and Landlord, including but not limited to when acting by and through DPR, and Lease Administrator shall have the right to enter upon the Premises with workers, materials and equipment to construct, reconstruct, lay, relay, maintain and inspect the facilities in or adjacent to the Premise, which entry shall be at reasonable times and upon reasonable prior written notice to Tenant (except in the case of emergencies in which instance no notice is necessary) from Landlord. Landlord shall (x) take reasonable steps to minimize interference with Tenant's and any Subtenant's operations when accessing the Premises pursuant to this Section 9.01, (y) comply with Tenant's reasonable site safety protocols and (z) to the extent reasonably possible, shall not cause Tenant to move or modify any of the Improvements except in exigent circumstances. Landlord shall as promptly as practicable reasonably repair or cause to be repaired any damage caused by Landlord or Lease Administrator from the exercise of its rights hereunder and Landlord or another party reasonably acceptable to Tenant shall indemnify Tenant against all damages claimed by Tenant or any third party in

such Security Deposit, except such portion thereof as shall be equal to one per cent (1%) per annum (or such higher percentage as Landlord may from time to time be lawfully entitled to retain), which percentage shall belong to and be the sole property of Landlord and which Landlord or Lease Administrator may withdraw from time to time and retain. The obligation to pay any taxes related to or affecting any interest earned on such Security Deposit (except as to that portion thereof which belongs to Landlord) shall be the sole responsibility of Tenant and Tenant hereby agrees to pay same and to forever indemnify and save harmless Landlord and Lease Administrator in respect thereof. Tenant shall, within fifteen (15) days after demand, furnish Lease Administrator or its agent with a tax identification number for use in respect of such deposit.

Section 6.03. Without limiting their respective rights and remedies hereunder or at law or in equity, and after expiration of any applicable notice and cure periods provided for herein for a Default or Event of Default, Landlord or Lease Administrator may use, apply or retain the whole or any part of the Security Deposit to the extent required for the payment of any Rental or any other sum payable by Tenant hereunder when due and payable or the failure of Tenant to perform when due any other term, covenant or condition of this Lease, or to satisfy any liability incurred by Tenant to Landlord and Lease Administrator under this Lease, provided that the application of any Security Deposit proceeds to the cure of any such Default or Event of Default hereunder shall not be deemed to have cured such Default or Event of Default unless the entire outstanding amount due or damages suffered by Landlord and Lease Administrator is paid in full. Tenant agrees that when the Security Deposit or any portion thereof is used or applied by Landlord or Lease Administrator as aforesaid, Tenant shall, within thirty (30) days after notice and/or demand by Landlord, deposit with Landlord such additional amounts (by regular check subject to collection) sufficient to restore the Security Deposit to its amount prior to such use or application.

Section 6.04. If Tenant shall comply with all of the terms of this Lease, the Security Deposit shall be returned to Tenant within sixty (60) days after the Expiration Date of this Lease, together with interest accrued thereon as adjusted in accordance with this Article. If, on the Expiration Date, an Event of Default shall then exist, Landlord shall be entitled to retain all or any portion of such security to the extent of any damages suffered by Landlord by reason of such Event of Default, and to which Landlord is entitled pursuant to the terms of this Lease. Nothing in this paragraph shall be construed to limit Tenant's liability hereunder to the amount of the Security Deposit.

ARTICLE 7

USE

Section 7.01. Tenant shall use and occupy the Premises to operate a surface-level, no-fee parking lot ("**Parking Lot**") solely for the use of and by its tenants, employees, guests and invitees ("**Project**"), and for no other use or purpose without the Landlord's prior written consent to be given or withheld in Landlord's sole discretion. Tenant will not otherwise hold the Parking Lot open for use by the general public nor collect any rate or charge for the parking of a motor vehicle on the Premises. Failure to be in conformity with the provisions of this Article shall constitute an Event of Default under this Lease.

Section 7.02. Tenant's use of the Premises shall be in complete conformity with all applicable Requirements. This Lease does not grant any permission, license or authority for the conduct of any business, operation or use which may require any permit or approval from any public or private party. Tenant shall obtain and maintain in full force and effect during the Term, at its sole cost and expense, all licenses and permits required by any Governmental Authority for the proper and lawful operation of a Parking Lot at the Premises.

Section 7.03. Tenant covenants that no foundation work will be performed at the Premises, and Tenant shall not use or occupy the Premises or suffer or permit the Premises or any part thereof to be used or occupied for any unlawful or illegal business, use or purpose or in any way in violation of this Lease, or in any way that may constitute a public or private nuisance, or in such manner as may make void or voidable any insurance then required to be carried under Article 9 hereof. Immediately upon its discovery of any such unlawful or illegal business, use or purpose, Tenant shall take all necessary steps, legal and equitable, to compel the discontinuance thereof, including, if necessary, the removal from the Premises of any invitees using any portion of the Premises for such unlawful or illegal business, use or purpose. Tenant shall comply with any lawful direction by any Governmental Authority with respect to the use of the Premises or to the abatement of nuisance or with respect to conditions which have been created by or at the instance of Tenant or required by reason of a breach of any of Tenant's covenants or agreements hereunder.

Section 7.04. Neither Landlord nor Lease Administrator or any of their respective employees, representatives or designees has made any representations with respect to the Premises or the Project, except as expressly provided in this Lease. Tenant is fully familiar with the physical condition of the Premises in connection with its use under the Parking Permit, and Tenant agrees that the Premises are in satisfactory condition, subject to Section 2.01(c) hereof. Tenant shall be solely responsible for providing security at the Premises, including any lighting for the Parking Lot, and the same shall be at no cost or expense to Landlord or Lease Administrator.

ARTICLE 8

EASEMENTS

Section 8.01. Landlord, hereby reserves for itself and Lease Administrator, and their respective officers, employees, agents, servants, representatives and invitees, an easement for ingress and egress to, from and over the Premises for the following purposes: (i) to inspect, maintain, replace and repair existing municipal facilities located within the Premises, if any; (ii) to maintain its fire communications facilities, sewers, water mains and street sub-surface below the Premises, if any; and (iii) as necessary, to access the bulkhead area and the Pier, if any, that are part of the Premises or adjacent to the Premises. Access to the aforesaid easement areas shall be at reasonable times and upon reasonable prior written notice to Tenant (except in the case of emergencies in which instance no notice is necessary) from Landlord.

Section 8.02. Landlord and Lease Administrator and their respective designees shall have the right at all times to enter upon the Premises with workers, materials and equipment to construct, reconstruct, lay, relay, maintain, operate and inspect Landlord's and/or Lease Administrator's facilities in or adjacent to the Premises. Landlord and Lease Administrator shall use

at the Late Charge Rate from the date of any such payment by Landlord to the date on which payment of such amounts is received by Landlord.

Section 22.3 Waiver, Release and Assumption of Obligations. Landlord's payment or performance pursuant to the provisions of this Article 22 shall not be, nor be deemed to be (a) a waiver or release of the Default or Event of Default with respect thereto (or any past or future Default or Event of Default) or of Landlord's right to take such action as may be permissible hereunder, or (b) Landlord's assumption of Tenant's obligations to pay or perform any of Tenant's past, present or future obligations hereunder.

Section 22.4 Proof of Damages. Landlord shall not be limited in the proof of any damages that it may claim against Tenant arising out of, or by reason of, Tenant's failure to provide and keep insurance in force in accordance with the provisions of this Lease to the amount of the insurance premium or premiums not paid. However, subject to the provisions of Section 41.8 hereof, Landlord shall be entitled to seek, and if successful, to recover, as damages for such Default or Event of Default, the uninsured amount of any loss and damage sustained or incurred by it and the costs and expenses of any suit in connection therewith, including, without limitation, reasonable attorneys' fees and disbursements.

ARTICLE XXIII REQUIRED AND PROHIBITED USES

Section 23.1 Use and Operating Requirements. Tenant acknowledges and agrees that its ongoing commitment to use and operate the Project in accordance with this Lease, and otherwise in accordance with this Section 23.1, is of paramount importance to Landlord, and a material inducement to Landlord in agreeing to enter into this Lease, and that Tenant's failure to do so in accordance with the provisions set forth in this Article 23, after the expiration of applicable notice and Cure Periods, shall constitute a material breach under the terms of this Lease. Accordingly, at all times during the Term, Tenant shall comply with the use and operating requirements for the Project, including without limitation as follows:

(a) Throughout the Term, Tenant shall continuously, on a daily basis and in accordance with Section 23.1(c)(i) hereof, use the Premises and cause the Premises to be used primarily for the conduct of recreation within the Recreational Facility of the Project and the conduct of community uses in the Auditorium Facility and the Community Facility portions of the Project, each as more fully described in the Project Plan attached as Exhibit A-2, (the uses under this clause (a) and Exhibit A-2, collectively, the "Required Uses" and each individually, a "Required Use"), and shall also use the Premises as Co-Gen Facility (the "Accessory Use").

(b) Tenant shall either (i) sublease the Commercial Space in accordance with the Community Facility subleasing requirements set forth in Exhibit O-1, or (ii) sublease the Commercial Space to small businesses having gross revenues of up to \$3,000,000, as provided for in Section 39.12(xix) of the Lease, provided that such small businesses deliver products and/or services that either (x) produce a direct and positive impact on the quality of life of local residents and/or (y) are complementary to the Project's then existing recreation and/or community uses. To the extent that Tenant subleases the Commercial Space pursuant to the provisions of subsection

(ii) herein, there shall be no restriction on the amount of rent that Tenant may charge subtenants of the Commercial Space.

(c) Operation of the Recreation Facility, Auditorium Facility, and Community Facility.

i. At a minimum, Operator shall cause the Recreation Facility to operate seven (7) days per week, Monday through Friday 7:00am to 9:00pm ("Weekday Operating Hours") and Saturday through Sunday 8:00am to 6:00pm ("Weekend Operating Hours"), and the Auditorium Facility shall be available seven (7) days a week, unless such times are proposed to be modified by Operator and such modifications are approved by Lease Administrator. The Recreation Facility and Auditorium Facility may operate during additional hours and may elect to modify operating hours during (x) holiday periods, (y) weather-related events or (z) periods of substantial construction that require shut-down ("Shut-down Events"). Tenant shall notify Lease Administrator of any Shut-down Events within five (5) days after the date of the occurrence. Offices sub-leased to organizations other than the Operator are not subject to this Section 23.1(c)(i). During all other periods, Tenant may elect to modify the operating hours of the Auditorium Facility and the Recreational Facility upon request to Landlord, which request shall include an explanation for the modification and shall not be unreasonably withheld by Landlord.

ii. The Recreational Facility shall include fitness rooms containing fitness and exercise equipment typically found in commercial gyms. The fitness rooms will be open at all hours that the Recreational Facility is open.

iii. Tenant shall reserve fifty percent (50%) of available memberships to the Recreational Facility, or a minimum of two hundred and fifty (250) memberships, whichever is greater, for the local community and/or families in need of financial assistance (the "Discounted Recreational Memberships"). Individual Discounted Recreational Memberships shall initially cost ten dollars (\$10) per month, while families shall be charged ten dollars (\$10) per month for each adult and eight dollars (\$8) per month for each child under sixteen (16) years old. The cost of Discounted Recreational Memberships shall not increase by more than fifteen percent (15%) every five (5) years.

iv. In addition to the requirements under Sections 13 and 14 of the Lease, if Tenant seeks alterations to the design of the Recreational Facility, Auditorium Facility, and the Community Facility and/or associated programming, Tenant shall make reasonable efforts to incorporate community feedback, including without limitation, any direction received from the Community Advisory Committee.

(d) Discounted Benefits. Tenant shall provide, or cause to be provided through Subtenants and/or licensees, discounted benefits ("Discounted Benefits") to a range of individuals and organizations. Tenant shall make good faith efforts to ensure this range of beneficiaries reflects the needs and desires of the community. Tenant shall cause Discounted Benefits to be delivered through a combination of four methods (provided that Discounted Services, Discounted Individual

Access, and Discounted Facility Use are not double or triple counted as Discounted Benefits for the same event):

i. “Discounted Individual Access” by charging individual users below market fees (or no fee) to access the Recreational Facility, the Auditorium Facility and the Community Facility;

ii. “Discounted Facility Use” by charging below-market hourly or daily fees (or no fee) to rent out facilities within the Recreational Facility, the Auditorium Facility and/or the Community Facility, for community, educational, recreational, fitness, wellness, health, or economic development purposes, provided that in each such case the beneficiary of any discount is not an affiliate of Tenant, its Subtenants, or its licensees. Notwithstanding the foregoing, the provision of free access to the Recreational Facility, the Auditorium Facility and/or the Community Facility to the public at large (e.g. through the provision of publicly accessible open-court time, etc.) shall only be considered a Discounted Facility Use if provided during the hours of 7:00 AM and 9:00 PM (“Discounted Benefits Hours”) or, if Tenant regularly operates the Recreational Facility, the Auditorium Facility and/or the Community Facility during hours in excess of the Discounted Benefits Hours, then, by mutual agreement of Landlord and Tenant, the Discounted Benefits Hours may be extended to match the actual hours of operation.

iii. “Discounted Space Lease” by charging below-market monthly rent of space within the Recreational Facility, the Auditorium Facility or the Community Facility, provided that in each such case the beneficiary of any discount is not an affiliate of Tenant; and

iv. “Discounted Services” by providing recreational, fitness, wellness, health, educational, economic empowerment, and similar services (e.g. individual sports instruction, group swim lessons, etc.) to individuals and families at no charge or below-market rates.

(e) Calculation of Discounted Benefits. Discounted Benefits shall be calculated on an annual basis as follows:

i. When Tenant charges a market rate at the Project (the “Project Standard Rate”) as well as a reduced rate for an equivalent service at the Project (the “Project Discount Rate”), the Discounted Benefit shall equal the product of (i) the number of direct financial beneficiaries, and (ii) the difference between the Project Standard Rate and the Project Discount Rate.

ii. When Tenant charges a Project Discount Rate but not a Project Standard Rate, Lease Administrator and Tenant shall establish an equivalent benchmark (the “Market Standard Rate”) based on the average of at least three (3) comparable rates charged for comparable services at comparable facilities located within three (3) miles of the Project. The Discounted Benefit shall equal the product of (i) the number of direct financial beneficiaries and (ii) the difference between the Market Standard Rate and the Project Discount Rate. Commencing on the one year anniversary of the first day of the first full Lease Year following Substantial Completion, and on each annual anniversary thereafter during the Term, every Market Standard

Rate shall be increased by three percent (3%) from that of the previous year. Additionally, every Market Standard Rate shall be recalculated during any reappraisal pursuant to the process outlined in Section 35.1 of this Lease, but for purposes of determining the Operating Agreement Credit shall never be less than the initial Market Rate Standard.

iii. When Tenant charges a Project Discount Rate but not a Project Standard Rate and fewer than three (3) equivalent facilities are located within three (3) miles of the Project, Lease Administrator and Lessee will use good faith efforts to establish an equivalent benchmark consisting of an average of at least three rates charged for comparable services at comparable facilities in comparable neighborhood.

iv. When Lessee charges a Project Discount Rate but not a Project Standard Rate and fewer than three (3) comparable facilities in comparable neighborhoods provide equivalent services, Lease Administrator and Lessee will use good faith efforts to establish an equivalent benchmark, which may be based in part on the reasonable net cost of the services and/or programming.

v. When Tenant charges a Project Standard Rate but not a Project Discount Rate, then Tenant has not delivered any Discounted Benefits in that case.

(f) Community Advisory Committee. On or before the Effective Date hereof, Tenant shall establish, or cause to be established, an advisory committee (the "Community Advisory Committee") which shall be charged, *inter alia*, with advising Tenant on the development and programming of the (i) Recreational Facility, (ii) Auditorium Facility, and (iii) Community Facility during the Term of the Lease. The Community Advisory Committee shall at all times conform to the requirements set forth in Exhibit S hereof.

(g) Tenant shall use good faith efforts to (i) showcase art and culture from the local community at the Premises, and (ii) incorporate the arts into programming at the Premises.

(h) For each Lease Year, Tenant shall, not later than sixty (60) days following the end of such Lease Year, certify that it complied with Section 23.1(a), Section 23.1(b), Section 23.1(c), Section 23.1(d), Section 23.1(e), Section 23.1(f), Section 23.1(g) and Section 23.1(h) for such Lease Year or the applicable portion thereof. If, at any time during the Term, Tenant shall be unable to use the Premises in full compliance with Section 23.1(a), Section 23.1(b), Section 23.1(c), Section 23.1(d), Section 23.1(e), Section 23.1(f), Section 23.1(g) and/or Section 23.1(h), Tenant shall notify Lease Administrator thereof immediately.

Section 23.2 Prohibited Uses. Tenant shall not use or occupy the Premises, and neither permit nor suffer the Premises or any part thereof to be used or occupied for any purpose other than the Required Use or Accessory Use. Without limiting the generality of the preceding sentence, Tenant shall not use or either permit or suffer the Premises to be used for any unlawful or illegal business, or for any religious worship, use for any purpose, or in any way in violation of the provisions of Section 23.1 or Article 16 hereof or the certificate(s) of occupancy for the Premises, or in such manner as may make void or voidable any insurance then in force with respect to the Premises. Immediately upon its discovery of any such unlawful or illegal business, use or

purpose, or use or occupation in violation of Section 23.1 or Article 16 hereof, Tenant shall take all necessary steps, legal and equitable, to compel the discontinuance of such business or use, including, if necessary, the removal from the Premises of any Subtenants using a portion of the Premises for an unlawful or illegal business, use or purpose or in violation of Section 23.1 or Article 16 hereof. The provisions of this Section shall not restrict Tenant's rights under Article 34 hereof to contest any Requirements.

Section 23.3 Financial Covenants. Tenant acknowledges and agrees that the success of the Project depends upon long-term uninterrupted capital investment in the Premises. As such from the Effective Date through the final day of the third full Lease Year after Substantial Completion, Tenant shall, for each Lease Year, reinvest all annual Project Revenue in excess of annual Operating Expense (the resulting amount, if any, the "Annual Net Income Surplus") back into the Premises in the form of capital improvements, capital maintenance, capital repair and replacement, programmatic and operational support, and to the extent the before mentioned obligations are completed or fully funded, pay such funds to Lease Administrator as Additional Rent to be held in a reserve account for any of the foregoing ("Administrator Reserve Account"). Notwithstanding the foregoing, no amount of Annual Net Income Surplus shall be used for costs related to the CoGen Facility. From the first day of the fourth full Lease Year after Substantial Completion through the Expiration Date, the Annual Net Income Surplus for each Lease Year (if any) shall be applied in the following manner: (a) one hundred percent (100%) as Additional Rent to the Administrator Reserve Account until such account is funded to one hundred thousand dollars (\$100,000), (b) once the Administrator Reserve Account reaches a balance of one hundred thousand dollars (\$100,000), fifty percent (50%) shall be funded as Additional Rent to the Administrator Reserve Account and the remaining fifty percent (50%) shall be funded as follows: first to Lease Administrator as payment for any Base Rent or Additional Rent (including interest thereupon) that was deferred in accordance with Section 3.2 and Section 3.3 hereof (the "Eligible Lease Administrator Use"), with any remainder available as a distribution to the member(s) of Tenant, up to the amount set forth in Exhibit U (the "Eligible Tenant Use"), (c) once the Administrator Reserve Account reaches a balance of five hundred thousand dollars (\$500,000), twenty-five percent (25%) shall be funded as Additional Rent to the Administrator Reserve Account and seventy-five percent (75%) shall be funded as follows: first to Lease Administrator as Additional Rent for the Eligible Lease Administrator Use, with any remainder to Tenant for the Eligible Tenant Use, and (d) once the Administrator Reserve Account reaches a balance of one million dollars (\$1,000,000), one hundred percent (100%) shall be funded as follows: first to Lease Administrator as Additional Rent for the Eligible Lease Administrator Use, with any remainder to Tenant for the Eligible Tenant Use. Notwithstanding the foregoing, after Tenant has made distributions of Annual Net Surplus Income in an amount equal to the amount set forth in Exhibit U, one hundred percent (100%) of Annual Net Income Surplus shall be paid as Additional Rent and funded to the Administrator Reserve Account. Except as explicitly provided above, at no time shall Tenant distribute, or allow the distribution of, any profits, dividends or other such distributions, directly or indirectly, to Tenant or any other affiliated or unaffiliated entity. Beginning on the first day of the ninth full Lease Year after Substantial Completion, such threshold amounts (other than those in Exhibit U) set forth herein shall increase at a rate of three percent (3%) per annum.

Section 23.4 Requirements for Conduct of Business. This Lease does not grant any permission, license or authority for the performance or conduct of any business, operation or use which may require any permit or approval from any public or private party. Tenant shall obtain and maintain in full force and effect during the Term at its sole cost and expense any governmental license or permit imposed or mandated by any Governmental Authority in connection with Tenant's trade or business and the use of the Premises, and shall comply with any other Requirements for the proper and lawful operation of the Premises by Tenant for the purposes authorized by this Lease.

Licensee may landscape and pave the License Area, there shall be no improvements or alterations by the Licensee on the License Area, except as specifically authorized by the Landlord. (b) For purpose of this Lease:

(d) Tenant acknowledges and agrees that its ongoing commitment to use and operate the Project in accordance with the Project Commitments and otherwise in accordance with this Article 23 is of vital importance to Landlord, and a material inducement to Landlord in agreeing to enter into this Lease, and that Tenant's failure to do so in accordance with the provisions set forth in this Article 23 shall constitute a material breach under the terms of this Lease. Accordingly, at all times during the Term, Tenant shall comply with the use and operating requirements for the Project set forth in this Article 23.

Section 23.2 Prohibited Uses. Tenant shall not use or occupy the Premises, and neither permit nor suffer the Premises, or any part thereof to be used or occupied for any unlawful or illegal business, use or purpose or for any purpose, or in any way in violation of the provisions of Section 23.1 or Article 16 hereof or the certificate(s) of occupancy for the Premises, or in such manner as may make void or voidable any insurance then in force with respect to the Premises. Section 21.4 Right to Use Restoration/Deposited Funds. In the event that a casualty or a condemnation affecting a portion or all of the Premises occurs, and an Event of Default has occurred as a result of Tenant's failure to undertake its obligations under this Lease to restore the Premises, if Landlord subsequently elects to undertake or complete any Construction Work pursuant to Article 12 hereof, upon 45 days' notice to Tenant or, if such time is not practicable, a commercially reasonable period of time after the casualty and/or condemnation in question (and subject to the rights of any Recognized Mortgagee), (a) Tenant shall pay immediately, or cause to be paid immediately, to Landlord, all insurance proceeds that have been received by Tenant in connection with a casualty and/or proceeds of a condemnation award received in connection with a condemnation, reduced by (i) the costs reasonably incurred by Tenant in the collection of such proceeds and (ii) reasonable amounts actually incurred and paid by Tenant in connection with the Construction Work to restore the Premises as a result of the casualty and/or condemnation, and if such insurance proceeds and/or condemnation awards are insufficient to complete the Construction Work, Tenant, on Landlord's demand shall pay the deficiency to Lease Administrator, and (b) Lease Administrator shall pay all undisbursed moneys held by it to Landlord.

Section 21.5 Waiver, Release and Assumption of Obligations. ARTICLE 22

PERMITTED AND PROHIBITED USES; SPECIAL USE REQUIREMENTS

Section 22.1 Use and Operating Requirements. Tenant acknowledges and agrees that its ongoing commitment to use and operate the Project in accordance with this Article 22 is of vital importance to Landlord, and a material inducement to Landlord in its agreeing to enter into this Lease, and that Tenant's failure to comply with the provisions set forth in this Article 22 shall constitute a material breach under the terms of this Lease. Accordingly, at all times during the Term, Tenant shall comply with the following use and operating requirements for the Project:

(a) Tenant shall use and occupy the Premises for the construction and the continuous, active and diligent operation of the Project. Tenant shall not use the Premises or permit the Premises to be used for any other purpose except with the prior written approval of Landlord to be given at Landlord's sole and absolute discretion.

(b) The Project shall include the following components and Tenant shall comply with the following requirements:

(i) During the first twenty (25) years of the Initial Term, approximately 71,000 contiguous rentable square feet of space within the Premises (the "Flexible Office Space Component") shall be used by technology, creative or innovative companies that may have graduated from incubators, accelerators and/or co-working spaces or other short term, temporary or sublet spaces, and are seeking to expand into larger space at flexible terms (such companies shall be referred to as "Flexible Office Space Users"). The Flexible Office Space Component shall be operated in accordance with the following requirements by Tenant or by one or more Subtenants who enter into Subleases with Tenant pursuant to which they agree to operate all or any portion of the Flexible Office Space Component in accordance with this Section 22.1(b)(i) (in each case, a "Flexible Office Space Operator");

(1) If a security deposit is required by any occupancy agreement with a Flexible Office Space User, the required security deposit shall be no greater than the lesser of (x) an amount equal to 25% of the total base rent to be paid by such Flexible Office Space User for the entire term of said agreement and (y) an amount equal to the total base rent to be paid by such Flexible Office Space User in a 12-month period. In addition to a security deposit, the such occupancy agreement may require a guaranty from a Flexible Office Space User, which can either be a limited, personal or corporate "good guy" guaranty that legally empowers the Flexible Office Space Operator to pursue remedies if an occupant of the space is in rent arrears and refuses to vacate the space, or such broader guaranty as shall be appropriate given the occupant's financial circumstances, it being understood and agreed, however, that guarantor's liability under any such broader guaranty shall be limited to an amount not to exceed the sum of the total base rent to be paid by such Flexible Office Space User in a 12-month period, the amounts incurred by the Flexible Office Space Operator in connection with the performance of tenant improvement work or any contribution towards tenant improvement work paid to such Flexible Office Space User and the value of any free rent provided to such Flexible Office Space User.

(2) Any occupancy agreements with Flexible Office Space Users shall have terms not shorter than 6 months and no longer than 5 years (but such term restrictions shall not apply to any Sublease with a Flexible Office Space Operator).

(3) No single Flexible Office Space User may occupy more than approximately 22,000 rentable square feet in the aggregate (but such size restriction shall not apply to any Sublease with a Flexible Office Space Operator).

(ii) During the first twenty (25) years of the Initial Term, approximately 10,000 contiguous rentable square feet within the Premises (the "Food Hall Component") shall be used by Food Hall Component Users (it being understood and agreed, however, that the Food Hall Component may be operated by one or more Subtenants who enter into Subleases with Tenant pursuant to which they agree to operate all or any portion of the Food Hall Component in accordance with this Section 22.1(b)(ii) (in each case, a "Food Hall Component Operator"). The term "Food Hall Component Users" means food retailers using and occupying portions of the Food Hall Component that meet the following criteria at the time such users enter into an occupancy agreement: (x) a user that does not occupy any other location within the area whose boundaries are described as follows: (A) to the North, East 19th Street, (B) to the South, East 9th Street, (C) to the East, 2nd Avenue and (D) to the West, University Place or Union Square West (it being understood and agreed that the operation of a so-called "pop up shop" in Union Square shall not be deemed to violate this location restriction); (y) a user that operates no more than 8 retail locations within the Borough of Manhattan; and (z) a user that operates no more than 50 retail locations nationwide at the time of signing an occupancy agreement with respect to the Premises. At least 25% of the "booths" within the Food Hall Component shall be reserved for use by first-time entrepreneurs or start-up companies operating for less than 4 years. During the first twenty (25) years of the Initial Term, the remaining retail space within the Building (approximately 20,000 square feet) shall be used and occupied by either a food or non-food retail user that, at the time of execution of the applicable Sublease, (x) does not occupy any other location within 0.5 miles of the Premises, and (y) operates no more than 5 retail locations within the Borough of Manhattan.

(iii) During the first twenty (25) years of the Initial Term, approximately 44,000 rentable square feet within the Premises (the "Civic Hall Component") shall be used by one or more organizations whose primary objective is to support one or more of the Permitted Civic Hall Uses Civic Hall Users (each, a "Civic Hall User"). The parties acknowledge that Civic Hall Labs, Inc. ("Civic Hall Labs") has supported Landlord and Tenant's efforts to obtain the necessary approvals for the Project and that Tenant shall use commercially reasonable efforts to negotiate a Sublease with Civic Hall Labs for the Civic Hall Component or some portion thereof on terms that are satisfactory to both Tenant and Civic Hall Labs. If Tenant and Civic Hall Labs do not successfully enter into a Sublease for the Civic Hall Component, any proposed Civic Hall User (other than Civic Hall Labs or an affiliate of Civic Hall Labs) during the first fifteen (15) years of the Initial Term of the Lease shall be subject to Landlord's prior written approval thereof, such approval to be granted in Landlord's reasonable discretion. For the avoidance of doubt, in the event that Civic Hall Labs or an affiliate of Civic Hall Labs is not the primary Civic Hall User during the first fifteen (15) years of the Initial Term, any other primary Civic Hall User shall diligently undertake a program to activate the Civic Hall Component, including without limitation, the good faith marketing efforts contemplated below. For purposes hereof, the "Civic Hall Uses" shall mean: (A) incubators, accelerators, venture capital firms, seed capital firms, or angel investment firms with a focus on innovation, clean tech, smart cities, digital government services, or creative or growing local businesses, (B) incubators, accelerators, venture capital firms, seed capital firms, or angel investment firms with a focus on the tech industry, (C) shared workspace for social enterprises, creative businesses, tech industry or new or growing local businesses, (D) advocacy or public policy organizations that focus on diversity in tech, smart cities, clean tech, tech education/training, civic innovation, or other applications of technology for social good, (E) social innovation or philanthropic arms of companies with a focus on diversity in technology, smart cities, civic innovation, tech education/training or other applications of technology for social

In addition, the Civic Hall Component shall be operated in accordance with the following requirements:

(1) Tenant shall cause the Civic Hall User to make the rentable square feet contained in one (1) full floor within the Civic Hall Component available for each Community User Event(s), it being understood and agreed, however, that if the Person organizing any such Community User Event(s) does not require the entire full floor to satisfy the needs of such event, the Civic Hall User may utilize the remaining portion of such floor for any other purpose permitted under this Lease. A "Community User Event" is a gathering organized by a not-for-profit or governmental organization that are accessible to the public for free or reduced cost.

(2) The Civic Hall Component shall be available for Community User Events at least eight (8) times every three months, plus twenty (20) additional Community User Events during each Lease Year (for a total of fifty-two (52) Community User Events each Lease Year) with attendance limited only by the capacity of the component space dedicated for the Community User Event. The Civic Hall Component shall be available for Community User Events during similar hours to those during which the Civic Hall Component is offered for other events, it being understood and agreed that the Civic Hall User shall waive the base "space rental fee" customarily charged for other similar events in connection with the Community User Events described above, but that the Civic Hall User may impose such other charges as are customarily charged for other similar events (including, without limitation, house management and security fees, cleaning, maintenance, catering and event equipment charges) in connection with such Community User Events. Tenant shall, or shall cause the Civic Hall User to, make good faith efforts to market the Civic Hall Component for Community User Events.

(iv) Approximately 44,000 contiguous rentable square feet (the "Workforce Development Component") shall be used by one or more education-based organization or organizations (the "Workforce Development Users") for the Term of the Lease, whose primary objective is to provide job training to New York City's workforce in skills in demand by New York City employers and that: (x) offer enrollment and participation to students with or without an undergraduate degree, (y) partner with employers to place students into jobs following the completion of training and (z) if the user is a degree-granting institution, is authorized by the New York State Board of Regents, with individual programs of study leading to degrees and credit-bearing certificates registered and approved by the New York State Education Department. The Workforce Development Component may be operated by Tenant or by one or more Subtenants who enter into Subleases with Tenant pursuant to which they agree to operate all or any portion of the Workforce Development Component in accordance with this Section 22.1(b)(iv) (in each case, a "Workforce Development Component Operator"). If any Workforce Development User is a for-profit workforce development entity, the Workforce Development Component Operator shall cause such operator or subtenant to (i) enroll 10% of the students in its

training programs with a discount of not less than fifty percent (50%) on any tuition payments to the Workforce Development User or the Workforce Development Operator for such training programs, and (ii) enroll 10% of the students in its training programs with a full waiver of any tuition payments to the Workforce Development User or the Workforce Development Operator for such training programs. Any such Workforce Development User or Workforce Development Operator (other than Tenant) shall be subject to Landlord's prior approval, which such approval shall not be unreasonably withheld, conditioned or delayed.

Workforce Development Operator shall charge the Workforce Development Users annualized base rent (after netting out any free rent and tenant improvement expenditures or allowances) ("Net Annualized Base Rent") in an amount that reflects a median minimum discount of 35% to the then-current market rent; provided, however that (i) the starting Net Annualized Base Rent for the initial Sublease or other occupancy agreement with the initial Workforce Development User of each portion of the Workforce Development Component shall be equal to \$50.00 per rentable square foot (the "Workforce Development Threshold Rent"), and (ii) the starting Net Annualized Base Rent for any subsequent Sublease or other occupancy agreement with any Workforce Development User with respect to any such portion of the Workforce Development Component shall be the lesser of (x) the Workforce Development Threshold Rent, and (y) such amount as shall reflect a 35% discount to the then-current market rent. The Workforce Development Threshold Rent shall escalate at the rate of 2.0% per year in each year after the initial Lease Year and the Net Annualized Base Rent payable pursuant to any Sublease or other occupancy agreement with a Workforce Development User may escalate at no more than 2.0% per year, it being understood and agreed, however, that such Net Annualized Base Rent shall not include (and Workforce Development Users may be required to pay in addition to the Net Annualized Base Rent) customary additional rent items such as escalations for operating expenses and Taxes / PILOT, utility costs, etc. The Workforce Development Component shall be leased for a term of no less than ten (10) years (but such ten (10) year term may include multiple renewal options [i.e. a five (5) year term with a five (5) year renewal option, for example]). For purposes of this Section 22.1(b)(iv), the "then-current market rent" for any new Sublease with a Workforce Development User shall be determined by a reputable commercial real estate broker with not less than ten (10) years of brokerage experience in Manhattan selected by Tenant (and reasonably approved by Landlord), as evidenced by a written market rent analysis performed by such broker within 12 months prior to the consummation of such Sublease and which considers not less than four (4) recent "comparable" lease transactions for market rate office space in first class office buildings in the Union Square area.

(v) Tenant may use the remaining floor area of the Building for such other commercial uses as Tenant may deem desirable for the Term of the Lease, in Tenant's sole and absolute discretion, provided that any such uses shall be permitted under applicable Requirements (the "Permitted Ancillary Uses"). Tenant shall perform the Construction Work, in accordance with Article 12 hereof, necessary to deliver the Workforce Development Component to the initial Workforce Development Users and any subsequent Workforce Development Users in the condition, at a minimum, as required for a Temporary Certificate of Occupancy.

Section 22.2 Prohibited Uses. Tenant shall not use or occupy the Premises, and shall not permit the Premises or any part thereof to be used or occupied for any purpose other than Required Uses and Permitted Ancillary Uses, without (in any such instance) the prior written consent of

Landlord in its sole discretion. Without limiting the generality of the preceding sentence, (A) Tenant shall not use or permit any portion of the Premises to be used (i) for any unlawful or illegal business, use or purpose, (ii) for any purpose, or in any way in violation of the provisions of this Section 22.2 or Article 15 hereof or the certificate(s) of occupancy for the Premises, (iii) in such manner as may make void or voidable any insurance then in force with respect to the Premises, or (iv) hotel or other lodging purpose, (B) Tenant shall not use or permit any Subtenant to use the roof of the Building for the operation of a food and beverage business at the Premises, and (C) Tenant shall not use or permit any Subtenant to use the roof of the Building in any matter that would generate amplified sound after 10:00pm ET on any day of the week, subject to the New York City Noise Control Code. Tenant shall, promptly upon Tenant's knowledge of any business, use, purpose, or occupation of the Premises in violation of this Section 22.2, take all necessary steps, legal and equitable, to compel the discontinuance of such business, use or purpose, including, if necessary, the removal from the Premises of any Subtenants using a portion of the Premises for an unlawful or illegal business, use or purpose or in violation of this Section 22.2 or Article 15 hereof. The provisions of this Section 22.2 shall not restrict Tenant's rights under Article 33 hereof to contest any Requirements.

(vii) It is acknowledged and agreed that (A) other than as set forth in this Lease, the sole monetary damages that Tenant may be subject to for a violation of this Section 22.4 are as set forth in this paragraph (k), and (B) in no event will the Specified Contract between Tenant and a given Covered Counterparty be permitted to be terminated or rescinded by the Landlord, the DCA or the Comptroller by virtue of violations by Tenant or another Covered Counterparty.

(l) During any Lease Year in which the aggregate PILOT abatements received by Tenant, if any, with respect to the Premises are in an amount less than One Million Dollars (\$1,000,000) and the financial assistance (as defined in Section 6-134 of the Administrative Code of the City of New York), if any, provided to the Project is expected to have a total present financial value of less than One Million Dollars (\$1,000,000), then, notwithstanding anything in this Section 22.4 (including, without limitation, anything set forth in Section 22.4(i) or 22.4(j) above), no Covered Employer occupying office space in the Building that is not a part of the Civic Hall Component, the Food Hall Component or the Workforce Development Component shall be required to disclose the income or payroll records of any Site Employee who earns at least two hundred percent (200%) of an LW, provided, however, that any such Covered Employer shall certify in writing to Landlord, the DCA and/or the Comptroller (i) that any report, certification or payroll records provided pursuant to the requirements of this Section 22.4 includes the relevant information for all Site Employees making less than two hundred percent (200%) of an LW, and (ii) the total number of Site Employees who are above and below the two hundred percent (200%) threshold described in clause (i) above.

Section 8.04 Hazardous Substances.

(a) Tenant shall not cause or permit, as the result of any intentional or unintentional act or omission on the part of Tenant, and/or their respective Representatives, occupants, invitees and licensees to release Hazardous Substances in, from, at or onto any portion of the Premises in violation of any Environmental Laws.

(b) The Premises shall be delivered "as-is". As of the Lease Commencement Date, Tenant shall assume all liability for Hazardous Substances on the Premises from that day forward until the end of the Term, including but not limited, to the disturbance of any pre-existing conditions, except that Tenant shall have no liability for claims made by third parties relating to any tort or environmental liabilities under any Environmental Law for any injury suffered during the period prior to the date when Tenant took possession of the Premises. Further, Tenant shall not be responsible for liability for Hazardous Substances to the extent arising from any negligent acts or omissions of Landlord, NYCLDC or NYCEDC and/or any of their respective agents, representatives and contractors. Notwithstanding the previous sentence, to the extent pre-existing conditions are disturbed as a result of actions that occur during Tenant's occupancy of the Premises, Tenant shall be responsible for any resulting liability (except for liability for third party actions referenced in the second sentence of this paragraph). For the purposes hereof, Tenant's possession of the Premises shall be deemed to include, but not be limited to, any period during which Tenant made use and/or occupancy of the Premises. In the event any Hazardous Substances shall be found within, under, or upon the Premises, Tenant shall (x) promptly take or cause to be taken any action required by a Governmental Authority under any applicable Environmental Laws with respect to such Hazardous Substances, (y) notify Landlord of the discovery of any occurrence or conditions on the Premises, or any real property adjoining or in the vicinity of the Premises to the extent that Tenant has knowledge of same, provided that Tenant shall have no duty to make independent inquiry or investigation unless

required by any applicable law, and solely to the extent the occurrence or conditions is or are reasonably likely to cause the Premises or any part thereof to be subject to any liability or action under any Environmental Law, and (z) notify Landlord of any and all enforcement, cleanup, removal or other governmental or regulatory actions instituted or threatened against the Premises pursuant to any applicable Environmental Law. The expense for all such action shall be the responsibility of the Tenant, except that Tenant shall not have any duty to pay for or to reimburse Landlord for any costs or expenses resulting from any negligent acts or omissions of Landlord, NYCLDC or NYCEDC and/or any of their respective agents, representatives and contractors, and Landlord shall bear all costs and expenses for any such negligent acts or omissions. All action with respect to any Hazardous Substances on the Premises shall be performed in accordance with all Requirements and receive the necessary regulatory department sign offs. To the extent Landlord shall not incur any cost, Landlord shall make good faith efforts to cooperate with Tenant in Tenant's efforts to obtain any necessary regulatory department sign offs. Notwithstanding the above, provided the Requirement specifically provides for challenge or deferral, Tenant shall have the right to so challenge and defer compliance with such Requirement in accordance with the terms therewith, if no dangerous or hazardous condition then exists or would be caused or lien would be created by such deferral and Tenant complies with the reasonable requirements of the Landlord regarding the Hazardous Substances at issue. In addition, prior to commencing any work of removal, repair, restoration or any other construction work under this Article, Tenant shall submit or cause to be submitted to Landlord a schedule indicating the estimated dates on which the various phases of all such work will be commenced and completed. Tenant shall have the right to amend and change such schedule without prejudice and, upon each such amendment or change, shall provide Landlord with an updated schedule.

(c) Tenant shall defend, indemnify and save the Indemnities harmless from and against any and all liabilities, suits, obligations, fines, damages, penalties, claims, costs, charges and expenses, including, without limitation, court costs and reasonable attorneys' fees and disbursements, that may be imposed upon, or incurred by, or asserted against, any of the Indemnities (i) arising out of, or in any way related to the presence, storage, transportation, disposal, release or threatened release of any Hazardous Substances over, under, in, on, from or affecting the Premises, and any persons, real property, Personal Property, or natural substances thereon or affected thereby during the Term of this Lease, including, without limitation, any such liability, suits, obligations, fines, damages, penalties, claims, costs, charges and expenses imposed upon, incurred by or asserted against Landlord, Landlord's Agent, NYCLDC or the Lease Administrator under CERCLA, and (ii) any violations of applicable environmental laws. The indemnity provisions set forth in Article 23 shall also apply to the indemnity obligations of Tenant set forth in this Section.

(d) Tenant shall comply with or cause to be complied with all applicable federal, state and local laws concerning any Hazardous Substance that Tenant or other occupant of the Premises produces, brings on, keeps, uses, stores, disposes or treats in, at or about the Premises or transports from the Premises. Tenant shall also comply with all applicable federal, state, and local laws related to the health and safety of its employees.

Section 8.05 No Representations or Warranty by Landlord.

(a) Neither Landlord nor Lease Administrator has made or makes any representation or warranty as to the condition of the Premises or its suitability or legality for any particular use or the intended use or as to any other matter affecting this Lease or the Premises.

(b) Neither Landlord nor Lease Administrator has made or makes any representation as to the legality of the use of the Premises for Tenant's intended purposes. If any use or proposed use is determined to be illegal by a court of competent jurisdiction, subject to the terms hereof, Tenant agrees that (i) neither Landlord nor Lease Administrator, nor any of their respective directors, officers, employees or agents shall be liable for any damages incurred by Tenant or any third party as a result of, or in connection with such determination, or illegal use or proposed use, and (ii) Tenant shall defend, indemnify and hold harmless each of Landlord and Lease Administrator, and their respective directors, officers, employees and agents against any reasonable, out of pocket cost, liability or expense incurred by any of them in connection with such determination, or illegal use or proposed use in accordance with Article 23 hereof.

ARTICLE 9
INDUSTRIAL DEVELOPER FUND REQUIREMENTS

Section 9.01 Industrial Developer Fund.

Pursuant to a request for proposals, MHANY was selected to receive funds from the Industrial Developer Fund for its proposal to construct an industrial development project at the Premises. The City has appropriated the sum of Fifteen Million Dollars (\$15,000,000) for the Project from the Industrial Developer Fund (the "City Funds"). It is expected that the City Funds will be made available to Tenant for the Project pursuant to a funding agreement with NYCEDC (the "Funding Agreement"), and that Tenant will be the Funding Recipient (as defined in the Funding Agreement) thereunder. Notwithstanding the foregoing, or anything to the contrary in this Lease, Landlord and Tenant acknowledge that the New York City Office of Management and Budget ("OMB") (a) is not acting on behalf of (i) the City in its proprietary capacity as Landlord and/or (ii) the Lease Administrator, and (b) shall approve or deny a certificate to proceed in accordance with standard OMB procedures. Neither the Landlord nor the Lease Administrator makes any representations or warranties to the Tenant with respect to the availability of City Funds or Tenant's eligibility from same. In the event the Funding Agreement is executed and becomes effective, Tenant agrees that the Premises shall be subject to the obligations set forth in this Article 9.

ARTICLE 23 USE AND OPERATING COMMITMENTS

Section 23.1 Use and Operating Requirements. The Landlord in authorizing this Lease, has materially relied upon Tenant's commitment to develop the Project as described in the Project Commitments set forth in Exhibit B annexed hereto, which sets forth, among other things, (i) specific equipment and other elements to be included in the Project; (ii) minimum investments to be made in the Project by Tenant and (iii) specific construction milestones for the Project, all of which Tenant has committed to perform (collectively, the Project Commitments). Tenant acknowledges and agrees that its ongoing commitment to use and operate the Project in accordance with the Project Commitments, and otherwise in accordance with this Article 23, and for no other use or purpose, is of paramount importance to Landlord, and a material inducement to Landlord in agreeing to enter into this Lease, and that Tenant's failure to do so in accordance with the provisions set forth in this Article 23 shall constitute a material breach under the terms of this Lease. Accordingly, at all times during the Term, Tenant shall comply with the use and operating requirements for the Project set forth in this Article 23 (which shall include without limitation the Project Commitments set forth in Exhibit B annexed hereto), including as follows:

(a) Tenant shall continuously, on a daily basis throughout the Term, use the Premises (and cause the Premises to be used) (i) for the development and operation of a maritime dependent concrete manufacturing plant and (ii) to a di minimus extent (utilizing not more than ten percent (10%) of the Premises), for a compressed natural gas fueling station (the uses under this clause (a), collectively, the "Required Uses"). Without limiting Landlord's right to determine whether a Default or Event of Default has occurred with respect to Tenant's obligations pursuant to this Section 23.1 for any reason not described in the following provisions of this clause (a), in the event that Landlord determines that less than fifty percent (50%) of the raw materials used in Tenant's concrete manufacturing plant in any period of twelve (12) months determined on a rolling basis (with a new 12-month period beginning on the first day of each new month) were delivered to the Premises (or to the pier immediately adjacent to the Premises) by waterborne craft, commencing with Final Completion of the Initial Construction Work, subject to Unavoidable Delays not to exceed 30 calendar days, the Premises shall be deemed no longer used as a maritime dependent concrete manufacturing plant and no longer used for the "Required Uses" as required by this Section 23.1(a) and by Section 23.2(a) and Landlord shall have the remedies provided in Article 24.

(b) Intentionally Omitted.

(c) Intentionally Omitted.

(d) HireNYC: Permanent.

(i) Tenant has submitted to Lease Administrator a HireNYC: Permanent Program ("Tenant's HireNYC: Permanent Program") which states Tenant's proposed plans for participation in NYCEDC's hiring and workforce development program which aims to create employment opportunities for low-income persons and includes certain hiring, retention, advancement and training goals ("Goals") as well as other requirements, as more particularly

described in Tenant's HireNYC: Permanent Program. Tenant's 's HireNYC: Permanent Program is attached hereto as Exhibit J-2.

(ii) Tenant agrees that from the date on which Tenant commences business operations at the Premises through the date that is eight (8) years from the date on which Tenant commenced business operations at the Premises ("HireNYC: Permanent Program Term"), Tenant and its successors and assigns and all Subtenants at the Premises shall use good faith efforts to reach the Goals set forth in the Tenant's HireNYC: Permanent Program. Tenant further agrees to be bound by all the covenants and requirements in Tenant's HireNYC: Permanent Program, including the provision of all notices, documents and compliance reports as set forth in Exhibit J-2 hereto.

(iii) During the HireNYC: Permanent Program Term, Tenant agrees to incorporate the terms of Tenant's HireNYC: Permanent Program into any and all Subleases at the Premises requiring tenants and subtenants to use good faith efforts to reach the Goals and to be bound by all of the covenants and requirements in Tenant's HireNYC: Permanent Program to the same extent as Tenant is required to use good faith efforts to reach the Goals and to be bound by all of the covenants and requirements in Tenant's HireNYC: Permanent Program for the balance of the HireNYC: Permanent Program Term.

(e) Tenant shall not use or occupy the Premises, and shall not permit the Premises or any part thereof to be used or occupied, for any purpose other than the Required Uses without (in any such instance) the prior written consent of Landlord in its sole discretion. Without limiting the generality of the preceding sentence, Tenant shall not use or permit any portion of the Premises to be used (i) for any unlawful or illegal business, use or purpose, (ii) for any purpose, or in any way in violation of the provisions of this Section 23.1 or Article 16 hereof or the certificate(s) of occupancy for the Premises, (iii) in such manner as may make void or voidable any insurance then in force with respect to the Premises, or (iv) for any residential use, and Tenant shall make good faith efforts to refrain from engaging in any unethical or disreputable method of business operation and shall make good faith efforts to cause other Persons on the Premises (including Subtenants) to refrain from using such methods of business operation. Tenant shall, promptly upon Tenant's knowledge of any business, use, purpose, or occupation of the Premises in violation of this Section 23.1, take all necessary steps, legal and equitable, to compel the discontinuance of such business, use or purpose, including, if necessary, the removal from the Premises of any Subtenants using a portion of the Premises for an unlawful or illegal business, use or purpose or in violation of this Section 23.1 or Article 16 hereof. The provisions of this Section 23.1 shall not restrict Tenant's rights under Article 34 hereof to contest any Requirements.

Section 23.2 Operation. The operation of the Premises shall be under the exclusive supervision and control of Tenant, provided that Tenant shall in all events operate the Premises on a daily basis consistent with the Premises being operated as a maritime dependent concrete manufacturing plant and natural gas fueling station in accordance with Section 23.1. The requirements for the operation of the Premises set forth in this Article 23 are hereinafter referred to as the "Operating Commitments."

(a) Promptly, but in no event later than sixty (60) days following Final Completion of the Initial Construction Work, Tenant shall commence operation of the Premises for the Required Uses and thereafter continuously throughout the Term operate the Premises on a daily basis for the Required Uses.

(b) In furtherance of the requirement set forth in Section 23.2(a), Tenant shall produce not less than 25,000 cubic yards of concrete annually from the operation of the Premises for the Required Uses.

ARTICLE 24

EVENTS OF DEFAULT, REMEDIES, ETC.

Section 24.1 Definition. Each of the following events shall be an "Event of Default" hereunder:

(a) if Tenant shall fail to make any payment (or any part thereof) of Rental required to be paid by Tenant hereunder and such failure shall continue for a period of ten (10) days after notice thereof from Landlord to Tenant;

(b) if Tenant shall have failed to commence the Demolition and Remediation Work included in the Initial Construction Work on or before the Scheduled Demolition and Remediation Commencement Date (subject to Unavoidable Delays not to exceed thirty (30) calendar days);

(c) if Tenant shall have failed to achieve Substantial Demolition and Remediation Completion on or before the Scheduled Demolition and Remediation Completion Date (subject to Unavoidable Delays not to exceed thirty (30) calendar days);

(d) if Tenant shall fail to commence the Initial Construction Work (other than Demolition and Remediation Work) not later than the Scheduled Construction Commencement Date (subject to Unavoidable Delays not to exceed thirty (30) calendar days);

(e) if Tenant shall have failed to Substantially Complete the Initial Construction Work on or before the Scheduled Construction Completion Date (subject to Unavoidable Delays not to exceed thirty (30) calendar days);

(f) if Tenant shall have failed to Finally Complete the Initial Construction Work on or before the Final Completion Date (subject to Unavoidable Delays not to exceed thirty (30) calendar days);

ARTICLE 8

USE OF PREMISES

Section 8.01. Permitted Use.

(a) The Premises shall be used and occupied by Tenant for the primary purpose of developing and operating a trade show facility, consumer show facility, and/or convention center (the “**Primary Uses**”). Provided the following are ancillary to the operation of the Premises for the Primary Uses (it being understood that the Primary Uses shall be the predominant use of the Premises), Tenant shall be permitted to use the Premises, without Landlord’s consent, for other uses which are consistent with the Primary Uses, including without limitation, the following: (i) developing and operating meeting rooms, catering and food service facilities, product launchings, loading docks on Pier 92, parking on the roof of Pier 92 (“**Pier 92 Parking**”), as further described in Section 8.01(d), a “Pavilion”, as further described in Section 8.01(c), a Public Amenity Space, as further described in Section 8.01(e), a Logistics Center, as further described in Section 8.01(f), and public space and outdoor terrace space in accordance with Section 8.01(g); and (ii) the accommodation of military and/or cruise ships operations at Pier 92, as further described in Section 8.01(h) (collectively, the “**Ancillary Uses**” and together with the Primary Uses, the “**Permitted Uses**”). Any Permitted Uses and Special Uses (as hereinafter defined) shall be subject to all applicable Requirements (including, without limitation, the New York City Zoning Resolution).

(b) (i) Notwithstanding Section 8.01(a) above, Tenant shall have the right to request Landlord’s consent from time to time to use the Premises for a use which is not a Permitted Use (such as, by way of example, television/film productions) (each such use, a “**Special Use**”); provided, that such use is not a “long-term” use of the Premises as determined in Landlord’s reasonable discretion. The determination by Landlord of whether a use is a “long term” use shall take into consideration (A) the period of the year for such proposed use in the context of typical seasonal trade show use, (B) the nature of such use and (C) the frequency of requests for such use. Tenant shall send a written request to Landlord not less than 10 Business Days prior to the execution of a license agreement for such use setting forth in reasonable detail the nature and duration of the proposed use (a “**Special Use Request**”), and if Landlord fails to respond to such request within such 10 Business Day period, the proposed Special Use shall be deemed approved by Landlord.

(ii) Notwithstanding anything to the contrary contained in this Lease, if during the Term, a new trade or consumer show facility (whether on property owned or operated by, or on property not owned by, the City) using its premises for uses similar to Tenant’s Permitted Uses shall be located within Manhattan, Landlord agrees that it shall meet with Tenant to discuss, in good faith, modifying the use restrictions contained in this Section 8.01.

(c) Pavilion. The Project shall include a glass enclosed “Pavilion” area of approximately 8,000 square feet, to be used in connection with Tenant’s operation of the Premises for the Primary Uses as set forth in this Section 8.01. The Pavilion shall also be made available for use by community groups, at no charge, for up to thirty (30) days each Lease Year.

Community Board 4, HRPT and Friends of Hudson River Park (the “**Pavilion Use Committee**”) intend to create a committee to develop a procedure whereby community groups and others designated by the Pavilion Use Committee can reserve the use of the Pavilion for such uses as determined by the Pavilion Use Committee in consultation with Tenant. Tenant agrees to work cooperatively with such Pavilion Use Committee. It is understood and agreed that Tenant’s obligation to provide free community use of the Pavilion under this Section 8.01(c) shall exist even if the Pavilion Use Committee is not created, and Tenant shall consult with Landlord to develop a reasonable alternative procedure to reserve such use. It is further understood that the use of the Pavilion (or any other part of the Premises) by the community is not restricted to convention center/trade show facility and related uses.

(d) Pier 92 Parking. Tenant shall use the rooftop of Pier 92 only for parking purposes in connection with events at the Premises and/or overflow from cruise ship operations at Piers 88, 90 and/or 92. Tenant and/or the operator of the Pier 92 Parking shall not charge lower overnight parking rates for cruise ship parking at Pier 92 than the rates being charged for such parking at Piers 88 and 90; provided that Landlord and/or Lease Administrator shall provide in its operating agreement with a Terminal Operator for the operation of Piers 88 and 90 that such Terminal Operator shall not charge lower parking rates for trade show parking at Piers 88 and 90 than the rates being charged for trade show parking by Tenant or the operator of the Pier 92 Parking. Tenant shall be solely responsible for the maintenance and operation of the Pier 92 Parking (other than access thereto) and agrees to install a revenue control system, reasonably approved by Landlord as hereinafter set forth. Tenant agrees, within six (6) months of the Commencement Date, to (i) install revenue control systems reasonably acceptable to Landlord and undertake such best practices as used by other commercial parking lot operators and otherwise in accordance with generally accepted industry standards and (ii) advise Landlord whether it will (x) undertake the operation of the parking itself or (y) will hire an independent parking operator, reasonably acceptable to Landlord, to operate the Pier 92 Parking. If Tenant determines that it will hire an independent parking operator, it shall do so in a reasonably prompt manner, but in no event later than six (6) months after the Commencement Date. Notwithstanding the foregoing, from time to time during the Term, Tenant shall have the right upon 10 Business Days notice to Landlord to switch its election regarding the operation of parking between the foregoing clauses (x) and (y); provided, that in either case, Tenant’s revenue control system continues to comply with clause (i) above.

(e) Public Amenity Space. The Project shall include an enclosed Public Amenity Space containing at least 1,850 square feet along the northeast corner of the Pavilion. The space shall be open to the public 365 days a year, from dawn to dusk (or such lesser daily times as the Hudson River Park is open to the public) (the “**Public Amenity Space**”). During those hours that the Public Amenity Space is closed as permitted hereunder, for security purposes Tenant shall keep the Public Amenity Space locked with respect to the general public. The Public Amenity Space will include publicly accessible restrooms and a storage closet. Tenant shall provide tables and seating reasonably acceptable to Landlord. Tenant is responsible for the cleaning and maintenance of the Public Amenity Space and agrees that ordinary cleaning and maintenance shall be scheduled at times which are consistent with the times that the Hudson River Park is cleaned and maintained; and Tenant may, to the extent and for such period of time reasonably required, close the Public Amenity Space during routine hours of operation to undertake maintenance and repairs which cannot reasonably be performed after routine hours of

operation. Tenant may hire an operator, reasonably approved by Landlord, to manage the Public Amenity Space. Landlord hereby acknowledges that HRPT is an acceptable operator. Prominently displayed signage, identifying the Public Amenity Space as a publicly accessible area (and indicating the hours of operation) shall be placed in a location(s) mutually acceptable to Landlord and Tenant and shall be subject to Design Commission review and approval and shall comply with zoning requirements and applicable laws, rules and regulations.

(f) Logistics Center. The Project shall include a Logistics Center on the ground level of Pier 92, containing approximately 40,000 square feet, for loading and unloading crate storage and other back-of-the-house functions. The foregoing does not include truck circulation areas or areas preserved for cruise ship logistics.

(g) Public Walkway/Esplanade. The Project shall include a public walkway along the north apron of Pier 94 culminating in a publicly accessible outdoor terrace esplanade space on the western end of Pier 94 all as set forth on Exhibit B attached hereto (the “**Public Waterfront Areas**”). The Public Waterfront Areas shall be open to the public 365 days a year from dawn to dusk (or such lesser daily times as the Hudson River Park is open to the public). During those hours that the Public Waterfront Areas are closed as permitted hereunder, for security purposes Tenant shall gate and lock the Public Waterfront Areas with respect to the general public. Tenant shall provide seating and lighting along the Public Waterfront Areas and maintain the Public Waterfront Areas.

(h) Military and Cruise Ship Usage of Pier 92. Tenant agrees to allow military and/or cruise ships at Pier 92 (i) during Fleet Week activities which shall occur no more than once a year and are expected to last no more than eight (8) consecutive days and/or (ii) subject to Tenant’s pre-existing show schedules, for special circumstances (not considered a Special Use under Section 8.01(b)(i) hereof) up to four (4) times a year, but lasting no more than four (4) consecutive days each time, but in no event more than twelve (12) days in the aggregate per year, and in the cases of both clauses (i) and (ii) at least twelve (12) months prior written notice will be provided by Landlord (“**Special Cruise Usage**”). In addition, Tenant will allow for cruise ships at Pier 92 in the event of an emergency situation. Tenant agrees to accommodate the operations associated with the foregoing and reasonably cooperate with the applicable operator, military department and personnel, and/or other parties, as designated by the Landlord, directly or through its appointed agent or representative (which, as provided in Section 2.01 of the so-called “Maritime Contract” between the City and NYCEDC is currently the Lease Administrator). Tenant agrees to work with U.S. Department of Homeland Security and other agencies with oversight over security, in a timely manner, to set forth an access and utilization plan necessary to disembark and provision a ship during such periods. Tenant shall not be required to construct any required security improvements to accommodate the foregoing, and the same shall be the responsibility of Landlord and/or the Terminal Operator; provided, however, to the extent Tenant requests any security improvements or its use of the Premises causes any changes to be made to the required security improvements, the same shall be the responsibility of Tenant. Tenant shall not be required to maintain and/or repair infrastructure, such as existing gangways and fendering systems, necessary to continue docking cruise ships at Pier 92, which shall be the responsibility of Landlord as it deems necessary, in its sole discretion. In consideration for Tenant’s accommodation of and provision of services (other than services in

connection with marine terminal operations, including stevedoring and security operations) for Special Cruise Usage, Tenant shall receive (x) a rent abatement of Base Rent for the days when a ship is docked at Pier 92 (calculated by multiplying the annual Base Rent by a fraction, the numerator of which is the annual number of days during which a ship is docked at Pier 92 and the denominator is 365); provided, however, that if Pier 94 is still being used for a Permitted Use, Special Use or Community Use when a ship is docked at Pier 92, then the rent abatement shall be calculated using 50% of annual Base Rent, and (y) upon the submission of invoices reasonably acceptable to Landlord, a rent credit in the amount of any reasonable incremental out-of-pocket expenses (i.e., electricity, or other increased utility usage) incurred by Tenant solely because of the docking of a ship at Pier 92 and not incurred, to any extent, as a result of Tenant's use of the Premises for anything other than the accommodation of military and/or cruise ships at Pier 92 (the "**Accommodation Fee**"). Landlord shall indemnify and hold Tenant harmless from and against any claims, judgments, liabilities, settlements, costs, penalties, fines, demands and causes of action of whatever kind or nature arising in connection with (i) military and/or cruise line use of Pier 92 for the dockage of ships and (ii) the Terminal Operator's performance of marine terminal operations at Pier 92, except to the extent arising out of Tenant's negligence or intentional misconduct. Notwithstanding anything to the contrary contained in this Lease, including, without limitation, in Article 10 hereof, Tenant shall not be required to carry any special or additional insurance in connection with its accommodation of the Special Cruise Usage.

Section 8.02. Prohibited Uses.

(a) Generally Prohibited Uses. Tenant is specifically prohibited from using or allowing the use of the Premises for the following uses: (i) dockage of any vessels (except as provided in Section 8.01(h) above and Section 8.02(b) below and (ii) placement or posting of advertisements, notices or signs on the outside of the Improvements or the Building or on any other part of the Premises, except as provided in Article 40 hereof.

(b) No Use of Bulkhead for Dockage Purposes. Consistent with this Lease, Tenant may use only Pier 94 for the dockage of fuel barges on the off-shore end of the pier structure only in connection with the delivery of fuel for use on the Premises, subject to compliance with all laws, rules, regulations and requirements, including, without limitation, all required governmental licenses, authorizations and permits. Notwithstanding the foregoing, Tenant may not use Pier 94 or the bulkhead adjacent thereto for the dockage of any other vessels at any time during the Term of the Lease, except as provided in Section 8.01(h). Tenant specifically acknowledges that Landlord has made no representations as to the adequacy of the bulkhead and the fendering system on Pier 94 for any dockage purposes, and that Tenant will have the responsibility to inspect the bulkhead and fendering system, to make any improvements that are necessary for such dockage at Tenant's sole expense. Any dockage use other than as specified in the first sentence of this Section 8.02(b) will require the prior written consent of the Landlord, which Landlord may grant or deny in its sole discretion. Tenant shall be responsible for any damage to the pier that may arise in connection with Tenant's dockage uses of Pier 94, and its liability for any such damage to the pier and the other structures comprising the Premises and Tenant's indemnification obligations in Article 22 of this Lease that may arise in connection with Tenant's dockage uses of Pier 94 shall not be limited or affected by any preexisting

structural defect or deteriorated condition of the pier and the other structures comprising the Premises.

Section 8.03. Booking Policy/Fees and Charges. Tenant agrees to implement the "Booking Policy", attached hereto as Exhibit D, with respect to the scheduling of trade shows and the fees and rates to be charged to operators of the tradeshow at the Premises.

Section 8.04. Requirements for Conduct of Business. This Lease does not grant any permit, license or authority for the performance or conduct of any business, operation or use which may require any permit or approval from any public or private party. Tenant shall obtain and maintain in full force and effect during the Term at its sole cost and expense any governmental license or permit imposed or mandated by any Governmental Authority in connection with Tenant's trade or business and the use of the Premises, and shall comply with any other Requirement for the proper and lawful operation of the Premises by Tenant for the purposes authorized by this Lease. Upon reasonable request by Tenant, Landlord agrees to reasonably cooperate with Tenant in connection with the foregoing and to execute, as owner of the Premises, any required applications for permits and authorizations for Improvements or in connection with Tenant's operation of the Premises in accordance with the provisions of this Lease.

Section 8.05 Unlawful Use. Tenant shall not use or occupy the Premises, or permit or suffer the Premises or any part thereof to be used or occupied, for any unlawful, illegal, or hazardous use or purpose or in any way in violation of the provisions of Section 8.01 or Article 18 hereof, or in such manner as may make void or voidable any insurance then in force with respect to the Premises. Immediately, upon the discovery of any such unlawful, illegal business, use or purpose, or use or occupation in violation of Section 8.01 or Article 18, Tenant shall take all necessary steps, legal and equitable, to compel the discontinuance thereof, including if necessary, the commencement and continuance of eviction proceedings against any subtenant or licensees using any portion of the Premises for any such business, use or purpose.

Section 8.06 No Representations or Warranty by Landlord.

(a) Neither Landlord, nor Lease Administrator nor Apple has made or makes any representation or warranty as to the condition of the Premises or its suitability for any particular use or as to any other matter affecting this Lease or the Premises except as specifically set forth in this Lease.

(b) Landlord, Lease Administrator and Apple have not made and do not make any representation as to the legality of the use of the Premises for Tenant's intended purposes. If any use or proposed use is determined to be illegal by a court of competent jurisdiction, Tenant agrees that (i) neither Landlord, Lease Administrator nor Apple, nor any of their respective directors, officers, employees or agents shall be liable for any damages incurred by Tenant or any third party as a result of, or in connection with such determination, or illegal use or proposed use, and (ii) Tenant shall defend, indemnify and hold harmless each of Landlord, Lease Administrator and Apple, and their respective directors, officers, employees and agents against any cost, liability or expense incurred by any of them in connection with such determination, or illegal use or proposed use in accordance with, Article 22 hereof; provided, however, that the foregoing shall not apply to Tenant's accommodation of the Special Cruise Usage or use by the

general public of the Public Spaces, and Tenant shall have no liability in connection with the legality of use therefor.

Section 8.07 Nondisturbance of Park Uses. Tenant agrees to reasonably cooperate with the City, the State, and HRPT in integrating the landscaping and site work of the Premises with that portion of Clinton Cove Park, which is adjacent to the Premises. Tenant specifically acknowledges that the New York State Department of Transportation or another governmental entity may, in the future, construct a pedestrian bridge over Route 9A that connects the existing De Witt Clinton Park to the headhouse on the Pier 94 Premises (the "**Clinton Pedestrian Bridge**"), and Tenant shall reasonably cooperate with the City, the State and HRPT to allow for the construction and use of the Clinton Pedestrian Bridge; provided that the construction and use of the Clinton Pedestrian Bridge shall not interfere with Tenant's Permitted Uses or Special Uses of the Premises pursuant to this Lease other than to a de minimis extent; and provided, further, other than an expenditure by Tenant in connection with Tenant's obligation to provide a "landing" for the Clinton Pedestrian Bridge as set forth in Section 17.01(f) hereof, the commitment to provide access to an elevator, to the extent one exists at the time of the construction of the Clinton Pedestrian Bridge, inside Pier 94 and to construct a separation between such elevator access area and the exhibition space within Pier 94, shall not require Tenant to make expenditures in connection with such cooperation beyond de minimis expenditures. It is understood and agreed that construction of the Clinton Pedestrian Bridge is not part of Tenant's construction obligations under this Lease and Tenant shall have no obligation to maintain, repair, insure or provide security for such bridge during the Term.
