I request that this Application, together with all materials and data submitted in support of this Application (collectively, these "Application Materials"), be submitted for review to the NYCIDA Board, in order to obtain from the NYCIDA Board an expression of intent to provide the benefits requested herein for the Project. I understand that this expression of intent will take the form of an inducement resolution to be adopted by the Board.

I represent that I have the authority to sign these Application Materials on behalf of, and to bind, Applicant.

I certify to the best of my knowledge and belief that all of the information provided in these Application Materials is accurate, true and correct. I understand that an intentional misstatement of fact, or, whether intentional or not, a material misstatement of fact, or the providing of materially misleading information, or the omission of a material fact, may cause the Board to reject the request made in the Application Materials.

I understand the following: that Applicant and Principals will be subject to a background check and actual or proposed subtenants may be subject to a background check; that the NYCIDA may be required under SEQR to make a determination as to the Project's environmental impact and that in the event the NYCIDA does determine that the Project will have an environmental impact, Applicant will be required to prepare, at its own expense, an environmental impact statement; that the decision of the Board to approve or to reject the request made in the Application Materials is a discretionary decision; that no Bonds may be issued (if Bonds are being requested) unless such Bonds are approved by the Mayor; that under the New York State Freedom of Information Law ("FOIL"), the NYCIDA may be required to disclose the Application Materials and the information contained therein (see Disclosure Policy and Procedure); and that Applicant shall be entirely responsible and liable for the fees referred to in these Application Materials, including (in the case of Bonds) but not limited to payment of the New York State bond issuance fees (if applicable to the Bonds in question) based upon the aggregate principal amount of the Bonds.

That Applicant shall indemnify the NYCIDA for fees and disbursements incurred by bond counsel (in the case of a Bond transaction) or by project counsel (in the case of a straight-lease transaction); and that bond counsel or project counsel (as applicable) shall be a third-party beneficiary of this indemnity to the NYCIDA regardless of whether a Closing occurs and if no Closing occurs, regardless of the reason thereafter and regardless of whether a Closing was within or without the control of any of the Public Participants; and
