Best Choice Trading Corporation is a wholesale distributor of frozen fish and seafood and was incorporated in 1991 and is owned 100% by Mr. Lee Fung Fong. The company was started in the basement of a relative's restaurant by using the freezer in the basement and an office upstairs of the restaurant which eliminate any overhead cost and Mr. Fong he therefore was able to concentrate on investing any dollars in marketing the company. In 1993 because of growth, the company relocated to a 4,000-square foot facility at 12-18 Woolworth Street which had refrigeration and freezers that he needed therefore no investment in any equipment or any capital improvements were needed. In a short time, thereafter with the growth of the business in 1998 the company had to relocate once again and purchased a 19,000-square foot facility at 146 Stewart Ave. Over the years as the company grew the lacking of freezer space the company was forced to rent freezer space at locations in New Jersey because the lack of freezer space in New York. In 2008 looking to a solution to remain in New York we bought the building next to us at 150 Stewart Ave which allowed us to expand our present facility by 8,940 square feet adding freezer space and renovating and reorganizing the current facility. We accomplished that purchase with the assistance of NYCIDA. Once again in 2018 the company had out grown its current space and was once again using freezer space in New Jersey. Again, the company was looking for a solution to remain in New York and by good fortune a facility located at 501 Scholes Street across from our present facilities became available for sale and with the assistance of NYCIDA we were able to purchase this facility and make the whole building a freezer for our fish products. The company's market areas are Tri-State, PA, RI, Maine, NH, PA, FL. Our customers consist of Restaurants supermarkets, small mama and pop stores. The company has presently 16 employees all NYC residents.

Opportunity M/W/DBE

Opportunity M/W/DBE works to counter documented disparities in public procurement by increasing opportunities for minority-owned, women-owned and disadvantaged business enterprises. Based on size and scope of the Project, M/W/DBE goals may be applicable and set by NYCDOT's M/W/DBE team. Goals represent a percentage of total Project value, and should be met by subcontracting with M/W/DBE certified firms. If a Project is subject to a M/W/DBE goal, the Applicant must make a good faith effort to meet that goal.

Additional information about Opportunity M/W/DBE can be found here:

I acknowledge and agree that I have reviewed these laws and policies, and am prepared to move forward with my Application and be subject to their requirements should I receive Assistance for the Project.
