Core Application - Request, Certification, etc.

I, the undersigned officer/member/partner of Applicant, on behalf of Applicant, hereby request, represent, certify, understand, acknowledge and agree as follows:

I request that this Application, together with all materials and data submitted in support of this Application (collectively, these "Application Materials"), be submitted for review to the NYCIDA Board, in order to obtain from the NYCIDA Board an expression of intent to provide the benefits requested herein for the Project. I understand that this expression of intent will take the form of an inducement resolution to be adopted by the Board.

I represent that I have the authority to sign these Application Materials on behalf of, and to bind, Applicant.

I certify to the best of my knowledge and belief that all of the information provided in these Application Materials is accurate, true and correct. I understand that an intentional misstatement of fact, or, whether intentional or not, a material misstatement of fact, or the providing of materially misleading information, or the omission of a material fact, may cause the Board to reject the request made in the Application Materials.

I understand the following: that Applicant and Principals will be subject to a background check and actual or proposed subtenants may be subject to a background check; that the NYCIDA may be required under SEQR to make a determination as to the Project's environmental impact and that in the event the NYCIDA does determine that the Project will have an environmental impact, Applicant will be required to prepare, at its own expense, an environmental impact statement; that the decision of the Board to approve or to reject the request made in the Application Materials is a discretionary decision; that no Bonds may be issued (if Bonds are being requested) unless such Bonds are approved by the Mayor; that under the New York State Freedom of Information Law ("FOIL"), the NYCIDA may be required to disclose the Application Materials and the information contained therein (see Disclosure Policy and Procedure); and that Applicant shall be entirely responsible and liable for the fees referred to in these Application Materials, including (in the case of Bonds) but not limited to payment of the New York State bond issuance fees (if applicable to the Bonds in question) based upon the aggregate principal amount of the Bonds.

I further understand and agree as follows:

That in the event the Application Materials are not submitted to the Board for any reason including negative results obtained through the background check, and/or, with respect to Application Materials that are submitted to the Board, in the event the Board rejects same, then, under either of said circumstances, Applicant shall have no recourse against the NYCIDA or any other public or governmental entity or public benefit corporation (including NYCEDC), or any directors, officers, employees or agents of the foregoing (collectively, the "Public Participants"), for the Application Fee, or for other expenses incurred by Applicant or other parties on behalf thereof, or for damages or specific performance; and that the Application Fee is under all circumstances (including but not limited to the ones just described and the ones described in the next succeeding paragraph) non-refundable; and

That if the Board adopts an inducement resolution with respect to the request made in the Application Materials, such adoption shall not be deemed a guaranty that the Board will adopt an authorizing resolution; or that the NYCIDA will then provide the induced benefits; and

That Applicant shall indemnify the NYCIDA for fees and disbursements incurred by bond counsel (in the case of a Bond transaction) or by project counsel (in the case of a straight-lease transaction); and that bond counsel or project counsel (as applicable) shall be a third-party beneficiary of this indemnity to the NYCIDA regardless of whether a Closing occurs and if no Closing occurs, regardless of the reason thereafter and regardless of whether a Closing was within or without the control of any of the Public Participants; and

That in the event NYCIDA discloses the Application Materials in response to a request made pursuant to FOIL, Applicant hereby authorizes the NYCIDA to make such disclosure and hereby releases the NYCIDA from any claim or action that Applicant may have or might bring against the NYCIDA, its directors, officers, agents, employees and attorneys, by reason of such disclosure; and that Applicant agrees to defend, indemnify and hold the NYCIDA and, if applicable, the NYCEDC and their respective directors, officers, agents, employees and attorneys harmless (including without limitation for the cost of reasonable attorneys fees) against claims arising out of such disclosure as such claims may be made by any party including the Applicant, Affiliate, Owner or Principal, or by the officers, directors, employees and agents thereof.

I acknowledge and agree that the NYCIDA reserves the right in its sole and absolute discretion to request additional information, waive any requirements set forth herein, and/or amend the form of this Application, to the full extent permitted by applicable law.
