

To All Respondents:

1. Paragraph 2 of the Comprehensive Tour subsection of Site Tours is hereby deleted and replaced with the following:

Those who wish to attend the Comprehensive Tour must RSVP by email to kingsbridgearmoryrfp@edc.nyc with the subject heading "Comprehensive Tour" by 5:00 PM ET on or before **Friday, September 29, 2023** with:

- attendee(s) name, email address, organization name,
- whether they have a valid asbestos investigator/handler license or certification that will still be valid as of the date of the tour,
- whether they have a personal, fit-tested respirator and cartridges, and
- if they do not already have a personal, fit-tested respirator and cartridges, whether they would be interested in assistance from NYCEDC to procure a personal half face respirator fit-tested by a properly licensed organization, all at NYCEDC's expense.

NYCEDC reserves the right to refrain from facilitation of procurement of respirators and arrangement of fit tests and/or to limit the number of people for whom this is provided. If numbers are limited, assistance will be allocated in the order in which requests are received. If you request assistance, NYCEDC will let you know in advance of the tour date whether assistance will be provided to you.

In any case, attendees must obtain their own appropriate medical evaluation needed for the fit test. In the event that NYCEDC assists interested attendees in arranging a fit-test, each such attendee will be required to provide sufficient documentation evidencing that such attendee has received the appropriate medical evaluation and has been cleared to wear a fit-tested half face respirator within the past twelve (12) calendar months. Anyone who does not produce sufficient documentation will not be provided with a respirator or fit-test and will not be permitted to attend the Comprehensive Tour.

If provided, respirator fit-tests will be conducted on October 2 and October 3 in Midtown Manhattan, and/or early on the date of the Comprehensive Tour. Please ensure that you will be available at these times before requesting assistance.

- 2. All requirements of the original RFP shall remain in full force and effect, except as expressly set forth in this Addendum and any other previously issued Addenda.

- 3. All capitalized terms set forth in this Addendum shall have the same meaning as set forth in the RFP being amended hereby, unless this Addendum expressly indicates otherwise.

THIS ADDENDUM MUST BE SIGNED BY THE RESPONDENT AND ATTACHED TO THE PROPOSAL WHEN SUBMITTED.
