

Resolution inducing the renovation, furnishing and equipping of a Manhattan Commercial Revitalization program (M-CORE) commercial facility for 850 Third Avenue Owner, LLC, HPS Investment Partners, LLC, and their affiliates, as a Straight-Lease Transaction and authorizing and approving the execution and delivery of agreements in connection therewith

WHEREAS, New York City Industrial Development Agency (the “Agency”) is authorized under the laws of the State of New York, and in particular the New York State Industrial Development Agency Act, constituting Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended, and Chapter 1082 of the 1974 Laws of New York, as amended (collectively, the “Act”), to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of industrial, manufacturing, warehousing, commercial and research facilities and thereby advance the job opportunities, general prosperity and economic welfare of the people of the State of New York and to improve their prosperity and standard of living; and

WHEREAS, 850 Third Avenue Owner, LLC, a Delaware limited liability company (“850 Third”) and HPS Investment Partners, LLC (“HPS”), on behalf of themselves and their affiliates involved in the Project referred to below (collectively, the “Applicant”), have entered into negotiations with officials of the Agency in connection with the renovation, furnishing and equipping of an existing 574,675 square foot, 21-story mixed-use building located on a 31,632 gross square foot parcel of land located at 850 Third Avenue, New York, New York 10022 (the “Facility”), all intended to be leased by the Applicant for commercial office use and other approved uses, and having a total project cost of approximately \$62,765,404 (the “Project”); and

WHEREAS, the Applicant has submitted a Project Application (the “Application”) to the Agency to initiate the accomplishment of the above; and

WHEREAS, the Application sets forth certain information with respect to the Applicant and the Project, including the following: that the Facility is owned by 850 Third and managed by HPS, an investment firm with over \$106 billion of assets under management; that the Facility is currently 33% occupied and, with expected move-outs over the next 4 years, will be less than 14% occupied by 2027; that the Agency’s financial assistance will allow the Applicant to pursue a full repositioning of the Facility into an attractive, transit-oriented, sustainable, and fully-amenitized building with greater street presence; that the renovated Facility will be an attractive option to tenants in growing industries as it will have modern mechanical systems, maximized daylight, and quality natural air in a transit-oriented location with easy access to all five boroughs and the three major commuting hubs in The City of New York (the “City”); that 345 full-time equivalent jobs will be retained and the Project is expected to generate approximately 1,086 full time equivalent jobs within the three years following completion; that the Applicant must obtain Agency financial assistance in the form of a straight-lease transaction to enable the Applicant to proceed with the Project; and that without the Agency’s financial assistance, the Applicant will deploy significantly less capital and undertake a smaller scale project to minimize investment risk, which would result in a considerably reduced street presence, fewer tenant and community amenities, and diminished sustainability

efforts; and that, based upon the financial assistance provided through the Agency, the Applicant desires to proceed with the Project; and

WHEREAS, based upon the Application, the Agency hereby determines that Agency financial assistance and related benefits in the form of a straight-lease transaction between the Agency and the Applicant are necessary to induce the Applicant to proceed with the Project; and

WHEREAS, the Applicant will finance the renovation, furnishing, and equipping of the Project with investor equity and anticipates refinancing such costs through a loan with a bank or another financial institution to be determined by the Applicant and approved by the Agency (collectively, the “Lender”), and, in such circumstance, the Agency and the Applicant will grant one or more mortgage(s) on the Facility to the Lender (collectively, the “Lender Mortgage”); and

WHEREAS, for purposes of refinancing from time to time the indebtedness secured by the Lender Mortgage (the “Original Mortgage Indebtedness”) (whether such refinancing is in an amount equal to or greater than the outstanding principal balance of the Original Mortgage Indebtedness), the Applicant may from time to time desire to enter into new mortgage arrangements, including but not limited to consolidation with mortgages granted subsequent to the Lender Mortgage; and therefore the Applicant may request the Agency to enter into the mortgage instruments required for such new mortgage arrangements (“Refinancing Mortgages”); and

WHEREAS, in order to provide financial assistance to the Applicant for the Project, the Agency intends to grant the Applicant financial assistance through a straight-lease transaction in the form of real property tax abatements, a partial exemption of City and State mortgage recording taxes and sales and use tax exemptions, all pursuant to the Act;

NOW, THEREFORE, NEW YORK CITY INDUSTRIAL DEVELOPMENT AGENCY HEREBY RESOLVES AS FOLLOWS:

Section 1. The Agency hereby determines that the Project and the provision by the Agency of financial assistance to the Applicant pursuant to the Act in the form of a straight-lease transaction will promote and is authorized by and will be in furtherance of the policy of the State of New York as set forth in the Act and hereby authorizes the Applicant to proceed with the Project. The Agency further determines that

(a) the Project shall not result in the removal of any facility or plant of the Applicant or any other occupant or user of the Facility from outside of the City (but within the State of New York) to within the City or in the abandonment of one or more facilities or plants of the Applicant or any other occupant or user of the Facility located within the State of New York (but outside of the City);

(b) no funds of the Agency shall be used in connection with the Project for the purpose of preventing the establishment of an industrial or manufacturing

plant or for the purpose of advertising or promotional materials which depict elected or appointed government officials in either print or electronic media, nor shall any funds of the Agency be given in connection with the Project to any group or organization which is attempting to prevent the establishment of an industrial or manufacturing plant within the State of New York; and

(c) not more than one-third of the total Project cost is in respect of facilities or property primarily used in making retail sales of goods or services to customers who personally visit such facilities within the meaning of Section 862 of the New York General Municipal Law.

Section 2. To accomplish the purposes of the Act and to provide financial assistance to the Applicant for the Project, a deviation from the Agency's Uniform Tax Exemption Policy is hereby approved and a straight-lease transaction is hereby authorized subject to the provisions of this Resolution.

Section 3. The Agency hereby authorizes the Applicant to proceed with the Project as herein authorized. The Applicant is authorized to proceed with the Project on behalf of the Agency as set forth in this Resolution; provided, however, that it is acknowledged and agreed by the Applicant that (i) nominal leasehold title to or other interest of the Agency in the Facility shall be in the Agency for purposes of granting financial assistance, and (ii) the Applicant is hereby constituted the agent for the Agency solely for the purpose of effecting the Project, and the Agency shall have no personal liability for any such action taken by the Applicant for such purpose.

Section 4. The execution and delivery of a Company Lease Agreement from 850 Third leasing the Facility to the Agency, an Agency Lease Agreement from the Agency subleasing the Facility to 850 Third (the "Lease Agreement") (for sublease to 850 Third), the acceptance of a mortgage in favor of the Agency from 850 Third to secure the payment by 850 Third of the payments in-lieu of real estate taxes due and payable in accordance with the Lease Agreement (the "PILOT Mortgage"), Sales Tax Agent Authorization Letters from the Agency, the Lender Mortgage, the Refinancing Mortgages, a Project Agreement between the Agency and the Applicant and, if applicable, the acceptance of a Guaranty Agreement from HPS or an entity (or entities) under the control of HPS in favor of the Agency (the "Guaranty Agreement") (each document referenced in this Section 4 being, collectively, the "Agency Documents"), each being substantively the same as approved by the Agency for prior transactions, is hereby authorized. The Chairman, Vice Chairman, Executive Director, Deputy Executive Director and General Counsel of the Agency are each hereby authorized to execute, acknowledge and deliver each such Agency Document. The execution and delivery of each such agreement by one of said officers shall be conclusive evidence of due authorization and approval.

Section 5. The officers of the Agency and other appropriate officials of the Agency and its agents and employees are hereby authorized and directed to take whatever steps may be necessary to cooperate with the Applicant to assist in the Project.

Section 6. All covenants, stipulations, obligations and agreements of the Agency contained in this Resolution and contained in the Agency Documents shall be deemed to be the covenants, stipulations, obligations and agreements of the Agency to the full extent authorized or permitted by law, and such covenants, stipulations, obligations and agreements shall be binding upon the Agency and its successors from time to time and upon any board or body to which any powers or duties affecting such covenants, stipulations, obligations and agreements shall be transferred by or in accordance with law. Except as otherwise provided in this Resolution, all rights, powers and privileges conferred and duties and liabilities imposed upon the Agency or the members thereof by the provisions of this Resolution or the Agency Documents shall be exercised or performed by the Agency or by such members, officers, board or body as may be required by law to exercise such powers and to perform such duties.

No covenant, stipulation, obligation or agreement herein contained or contained in the Agency Documents shall be deemed to be a covenant, stipulation, obligation or agreement of any member, director, officer, agent or employee of the Agency in his or her individual capacity and neither the members nor the directors of the Agency nor any officer executing any Agency Document shall be liable personally for any amounts payable thereunder or arising from claims thereon or be subject to any personal liability or accountability by reason of the execution and delivery or acceptance thereof.

Section 7. The officers of the Agency are hereby designated the authorized representatives of the Agency, and each of them is hereby authorized and directed to execute and deliver any and all papers, instruments, opinions, certificates, affidavits and other documents and to do and cause to be done any and all acts and things necessary or proper for carrying out this Resolution. The Agency recognizes that due to the unusual complexities of the transaction it may become necessary that certain of the terms approved hereby may require modifications which will not affect the intent and substance of the authorizations and approvals by the Agency herein. The Agency hereby authorizes the Chairman, Vice Chairman, Executive Director, Deputy Executive Director or General Counsel to approve modifications to the terms approved hereby which do not affect the intent and substance of this Resolution. The approval of such modifications shall be evidenced by a certificate of determination of an Agency officer.

Section 8. Any expenses incurred by the Agency with respect to the Project shall be paid by the Applicant. By acceptance hereof, the Applicant agrees to pay such expenses and further agrees to indemnify the Agency, its members, directors, employees and agents and hold the Agency and such persons harmless against claims for losses, damage or injury or any expenses or damages incurred as a result of action taken by or on behalf of the Agency in good faith with respect to the Project.

Section 9. This Resolution is subject to approval based on an investigative report with respect to the Applicant. The provisions of this Resolution shall continue to be effective for one year from the date hereof, whereupon the Agency may, at its option, terminate the effectiveness of this Resolution (except with respect to the matters contained in Section 8 hereof).

Section 10. The Agency, as lead agency, is issuing this determination pursuant to the State Environmental Quality Review Act (“SEQRA”) (Article 8 of the Environmental Conservation Law) and implementing regulations contained in 6 NYCRR Part 617. This determination is based upon the Agency’s review of information provided by the Applicant and such other information as the Agency has deemed necessary and appropriate to make this determination.

The Agency has determined that the proposed action is a Type II action, pursuant to 6 NYCRR Part 617.5(c)(2) replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site, including upgrading buildings to meet building, energy, or fire codes unless such action meets or exceeds any of the thresholds in section 6 NYRR Part 617.4; and 6 NYCRR Part 617.5 (c)(3) retrofit of an existing structure and its appurtenant areas to incorporate green infrastructure.

Section 11. In connection with the Project, the Applicant covenants and agrees to comply, and to cause each of its contractors, subcontractors, agents, persons or entities to comply, with the requirements of General Municipal Law Sections 875(1) and (3), as such provisions may be amended from time to time.

(1) The Applicant acknowledges and agrees that pursuant to General Municipal Law Section 875(3) the Agency shall have the right to recover, recapture, receive, or otherwise obtain from the Applicant New York State sales or use tax savings taken or purported to be taken by the Applicant, and any agent or any other person or entity acting on behalf of the Applicant, to which the Applicant is not entitled or which are in excess of the maximum sales or use tax exemption amount authorized in Section 12 of this Resolution or which are for property or services not authorized or taken in cases where the Applicant, or any agent or any other person or entity acting on behalf of the Applicant, failed to comply with a material term or condition to use property or services in the manner required by this Resolution or any agreements entered into among the Agency, the Applicant and/or any agent or any other person or entity acting on behalf of the Applicant. The Applicant shall, and shall require each agent and any other person or entity acting on behalf of the Applicant, to cooperate with the Agency in its efforts to recover, recapture, receive, or otherwise obtain such New York State sales or use tax savings and shall promptly pay over any such amounts to the Agency that it requests. The failure to pay over such amounts to the Agency shall be grounds for the Commissioner of the New York State Department of Taxation and Finance (the “Commissioner”) to assess and determine New York State sales or use taxes due from the Applicant under Article Twenty-Eight of the New York State Tax Law, together with any relevant penalties and interest due on such amounts.

(2) The Applicant is hereby notified (provided that such notification is not a covenant or obligation and does not create a duty on the part of the Agency to the Applicant or any other party) that the Agency is subject to certain requirements under the General Municipal Law, including the following:

(i) In accordance with General Municipal Law Section 875(3)(c), if the Agency recovers, recaptures, receives, or otherwise obtains, any amount of New York State sales or use tax savings from the Applicant, any agent or other person or entity, the

Agency shall, within thirty days of coming into possession of such amount, remit it to the Commissioner, together with such information and report that the Commissioner deems necessary to administer payment over of such amount. The Agency shall join the Commissioner as a party in any action or proceeding that the Agency commences to recover, recapture, obtain, or otherwise seek the return of, New York State sales or use tax savings from Applicant or any other agent, person or entity.

(ii) In accordance with General Municipal Law Section 875(3)(d), the Agency shall prepare an annual compliance report detailing its terms and conditions described in General Municipal Law Section 875(3)(a) and its activities and efforts to recover, recapture, receive, or otherwise obtain State sales or user tax savings described in General Municipal Law Section 875(3)(b), together with such other information as the Commissioner and the New York State Commissioner of Economic Development may require. Such report shall be filed with the Commissioner, the Director of the Division of the Budget of The State of New York, the New York State Commissioner of Economic Development, the New York State Comptroller, the Council of the City of New York, and may be included with the annual financial statement required by General Municipal Law Section 859(1)(b). Such report shall be filed regardless of whether the Agency is required to file such financial statement described by General Municipal Law Section 859(1)(b). The failure to file or substantially complete such report shall be deemed to be the failure to file or substantially complete the statement required by such General Municipal Law Section 859(1)(b), and the consequences shall be the same as provided in General Municipal Law Section 859(1)(e).

(3) The foregoing requirements of this Section 11 shall apply to any amounts of New York State sales or use tax savings that the Agency recovers, recaptures, receives, or otherwise obtains, regardless of whether the Agency, the Applicant or any agent or other person or entity acting on behalf of the Applicant characterizes such benefits recovered, recaptured, received, or otherwise obtained, as a penalty or liquidated or contract damages or otherwise. The foregoing requirements shall also apply to any interest or penalty that the Agency imposes on any such amounts or that are imposed on such amounts by operation of law or by judicial order or otherwise. Any such amounts or payments that the Agency recovers, recaptures, receives, or otherwise obtains, together with any interest or penalties thereon, shall be deemed to be New York State sales or use taxes and the Agency shall receive any such amounts or payments, whether as a result of court action or otherwise, as trustee for and on account of New York State.

Section 12. In connection with the Project, the Agency intends to grant the Applicant sales and use tax exemptions in an amount not to exceed \$3,617,450, real property tax abatements, and a partial exemption of City and State mortgage recording taxes. The Agency will also utilize a mortgage recording tax exemption to partially exempt the PILOT Mortgage from City and State mortgage recording taxes.

Section 13. The Agency hereby waives its policy that the Agency will post all public notices on its website at least thirty (30) days prior to the public hearing noticed therein, as such requirement is set forth in paragraph 2(b) of the Omnibus Resolution of the Agency, adopted on September 12, 2006, with respect to the public notice in connection with the Project.

Section 14. This Resolution shall take effect immediately.

(c) not more than one-third of the total Project cost is in respect of facilities or property primarily used in making retail sales of goods or services to customers who personally visit such facilities within the meaning of Section 862 of the New York General Municipal Law.

Section 2. To accomplish the purposes of the Act and to provide financial assistance to the Applicant for the Project, a straight-lease transaction is hereby authorized subject to the provisions of this Resolution.

Section 3. The Agency hereby authorizes the Applicant to proceed with the Project as herein authorized. The Applicant are authorized to proceed with the Project on behalf of the Agency as set forth in this Resolution; provided, however, that it is

acknowledged and agreed by the Applicant that (i) nominal leasehold title to or other interest of the Agency in the purchased equipment or other personal property in connection with the Project (the “Eligible Items”) shall be in the Agency for purposes of granting financial assistance, and (ii) the Applicant is hereby constituted the agent for the Agency solely for the purpose of effecting the Project, and the Agency shall have no personal liability for any such action taken by the Applicant for such purpose.

Section 4. The officers of the Agency and other appropriate officials of the Agency and its agents and employees are hereby authorized and directed to take whatever steps may be necessary to cooperate with the Applicant to assist in the Project.

Section 5. The officers of the Agency are hereby designated the authorized representatives of the Agency, and each of them is hereby authorized and directed to execute and deliver any and all papers, instruments, opinions, certificates, affidavits and other documents and to do and cause to be done any and all acts and things necessary or proper for carrying out this Resolution.

Section 6. Any expenses incurred by the Agency with respect to the Project shall be paid by the Applicant. By acceptance hereof, the Applicant agrees to pay such expenses and further agrees to indemnify the Agency, its members, directors, employees and agents and hold the Agency and such persons harmless against claims for losses, damage or injury or any expenses or damages incurred as a result of action taken by or on behalf of the Agency in good faith with respect to the Project.

Section 7. This Resolution is subject to approval based on an investigative report with respect to the Applicant. The provisions of this Resolution shall continue to be effective for one year from the date hereof, whereupon the Agency may, at its option, terminate the effectiveness of this Resolution (except with respect to the matters contained in Section 6 hereof).

Section 8. The Agency, as lead agency, is issuing this determination pursuant to the State Environmental Quality Review Act (“SEQRA”) (Article 8 of the Environmental Conservation Law) and implementing regulations contained in 6 N.Y.C.R.R. Part 617. This determination is based upon the Agency’s review of information provided by the Applicant and such other information as the Agency has deemed necessary and appropriate to make this determination.

The Agency has determined that the proposed Project, an Unlisted action, pursuant to SEQRA and the implementing regulations, would not have a significant effect on the environment and that a Draft Environmental Impact Statement will not be prepared. The reasons supporting this determination are as follows:

1. The proposed Project would not result in a substantial adverse change in existing traffic, air quality, or noise levels. The proposed Project will lower cost of electricity and provide cleaner electricity generation from a reduced reliance on peak generation plants.

2. The proposed Project would not result in significant adverse impacts on cultural, archaeological, architectural, or aesthetic resources or the existing neighborhood.

3. The proposed Project would not result in significant adverse impacts to natural resources, critical habitats, or water quality. The proposed Project would not result in significant adverse impacts to natural resources, critical habitats, or water quality.

4. The proposed Project would not result in a change in existing zoning or land use. The existing uses would be continuing to be as-of-right under zoning.

5. A Phase I was completed in January 2023. The Phase I document did not identify any Recognized Environmental Conditions (RECs). However, the Phase I identified stored hazardous materials on site, standing oil in areas with potential conduits to soils, and former uses of the Property that warranted a Phase II investigation. A limited Phase II investigation was done in February 2023 and found soil contaminants exceeded NYS DEC criteria. It was recommended that a Soil and Groundwater Management Plan (SGWMP) be developed and implemented for the Subject Property. The purpose of the SGWMP is to suggest procedures for properly handling and disposing of potentially impacted soil and dewatered groundwater that may be disturbed or generated during future soil excavation/dewatering. If these recommendations are followed, we do not anticipate any significant adverse impacts resulting from the proposed Project due to Hazmat.

6. No other significant effects upon the environment that would require the preparation of an Environmental Impact Statement are foreseeable.

Section 9. In connection with the Project, the Applicant covenants and agrees to comply, and to cause each of their respective contractors, subcontractors, agents, persons or entities to comply, with the requirements of General Municipal Law Sections 875(1) and (3), as such provisions may be amended from time to time.

(1) The Applicant acknowledges and agrees that pursuant to General Municipal Law Section 875(3) the Agency shall have the right to recover, recapture, receive, or otherwise obtain from the Applicant New York State sales or use tax savings taken or purported to be taken by the Applicant, and any agent or any other person or entity acting on behalf of the Applicant, to which the Applicant is not entitled or which are in excess of the maximum sales or use tax exemption amount authorized in Section 10 of this Resolution or which are for property or services not authorized or taken in cases where the Applicant, or any agent or any other person or entity acting on behalf of the Applicant, failed to comply with a material term or condition to use property or services in the manner required by this Resolution or any agreements entered into among the Agency, the Applicant, and/or any agent or any other person or entity acting on behalf of the Applicant. The Applicant shall, and shall require each agent and any other person or entity acting on behalf of the Applicant, to cooperate with the Agency in its efforts to recover, recapture, receive, or otherwise obtain such New York State sales or use tax savings and shall promptly pay over any such amounts to the Agency that it requests. The failure to pay over such amounts to the Agency shall be grounds for the

Commissioner of the New York State Department of Taxation and Finance (the “Commissioner”) to assess and determine New York State sales or use taxes due from the Applicant under Article Twenty-Eight of the New York State Tax Law, together with any relevant penalties and interest due on such amounts.

(2) The Applicant is hereby notified (provided that such notification is not a covenant or obligation and does not create a duty on the part of the Agency to the Applicant or any other party) that the Agency is subject to certain requirements under the General Municipal Law, including the following:

(i) In accordance with General Municipal Law Section 875(3)(c), if the Agency recovers, recaptures, receives, or otherwise obtains, any amount of New York State sales or use tax savings from the Applicant, any agent or other person or entity, the Agency shall, within thirty days of coming into possession of such amount, remit it to the Commissioner, together with such information and report that the Commissioner deems necessary to administer payment over of such amount. The Agency shall join the Commissioner as a party in any action or proceeding that the Agency commences to recover, recapture, obtain, or otherwise seek the return of, New York State sales or use tax savings from Applicant or any other agent, person or entity.

(ii) In accordance with General Municipal Law Section 875(3)(d), the Agency shall prepare an annual compliance report detailing its terms and conditions described in General Municipal Law Section 875(3)(a) and its activities and efforts to recover, recapture, receive, or otherwise obtain State sales or user tax savings described in General Municipal Law Section 875(3)(b), together with such other information as the Commissioner and the New York State Commissioner of Economic Development may require. Such report shall be filed with the Commissioner, the Director of the Division of the Budget of The State of New York, the New York State Commissioner of Economic Development, the New York State Comptroller, the Council of the City of New York, and may be included with the annual financial statement required by General Municipal Law Section 859(1)(b). Such report shall be filed regardless of whether the Agency is required to file such financial statement described by General Municipal Law Section 859(1)(b). The failure to file or substantially complete such report shall be deemed to be the failure to file or substantially complete the statement required by such General Municipal Law Section 859(1)(b), and the consequences shall be the same as provided in General Municipal Law Section 859(1)(e).

(3) The foregoing requirements of this Section 9 shall apply to any amounts of New York State sales or use tax savings that the Agency recovers, recaptures, receives, or otherwise obtains, regardless of whether the Agency, the Applicant, or any agent or other person or entity acting on behalf of the Applicant characterizes such benefits recovered, recaptured, received, or otherwise obtained, as a penalty or liquidated or contract damages or otherwise. The foregoing requirements shall also apply to any interest or penalty that the Agency imposes on any such amounts or that are imposed on such amounts by operation of law or by judicial order or otherwise. Any such amounts or payments that the Agency recovers, recaptures, receives, or otherwise obtains, together with any interest or penalties thereon, shall be deemed to be New

York State sales or use taxes and the Agency shall receive any such amounts or payments, whether as a result of court action or otherwise, as trustee for and on account of New York State.

Section 10. In connection with the Project, the Agency intends to grant the Applicant City and State sales and use tax exemptions in an amount not to exceed \$5,479,425 and a partial exemption of City and State mortgage recording taxes.
