DCCSC is a NY nonprofit corporation with an exemption under Section 501(c)(3) of the IRC.

DCCSC's mission is to improve the nature and quality of education and childcare at CCNS, including but not limited to the acquisition, design, development, construction, financing, equipping and leasing of an approximately 25,200 sf new Early Childcare/Education facility at 822 Dumont, Brooklyn, NY 11207 to CCNS that will serve 200 or more low-income children in Head Start and Early Head Start programs administered by CCNS.

- CCNS:
- o Is a nonprofit 501(c)(3) corporation that provides a variety of quality social services throughout Brooklyn and Queens.
 - o Currently offers 160-plus programs and services for children, youth, adults, seniors, those with developmental disabilities, and those struggling with mental illness.
 - o Provides Early Childhood Services that offer comprehensive quality programs through Head Start and Early Head Start programs in childcare centers that are designed to foster the social, emotional, physical and cognitive development of preschoolers in a safe environment.
 - o Is the largest childcare provider for low-income families in Brooklyn and is the borough's largest Head Start/Early Head Start provider

CCNS has been unable to fulfill its Early Childcare/Education mission because it has been operating in a small, outdated and overcrowded facility.

The new facility at 822 Dumont will help CCNS fulfill its mission by enabling CCNS' existing school to relocate to a modern new facility and expand enrollment to help address growing demand in the neighborhood from low-income families for high quality early childhood services.

E. PROPOSED PROJECT ACTIVITIES

Describe the proposed Project, including its purpose and Project Location, in the text box below. Refer to the example below.

The purpose of the Project is to replace a small, outdated and overcrowded childcare facility with an expanded and modern new facility at a nearby location in the same neighborhood. CCNS projects growing enrollment from 150 to 200 or more children plus retain or hire approximately 49 employees, all of whom reside in NYC.

The development schedule was accelerated to address the urgent need for a new facility. Construction started in Q4-23 and completion/TCO is projected for December 2024. The Project has been funded by a construction loan from Local Initiative Support Corporation (LISC) and subordinate debt. Tax-exempt bond financing is contemplated as a take-out of the LISC and subordinate loans.

CCNS is planning to relocate the children and staff from the current St. Malachy Early Childhood Development Center, 220 Hendrix Street, Brooklyn, NY, 11207 to the subject property in December 2024.

The Project will be acquired for fair market value at completion/TCO by DCCSC (Applicant).

- DCCSC is seeking approximately \$20,000,000 in tax-exempt and taxable revenue bonds (the "Bonds"). Proceeds of the Bonds will be used to:
- i. Acquire the newly completed development at the fair market value, and
 - ii. Pay for certain costs related to the issuance of the Bonds (i and ii, collectively the "Project")

Cost-effective Bond financing will enable the Project to proceed and provide CCNS with a modern new childcare facility that is necessary for the school to grow by adding approximately 50 new students, achieve its mission and realize the important public benefits discussed herein.

Bond closing is anticipated for January 2025.

Example: [Applicant Name] ("Applicant"), a New York not-for-profit corporation exempt from federal taxation pursuant to Section 501(c)(3) of the Internal Revenue Code of 1986, as amended, is a [school, domestic violence shelter, hospital, community center, etc.] that serves [profile of stakeholders served]. If the Issuer presents Applicant's proposed Project to the Board for approval, the Issuer does not guaranty that such approval will be obtained.
