

Resolution inducing the financing of a manufacturing and warehousing facility for Baco Enterprises Inc. as a Straight-Lease Transaction

WHEREAS, New York City Industrial Development Agency (the "Agency") is authorized under the laws of the State of New York, and in particular the New York State Industrial Development Agency Act, constituting Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended, and Chapter 1082 of the 1974 Laws of New York, as amended (collectively, the "Act"), to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of industrial, manufacturing, warehousing, commercial and research facilities and thereby advance the job opportunities, general prosperity and economic welfare of the people of the State of New York and to improve their prosperity and standard of living; and

WHEREAS, Baco Enterprises Inc. (the "Applicant"), has entered into negotiations with officials of the Agency for the acquisition, construction, renovation and equipping of a warehousing and manufacturing facility (the "Facility"), consisting of the acquisition of an approximately 7,500 square foot manufacturing and warehousing facility located at 630 Worthen Street in Bronx, New York, and the subsequent demolition, construction and equipping of a new 7,500 square foot facility, all for the use by the Applicant for the manufacture and warehousing of fabricated steel and threaded products, for lease to the Agency by 630 Worthen, LLC, a real estate holding company (the "Company") to be formed and affiliated with the Applicant, and sublease by the Agency to the Company for subsequent sub-sublease in whole to the Applicant, and having a total project cost of approximately \$1,755,000 (the "Project"); and

WHEREAS, the Applicant has submitted a Project Application (the "Application") to the Agency to initiate the accomplishment of the above; and

WHEREAS, the Application sets forth certain information with respect to the Applicant and the Project, including the following: that the Applicant is currently located in New York, New York, and employs approximately 70 full time equivalent employees within The City of New York (the "City"); the Applicant has been expanding dramatically and its current space is too inefficient to handle its growth; that the Applicant has investigated alternative facilities located in New Jersey but would prefer to remain within the City; that the Applicant expects to employ approximately 76 additional full time equivalent employees within the three years following the completion of the Project; that the Applicant must obtain Agency financial assistance in the form of a straight-lease transaction to enable the Applicant to proceed with the Project and thereby remain and expand its operations in the City; and that, based upon the financial assistance provided through the Agency, the Applicant desires to proceed with the Project and remain and expand its operations in the City; and

WHEREAS, based upon the Application, the Agency hereby determines that Agency financial assistance and related benefits in the form of a straight-lease transaction between the Agency and the Applicant and the Company are necessary to induce the Applicant to remain and expand its operations in the City; and

WHEREAS, the Project should not be delayed by the requirement of determining the details of a straight-lease transaction, which cannot be immediately accomplished, and the Applicant intends to apply its own equity for a portion of the costs of the Project and to enter into loan commitments with a bank or banks which will provide funds to the Applicant in the form of loans to finance a portion of the costs of the Project; and

WHEREAS, in order to provide financial assistance to the Applicant and the Company for the Project, the Agency intends to grant the Applicant and the Company financial assistance through a straight-lease transaction in the form of real property tax abatements, sales tax exemptions and mortgage recording tax deferral, all pursuant to the Act;

NOW, THEREFORE, NEW YORK CITY INDUSTRIAL DEVELOPMENT AGENCY HEREBY RESOLVES AS FOLLOWS:

Section 1. The Agency hereby determines that the Project of the Facility and the provision by the Agency of financial assistance to the Applicant and the Company pursuant to the Act in the form of a straight-lease transaction will promote and is authorized by and will be in furtherance of the policy of the State of New York as set forth in the Act and hereby authorizes the Applicant and the Company to proceed with the Project. The Agency further determines that

(a) the Project shall not result in the removal of any facility or plant of the Applicant or the Company or any other occupant or user of the Facility from outside of the City (but within the State of New York) to within the City or in the abandonment of one or more facilities or plants of the Applicant or the Company or any other occupant or user of the Facility located within the State of New York (but outside of the City);

(b) no funds of the Agency shall be used in connection with the Project for the purpose of preventing the establishment of an industrial or manufacturing plant or for the purpose of advertising or promotional materials which depict elected or appointed government officials in either print or electronic media, nor shall any funds of the Agency be given in connection with the Project to any group or organization which is attempting to prevent the establishment of an industrial or manufacturing plant within the State of New York; and

(c) not more than one-third of the total Project cost is in respect of facilities or property primarily used in making retail sales of goods or services to customers who personally visit such facilities within the meaning of Section 862 of the New York General Municipal Law.

Section 2. To accomplish the purposes of the Act and to provide financial assistance to the Applicant and the Company for the Project, a straight-lease transaction is hereby authorized subject to the provisions of this Resolution.

Section 3. The Agency hereby authorizes the Applicant and the Company to proceed with the Project as herein authorized. The Applicant and the Company are authorized to

proceed with the Project on behalf of the Agency as set forth in this Resolution; provided, however, that it is acknowledged and agreed by the Applicant and the Company that (i) nominal leasehold title to or other interest of the Agency in the Facility shall be in the Agency for purposes of granting financial assistance, and (ii) the Applicant and the Company are hereby constituted the agents for the Agency solely for the purpose of effecting the Project, and the Agency shall have no personal liability for any such action taken by the Applicant or the Company for such purpose.

Section 4. The officers of the Agency and other appropriate officials of the Agency and its agents and employees are hereby authorized and directed to take whatever steps may be necessary to cooperate with the Applicant and the Company to assist in the Project.

Section 5. The officers of the Agency are hereby designated the authorized representatives of the Agency, and each of them is hereby authorized and directed to execute and deliver any and all papers, instruments, opinions, certificates, affidavits and other documents and to do and cause to be done any and all acts and things necessary or proper for carrying out this Resolution.

Section 6. Any expenses incurred by the Agency with respect to the Project shall be paid by the Applicant. By acceptance hereof, the Applicant agrees to pay such expenses and further agrees to indemnify the Agency, its members, directors, employees and agents and hold the Agency and such persons harmless against claims for losses, damage or injury or any expenses or damages incurred as a result of action taken by or on behalf of the Agency in good faith with respect to the Project.

Section 7. This Resolution is subject to approval based on an investigative report with respect to the Applicant and the Company. The provisions of this Resolution shall continue to be effective for one year from the date hereof, whereupon the Agency may, at its option, terminate the effectiveness of this Resolution (except with respect to the matters contained in Section 6 hereof).

Section 8. The Agency, as lead agency, is issuing this determination pursuant to the State Environmental Quality Review Act ("SEQRA") (Article 8 of the Environmental Conservation Law) and implementing regulations contained in 6 N.Y.C.R.R. Part 617. This determination is based upon the Agency's review of information provided by the Applicant and such other information as the Agency has deemed necessary and appropriate to make this determination.

The Agency has determined that the proposed project, an unlisted action, pursuant to SEQRA and the implementing regulations, will not have a significant effect on the environment and that a Draft Environmental Impact Statement will not be prepared. The reasons supporting this determination are as follows:

1. The Project as proposed would not have significant adverse impacts on land use or the character of the surrounding community.

2. The Project as proposed would not result in significant adverse traffic, noise, or air quality impacts.
3. The Project as proposed would not result in significant adverse impacts on cultural, archaeological, architectural, or aesthetic resources or the existing neighborhood.
4. As part of the Project, any asbestos-containing material and/or lead-based paint would be handled and disposed of in accordance with local, state, and federal law and regulations. Additionally, any below-ground storage tanks would be disposed of properly in accordance with local, state, and federal law and regulations. With these in place and part of the Project, the proposal would not result in the creation of a hazard to human health.
5. No other significant effects upon the environment that would require the preparation of an Environmental Impact Statement are foreseeable.

Section 9. In connection with the Project, the Agency intends to grant the Applicant and the Company real property tax abatements, sales tax exemptions and mortgage recording tax deferrals.

Section 10. This Resolution shall take effect immediately
