Instructions

When to file

An IDA must file this form within 30 days of the date they appoint any project operator or other person as agent of the IDA, for purposes of extending any sales and use tax exemptions.

Requirements to file

The IDA must file a separate form for each person it appoints as agent, whether directly or indirectly, and regardless of whether the person is the primary project operator or agent. If the IDA authorizes a project operator or agent to appoint other persons as agent of the IDA, the operator or agent making such an appointment must advise the IDA that it has done so, so that the IDA can file a form within 30 days of the date of the new agent's appointment. The IDA should not file this form for a person hired to work on an IDA project if that person is not appointed as agent of the IDA. The IDA should not file this form if they do not extend any sales or use tax exemption benefits for the project.

If an IDA modifies a project, such as by extending it beyond its original completion date, or by increasing or decreasing the amount of sales and use tax exemption benefits authorized for the project, they must, within 30 days of the change, file a new form with the new information.

If the information on this form changes

If an IDA amends, revokes, or cancels the appointment of an agent, or if an agent's appointment becomes invalid for any reason, the IDA, within 30 days, must send a letter to the address below for filing this form, indicating that the appointment has been amended, revoked, or cancelled, or is no longer valid, and the effective date of the change. They must attach to the letter a copy of the form it originally filed. The IDA should not send a letter for a form that is not valid merely because the Completion date of project has passed.
