MINUTES OF A SPECIAL MEETING
OF THE EXECUTIVE COMMITTEE
OF
NEW YORK CITY ECONOMIC DEVELOPMENT CORPORATION
January 15, 2019

A special meeting of the Executive Committee of the Board of Directors of New York City Economic Development Corporation ("NYCEDC") was held, pursuant to notice by an Assistant Secretary, on Tuesday, January 15, 2019, at NYCEDC's offices at 110 William Street, in Conference Room 5A, New York, New York.

The following members of the Executive Committee were present:

William Floyd (by conference telephone)
James McSpirit
Carl Rodrigues (as alternate for Alicia Glen, by conference telephone)
Michael Schlein (by conference telephone)
Betty Woo (by conference telephone)

Matthew Washington, a Director of NYCEDC, and members of NYCEDC staff also were present.

The meeting was called to order at 11:02 a.m. Meredith Jones, General Counsel, Executive Vice President and Secretary of NYCEDC, served as secretary of the duly constituted meeting, at which a quorum was present. (Attached hereto as Attachment 1 is a definition sheet that contains the definitions of certain frequently used terms that may be contained in the Exhibit attached hereto.)

1. **Bedford Union Armory – Grant Agreement and Sub-Grant Agreement**

Maxwell Padden, a Vice President of NYCEDC, presented (i) a proposed agreement (the "Grant Agreement") needed for the Dormitory Authority of the State of New York ("DASNY") to provide a $15 million State and Municipal Facilities Program grant (the "SAM Grant"), and (ii) a proposed sub-grant agreement (the "Sub-Grant Agreement" and together with the Grant Agreement, the "Financing Agreements") between NYCEDC and Bedford Courts Local Development Corporation, or another affiliate or nominee of BFC Partners LLC (the "Developer"), to provide funds for the Bedford Union Armory project, which entails the partial demolition and abatement of a non-operational armory facility located at Block 1274, Lots 1, 2 and 101 in Brooklyn, and its redevelopment into an approximately 535,000 square foot ("SF") mixed-use development, on substantially the terms set forth in Exhibit A hereto.
In answer to a question from Mr. McSpiritt, Mr. Padden stated that although the SAM Grant was not a condition of the City's participation in this deal, the Developer had always counted on receiving this funding. In answer to a second question from Mr. McSpiritt, Mr. Padden stated that the parties were moving toward a closing, and that they hoped to achieve a closing before the next scheduled Executive Committee meeting. In answer to another question from Mr. McSpiritt, Mr. Padden stated that the expectation was that NYCEDC would be relieved of any liability related to the moneys.

In answer to a question from Mr. Rodrigues, Mr. Padden stated that at the direction of the State of New York (the "State"), it was requested that a City entity become the grant recipient. In answer to a question from Ms. Woo, Mr. Padden stated that the lender for the project was requiring that all discretionary approvals be in place prior to closing. Mr. Padden stated that the grant may be provided to SBS which would then provide it to NYCEDC because SBS was pre-approved as a grant recipient by DASNY.

A motion was made to authorize the matters set forth for authorization in the Proposed Resolution section of Exhibit A hereto. Such motion was seconded and unanimously approved.

2. Approvals

With respect to the item set forth above, it was understood that authorization and approval of such matter included authorization for the President and other empowered officers to execute the necessary legal instruments, and for the President and other empowered officers to take such further actions as are or were necessary, desirable or required, to implement such matter on substantially the terms described above.

3. Adjournment

There being no further business to come before the meeting, pursuant to a motion made, seconded and unanimously approved the meeting of the Executive Committee was adjourned at 11:10 a.m.

Mark Schramm
Assistant Secretary
