## Instructions

### Filing requirements

An IDA must file this form within 30 days of the date the IDA appoints any project operator or other person as agent of the IDA, for purposes of extending any sales and compensating use tax exemptions.

The IDA must file a separate form for each person it appoints as agent, whether directly or indirectly, and regardless of whether the person is the primary project operator or agent. If the IDA authorizes a project operator or agent to appoint other persons as agent of the IDA, the operator or agent making such an appointment must advise the IDA that it has done so, so that the IDA can file a form within 30 days of the date of the new agent's appointment. The IDA should not file this form for a person hired to work on an IDA project if that person is not appointed as agent of the IDA. The IDA need not file this form if the IDA does not extend any sales or use tax exemption benefits for the project.

If an IDA modifies a project, such as by extending it beyond its original completion date, or by increasing or decreasing the amount of sales and use tax exemption benefits authorized for the project, the IDA must, within 30 days of the change, file a new form with the new information.

If an IDA amends, revokes, or cancels the appointment of an agent, or if an agent's appointment becomes invalid for any reason, the IDA must, within 30 days, send a letter to the address below for filing this form, indicating that the appointment has been amended, revoked, or cancelled, or is no longer valid, and the effective date of the change. It should attach to the letter a copy of the form it originally filed. The IDA need not send a letter for a form that is not valid merely because the "Completion date of project" has passed.

**SPECIAL PROVISIONS RELATING TO STATE SALES TAX SAVINGS**  
**General Municipal Law, Section 875(1) and (3)**

“Section 875. Special provisions applicable to State sales and compensating use taxes and certain types of facilities.

1. For purposes of this Section: “State sales and use taxes” means sales and compensating use taxes and fees imposed by Article twenty-eight or twenty-eight-A of the tax law but excluding such taxes imposed in a City by Section eleven hundred seven or eleven hundred eight of such Article twenty-eight. “IDA” means an industrial development agency established by this Article or an industrial development authority created by the public authorities law. “Commissioner” means the Commissioner of taxation and finance. ...

3. (A) An IDA shall include within its resolutions and project documents establishing any project or appointing an agent or project operator for any project the terms and conditions in this subdivision, and every agent, project operator or other person or entity that shall enjoy State sales and use tax exemption benefits provided by an IDA shall agree to such terms as a condition precedent to receiving or benefiting from such State sales and use exemptions benefits.

(B) The IDA shall recover, recapture, receive, or otherwise obtain from an agent, project operator or other person or entity State sales and use exemptions benefits taken or purported to be taken by any such person to which the person is not entitled or which are in excess of the amounts authorized or which are for property or services not authorized or taken in cases where such agent or project operator, or other person or entity failed to comply with a material term or condition to use property or services in the manner required by the person’s agreement with the IDA. Such agent or project operator, or other person or entity shall cooperate with the IDA in its efforts to recover, recapture, receive, or otherwise obtain such State sales and use exemptions benefits and shall promptly pay over any such amounts to the IDA that it requests. The failure to pay over such amounts to the IDA shall be grounds for the Commissioner to assess and determine State sales and use taxes due from the person under article twenty-eight of the tax law, together with any relevant penalties and interest due on such amounts.

(C) If an IDA recovers, recaptures, receives, or otherwise obtains, any amount of State sales and use tax exemption benefits from an agent, project operator or other person or entity, the IDA shall, within thirty days of coming into possession of such amount, remit it to the Commissioner, together with such information and report that the Commissioner deems necessary to administer payment over of such amount. An IDA shall join the Commissioner as a party in any action or proceeding that the IDA commences to recover, recapture, obtain, or otherwise seek the return of, State sales and use tax exemption benefits from an agent, project operator or other person or entity.

(D) An IDA shall prepare an annual compliance report detailing its terms and conditions described in paragraph (A) of this subdivision and its activities and efforts to recover,

recapture, receive, or otherwise obtain State sales and use exemptions benefits described in paragraph (B) of this subdivision, together with such other information as the Commissioner and the Commissioner of economic development may require. The report required by this subdivision shall be filed with the Commissioner, the Director of the division of the budget, the Commissioner of economic development, the State Comptroller, the governing body of the municipality for whose benefit the agency was created, and may be included with the Annual financial statement required by paragraph (B) of subdivision one of Section eight hundred fifty-nine of this Title. Such report required by this subdivision shall be filed regardless of whether the IDA is required to file such financial statement described by such paragraph (B) of subdivision one of Section eight hundred fifty-nine. The failure to file or substantially complete the report required by this subdivision shall be deemed to be the failure to file or substantially complete the statement required by such paragraph (B) of subdivision one of such section eight hundred fifty-nine, and the consequences shall be the same as provided in paragraph (E) of subdivision one of such Section eight hundred fifty-nine.

(E) This subdivision shall apply to any amounts of State sales and use tax exemption benefits that an IDA recovers, recaptures, receives, or otherwise obtains, regardless of whether the IDA or the agent, project operator or other person or entity characterizes such benefits recovered, recaptured, received, or otherwise obtained, as a penalty or liquidated or contract damages or otherwise. The provisions of this subdivision shall also apply to any interest or penalty that the IDA imposes on any such amounts or that are imposed on such amounts by operation of law or by judicial order or otherwise. Any such amounts or payments that an IDA recovers, recaptures, receives, or otherwise obtains, together with any interest or penalties thereon, shall be deemed to be State sales and use taxes and the IDA shall receive any such amounts or payments, whether as a result of court action or otherwise, as trustee for and on account of the State.”
