General Municipal Law, Section 875(1) and (3)**

“Section 875. Special provisions applicable to State sales and compensating use taxes and certain types of facilities.

1. For purposes of this Section: “State sales and use taxes” means sales and compensating use taxes and fees imposed by Article twenty-eight or twenty-eight-A of the tax law but excluding such taxes imposed in a City by Section eleven hundred seven or eleven hundred eight of such Article twenty-eight. “IDA” means an industrial development agency established by this Article or an industrial development authority created by the public authorities law. “Commissioner” means the Commissioner of taxation and finance.

3. (A) An IDA shall include within its resolutions and project documents establishing any project or appointing an agent or project operator for any project the terms and conditions in this subdivision, and every agent, project operator or other person or entity that shall enjoy State sales and use tax exemption benefits provided by an IDA shall agree to such terms as a condition precedent to receiving or benefiting from such State sales and use exemptions benefits.

(B) The IDA shall recover, recapture, receive, or otherwise obtain from an agent, project operator or other person or entity State sales and use exemptions benefits taken or purported to be taken by any such person to which the person is not entitled or which are in excess of the amounts authorized or which are for property or services not authorized or taken in cases where such agent or project operator, or other person or entity failed to comply with a material term or condition to use property or services in the manner required by the person’s agreement with the IDA. Such agent or project operator, or other person or entity shall cooperate with the IDA in its efforts to recover, recapture, receive, or otherwise obtain such State sales and use exemptions benefits and shall promptly pay over any such amounts to the IDA that it requests. The failure to pay over such amounts to the IDA shall be grounds for the Commissioner to assess and determine State sales and use taxes due from the person under article twenty-eight of the tax law, together with any relevant penalties and interest due on such amounts.

(C) If an IDA recovers, recaptures, receives, or otherwise obtains, any amount of State sales and use tax exemption benefits from an agent, project operator or other person or entity, the IDA shall, within thirty days of coming into possession of such amount, remit it to the Commissioner, together with such information and report that the Commissioner deems necessary to administer payment over of such amount. An IDA shall join the Commissioner as a party in any action or proceeding that the IDA commences to recover, recapture, obtain, or otherwise seek the return of, State sales and use tax exemption benefits from an agent, project operator or other person or entity.

The report required by this subdivision shall be filed with the Commissioner, the Director of the division of the budget, the

Commissioner of economic development, the State Comptroller, the governing body of the municipality for whose benefit the agency was created, and may be included with the Annual financial statement required by paragraph (B) of subdivision one of Section eight hundred fifty-nine of this Title. Such report required by this subdivision shall be filed regardless of whether the IDA is required to file such financial statement described by such paragraph (B) of subdivision one of Section eight hundred fifty-nine. The failure to file or substantially complete the report required by this subdivision shall be deemed to be the failure to file or substantially complete the statement required by such paragraph (B) of subdivision one of such section eight hundred fifty-nine, and the consequences shall be the same as provided in paragraph (E) of subdivision one of such Section eight hundred fifty-nine.
